Subject: Draft Tejon Letters

Paul,

I am attaching the draft letters that I gave to you in a binder last week. One is a short letter and one is a longer letter. Both letters respond to the Tejon Tribe's request for reaffirmation or organization as a half blood Indian community under the IRA. The longer letter includes references to supporting and explanatory documents.

You, Larry, Mike Black, Mike Berrigan and Carol have a hard copy of the draft letters as well as the documents that the long letter references. Carol said last week that she could help get people an additional copy of any of the supporting docs if they need the documents.

I will not be in the office this week. I will be in the office all of next week. If Larry is comfortable with either letter and wants to use the auto pen to sign a letter before the end of the year, I can work with Exec Sec to get a final letter and incorporate any changes.

Thanks.

Sequoyah
