SUPPLEMENTARY INFORMATION: On July
31, 2015, the Department’s revisions to
25 CFR part 83 became final and
effective (80 FR 37861). A key goal of
the revisions was to improve
transparency through increased notice
of petitions and providing improved
public access to petitions. Today the
Department informs the public that
three documented petitions have been
submitted under the current
regulations, that portions of those petitions are
publicly available on the Web site
identified below for easy access, and
that we are seeking public comment
early in the process on these petitions.

Pursuant to the regulations, OFA
notified 15 groups that the Department
had identified them as having
previously submitted complete
documented petitions, under the 1994
acknowledgement regulations, that had

not yet received final agency decisions. Section 83.7 of the regulations allow petitioners that have submitted a complete documented petition but have not yet received a final agency decision to choose whether to proceed applying those standards and processes set forth in the current regulations or the standards and processes of the superseded regulations; 25 CFR part 83, revised as of February 25, 1994 (59 FR 9280). This notice informs the public that three petitioners have submitted complete documented petitions and are proceeding under the standards and processes set forth in the current regulations. Two of these petitioners elected not to supplement their petition, and one elected to supplement its petition and did so immediately.

Under § 83.22(b)(1), OFA publishes notice that the following groups have each filed a documented petition for Federal acknowledgment as American Indian tribes to the Assistant Secretary—Indian Affairs:

Under § 83.22, OFA also publishes on its Web site the following:

(i) The name, location, and mailing address of the petitioner and other information to identify the entity;
(ii) The date of receipt;
(iii) The narrative portion of the documented petition, as submitted by the petitioner (with any redactions appropriate under § 83.21(b));

(v) The opportunity for individuals and entities to request to be kept informed of general actions regarding a specific petitioner.

Additionally, OFA is required under § 83.22(c) to publish on the Web site other portions of the documented petition, to the extent feasible and allowable under Federal law, except documentation and information protectable from disclosure under Federal law, as identified by Petitioner under § 83.21(b) or otherwise.

The Department publishes this notice and request for comment in the exercise of the authority delegated by the Secretary of the Interior to the Assistant Secretary—Indian Affairs by 209 DM 8.
