Liz: No need for you to reschedule your meeting. We will handle this one without you. Thank you...GTS

Thanks George. Unfortunately I have a conflict with the rescheduled time (Wednesday morning) - I'll be in Reston for a RACA team meeting/training today through Thursday. If you think it's important that I be at the Tejon meeting, let me know and I'll work with Janis to get a call-in number.

M/Liz: Today's meeting with the political team was cancelled because neither Del nor Wizi are here. Very frustrating. It will be rescheduled by Sequoyah.

Liz: You should be invited to that meeting.

M: Do you know when Heather will be back in the office?
