Dear Sir/Madam:

Please see the enclosed formal appraisal request regarding the above-referenced legal description. I understand that the Agua Caliente Band of Cahuilla Indians (Tribe) contracted the appraisal function from the Bureau of Indian Affairs through the Indian Self-Determination process and is now responsible for administration of the appraisal function. I also understand that the Tribe may sub-contract with an outside Appraiser to facilitate and perform appraisals of individual allotted and tribally owned land on the reservation. I further understand that tribal office personnel and sub-contractors may in the performance of appraisal function duties find it necessary to obtain information contained in privileged proprietary trust records of the local Bureau of Indian Affairs, Palm Springs Agency (BIA-PSA) that is covered by provision of the Privacy Act.

Please consider this my consent for the BIA-PSA to provide the necessary privileged proprietary trust records information contained in the local BIA-PSA to tribal office personnel and sub-contractors in order that my request for an appraisal may be fulfilled.

The purpose of the requested appraisal is (please check one):
