Over the past 6 years, the CDFG has planted over 49 million combined salmon and trout in hundreds of locations, including some high mountain lakes, low elevation reservoirs, and various streams and creeks. It is anticipated that the production of trout species will increase as a result of the implementation of AB 7. This increase in production will be achieved through options within the existing hatchery system and through the continued assistance of SFRA funding. If the SFRA funding is withdrawn, it may be necessary for CDFG to cut other activities to meet the AB 7 fish production goals. The CDFG has also issued approximately 80 private stocking permits annually, with the majority being issued to individuals stocking rainbow, brook and brown trout; channel and bullhead catfish; large mouth bass; white and black crappie; bluegill; redear; mosquito-fish; white and green sturgeon; and triploid grass carp.

#### Purpose and Need

The EIS must explain the underlying purpose and need to which the Lead Agency is responding in proposing the action. The purpose of this FWS action is to provide Federal SFRA funds to CDFG to support actions associated with their fish hatchery and stocking program (the 13 trout hatcheries (listed above) and the Mad River anadromous fish hatchery) to provide sportfishing recreation in California. The funds are needed to support angler success within both urban and rural waterbodies. SFRA funds will not, however, be used to support private stocking permits.

#### Alternatives

##### *Proposed Action Alternative*

Under the proposed action, FWS will continue to provide funding for CDFG's 13 hatcheries and the Mad River anadromous fish hatchery.

##### *No Action Alternative*

Under the No Action Alternative, the FWS would not approve SFRA grant funds to be used by CDFG to support actions associated with the operations of their fish hatcheries and fish stocking program. Because of the State statutory and public trust requirements related to the hatchery program, CDFG would attempt to continue to implement its State hatchery program, seeking other funding sources to replace the Federal funds.

##### *Other Alternatives*

In the EIS, FWS will consider a range of alternatives that could accomplish the proposed action's purpose and need. FWS will be rigorously exploring and objectively evaluating a reasonable range of alternatives with the proposed action and no action alternatives, taking into account the feasibility of the alternatives, as well as the ability to address significant impacts on the human environment.

  - (1) **Making Claims.** Any patron having a claim against the gaming facility shall present a claim for any appropriate relief including the award of money damages. Claims against the gaming enterprise are to be presented within ninety (90) days of the date the loss occurs. In the event a claim is not presented following ninety (90) days after the loss occurs, but within one (1) year after the loss occurs, any judgment in a lawsuit arising from the act, which is the subject of the claim, shall be reduced by ten (10) percent. A claim against the gaming enterprise shall be forever barred unless notice thereof is presented within one (1) year after the loss occurs. A claim against the gaming facility shall be in writing and filed with the Quapaw Gaming Commission at the address of the gaming facility. Such notices shall explain that upon denial of a claim redress must be sought exclusively in Tribe's Courts.
  - (2) **Notice.** The written notice of claims against the gaming facility shall state the date, time, place and circumstances of the claim, the identity of the persons, if known, the amount of compensation or other relief sought, the name, address and telephone number of the claimant, and the name, address and telephone number of any agent authorized to settle the claim including a written copy of the authority of agent.

A person may not initiate suit unless the claim has been denied in whole or in part. The claimant and the gaming facility may continue attempts to settle a claim; however, settlement negotiations do not extend the date of denial.

- (4) **Limitations.** No action for any cause arising from personal injury, property damage, or patron gaming dispute shall be maintained unless valid notice has been given and the action is commenced in a Tribe's CFR court within 180 days after denial of the claim as set forth herein. Neither the claimant nor the gaming facility may extend the time to commence an action by continuing to attempt settlement of the claim.
- b. **Tort Claim.** During the term of the Compact, the Tribe shall maintain public liability insurance with limits of not less than \$250,000 for any one person and \$2,000,000 for any one occurrence for personal injury and \$1,000,000 for any one occurrence for property damage. In the event of an alleged personal injury or property damage suffered at a gaming facility arising from alleged negligence by the Quapaw Tribe, the sole and exclusive remedy for an alleged tort claim is against this liability insurance policy and no asset of the Tribe may be levied against or executed upon by a claimant.
- c. **Wagering Claim.** In the event of a disputed claim by a patron regarding distribution of winnings, the patron should submit a claim to the Quapaw Gaming Commission consistent with the dispute resolution procedures in Appendix C.
- d. **Posting.** Notices explaining dispute resolution procedures for tort or wagering claims shall be posted in prominent locations in each gaming facility and the copies will be made available upon request to the Quapaw Gaming Commission.

Within 30 days of receipt of notice, State and the Tribe shall meet in an effort to resolve the dispute.
- b. **Non-binding Arbitration.** If a dispute arises among the party that is not resolved within sixty (60) days of receipt of notice, either party may refer it to non-binding arbitration. If referred to arbitration, each party shall name the arbitrator. The two named arbitrators will name a third arbitrator. The two named arbitrators will name a third arbitrator. If the two named arbitrators cannot agree on a third arbitrator, the third arbitrator will be named by the American Arbitration Association. The expenses of arbitration shall be borne equally by the parties. A party asserting

noncompliance or seeking an interpretation under this section shall be deemed to have certified to the best of his knowledge, information and belief formed after reasonable inquiry that the averment is warranted and made in good faith and is not made for any improper purpose, such as to harass or to cause unnecessary delay or needlessly increase the cost of resolving the dispute.

- c. **Declaratory Judgment**. If either party considers itself aggrieved by a breach of this Compact, it may bring an action for breach of Compact in the United States District Court for the Western District of Oklahoma pursuant to 25 U.S.C.A. §2710(d)(7)(A). If the dispute involves a material breach of this Compact and is not cured, the court may declare the Compact terminated. Either party may claim in an action that repeated violation of this Compact constitutes a prospective intent not to abide by its terms and that, therefore, the pattern of repeated violations constitutes a material breach of this Compact. Although this remedy is consistent with 25 U. S.C. A. §2710, ~(d)(3)(C)(v), nothing herein shall be construed to authorize any other equitable remedy, nor to authorize a money judgment except for unpaid costs of monitoring by the State. To the extent necessary and permitted by applicable law, each of the parties waive immunity from suit for the limited purpose of this section.

#### SECTION 16. RESERVATION OF RIGHTS

- a. **Additional Compacts**. By entering this Compact, the Tribe shall not be deemed to have waived the right to initiate and pursue the procedures provided by the Act should State refuse to enter into a Compact after the Tribe has made a written request with respect to other forms of Class III gaming, and neither State nor the Tribe shall be deemed to have waived any rights, arguments or defenses applicable to such a procedure.
- b. **Status of Class II Gaming**. Nothing herein shall be deemed to affect the operation by the Tribe of any Class II gaming as defined in the Act, whether conducted within or without the gaming facilities or to confer upon State any jurisdiction over such Class II gaming conducted in Tribe's Indian country.
- c. **Taxation**. Neither State nor any of its political subdivisions shall impose any tax, fee, charge or other assessment upon the admission to any gaming facility of the Tribe or upon the conducting of or engaging in any gaming activity conducted at a facility authorized by this Compact. To the extent the Tribe gaming operation is responsible for filling out IRS Form W-2G on persons who receive proceeds of a wagering transaction governed by the Compact, a copy of said form shall also be provided to the Oklahoma Tax Commission.
- d. **Preservation of Tribe Self-Government**. Nothing in this Compact shall be deemed to authorize State to regulate in any manner the government of the Tribe, including the Quapaw Gaming Commission, or to interfere in any manner with the Tribe's selection of its governmental officers or employees.

## SECTION 17. REIMBURSEMENT FOR EXPENSES INCURRED BY OKLAHOMA

The Tribe realizes that the State has incurred expenses in negotiation this Compact and will incur expenses related to the obligations undertaken under this compact. Accordingly, the parties agree as follows:

- a. **Payments.** The Tribe agrees to reimburse the State for the actual amount of time and expenses of personnel as reasonably assessed by State in accordance with Section 11, paragraph (3)(c)(III) of the IGRA related to this Compact. State agrees to provide Tribe with an itemized accounting of all charges assessed within sixty (60) days of occurrence.
- b. **Procedure.** The State shall bill the Tribe reasonable and necessary costs related to obligations undertaken under this Compact. Unless unreasonable or unnecessary, the costs for such services shall be those established by State either by agency rule or by statute or, where the cost of services (including more extensive background checks, other investigations, monitoring or similar matters) is not established by rule or by statute, the costs shall include agents' time, including out-of-pocket expenses, benefits and travel expenses at the statutory rate. State shall send invoices to the Tribe for these services. Payments shall be made within sixty (60) days to the Office of the State Treasurer. Reimbursement for services provided by State shall be transmitted by the Office of the State Treasurer to the OSBI, OSF, or any other appropriate agency to defray the cost of services as required under this Compact.
- c. **Disputes.** Should the Tribe dispute the reasonableness or necessity of any charges, such dispute shall be resolved as herein above set forth in Section 15.

## SECTION 18. SEVERABILITY

Each provision, section and subsection of this Compact shall stand separate and independent of every other provision, section or subsection. In the event that a court of competent jurisdiction shall find any provision, section or subsection of this Compact to be invalid, the remaining provisions, sections and subsections of the Compact shall remain in full force and effect, unless the invalid provision materially alters the relationship between the parties. In the event of such alteration, the parties shall negotiate to comply as nearly as possible with the original intent of this Compact.

## SECTION 19. AMENDMENTS

The parties may request negotiations to amend or modify this Compact. In the event of a request for negotiation to amend or modify, this Compact shall remain in effect until amended or modified, but such a request shall not extend the Compact term. Any amendment hereto shall be in writing and approved as provided in Section 3.

The parties shall have one hundred eighty (180) days to negotiate, and all further procedures and remedies available under the Act shall thereafter apply. The Tribe and the State may mutually agree to extend the 180-day period without prejudice to the rights of either party under this section.

Changes in the Tribe Gaming Ordinance (Appendix C) shall not be considered amendments and may be effected as otherwise provided by this Compact or by law.

## SECTION 20. AUTHORITY TO EXECUTE

The undersigned represent that they are duly authorized to execute this agreement on behalf of the party designated.
