OFFICE OF THE SECRETARY  
Washington, D.C. 20240

OCT 07 1998

Honorable Kenneth Mallory  
Chairman  
Winnebago Tribe of Nebraska  
P.O. Box 687  
Winnebago, Nebraska 68071

Dear Chairman Mallory:

On August 24, 1998, we received the Gaming Compact between the Winnebago Tribe of Nebraska (Tribe) and the State of Iowa (State), dated August 6, 1998. We have completed our review of this Compact and conclude that it does not violate the Indian Gaming Regulatory Act of 1988 (IGRA), Federal law, or our trust responsibility. Therefore, pursuant to delegated authority and Section 11 of IGRA, we approve the Compact. The Compact shall take effect when the notice of our approval, pursuant to Section 11 (d)(3)(B) of IGRA, 25 U.S.C. § 2710(d)(3)(B), is published in the FEDERAL REGISTER.

We interpret Section 4 (16) & (17) of the Compact to allow the Tribe to engage in sports betting if the Tribe meets one of the exceptions of the Professional and Amateur Sports Protection Act, 28 U.S.C. §§ 3701-3704 (PASPA). PASPA makes it unlawful for a governmental entity, including an Indian tribe, to sponsor, operate or authorize by law or compact, gaming based on the outcome of professional and amateur sports competitions. This prohibition does not extend to parimutuel animal racing or jai-alai games. To be lawful, any prohibited sports gaming pursuant to Section 4 (16) & (17) of the Compact must come within one of the two exceptions in PASPA which are applicable to Indian tribes.

Under the first exception, the general prohibition does not apply to a State or other governmental entity, including an Indian tribe, to the extent that the sports gaming activity was conducted by that State or other governmental entity between January 1, 1976 and August 31, 1990. The second exception establishes two criteria which must be met to authorize an otherwise prohibited

sports betting activity within a State or governmental entity: (1) the activity must actually have been authorized by a statute in effect on October 2, 1991; and (2) the activity must actually have been conducted at some point between September 1, 1989 and October 2, 1991 pursuant to the law of that State or other governmental entity. We are not, however, in a position to verify the factual basis for establishing whether the Tribe comes within one of the two exceptions described above. Therefore, we express no opinion on the matter.

We wish the Tribe and the State success in their economic venture.

Sincerely,

/s/ Kevin Gover

gambling related offense, an offense involving fraud, misrepresentation or deception, a drug related offense or any felony. If a conviction for any of these offenses occurred more than ten (10) years prior to the date of the application, the Commission may issue a license if the Commission determines that sufficient evidence of rehabilitation exists. (c) Applicants must not have been deemed ineligible to participate in gaming regulated by the State of Iowa.

(d) Applicants must not be employed in any part-time or full-time employment with a government or private employer in any capacity which would create a conflict of interest between the applicant's employment and the interests and objectives of the licensed employment.

(g) The applicant must agree to comply with the Regulations, Gaming Ordinance, this Compact and with all other applicable laws.

(h) The license shall be nontransferable and shall prohibit the licensee from transferring any of its rights or duties relating to the license either directly or indirectly.

The Commission shall revoke an existing license upon the happening of any event which would have made the licensee ineligible for a license if the event had occurred prior to the issuance of a license.

Prior to issuing a license the Commission shall cause a background investigation to be conducted on applicants to verify the truthfulness of the information provided by the applicant to the Commission and to ensure that persons and entities licensed by the Commission are eligible for licensure. However, temporary licenses may be issued pending background investigations for a period of up to six (6) months for occupations other than for Management Contractors. A Management Contractor may receive a temporary license for a period of up to six (6) months provided that the Management Contractor is licensed in a capacity substantially similar to the position of a Management Contractor by the states of Nevada, New Jersey or

Background investigations may be performed by the Federal Bureau of Investigation or by another entity mutually agreeable to the Tribe and the Director.

If a Management Contractor is used by the Tribe the Commission shall cause a thorough background investigation of the Management Contractor to be conducted prior to licensing by the Commission unless the Management Contractor is eligible for a limited temporary license as described above. Management Contractor background investigations shall be conducted on each person or entity having a direct financial interest in or management responsibility for the contract with the Tribe, and in the case of a corporation, on those individuals who serve on the board of directors of the corporation or any parent or subsidiary company of the corporation, or as officers of the corporation or any parent or subsidiary company of the corporation and all stockholders who directly or indirectly own five (5) percent or more of the issued and outstanding stock of the corporation or any parent or subsidiary company of the corporation. Management Contractor background investigations shall also be conducted on any subcontractor, assignee or transferee of a Management Contractor which is approved as required by Section 8 of this Compact. For purposes of determining the identities of the individuals to be investigated, any subcontractor, assignee or transferee of a Management Contractor shall be considered to be a Management Contractor. The Commission shall not approve a gambling device unless the tests conducted indicate that the device meets the following minimum standards or unless an identical gambling device is currently approved for use by the Iowa Racing and Gaming Commission. size of the ante bet. If a player folds, the player places his or her cards face down. A player that folds loses his or her ante. When all play decisions have been made the dealer shows his hand. The dealer must have at least an Ace/King hand to compete against the call bets, anything less and he does not qualify and his hand is folded. If the dealer does not have an Ace/King or higher ranked hand, the ante bets of the active players are paid but the call bets are not. If the dealer has an Ace/King or higher ranked hand and the dealer's hand is ranked higher than the player's hand, the dealer wins and the player loses both bets, the ante and the call bet. - b. If a Commission chooses to have the cards dealt from an automated shuffling device, the following requirements shall be observed:
  - (i) The cards shall be placed in the automated card shuffler.
  - (ii) The dealer shall then announce, "No more bets," prior to the shoe dispensing any stacks of cards.
  
- c. The dealer shall deliver the first stack of cards dispensed by the automated shuffling device to the player farthest to his or her left. As the remaining stacks are dispensed to the dealer by the automated shuffling device, the dealer shall deliver a stack in turn to each of the other players, including the dealer, moving clockwise around the table. The dealer shall deliver each stack face down. The stack given to the dealer shall be delivered as follows:
  - (i) The stack shall be placed to the right of the area designated for placement of community cards.
  - (ii) The dealer will then slide the top card (face down) over to the left rectangle, then the next card over to the right rectangle.
  - (iii) The remaining third card (the bottom card of the stack), shall be "burned" by placing it into the discard rack, without the dealer exposing it.
  
- d. After all stacks of three (3) cards have been dispensed and delivered to each player and the dealer, the dealer shall unload the remaining cards in the automatic shuffling device and place them into the discard rack without exposing the cards.
  
- e. The automated shuffling device contains a feature which counts each card in the deck and indicates whether or not fifty two (52) cards are contained therein. The dealer shall observe the device to ensure there is an accurate count.

- (11) Procedures for Completion of each Round of play:
- a. Each player who wagers at Let it Ride shall be responsible for his or her own hand and no other person other than the player or the dealer may touch the cards of that player. Each player shall be required to keep the cards in full view of the dealer at all times.
  - b. After each player has examined his/her cards, the dealer shall, beginning from his or her left and moving clockwise around the table, ask each player if he or she wishes to withdraw Bet number 1 or Let It Ride.
    - (i) If a player chooses to let Bet number 1 ride, that bet must stay until the end of the round of play.
    - (ii) If a player chooses to withdraw Bet number 1, the dealer shall move the gaming chips on the betting area designated for Bet number 1 toward the player who shall then immediately remove the gaming chips from the betting area.
  - c. After each player has made a decision regarding Bet number 1, the dealer then turns over the card in the left rectangle of the area designated for placement of community cards. This card shall become the first community card.
  - d. After the first community card is exposed, the dealer shall, beginning from his or her left and moving clockwise around the table, ask each player if he or she wishes to withdraw Bet number 2 or Let It Ride. This decision shall be made regardless of the decision made for Bet number 1.
    - (i) If a player chooses to let Bet number 2 ride, that bet must stay until the end of the round of play.
    - (ii) If a player chooses to withdraw Bet number 2, the dealer shall move the gaming chips on the betting area

designated for Bet number 2 toward the player who shall then immediately remove the gaming chips from the betting area.

- (iii) Once a determination is made on Bet number 2, each player places his/her three cards face down under the third wager.
- e. The dealer shall then turn over the card located in the right rectangle of the area designated for placement of community cards. This card shall become the second community card.
- f. The two (2) community cards shall be used by each player in conjunction with their three (3) cards to complete a five card hand.
- g. After the second community card is turned face up, the dealer shall, beginning with the player to his or her right and continuing counterclockwise around the table, turn the player's three (3) cards face up. The dealer shall then resolve each hand by examining each player's cards, in combination with the two (2) community cards to determine if the player's hand is a winning or losing hand. In order to qualify for a payout, a player's hand must contain a pair of tens or better.
- h. The dealer shall then pick and pay or lay and pay depending on casino procedures. All losing wagers shall be collected by the dealer and placed in the table inventory container.
- i. Each winning wager shall be paid in accordance with the payout odds listed on the table layout or as displayed at the table.
- j. The dealer shall then collect the cards of all players and the community cards and place them in the discard rack together with the remaining cards in the deck used for that round of play.

- c. Notwithstanding the payout odds in (2) above and subject to gaming regulations, the Commission may establish a maximum aggregate amount that is payable per round or hand. It remains the Commission's sole responsibility to post a sign at each Let It Ride table explaining the details and the ramifications of the aggregate win limit.

(13) Irregularities:

- a. A card that is found face up in the shoe or the deck while the cards are being dealt shall not be used in the game and shall be placed in the discard rack. If more than one card is found face up in the shoe or the deck during the dealing of the cards, all hands shall be void and the cards shall be reshuffled.

- b. If any player or the area designated for the placement of the community cards is dealt an incorrect number of cards, all hands shall be void and the cards shall be reshuffled.
  - c. If the automatic card shuffling device jams, stops shuffling during a shuffle, or fails to deal all cards during a round of play, the floor supervisor shall address the problem according to established procedures and the cards shall be shuffled in accordance with procedures approved by the gaming authority.
  - d. If there is an incorrect number of cards in the deck, all hands will be void and the deck shall be removed from play and replaced with a new deck of cards according to established procedures.
- (j) Monte (Spanish monte and monte bank.)
- (1) Rules, shuffling, dealing and cutting procedures and payout odds: Proposals for rules, shuffling, dealing and cutting procedures and payout odds shall be submitted in writing by the Operator and approved by the Commission prior to conducting any game of monte.   - (3) Wagers: Each player shall be responsible for the correct positioning of their wager or wagers on the monte layout regardless of whether they are assisted by the dealer. State of Iowa Gaming Compact

- (4) Altering wagers. Once a wager is placed, no player shall remove or alter such wager until a decision has been rendered and implemented with respect to that wager. No dealer, Operator, person or casino employee shall permit any player to engage in conduct in violation of this rule. Each wager shall be settled strictly in accordance with its position on the layout when the decision is rendered.

(k) Pari-mutuel wagering on simulcast horse or dog racing: The Operator shall receive wagers of money only from a person present at the location showing the simulcast transmission. Such wagers shall only be received on a horse or dog in a race selected by a person making the wager to finish first in the race. The person wagering shall acquire an interest in the total money wagered on all horses or dogs in the race as first winners in proportion to the amount of money wagered by the person.

The Operator shall issue to each person wagering a certificate on which shall be shown the number of the race the amount wagered and the number or name of the horse or dog selected as the first winner.

As each race is won the Operator shall deduct sixteen (16) percent from the total sum wagered on all horses or dogs as first winners. The balance after deducting breakage (up to 10 cents on one (1) dollar) shall be paid to the holders of certificates on horses or dogs in the proportion that the amount wagered by each certificate holder bears to the total amount wagered on all horses. The Operator may likewise receive other wagers on horses or dogs that the Commission may authorize. The method, procedure and the authority and right of the Operator, as well as the deduction allowed to the Operator, shall be as specified with respect to wagers upon horses or dogs selected to run first. However, the Commission may authorize the Operator to deduct a higher percentage of the total sum wagered not to exceed twenty (20) percent on multiple or exotic wagering involving more than one (1) horse or dog.

(l) Sports Betting Pools: The maximum wager on a Sports Betting Pool shall be six (6) dollars and the maximum win on a Sports Betting Pool to all participants shall not exceed five hundred (500) dollars. All money wagered in the pool shall be awarded to participants. No person, including the Tribe and the operator, may receive or have any fixed or contingent right to receive, directly or indirectly, any amount wagered or bet or any portion of any amounts wagered or bet, except an amount which the person wins as a participant while playing on the same basis as every other participant. No person may participate in the Sports Betting Pool as the agent of another person. The betting or wagering must be incidental to a bona fide social relationship between all participants in the betting. No person, including the Tribe and the operator, may receive or have any fixed or contingent right to receive, directly or indirectly, any amount wagered or bet or any portion of any amounts wagered or bet, except an amount which the person wins as a participant while playing on the same basis as every other participant. No person may participate in the Sports Betting as the agent of another person. No person may participate in Sports Betting, including Parlay Card wagering, if the athletic event or contest is authorized or sponsored by one or more schools, educational institutions, or interscholastic athletic organizations if the person is a coach, official, player or contestant in the athletic event or contest. No cover charge, participation charge or other charge may be imposed upon a person for the privilege of participating in or observing gambling, and no rebate, discount, credit or other method may be used to discriminate between the charge for the sale of goods or services to participants in gambling and the charge for the sale of goods or services to nonparticipants. No participant may win or lose more than a total of fifty (50) dollars or other consideration equivalent thereto on Sports Betting at any time during any period of twenty-four (24) consecutive hours. A person wins the total amount at stake in any game, wager or bet regardless of any amount that person may have contributed to the amount at stake.

**SECTION 15. Audits, Inspections and Facility and Records Access.** The Tribe shall cause an independent certified public accountant approved by the Director to audit the books, records and gaming and cash procedures and equipment of all Authorized Class III Gaming activities at least once in each fiscal year. The Tribe and the Director shall mutually agree on the scope of the audits to be conducted by the auditor. At a minimum the audit shall include the review of all records necessary to determine whether authorized gaming is being conducted in conformance with this Compact, the Gaming Ordinance, the Regulations and other applicable laws and equipment testing and an audit of casino procedures as necessary to ensure that equipment and casino personnel function as required by this Compact, the Ordinance and the Regulations. All audits shall be conducted pursuant to the AICPA standards for audits of casinos when applicable. The Director may attend the entrance and exit conference between the Tribe and the auditors and shall be provided copies of the audits, including any audit notes, within fifteen (15) days of receipt.

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact  
August 6, 1998

In the event that the Director has probable cause to believe that there is a violation of this Compact, the Gaming Ordinance, the Regulations or other applicable laws, the Director may conduct additional audits or the Director may notify the Tribal Gaming Commission and request that the Commission obtain additional audits of the books, records, equipment and procedures of any authorized gaming operation, including the records of any Management Contractor and the records of the Tribal Gaming Commission and the Tribe to ensure compliance with this Compact, the Gaming Ordinance, the Regulations and other applicable laws. If the Director has probable cause to believe a violation has occurred, requests an additional audit by the Commission and the Commission refuses to conduct such an audit, the Director may conduct such an audit and bill the Tribe for the costs associated with such additional audits up to the amount of \$30,000 in any single fiscal year. The Tribe shall, within seventy (70) days from receipt of an itemized statement from the State, reimburse the State for the actual cost of such audits. The State shall provide copies of audits conducted by the State to the Commission provided that provision of such audits would not compromise any law enforcement activities or violate any applicable law.

Authorities of the State may also make routine facility inspections of any Class III Gaming facilities which may include equipment testing and casino surveillance.

The authorities of the State shall provide the Commission with reasonable, advance notice of their intent to enter a gaming facility to conduct all routine facility inspections prior to their arrival. The Commission shall not, however, communicate the State's intent to conduct a routine facility inspection to any person or entity other than Commission members prior to the State's actual arrival at the facility.

The State shall also notify the Commission of its intent to conduct an audit based on probable cause unless the State reasonably believes that such notice might compromise its audit or other law enforcement activities of the State. In the event that the State notifies the Commission that an audit is to be conducted based on probable cause or requests that the Commission conduct such an audit, the Commission shall not communicate the State's request for an audit or the State's intent to conduct an audit to any person or entity other than Commission members or the selected auditor prior to the audit.

Subject to the notice requirements of this Section, the authorities of the State may enter upon the premises of any Class III Gaming facility at any time during normal business hours for the purpose of conducting inspections and audits. Audits and inspections shall be conducted by the State in such a manner as to minimize any disruption to the normal business of the gaming facility. Upon the reasonable request of the State, the Commission shall

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact  
August 6, 1998

provide the State with access to all areas of their Class III Gaming facilities and their records and equipment and shall ensure that all licensees make their records and facilities available to the State. The Commission shall ensure that information requested by the State is provided by all persons possessing the requested information and that a suitable office is provided in which the State may review records and inspect equipment. The Tribe agrees that the State may copy, remove from the premises and retain copies of materials and documents related to Class III Gaming. Equipment may be removed from the premises for a reasonable time to facilitate examination and testing.

The requirements and limitations of this Section 15 shall not be construed as applicable to any law enforcement activities of the State or the Tribe.

Throughout the term of this Compact and during the pendency of any litigation arising from this Compact, and for one (1) year following the termination of this Compact, the Tribe shall ensure that all books and records relating to Authorized Class III Gaming activities, including the records of any Management Contractor, the Tribe and the Tribal Gaming Commission are separately maintained in order to facilitate auditing of these books and records to ensure compliance with this Compact. All records shall be maintained pursuant to generally accepted accounting principles and shall be suitable for audit pursuant to the standards of the American Institute of Certified Public Accountants.

SECTION 16. Tribe's Access to State Records. The Tribe shall have the right to inspect and copy all records received by the State from the Tribe or the Commission concerning Authorized Class III Gaming by the Tribe provided that inspection and copying by the Tribe would not violate any applicable law or compromise any ongoing law enforcement investigations or activities.

SECTION 17. Documents Provided By The Tribe To The State. The Tribe shall provide the Director with a copy of any information related to Authorized Class III Gaming on Tribal Lands which is requested by the Director or shall make such information available to the Director for on-site inspection. In addition, the Tribe shall routinely provide the Director with a copy of its current Gaming Ordinance, its Regulations, all subsequent amendments to the Gaming Ordinance and the Regulations, a copy of all independent audit reports of Authorized Class III Gaming activities with any audit notes, a copy of the results of all equipment or program tests, all Management Contracts and all contracts or leases for gaming equipment or services. The Tribe shall routinely provide the DCI with a copy of all background applications and the results of all background investigations, with information concerning any suspected or proven violations of the terms of this Compact, the Gaming Ordinance, the

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact  
August 6, 1998

Regulations or other applicable laws and with information describing the steps taken by the Tribe or the Commission to remedy such violations.

All copies shall be provided by the Tribe as soon as is reasonably practical but no later than ten (10) calendar days after the documents are received by the Tribe or the Commission.

SECTION 18. Gaming Conducted Solely on Winnebago Lands. Except as indicated in the following paragraph, all authorized Class III Gaming shall be conducted solely on Tribal Lands as defined in this Compact. Authorized Class III Gaming is conducted solely on Tribal Lands only if all consideration wagered is placed by players physically located on Tribal Lands at the time the wager is made, all activities performed by the player to participate in the game physically occur on Tribal Lands, and all activities related to determining and validating winners occur on Tribal Lands. The activities prohibited by this Section, include, without limitation, placing bets, placing wagers, or playing games by telephone, by mail, by internet, or by any other means of communication unless communications both originate and terminate on Tribal Lands and unless communication is sent from an address on Tribal Lands to an address on Tribal Lands. Winners may receive prize winnings outside the boundaries of Tribal Lands without violating this provision.

Nothing in this Section 18 shall prevent the Tribe from conducting inter-reservation Class III Gaming by means of telecommunications, satellite or technologic or computer enhancement provided that the inter-reservation gaming conforms to the requirements of federal law including the Act, this Compact, to the laws, and rules and regulations of all Tribes involved in the gaming and to the terms of an effective tribal/state compact which governs the gaming activities of each tribe participating in the gaming. Inter-reservation gaming must, however, be conducted solely on "Indian lands" (as that term is currently defined in Section 4(4) of the Act, 25 U.S.C. § 2703(4), and as that term is limited by Section 20 of the Act, 25 U.S.C. § 2719) which belong to one of the participating tribes.

SECTION 19. Changes in Iowa Law. Nothing in this Compact shall be construed as prohibiting any change in the laws of Iowa which may restrict, diminish, or otherwise amend or affect the Tribe's rights pursuant to this Compact. The terms of this Compact are specifically made subject to such changes but only to the extent that applicable federal statutes, regulations or common law impose the restrictions of state law on tribal gaming operations.

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact  
August 6, 1998

SECTION 20. - Division of Criminal and Civil Jurisdiction Over Activities Related to Class III Gaming and Class III Gaming Facilities.

20.1 Division of Criminal and Civil Jurisdiction: Except for the criminal prosecution of persons who are not Tribal Citizens, the Tribe shall exercise complete civil and criminal jurisdiction over players of authorized gaming, licensees and all other persons or entities whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Winnebago Lands and over all property related to Class III Gaming activities on Winnebago Lands. The Tribe shall be responsible for addressing and solving all law enforcement problems arising from its Class III Gaming activities.

Whenever the Tribe has reason to believe that any person or entity has violated this Compact, the Regulations, the Gaming Ordinance or other law applicable to a Class III Gaming activity, the Tribe shall request that law enforcement authorities of the Tribe and the United States investigate the violation. The Tribe shall take all reasonable steps to ensure that all violations are detected and appropriately prosecuted by the Tribe or the United States Attorney.

Except for the criminal prosecution of Tribal Citizens, the State shall exercise complete civil and criminal jurisdiction over all players of authorized gaming, all licensees and all other persons or entities whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Winnebago Lands, and all property which is related to any authorized or unauthorized Class III Gaming activities on Winnebago Lands, for the purposes of administering, monitoring, auditing, investigating, enforcing and prosecuting violations of this Compact, the Regulations, the Gaming Ordinance and other laws applicable to Class III Gaming activities. In furtherance of an exercise of its jurisdiction, the State may take any action on Winnebago Land which would be lawful elsewhere in the State of Iowa.

20.2 Prosecution of Offenses by Iowa and the Tribe: The State of Iowa shall have jurisdiction to commence proceedings to remedy the violation of any applicable civil law or regulatory requirement, not inconsistent with this Compact, arising out of any investigation conducted by any governmental authority of any sovereign. The State of Iowa shall have jurisdiction to commence prosecutions for violation of any applicable criminal law arising out of any investigation conducted by any governmental authority provided that the subject of such criminal prosecution is not a Tribal Citizen.

The Tribe shall have jurisdiction to commence proceedings to remedy the violation of

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact  
August 6, 1998

any applicable-civil law or regulatory requirement, not inconsistent with this Compact, arising out of any investigation conducted by any governmental authority of any sovereign. The Tribe shall have jurisdiction to commence prosecutions for violation of any applicable criminal law arising out of any investigation conducted by any governmental authority provided that the subject of such criminal prosecution is a Tribal Citizen. If the subject of a criminal prosecution is not a Tribal Citizen, the Tribe shall request that the offender be prosecuted by the United States.

20.3 Concurrent Jurisdiction: If exercised, Iowa's jurisdiction shall be exercised concurrently with, but independently of, the civil and criminal jurisdiction over such activities, property, persons, and entities held by the Tribe and the United States.

20.4 Exercise of Jurisdiction at Discretion of Iowa: The jurisdiction held by Iowa does not obligate Iowa to take any action on Indian Lands pursuant to its jurisdiction. The jurisdiction held by Iowa shall not be construed as creating an obligation between Iowa and the Tribe or between Iowa and any third party which would require Iowa to exercise its jurisdiction on Indian Lands.

20.5 Cross-Deputization Agreements: Iowa or the Tribe may enter into cross-deputization or similar agreements with each other or with agencies of the United States to facilitate law enforcement activities on Indian Lands.

20.6 Transfer to Appropriate Sovereign: Both the Tribe and Iowa and their respective agencies and instrumentalities shall have the power to arrest on Winnebago Land in Iowa and to detain any person whatsoever for any suspected violation of this Compact, or any law, rule, or regulation of any governmental authority respecting gaming on Winnebago Lands. Upon identification of the appropriate authority under this Compact for the prosecution of such suspected offense, the arresting governmental sovereign shall release such detained person to the custody of the sovereign or sovereigns which are empowered to prosecute the suspected offender under this Compact, applicable law, rule or regulation.

20.7 Cross-deputization Agreements: If the Tribe and the State enter into a cross-deputization agreement which conflicts with the terms of this Compact, the Tribe and the State shall simultaneously execute an amendment to this Compact.

**SECTION 21. Confidentiality of Records and Information Provided by the Tribe to the State.** With the following exceptions, the State shall maintain records provided by the Tribe which relate to this Compact as confidential records. The Tribe shall mark all records provided as

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact

confidential prior to submission to the State. Nothing in this paragraph, however, shall prevent the State from sharing any material or documents provided by the Tribe to the State among any subdivisions of the State of Iowa, with the National Indian Gaming Commission, or with law enforcement or regulatory authorities of the federal government or another state. In addition, all information and records provided may be disclosed as necessary to audit, investigate, or prosecute violations of this Compact or the laws and regulations applicable to Class III Gaming on Winnebago Lands. The State may disclose to the public any audit or inspection results which demonstrate that gaming is not conducted in a manner which is safe for and fair to gaming participants. This executed Compact may be disclosed by the State. Nothing in this Compact shall be construed as preventing the State from complying with a subpoena or court order requiring the release of information provided by the Tribe.

The terms of this Section apply only to information provided to the State by the Tribe or obtained by the State through audits or facility inspections authorized by this Compact. These restrictions have no applicability to information received by the State from any other party or in any other way.

SECTION 22. Most Favored Nation Clause. Subject to the following limitations and exceptions, the State shall not enter into a compact with any other Tribe, while this Compact is in effect, which contains wager and loss limits higher than the wager and loss limits specified in this Compact without offering the higher wager and loss limits to the Tribe under terms substantially similar to those offered to the other Tribe. This Section shall not apply if the compact subsequently signed by the State is signed following a determination by a judge or other official that the State negotiated with the other tribe in bad faith, following an order from a judge or other official indicating that the State must agree to a specific compact or lose its ability to enter into a compact with a tribe or following an order of a judge or official which otherwise restricts the State's ability to negotiate freely with a tribe.

SECTION 23. Taxes. Nothing in this Compact shall be construed as imposing any tax on the Tribe's Authorized Class III Gaming activities.

The Tribe agrees to collect Iowa sales and/or use taxes that Iowa has the lawful authority to impose on transactions made to non-Indians. The Tribe agrees to continue to withhold Iowa income taxes for all persons subject to Iowa income tax who are employed by the Tribe at the Gaming Facility and to withhold Iowa income taxes that Iowa has the lawful authority to impose on all gaming winnings of non-Indians. The Tribe shall promptly remit all monies collected on behalf of the State of Iowa to the Iowa Department of Revenue.

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact  
August 6, 1998

During the term of this Compact, the Tribe agrees, as a matter of administrative convenience, to be registered with the Iowa Department of Revenue for withholding income tax and for sales tax purposes and shall have Iowa identification number(s) in order to facilitate collection and remittal of the taxes collected by the Tribe on behalf of the State. Iowa tax withheld shall be submitted to the Iowa Department of Revenue on a quarterly basis.

In addition, nothing in this Compact shall be construed as expanding or diminishing the State's authority, if any, to impose any tax on the Tribe or any person or entity authorized by the Tribe to engage in Authorized Class III Gaming on Tribal Lands or on any Class III Gaming activity.

SECTION 24. Amendments and Waivers. The terms and conditions of this Compact shall not be modified, amended or otherwise altered except by written agreement of the parties and approval by the Secretary. The Director may waive the requirements of this Compact which are imposed by the State by providing the Tribe with written notice of the waiver. Any waiver provided by the Director shall not constitute a waiver of any future deviation from the terms of this Compact unless the waiver specifically addresses future deviations.

SECTION 25. Breach Of This Agreement By Tribe And Dispute Resolution. In the event that the Tribe fails to comply with any material term of this Compact, the Department may suspend this Compact in whole or in part, terminate this Compact in its entirety, and/or seek any other remedy authorized by law. In the event of termination or suspension, gaming activities previously conducted pursuant to this Compact shall cease. All remedies provided in this Compact are cumulative and nonexclusive.

Prior to suspending or terminating this Compact or seeking any other remedy authorized by law, the Director shall deliver a written notice to the Tribe which identifies the conduct which violates this Compact, describes the steps which must be taken to cure any default, if a cure is possible, and which specifies the date on which the notice period will end. The notice must precede remedial action taken by the State by a minimum of thirty (30) calendar days, provided, however, that if the Tribe notified the Director within such period that the alleged default is not reasonably susceptible to cure within such thirty (30) day period, the Director may agree to an extension of the period in which the default may be cured. If the default is not cured or cannot be cured by expiration of the notice period, the Director may immediately suspend or terminate this Compact and/or seek any other remedy authorized by law without further notice.

SECTION 26. : Breach Of This Agreement By The State And Dispute Resolution. In the event that the State fails to comply with any material term of this Compact, the Tribe may seek any remedy authorized by law.

Prior to seeking any such remedy the Tribe shall deliver a written notice to the Director which identifies the conduct which violates this Compact, describes the steps which must be taken to cure any default, if a cure is possible, and which specifies the date on which the notice period will end. The notice must precede remedial action taken by the Tribe by a minimum of twenty (20) calendar days. If the default is not cured or cannot be cured by expiration of the notice period, the Tribe may immediately seek any available remedy without further notice.

SECTION 27. Rights Available Under Act. Nothing in this Compact shall be construed to limit the rights or remedies available to the parties under the Act.

SECTION 28. Tribal And State Sovereignty.

(a) Neither the State nor the Tribe waive their sovereign immunity, under either state or federal law, by entering into this Compact and no provision of this Compact is intended to constitute a waiver of State or Tribal sovereign immunity.

(b) This Compact does not alter any waiver of either State or Tribal immunity which may have been effectuated by Congress in passing the Act. This Compact in no way limits the application of 25 U.S.C.A. sec. 2710(d)(7)(A)(ii) [Supp. 1998] which provides an enforcement mechanism for violation of this Compact.

(c) In addition to the enforcement mechanism under subsection (b), both the State and the Tribe agree that suit to enforce any provision of this Compact may be brought in federal court by either the State or the Tribe against any official or employee of either the State or the Tribe. Said suit may be brought for any violation of the terms of this Compact or violation of any applicable state or federal law. Relief in said suit shall be limited to prospective declaratory or injunctive relief. An allegation that an official or employee violated this Compact shall be deemed as an allegation that said official or employee is acting in excess of his/her authority for purposes of jurisdiction only. The State and the Tribe will bear their own costs of litigation for any action to enforce this Compact, including but not limited to, attorneys' fees.

(d) These enforcement provisions are an essential part of this Compact, and if they

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact

are found to violate the sovereign immunity of either the State or the Tribe or should the courts otherwise determine they lack jurisdiction to enforce the Compact, the parties will immediately resume negotiations to create a new enforcement mechanism.

SECTION 29. Alternate Remedies. Nothing in this Compact, shall be construed to preclude, limit or restrict the ability of the parties to pursue, by mutual agreement, alternative methods of dispute resolution, including but not limited to mediation or arbitration; provided that neither party is under any obligation to agree to such alternative method of dispute resolution.

SECTION 30. Effective Date. This Compact shall be effective upon signature by both parties, approval by the Secretary and publication by the Secretary in the Federal Register in accordance with the Act.

SECTION 31. Renegotiation and Duration. Unless earlier terminated pursuant to this Compact, this Compact shall remain effective through December 31, 2006, and shall renew automatically for successive eight (8) year terms unless either party gives notice of intent to renegotiate at least 12 months, but not more than 18 months, prior to the scheduled expiration of the existing term. The notice to renegotiate shall be in writing and shall describe the issues to be reconsidered. Negotiations conducted pursuant to the notice shall be conducted in good faith by both parties. If a notice to renegotiate is issued by either party, this Compact will automatically terminate at the conclusion of the existing term unless the parties have mutually agreed to extend this Compact on terms acceptable to both parties.

SECTION 32. Automatic Termination. This Compact shall automatically terminate if the Tribe passes an ordinance or series of ordinances which result in discontinuing all Authorized Class III Gaming for a period of at least (1) year or if the Tribe ceases to operate all gaming covered by this Compact for a period of one (1) year. Nothing in this Compact shall be interpreted as preventing the Tribe from terminating any gaming activity conducted pursuant to this Compact at any time.

SECTION 33. Notices. All notices required or authorized to be served shall be served by first class, certified or registered mail at the following addresses:

Chairman  
Winnebago Tribe of Nebraska  
Winnebago, Nebraska 68071

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact  
August 6, 1998

Director of the Department of Inspections and Appeals  
Lucas State Office Building  
Des Moines, Iowa 50319

Either party may change the person and address to which notice is to be sent by providing the other party with written notification of the change.

SECTION 34. No Separate Entity Or Cooperative Relationship. This Compact is not intended to create any separate administrative or legal entity. Nothing in this Compact shall be construed as creating a partnership, joint venture, or other joint or cooperative relationship between the State and the Tribe for the purposes of conducting or regulating Authorized Class III Gaming activities. The Tribe shall not represent to others that the gaming conducted by or on behalf of the Tribe is licensed or endorsed by the State or any subdivision of the State.

SECTION 35. Assignment. The Tribe shall not assign this Compact or any of its rights and obligations under this Compact to any other person or entity without the prior written consent of the Director. Any such transfer without the prior written consent of the Director shall be null and void. This Section does not prohibit the Tribe from entering into a Management Contract which meets the requirements of this Compact or entering into a cross-deputization agreement, mutual assistance agreement or other similar agreement with a law enforcement agency of the United States, the State of Iowa, municipalities of the State of Iowa or counties in the State of Iowa.

SECTION 36. No Third Party Beneficiaries. This Compact is intended to benefit only the State and the Tribe and is not for the benefit of any third party.

SECTION 37. Choice of Law and Forum. This Compact shall be governed by the laws of the Tribe, the United States and the State of Iowa. Any action brought to enforce this Compact shall be brought in Federal District Court for the Northern District of Iowa if jurisdiction and venue are proper in this court. The choice of venue by the parties shall not be construed as a waiver of any immunity which either party may have.

SECTION 38. Integration. This Compact constitutes the entire agreement between the parties. Neither party is relying on any prior or other written or oral representation in entering into this Compact.

SECTION 39. Severability. The parties acknowledge that this Compact is valid only to the extent to which it conforms with applicable state and federal laws. If any part of this

Winnebago Tribe of Nebraska and the  
State of Iowa Gaming Compact  
August 6, 1998

Compact is finally found to be in violation of any applicable law by a court of competent jurisdiction, the illegal portion shall be severed from this Compact if possible and the remainder of this Compact shall remain valid and enforceable for a period of sixty (60) days following the judgment date. Upon expiration of the sixty (60) day period, this Compact shall automatically terminate unless the parties have previously mutually agreed to the continuation of this Compact as modified by the judgment.

SECTION 40. Monitoring Fee. The Tribe shall remit, no later than October 30, 1999, and thereafter annually during the term of this Compact, to the Iowa Department of Inspections and Appeals for the purpose of monitoring Indian gaming according to standards determined by the Director, the sum of \$30,000.00, increased each year by a percentage equal to the percentage change in the Consumer Price Index as reported by the Bureau of Labor Statistics for the previous twelve months

It is the intent of the Director to negotiate monitoring fees from all other Tribes operating Class III Gaming facilities on Indian Land in the State of Iowa as each tribal compact comes up for renewal. If any tribal-state compact subsequently entered into or extended or renewed by the State with any other Indian Tribe for a term longer than five years provides a monitoring fee of less than the amount due under this Section, this Section shall be subject to renegotiation upon written notice to the Director by the Tribe. During any such renegotiation period, the obligation of the Tribe to tender any sums due under this Section, that exceed the amount paid by other tribes, shall be suspended. The renegotiation of this Section pursuant to this provision shall have no effect on any other Section of this Compact, and all other provisions and terms of this Compact shall remain valid and have full force and effect.

SECTION 41. Employee Protection. Both the Tribe and the State acknowledge that the Tribe has offered and expects to continue to offer unemployment and worker's compensation protection to all its Gaming Facility employees under the State's legal framework. Accordingly, with respect to all those employed at the Gaming Facility, the Tribe agrees that as long as it participates within the State's unemployment and worker's compensation framework it will comply with applicable regulatory, administrative, and legal processes. Further, the Tribe agrees that as long as it participates within the State's unemployment and worker's compensation framework it will remit all fees or monies due under that framework. Prior to employment, the Tribe will inform the prospective employee of that person's right to unemployment and worker's compensation protection. Should the Tribe discontinue offering these employee protections to its Gaming Facility employees the Tribe shall notify the Director in writing thirty (30) days prior to discontinuance.

SECTION 42. Revocation of Previous Compacts. The Tribe and the State declare this Compact, once signed by the parties, approved by the Secretary and noticed in the Federal Register in accordance with the Act, to be the current Compact governing Class III gaming on Indian lands of the Winnebago Tribe of Nebraska in Iowa and hereby revoke all former gaming compacts between the parties on the date this Compact becomes effective.

SECTION 43. Execution. In Witness Whereof, the Winnebago Tribe of Nebraska and the State of Iowa have hereunto set their hands and seals to three original compacts, with one for each party and one for the Secretary.
