MHA Systems Inc., is a SBA Small Disadvantaged Business, SBA 8(a) and HUBZone certified company that provides Information Technology services in both the Federal and Private sectors.

MHA Systems is based on the Ft. Berthold Indian Reservation in the community of Parshall, North Dakota. Our facility is a 10,000 square foot state-of-the-art building fully networked for data and telecommunications needs.

Services:

MHA Systems Inc. specializes in data processing, SGML/XML document conversion, PDF conversion, high-quality (color and black & white) document imaging, automated records management, telecommunication support, and other related IT functions.

We are dedicated to offering business solutions and pricing that is both competitive and deadline driven. Our customers are at the center of everything we do, and our products, services and business processes must be tuned to their needs. Every action we take must be aimed at doing the best job for our customers - both external and internal - and we must listen to our customers and cater to their interests at every moment.

MHA Systems Inc. continues to stay on the leading edge of technology and quality assurance through involvement in the Intertribal Information Technology Company (IITC), a consortium of Native American firms that specialize in data conversion and data management.

Customers:

• U.S. Marine Corps Global • U.S. Air Force Global • U.S. Navy • National Library of Medicine • Mandan, Hidatsa, and Arikara Nation • Fort Berthold Housing Authority

Certifications:
