Award of a $941,100 contract to build a 10-classroom school at Peever, S.D., was announced today by the Bureau of Indian Affairs, Department of the Interior.

The contract includes a multi-purpose room, kitchen, instructional materials center and such facilities as utilities and paving.

When completed, the project will provide elementary school facilities for 300 Indian and non-Indian children in the area.

The low successful bid was by Schull Construction Co. Watertown, S.D. Eight other bids ranging to a high of $1,209,400 were received.
