OFFICIAL  
FILE COPY

Dear Mr. Hanson:

Thank you for your letter of July 30, 2007, to Assistant Secretary – Indian Affairs (AS-IA) Carl Artman, regarding a group known as the Tejon Indian Tribe (Tejon, Petitioner #230). The Department of the Interior (Department) referred your letter to the Office of Federal Acknowledgment (OFA) for response.

OFA assists the Department in implementing the administrative process for acknowledging that a group continues to exist as an Indian tribe. This process is regulated under Part 83 of Title 25 of the Code of Federal Regulations (25 CFR Part 83), *Procedures for Establishing that an American Indian Group Exists as an Indian Tribe* (copy enclosed). On October 27, 2000, the Department received a letter of intent from the Tejon group seeking to be acknowledged as an Indian tribe under 25 CFR Part 83, and designated the group as Petitioner #230.

In September 2006, Petitioner #230 made a presentation to the AS-IA, stated that it did not fall under the scope of 25 CFR Part 83, and requested that it be “confirmed” as an Indian tribe, or alternatively be recognized as a “Half-blood” Indian community pursuant to the Indian Reorganization Act. In effect, the group is requesting that the Department place it on the list of federally recognized Indian tribes without it being required to go through a regulatory process.

For the AS-IA, OFA is reviewing the group’s claims, arguments, copies of documentation, and letters such as yours. OFA and the Department’s Office of the Solicitor will be making their recommendations to the AS-IA for his consideration, soon. We appreciate your interest in Indian affairs and timely input.

Sincerely,

(sgd) R. Lee Fleming

Dear Assistant Secretary Artman,

I am writing to request the Bureau of Indian Affairs confirm the federally recognized status of the Tejon Indian Tribe. The Tejon Indian Tribe and its history are well known in Kern County, in part because portions of Kern County comprise the Tribe's aboriginal area. We understand even though the Department has a long history of providing services to the Tribe and held land for the benefit of the Tribe through the early 1960's, the Tribe is not presently included on the list of federally recognized tribes. We fully support the confirmation of the tribe's federal recognition, whether that is accomplished through correction of the list of federally recognized tribes or pursuant to the provisions of the Indian Reorganization Act.

As you know, Ms. Kathryn Montes Morgan is the elected chairperson of the Tejon Indian Tribe. In our meetings with tribal representatives, they have explained that federal confirmation would include placing land in Kern County into trust and declaring that land an Indian reservation. We understand that this initial parcel near Mettler, California would be used for residential purposes and that in the future the Tribe could seek to place additional land into trust for other purposes including economic development. We support establishment of a reservation for the Tribe near Mettler and look forward to working with the Tribe on any additional trust acquisitions.

Please be assured that we know of no local opposition to confirmation of the Tribe's federal recognition and establishment of a reservation. The Tribe certainly deserves as much given its difficult history. We respectfully request that the Department expeditiously confirm the Tribe's status either by correcting the list of federally recognized tribes to include the Tejon Tribe or by allowing the Tribe to organize pursuant to the Indian Reorganization Act. If you have any questions, please do not hesitate to contact me.

Sincerely,
