For Immediate Release: May 20, 2004
Print PDF

â□□The Department of the Interior has a zero tolerance policy regarding drinking and driving by its employees. In March 2004, the Bureau of Indian Affairs strengthened its policies and procedures that govern its employeesâ□□ use of government-owned vehicles and is committed to taking additional measures to ensure that this will not happen again. The Bureau of Indian Affairs extends its deepest condolences to the families of Larry and Rita Beller and Edward and Alice Ramaekers.â□□
