

*The new Kickapoo library entrance serves as the school's new entrance, too.*

*Handicap accessibility was improved at the Kansas school.*

## **Kickapoo Library Gives School a New Face**

*Kansas school gets a new 6,522 square foot library built onto the front of the old school.*

The project to add a 6,522 square foot library to the front of the K-12 Kickapoo Nation School in Kansas included improvements to the school's fire sprinklers, water systems, doors and windows, roof, exterior lighting and handicap accessibility.

*The library is ready for books.*

*The new Kickapoo library serves as a new facade for the Kansas school.*
