STATE OF LOUISIANA

WHEREAS, the Tunica-Biloxi Indian Tribe of Louisiana is a sovereign Indian Nation that possesses powers of self-government, and is recognized as an Indian Tribe by the United States of American; and

WHEREAS, the Tunica-Biloxi Indian Tribe of Louisiana possesses Indian lands that are located within the State of Louisiana, and that are held in trust by the United States of America; and

WHEREAS, in 1988, the Congress of the United States of America enacted the Indian Gaming Regulatory Act, which provided a statutory basis for the operation and regulation of gaming by Indian Tribes; and

WHEREAS, the Congress of the United States of America has recognized gaming activities on Indian lands as a means of generating Tribal governmental revenue; and

WHEREAS, the Congress of the United States of America has found that "Indian Tribes have the exclusive right to regulate gaming activity on Indian lands if the gaming activity is not specifically prohibited by federal law and is conducted within a state which does not as a matter of criminal law and public policy prohibit such gaming activity"; and

WHEREAS, certain gaming activities have been authorized by the State of Louisiana by the enactment of the Louisiana Gaming Control Law, La. R. S. 27:1, et seq.; and

WHEREAS, the Tunica-Biloxi Indian Tribe of Louisiana was originally authorized to enter into this Tribal-State Compact for the conduct of Class III gaming by Resolution No. 92-11 of the Tunica-Biloxi Indian Tribal Council, and by the Indian Gaming Regulatory Act, and was authorized and did agree to amend and extend this Tribal-State Compact by Resolution No. 99-54 and Resolution No. 20-16 of the Tunica-Biloxi

Indian Tribal Council, and is authorized to amend and extend this Tribal-State Compact by Resolution No. _____ of the Tunica-Biloxi Indian Tribal Council; and

WHEREAS, the State of Louisiana is authorized to enter into this Tribal-State Compact for the conduct of Class III gaming by Act 888 of the 1990 Regular Session of the Legislature, as amended by Act No. 817 of the 1993 Regular Session of the Legislature, and by the Indian Gaming Regulatory Act;

NOW THEREFORE WE, the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana, by virtue of the authority vested through the Constitution and laws of the United States of American and the State of Louisiana, and in order to preserve and to protect the health, safety, and welfare of our people, do hereby amend and extend this Tribal-State Compact for the conduct of Class III gaming, which was originally entered into and became effective on November 4, 1992, as is set forth more fully herein and enumerated below:

SECTION 1: INTERPRETATION OF TRIBAL-STATE COMPACT

- (A) Nothing in this Tribal-State Compact shall be applicable to any issues that are endemic to the Tunica-Biloxi Indian Tribe of Louisiana, or to any issues that are not related to the conduct of Class III gaming. This Tribal-State Compact shall be governed by and construed in accordance with the Constitution and laws of the State of Louisiana. Where this Tribal-State Compact is silent, the Constitution and laws of the State of Louisiana apply to all aspects of the relationship between the parties.

- (B) When this Tribal-State Compact is clear and unambiguous and its application does not lead to absurd consequences, this Tribal-State Compact shall be applied as written and no further interpretation may be made in search of the intent of the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana. When the language of this Tribal-State Compact is susceptible of different meanings, it must be interpreted as having the meaning that best conforms to the purposes of this Tribal-State Compact. The words of this Tribal-State Compact must be given their generally prevailing meaning. Words of art and technical terms must be given their technical meaning when this Tribal-State Compact involves a technical matter, and when applicable, they must be given their identical meaning as provided in the Indian Gaming Regulatory Act. When the words of this Tribal-State Compact are ambiguous, their meaning must be sought by examining the context in which they occur and the text of this Tribal-State Compact as a whole. Words on the same subject matter must be interpreted in reference to each other.

- (C) Unless the context of this Tribal-State Compact clearly indicates otherwise:
- (1) Words used in the singular number apply also to the plural.
 - (2) Words used in the plural number include the singular.
 - (3) Words used in one gender apply also to the other.
 - (4) The word "shall" is mandatory and the word "may" is permissive.
 - (5) The word "and" indicates the conjunctive.
 - (6) The word "or" indicates the disjunctive.
 - (7) When words are phrased in the disjunctive followed by the words "or both" both the conjunctive and disjunctive are intended.
 - (8) The word "and" or "or" between the last two items in a series applies to the entire series.
- (D) All rights and obligations of the State of Louisiana pursuant to this Tribal-State Compact shall be exercised and satisfied by the Governor of the State of Louisiana in his official capacity, his designees, or the Department of Public Safety and Corrections.

SECTION 2: EFFECT OF TRIBAL-STATE COMPACT

- (A) The Tunica-Biloxi Indian Tribe of Louisiana shall have all necessary power and authority to conduct Class III gaming on its Indian lands that are described in Appendix A to this Tribal-State Compact. The Tunica-Biloxi Indian Tribe of Louisiana shall conduct all gaming activity pursuant to the terms and conditions of this Tribal-State Compact, the Indian Gaming Regulatory Act, and all other applicable State and federal laws.
- (B) Nothing in this Tribal-State Compact shall be deemed to authorize the State of Louisiana to impose any tax, fee, charge, or assessment upon the Tunica-Biloxi Indian Tribe of Louisiana, or upon any Tribal gaming operation, except as expressly authorized pursuant to this Tribal-State Compact.
- (C) Nothing in this Tribal-State Compact shall be deemed to admit, concede, or waive any right or obligation of the Tunica-Biloxi Indian Tribe of Louisiana

or the State of Louisiana relative to any taxing authority vested in the State of Louisiana by the Constitution and laws of the United States of America and the State of Louisiana.

- (D) Nothing in this Tribal-State Compact shall be deemed to authorize the State of Louisiana to regulate the government of the Tunica-Biloxi Indian Tribe of Louisiana in any manner, including the Tribal Gaming Commission, or to interfere with the selection of its governmental officers, including the Tribal Gaming Commission. No licensing or certification requirement contemplated by this Tribal-State Compact shall be applicable to such officers with respect to their capacity as officers of the Tunica-Biloxi Indian Tribe of Louisiana.
- (E) Nothing in this Tribal-State Compact shall be deemed to affect the operation of any Class II gaming, whether or not conducted within the gaming facilities, or to confer upon the State of Louisiana any jurisdiction over Class II gaming conducted by the Tunica-Biloxi Indian Tribe of Louisiana on its Indian lands.
- (F) Each provision of this Compact shall stand separate and independent of every other provision, section and subsection. In the event that a court of proper authority and jurisdiction should find any such provision, section, or subsection to be invalid or invalid as applied; or if the Secretary of the Interior for the United States of America or his/her representative disapproves such provision, section, or sub-section, or if the Secretary of the Interior for the United States of America or his/her representative does not approve this Compact, but allows it to go into effect, under Section 2710(d)(8)(C) of the IGRA, and thereafter the Secretary or his/her representative or the Tribe deems that any such provision, section, or sub-section is inconsistent with the provisions of the IGRA and is therefore invalid or unenforceable, then the remaining provisions, sections and subsections of this Compact shall remain in full force and effect. In such event, the Tribe and the State shall immediately enter into a non-binding mediation process as provided for in Section 14(C) of this Compact in an effort to agree upon a revision of the provision, section, or sub-section so disapproved which is both mutually agreeable to the parties and acceptable to the Secretary. If at the end of a period of one hundred and eighty (180) days no such revision has been agreed upon, this Compact shall terminate at midnight on the one hundred and eightieth (180th) day. The one hundred and eighty day period shall begin to run from the date the Secretary of the Interior or his representative formally disapproves the Compact or any part thereof, or on the date the Tribe gives the State written notice that it does not deem any general or specific provisions of the Compact to be consistent with federal law and does not intend to be

bound by such provision or provisions of this amended and extended Compact.

- (G) The Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana agree that by entering into this Tribal-State Compact, neither shall be deemed to have waived any rights pursuant to the Indian Gaming Regulatory Act. In the event that the State of Louisiana should refuse to enter into a Tribal-State Compact concerning other forms of Class III gaming, neither the Tunica-Biloxi Indian Tribe of Louisiana nor the State of Louisiana shall be deemed to have waived any rights, arguments, or defenses applicable to such a procedure.
- (H) The jurisdiction and waiver of sovereign immunity provided by this Tribal-State Compact shall be strictly limited to matters and issues arising directly from this Tribal-State Compact.
- (I) Relative to the conduct of Class III gaming, this Tribal-State Compact constitutes the entire agreement between the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana, and supersedes all prior written and oral agreements. This Tribal-State Compact may be amended only through a written instrument that is signed by the Tribal Chairman of the Tunica-Biloxi Indian Tribe of Louisiana and by the Governor of the State of Louisiana, and that is approved by the Secretary of the Interior of the United States of America.

SECTION 3: TERRITORIAL AND GENERAL JURISDICTION

- (A) The Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana recognize and respect all territorial rights and the independent sovereign existence of each other, and shall:
 - (1) Accord the fullest mutual respect to the legal institutions and cultural traditions of the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana, insofar as they are consistent with preserving and protecting the health, safety, and welfare of all.
 - (2) Have all necessary concurrent jurisdiction to fully ensure the protection of the public, the Tunica-Biloxi Indian Tribe of Louisiana, and the State of Louisiana.
 - (3) Avoid any undue adverse impact or expansive influence on tribal government or on traditional Tribal jurisdictional mechanisms, such

as Tribal discussion and consensus, and on non-traditional but Tribally-adopted written jurisdiction mechanism, such as the actions of representative bodies like Tribal commissions, boards, or courts, as these jurisdictional mechanisms pertain to Tribal jurisdiction over Tribal members. This intent to respect such existing intra-Tribal jurisdictional mechanisms applies particularly, but not exclusively, to those related to the recognition of the Tunica-Biloxi Indian Tribe of Louisiana as possessing powers of self-government.

- (B) The Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana shall retain all sovereignty and immunity to suit while discussing, negotiating, or confecting this Tribal-State Compact. The Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana intend and agree that all issues purely of Tribal law are to be determined in accordance with the legal mechanisms of the Tunica-Biloxi Indian Tribe of Louisiana, and that all other issues are to be determined in accordance with federal law, where applicable, the provisions of this Tribal-State Compact, where applicable, and the laws of the State of Louisiana, where applicable.
- (C) In the interest of clarity of authority, and to preserve and to protect the health, safety, and welfare of all, the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana shall:
 - (1) Apply all federal laws applicable to Indian gaming, lands, or subject matter as being fully operative and applicable within all Tribal lands and areas of gaming activity.
 - (2) Preserve the full territorial and subject matter jurisdiction of the Tunica-Biloxi Indian Tribe of Louisiana.
 - (3) Preserve the full territorial and subject matter jurisdiction of the State of Louisiana.
 - (4) Accord the State of Louisiana concurrent criminal jurisdiction and concurrent law enforcement authority within the lands of the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana, when exercising any subject matter jurisdiction accorded the State of Louisiana pursuant to this Tribal-State Compact.
 - (5) Accord the Tunica-Biloxi Indian Tribe of Louisiana, including its duly constituted Tribal law enforcement authorities, full territorial jurisdiction, as well as concurrent law enforcement authority within the lands of the Tunica-Biloxi Indian Tribe of Louisiana and within

any Parishes where they have been duly commissioned by a local law enforcement agency, when exercising any subject matter jurisdiction accorded the Tunica-Biloxi Indian Tribe of Louisiana pursuant to this Tribal-State Compact, or when exercising the authority accorded to the Tunica-Biloxi Indian Tribe of Louisiana pursuant to any agreements made with a local law enforcement agency.

- (D) The Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana shall be available to meet and discuss with local communities on issues relative to the conduct of Class III gaming and its impact upon the local communities.

SECTION 4: CRIMINAL LAW SUBJECT MATTER JURISDICTION

- (A) The State of Louisiana shall have concurrent criminal jurisdiction over all persons, including enrolled members of federally recognized Indian Tribes, who commit offenses made criminal by the laws of the United States of America or the State of Louisiana, on or within that portion of the Indian gaming lands that are described in Appendix A of this Tribal-State Compact. Any criminal law subsequently enacted or amended by the United States of America or the State of Louisiana shall be effective within this area, and shall be the concurrent enforcement responsibility of the State of Louisiana.
- (B) All federal criminal laws applicable to Indian gaming, lands, or subject matter shall be fully operative and applicable within all Tribal lands and areas of gaming activity, and shall apply equally to all persons therein.
- (C) All criminal laws of the Tunica-Biloxi Indian Tribe of Louisiana that are written, promulgated, and published in the English language, and are not inconsistent with the Constitution or laws of the United States of America or of the State of Louisiana, shall be fully operative, assimilated as State law, and applicable within all Tribal lands and areas of gaming activity, and shall apply equally to all persons therein.

SECTION 5: CRIMINAL LAW ENFORCEMENT AUTHORITY

Within the respective applicable territorial limits as provided in this Tribal-State Compact:

- (A) The duly constituted Tribal law enforcement authorities of the Tunica-Biloxi Indian Tribe of Louisiana shall have primary law enforcement authority, and all necessary or helpful powers in connection therewith, to enforce all Tribal

criminal laws applicable under this Tribal-State Compact. The laws of the State of Louisiana may be enforced by the Tribal law enforcement authorities on non-Tribal lands where the Tribal law enforcement authorities have been duly commissioned by a local law enforcement agency. By written request of the Tunica-Biloxi Indian Tribe of Louisiana, local, State, or federal law enforcement offices may be granted authority to enforce Tribal criminal laws.

- (B) The Tunica-Biloxi Indian Tribe of Louisiana shall have the concurrent law enforcement authority, and all necessary or helpful powers in connection therewith, to enforce all State and federal criminal laws made applicable by this Tribal-State Compact. This concurrent law enforcement authority may be initiated in emergency situations by arrest or other appropriate action, but otherwise may be initiated or continued only after immediate and effective notice to the Department of Public Safety and Corrections. In the exercise of this concurrent law enforcement authority, the Tribe shall cooperate with, and shall not in any way impede, the Department of Public Safety and Corrections in its exercise of its own concurrent law enforcement authority.
- (C) The State of Louisiana shall have concurrent law enforcement authority, and all necessary or helpful powers in connection therewith, to enforce all State and federal criminal laws made applicable by this Tribal-State Compact. The Tunica-Biloxi Indian Tribe of Louisiana and the Department of Public Safety and Corrections are to receive immediate and effective notification from each other upon the discovery that a criminal act may have occurred in the gaming facility. The Department of Public Safety and Corrections shall not be required to give such notice in the unusual event that giving such notice would be reasonably expected to compromise an ongoing investigation. Neither the Tunica-Biloxi Indian Tribe of Louisiana nor the State of Louisiana is obligated to exercise or take any action pursuant to such authority and powers on Tribal lands. The primary law enforcement agency of the State of Louisiana shall be the Department of Public Safety and Corrections.
- (D) To facilitate law enforcement activities on Tribal lands, within Avoyelles Parish, or within adjacent Parishes, the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana may enter into cross-deputization or similar contracts or agreements, including but not limited to, agreements with each other, with Sheriffs or other local law enforcement agencies, with District Attorneys, local governmental agencies, and with agencies of the United States of America. Such agreements may include provisions for necessary funding.

- (E) On Indian lands described in Appendix A to this Tribal-State Compact, the plenary law enforcement powers of the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana include, but are not limited to, immediate access to any premises, building, location, storage facility, or place whatsoever, wherever, in which might be found any thing, tangible or intangible, produced by, a part of, contributing to, or in any way whatsoever related to, a violation of any criminal law made applicable by this Tribal-State Compact. This access includes, but is not limited to, books, records, equipment, electronic data, and supplies. On non-gaming Indian lands, this access may be exercised by the State of Louisiana only in the company of, or proceeded by authorization from, a designated official of the Tunica-Biloxi Indian Tribe of Louisiana.

SECTION 6: LICENSING AND CERTIFICATION REQUIREMENTS

- (A) The gaming facilities and operation authorized by this Tribal-State Compact have been validated by the Tunica-Biloxi Indian Tribe of Louisiana to be in conformity with the requirements of this Tribal-State Compact. Verification of this requirement shall be made through a joint inspection, followed by a letter of compliance sent by the State of Louisiana within seven (7) working days after the completion of the inspection. In the event that the State of Louisiana determines that the gaming facilities or operation are not in compliance with this Tribal-State Compact, it shall identify the reasons for such determination in a written notice of non-compliance. Upon receipt of such notice of non-compliance, the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana shall meet within seven (7) working days to resolve the differences in good faith. If the differences are not resolved, then the matter shall be resolved pursuant to Section 14:(D) et seq. of this Tribal-State Compact.
- (B) Any management company, including its principals, utilized by the Tunica-Biloxi Indian Tribe of Louisiana to assist in the management or operation of the gaming facilities or operation, shall be licensed by the Tunica-Biloxi Indian Tribe of Louisiana, be certified by the State of Louisiana, and shall satisfy all federal requirements prior to providing management services for Class III gaming activities, and every two (2) years thereafter.
- (C) Each person or entity extending financing to the gaming facilities or operation shall be licensed by the Tunica-Biloxi Indian Tribe of Louisiana and be certified by the State of Louisiana prior to providing financial services, and every two (2) years thereafter, unless they are granted presumptive suitability under the provisions of this Tribal-State Compact.

- (D) Each manufacturer and supplier of gaming services, supplies, or equipment shall be licensed by the Tunica-Biloxi Indian Tribe of Louisiana and be certified by the State of Louisiana prior to the sale of any gaming goods or services, and every two (2) years thereafter. If a supplier or manufacturer possesses a valid gaming license issued by the State of Louisiana, it may be deemed certified for the purposes of this Tribal-State Compact, provided that they submit an updated certification application and/or affidavit, and remit the appropriate certification fees and tax clearance forms to the State of Louisiana. Nothing in this Tribal-State Compact shall be deemed to invalidate existing certification.
- (E) Each person or entity that provides the Class III gaming facilities or operation with non-gaming related supplies, services, or concessions during the immediate past twelve (12) month period, who has received in excess of \$50,000.00 annually from the Class III gaming facilities or operation as payment for providing non-gaming goods and services to the Tribal gaming operation shall, except as provided in subparts G and H of this section, be licensed by the Tunica-Biloxi Indian Tribe of Louisiana and be certified by the State of Louisiana prior to the sale of any goods or services, in excess of \$50,000.00 and every two (2) years thereafter. Persons or entities that provide the Class III gaming facilities or operation with non-gaming related supplies, services, or concessions in amounts less than as provided above, are exempt from the licensing and certification requirements, provided:
- (1) Not less than monthly, the Tunica-Biloxi Indian Tribe of Louisiana shall provide the State of Louisiana with the names and addresses of the persons or entities supplying goods and services under this exception to the certification requirements.
 - (2) Not less than quarterly, the Tunica-Biloxi Indian Tribe of Louisiana shall provide the State of Louisiana with a statement of the dollar amount of goods and services provided by each person or entity.
 - (3) The Tunica-Biloxi Indian Tribe of Louisiana shall not knowingly or willingly allow any person or entity to provide supplies, services, or concessions under another name for the purpose of evading State certification requirements.
 - (4) No person or entity who provides supplies, services or concessions to the gaming operation, shall purposely and knowingly evade State Certification, by utilizing another name or scheme or by manipulating their billing cycle in any manner to avoid compliance with the provisions of this or any other section of this Tribal-State Compact.

Any person or entity involved in such intentional evasion shall be subject to having their State Certification, including certification by presumptive suitability, suspended or revoked.

- (F) Any non-gaming State Certification issued pursuant to this section is a revocable privilege. Any non-gaming vendor or supplier may, at any time, be required by the State of Louisiana to demonstrate by clear and convincing evidence his/her suitability and qualifications, even if otherwise exempt or presumed suitable. Failure to pay any fee required by this Tribal-State Compact shall be grounds for the State of Louisiana to refuse to place a certified non-gaming vendor or supplier in an approved status.
- (G) The following non-gaming vendors and suppliers may be presumed suitable as non-gaming suppliers by the State of Louisiana and not required to obtain a non-gaming State Certification pursuant to this section; provided that the non-gaming vendor or supplier has submitted, to the State, on a form supplied by the State, a completed request for presumptive suitability:
 - (1) Non-profit charitable organizations, charitable sponsorships, and educational institutions that receive funds from the Tribal gaming facility or operation, including educational institutions that receive tuition reimbursement on behalf of employees of the Indian gaming facilities or operation.
 - a. Non-profit charitable organizations, for purposes of this section shall mean a non-profit board, association, corporation, or other organization domiciled in this state and qualified with the United States Internal Revenue service for an exemption from the federal income tax under Sections 501(c),(3),(4),(5),(6),(7),(8),(10), or (19) of the Internal Revenue Code.
 - (2) Entities which provide only one or more of the following services to the Tribal gaming facilities or operation and which are the sole source provider of such services:
 - a. Water;
 - b. Electricity,
 - c. Natural Gas
 - d. Local telephone services; and
 - e. Hospital/Medical Facilities;

- (3) Insurance companies regulated by the State of Louisiana providing insurance to the Tribal gaming facilities or operation and to their employees through the Tribal gaming facilities (medical, life, dental, and property);
 - (4) State and federally regulated banks and savings and loan associations (unless such institutions are operating under any type of cease and desist order);
 - (5) All state, federal, and municipal operated agencies;
 - (6) All liquor, beer and wine industries regulated by the Louisiana Alcohol Beverage Control Commission/Board;
 - (7) National or local professional associates that receive funds from the Tribal gaming operation for the cost of enrollment, activities, and membership;
 - (8) Providers of professional services including accountants, architects, attorneys, engineers and lobbyists, when acting in their respective professional capacities;
 - (9) Electronic and print media, newspapers and book publishers which contract Tribal gaming operation to provide advertising services;
 - (10) Nationwide shipping services, including Federal Express, United Parcel Service, Airborne express and Emory Freight;
- (H) Nothing herein shall be construed to bar any publicly traded non-gaming vendor or supplier required to obtain a non-gaming State Certification, from requesting a grant of presumptive suitability. The State of Louisiana may grant such a request upon showing of good cause.
- (I) The State of Louisiana may revoke any grant of presumptive suitability made pursuant to this Section and require any person or entity to demonstrate by clear and convincing evidence his/her or its suitability and qualifications for State Certification, by submitting to the normal process of certification.
- (J) Prior to the commencement of employment and every two (2) years thereafter, every gaming employee shall be licensed by the Tunica-Biloxi Indian Tribe of Louisiana and be certified by the State of Louisiana. For purposes of this Tribal-State Compact, a gaming employee shall mean any person employed in the operation or management of the gaming facilities or operation, whether employed by or contracted to the Tunica-Biloxi Indian Tribe of Louisiana, or any person or entity, whether or not located on Tribal

lands, that provides services to the Tunica-Biloxi Indian Tribe of Louisiana regarding any Class III gaming activity. Such gaming employees include, but are not limited to, gaming operation managers, assistant managers, accounting personnel, surveillance personnel, cashier supervisors, dealers, croupiers, box men, floor men, pit bosses, shift bosses, cage personnel, collection personnel, gaming consultants, management companies and their principals, and any other person whose employment duties are gaming related and require or authorize access to restricted areas of the gaming facilities or operation not otherwise open to the public. Anyone who is not otherwise exempt from State certification and/or Tribal license requirements by Section 2(D) of this Tribal-State Compact and whose employment duties or responsibilities require them to have access to sensitive or privileged information, including but not limited to, casino personnel files, financial records, or access to documents generated by the Tunica-Biloxi Indian Tribal Gaming Commission and/or the State of Louisiana shall be subject to licensing and State certification requirements, including the presumptive suitability requirements.

- (K) Any person or entity who makes application to provide gaming or non-gaming supplies, services, or concessions to the gaming operation and is found to be unsuitable, and any person or entity who is found suitable, but who is later determined to be unsuitable, by the State of Louisiana shall not be eligible to provide supplies, services, or concessions of any kind, in any amount, to the Tribal gaming operation.

- (L)
 - (1) When analogous circumstances exist, all employment and contracts relative to the conduct of Class III gaming shall be established and maintained on a preferential basis. The first preference shall consist of members of federally recognized Indian Tribes located within the State of Louisiana. The second preference shall consist of persons and entities domiciled in the State of Louisiana. The third preference shall consist of all persons and entities that are not included within the first and second preferences.

 - (2) Nothing herein shall prohibit the Tunica-Biloxi Indian Tribe of Louisiana to have the exclusive right to select a management company, including its principals, to assist in the management and operation of the gaming facilities and operation, subject to the licensing and certification requirements defined within this Tribal-State Compact.

SECTION 7: LICENSING AND CERTIFICATION PROCEDURES

- (A) Prior to providing any functions or services, all persons and entities shall be licensed by the Tunica-Biloxi Indian Tribe of Louisiana and be certified by the State of Louisiana.
- (1) Each applicant for a Tribal gaming license and for State certification shall submit the completed applications to the Tunica-Biloxi Indian Tribe of Louisiana and to the State of Louisiana. Application for State certification shall be made on forms provided by the State of Louisiana. No Tribal license shall be issued until the applicant has obtained State certification, except as provided in Section 6:(G) and Section 7:(K) of this Tribal-State Compact. The issuance of a State certification is not an entitlement to the issuance of a Tribal license.
 - (2) Each completed State certification application shall be accompanied by the applicant's fingerprint card, current photograph, and the required fee. Each applicant shall produce such information, documentation, and assurances relative to their financial stability, integrity, and responsibility, including, but not limited to, bank references, business and personal income, disbursement schedules, tax returns and other reports filed with governmental agencies, business and personal accounting documents, check records and ledgers, and any other records or documentation as may be deemed necessary by the State of Louisiana. Each applicant shall produce sufficient information to clearly demonstrate the applicant's qualifications for the license requested.
 - (3) If the applicant is a business entity, then the persons subject to investigation shall include any officer, director, partner, or stockholder owning in the aggregate more than five percent (5%) of the stock of the entity, as well as his or her immediate family. If any stockholder owning more than five percent (5%) of the stock of an applicant is a business entity, then the persons subject to investigation shall be determined in the same manner as set forth above.
- (B) After providing a completed application and the required fee for State certification, each applicant shall submit to a background investigation to ensure the applicant is qualified for State certification. Upon completion of the background investigation, the State of Louisiana shall issue the applicant a State certification or a written statement setting forth the grounds for denial. For each applicant, the State of Louisiana shall provide the Tunica-Biloxi

Indian Tribe of Louisiana a copy of the State certification or the written statement of denial.

- (C) (1) The State of Louisiana may revoke, suspend, or deny a State certification for any reason it deems to be in the public interest. These reasons include, but are not limited to, when an applicant for or holder of State certification:
- (a) Violates, or causes, aids, abets, or conspires with another to cause or attempt to cause any person to violate any of the laws, rules, or regulations of the State of Louisiana, or the provisions of any Tribal-State Compact.
 - (b) Has obtained any license or certification in any jurisdiction by fraud, misrepresentation, concealment, inadvertence, or mistake.

SECTION 13: AMENDMENT AND REVISION

- (A) This Tribal-State Compact may be amended only through a written instrument that is signed by the Tribal Chairman of the Tunica-Biloxi Indian Tribe of Louisiana and the Governor of the State of Louisiana, and that is approved by the Secretary of the Interior of the United States of America. Written notice for amendment shall be provided, which will state the reasons for the request, identify the proposed amendments, and request concurrence for the amendments. Concurrence must be granted in writing. Unless a written notice of concurrence is provided within thirty (30) days, the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana shall be deemed

to disagree on the proposed amendments. When disagreement has been deemed or upon notice of disagreement, the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana shall meet within ten (10) days to resolve the differences in good faith. If the differences are not resolved, then the matter shall be referred to non-binding mediation, as provided for in Section 14(C) of this Tribal-State Compact. If the differences are not resolved by the mediation, then the proposed amendments shall not be adopted.

- (B) The procedures, standards, rules, and regulations of this Tribal-State Compact may be revised upon the concurrence of the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana. Written notice for revision shall be provided, which shall state the reasons for the request, identify the proposed revisions, and request concurrence for the revisions. Concurrence may be granted in writing, and shall be granted automatically unless a written notice of disagreement is provided within the time specified in this Tribal-State Compact. The right to object to concurrence is subject to a prescriptive period as provided in this Tribal-State Compact. The laws of the State of Louisiana relative to the computation of time shall apply to all prescriptive periods utilized through this Tribal-State Compact. If the Tribe and the State do not agree on a proposed revision, then the mediation and arbitration procedures provided in section 14 (D) shall be followed.

SECTION 14: DISPUTE RESOLUTION

- (A) The Tunica-Biloxi Indian Tribe of Louisiana shall maintain reasonable procedures for the disposition of patron disputes arising from the refusal to award an alleged prize or pay an alleged winning to a patron. The Tunica-Biloxi Indian Tribe of Louisiana shall not be deemed to have waived its sovereign immunity from suit with respect to such disputes by virtue of any provision of this Tribal-State Compact. These procedures shall be in writing and shall be provided upon request of any person and to any patron with whom a dispute over an alleged prize or winning arises.
- (B) Notwithstanding any other provision to the contrary, the parties involved in a dispute arising from the conduct of Class III gaming may, by mutual consent, agree and submit to any alternative method of dispute resolution.
- (C) The Commercial Mediation Rules of the American Arbitration Association, as appropriate, shall be utilized to resolve disputes arising from the conduct of Class III gaming where specified in this Compact. The Commercial Mediation Rules of the American Arbitration

Association shall be made an Appendix to this Compact.

- (D) In the event a disagreement or dispute arises between the Tribe and the State or their respective authorized designees, that cannot be resolved by informal means, then:
- (1) The party asserting or alleging the dispute shall notify the other party within ten (10) days. At that point, a period of negotiation shall commence. A preliminary meeting among authorized representatives shall then be held within ten (10) days of the notice commencing the action. At this preliminary meeting, a reasonable good faith attempt shall be made to resolve the dispute. Additional meetings may be held at the discretion of the parties. If the matter has not been resolved within forty-five (45) days from commencement, the parties may jointly agree to extend the period of negotiations or the matter shall be certified as a continuing dispute and be subject to the procedures set forth in Section 14:(D)(2) below. If resolution of the matter requires that the Compact be amended, then the procedures set forth in Section 13 of the Compact shall be followed.
 - (2) In the event that the dispute cannot be resolved during the period of negotiation, then the parties shall agree to immediately submit to a mediation process which shall be governed by the Commercial Mediation Rules of the American Arbitration Association.
 - (3) If upon completion of the mediation process as described in the proceeding Section 14:(D)(2), the dispute is not resolved to the satisfaction of a party, then the aggrieved party shall, within fifteen days from the conclusion of the mediation process, provide a written notice of disagreement. The person(s) who served as the mediator in the process shall prepare a summary report identifying the subject(s) of the disagreement between parties. This summary shall constitute the scope of the issues which, both parties agree, shall then be submitted to a formal binding arbitration process governed by the Rules of the American Arbitration Association. This process shall be as follows:
 - (a) The parties shall agree upon one arbitrator.
 - (b) If the parties are unable to so agree, the Tribe and the State shall each select one arbitrator, who thereafter shall select a third arbitrator with expertise in the subject matter of the

dispute, and the three arbitrators so selected shall arbitrate the dispute. In the event the two arbitrators selected by the parties are unable to agree on a third arbitrator, the third arbitrator shall be appointed by the American Arbitration Association.

- (c) The arbitrators shall meet with the parties immediately after their appointment to determine a schedule for arbitration, including whether, and to what extent, discovery is required. The arbitrators may set the matter for an evidentiary hearing or oral arguments, or may deem to dispose of the dispute based upon written submissions only. If an evidentiary hearing is held, the normal rules of evidence shall be relaxed pursuant to the arbitrators' discretion. All parties shall have the right to participate in the hearing and may determine the most effective and efficient method for the presentation of their case. The parties may present evidence through live testimony, written reports and affidavits, or at argument by any person of their choice at proceedings before the arbitrators, irrespective of whether the representative is an attorney.
- (d) Cost of arbitration shall be borne equally by the parties. All parties shall bear their own costs and attorney fees associated with their participation in arbitration. The decision of the arbitrators shall be final and non-reviewable.

SECTION 15: EFFECTIVE DATE AND DURATION:

- (A) This Tribal-State Compact shall become effective and binding upon the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana, as hereby amended and extended, upon the publication in the Federal Register of notice of approval by the Secretary of the Interior of the United States of America.
- (B) This amended and extended Tribal-State Compact shall expire seven (7) years after it becomes binding upon the Tunica-Biloxi Indian Tribe of Louisiana and the State of Louisiana, unless sooner terminated under the provisions hereof.
- (C) This amended and extended Tribal-State Compact shall automatically be extended for terms of seven (7) years, unless the Tunica-Biloxi Indian Tribe of Louisiana or the State of Louisiana provides written notice of non-renewal

not less than 180 days prior to the expiration of the original term of this Tribal-State Compact or any extension thereof.

- (D) In the event that written notice of non-renewal is provided to the Tunica-Biloxi Indian Tribe of Louisiana or the State of Louisiana, then the Tunica-Biloxi Indian Tribe of Louisiana may request the State of Louisiana to commence good faith negotiations for a successor Tribal-State Compact, as provided in the Indian Gaming Regulatory Act.
