* 1650 of the 4310 applications requiring a Final QA review were initially approved with a QA review pending. If the QA reviews find any of the 1650 to be ineligible they could be appealed. The BIA is pushing hard to get this group of 1650 QA reviewed by 3/31 to allow 50 days for the appeal process. The remaining 2660 of the 4310 applications were denied and the time to appeal these applications has expired.
