Re: Brief In Opposition of Petition 005

We, the undersigned tribal members of The Piro-Manso-Tiwa Tribe of the Las Cruces Guadalupe Pueblo, respectfully submit this Brief In Opposition to the Tribe seeking federal recognition #005. This petition is not inclusive of all three Piro-Manso-Tiwa tribes of this region. It does not satisfy the burden of proof of inclusion, nor provides a process of uniting us. It delegitimizes the other two tribes of Piro-Manso-Tiwias. It would only serve to divide us more, instead of bringing us together, by creating animosity.

For the foregoing reasons, this Petition For Recognition should be denied. We pray you consider our request.

Respectfully Submitted,
