Dear Mr. Le Mieux,

Attached you will find a revision for the PL 102-477 Statistical Report from July 1, 2014 – June 30, 2015.

The number we had shown previously reflected all the participants who were assisted on the WIOA and Higher Education program with federal dollars and Choctaw Nation supplemental money.

Per your request, the Statistical report has been revised to reflect the total participants who met eligible for the federal WIOA and were qualified for scholarships through the Higher Education federal program.

Attached you will find the revised Statistical Report.

I apologize for any inconvenience this report may have caused.

If you have any questions please call me at 580-924-8280 ext. 2209.

Yakoke,

Patty Mink, WIOA Director
Choctaw Nation of Oklahoma
