

2015 National Native American Heritage Month
Opening Ceremony
November 10, 2015
Allan Campbell Auditorium
10:00 a.m. EDT

Instructions to view the OPM webcast:

<http://web.2.c3.audiovideoweb.com/ca25web26002/7c3flslive1573.html>

You will be able to watch the webcast on a PC or MAC computer. When you click on the link it will open up into whatever your default browser is set to on your computer. Chrome. Firefox. Internet Explorer. Safari.

You can also watch the webcast stream on an iPhone, iPad, or Droid. The device should be WiFi or 4G capable.

Field Offices must view the webcast in a central location to preserve bandwidth. If you attempt to view it from your desk you may overload the system and make it crash for your entire office.

If you telework DO NOT log onto the webcast through CITRIX. You will NOT be able to view the webcast through the CITRIX connection. Simply click on or cut and paste the link into your favorite browser with a broadband connection.

The link to view the captioning for the webcast is:

<http://recapd.com/w-0dc0aa>

If you have any problems connecting to the webcast, please contact your IT Help Desk.
