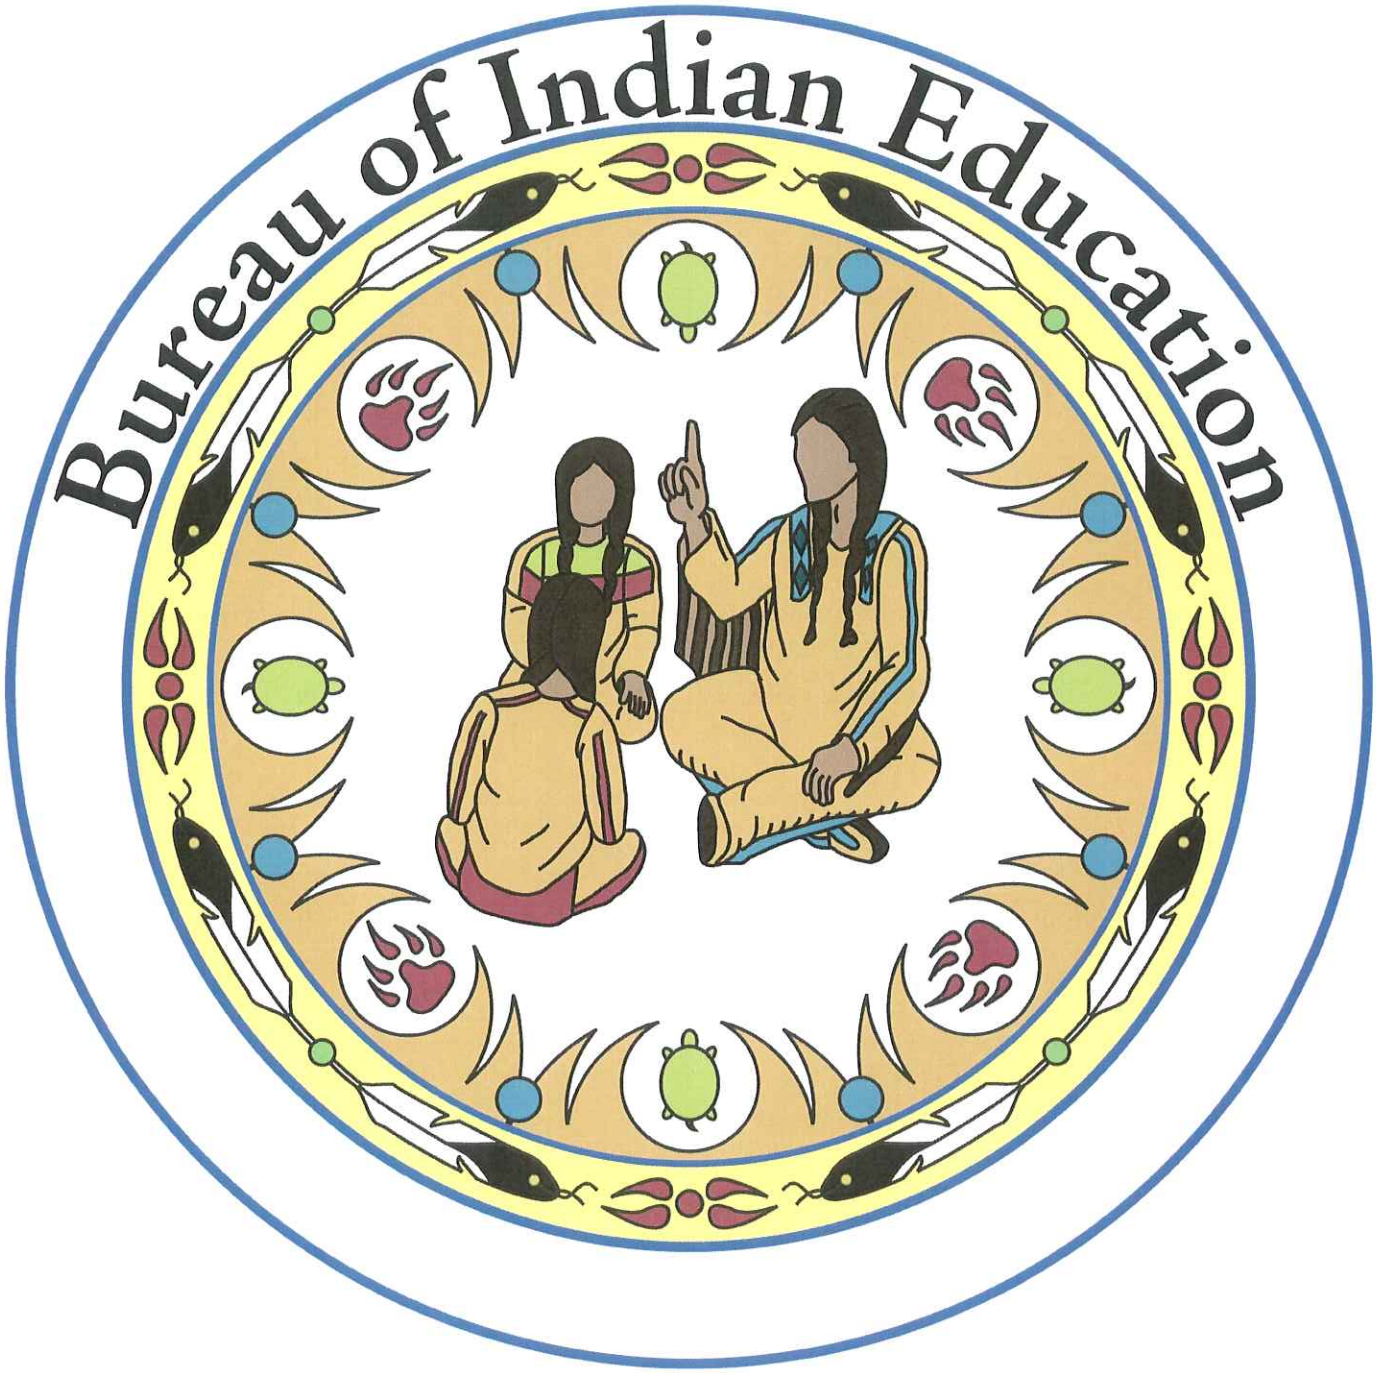
Department of the Interior



National Directory

Updated March 2009

Introduction

The Bureau of Indian Education (BIE) has prepared the National Education Directory for all BIE-funded schools, Education Line Offices, Tribal Colleges and Universities (formally known as Tribally Controlled Community Colleges), and Bureau of Indian Affairs, Regional Offices.

The BIE funds 184 elementary and secondary schools, located on 64 reservations in 23 states. 125 elementary and secondary schools are tribally operated under contracts or grants. The BIE operates the remaining 59 schools.

The BIE funds 66 residential programs servicing students in 52 boarding schools and 14 peripheral dormitories, servicing 17,000 students, including approximately 7,000 Residential Students. The BIE operates one peripheral dormitory (Blackfeet) and funds 13 peripheral dormitories, which are tribally operated. Peripheral dormitories are established near reservations to board students who attend nearby public schools. (Source: ISEP Student Count)

The BIE funds 7 off-reservation boarding schools. The BIA operates 4 of the schools (Chemawa, Flandreau, Riverside and Sherman) and 3 (Circle of Nations, Pierre Indian Learning Center and Sequoyah) are tribally operated through contracts/grants.

The BIE funds 25 Tribal Colleges and Universities and operates 2 Post Secondary Schools: Haskell Indian Nations University and Southwestern Indian Polytechnic Institute.

There are approximately 4,200 teachers, administrators and support personnel in the BIE-operated school system. It is estimated that there are an additional 6,600 teachers, administrators and support personnel in the tribally operated schools.

There are approximately 2,400 education facilities maintained by the BIE, which include multiple buildings on school properties and exclude living quarters provided to teachers and/or administrators.

BIE directly serves approximately 48,700 students in grades K-12 and indirectly serves over 400,000 students through various educational programs such as JOM.

The BIE has 3 Associate Deputy Directors (East, West, Navajo) and an Assistant Deputy Director - Administration, who reports to the Deputy Director of School Operations. The BIE has 22 Education Line Officers who report directly to the Associate Deputy Directors.

Within the School Detail Listing, the letters directly under the school location indicate the type of school.
