Honorable Ralph C. Darden  
Chairman, Chitimacha Tribe of Louisiana  
Tribal Center  
P.O. Box 661  
Charenton, Louisiana 70523  

Dear Chairman Darden:

On March 9, 1993, we received the Tribal-State Compact for the Conduct of Class III Gaming Between the Chitimacha Tribe of Louisiana (Tribe) and the State of Louisiana (State).

We have completed our review of the Compact and conclude that the Compact does not violate the Indian Gaming Regulatory Act (IGRA), Federal law or our trust responsibility. Therefore, pursuant to my delegated authority and Section 11 of the IGRA, we approve the Compact. The Compact shall take effect when notice of our approval, pursuant to Section 11(d)(3)(B) of the IGRA is published in the FEDERAL REGISTER.

On June 3, 1993, the Tribe submitted Appendices "A" and "B" which had not been included in the original submission of the Compact documents. We have reviewed the Appendices "A" and "B" and hereby approve them for inclusion in the Compact.

With regard to Appendix "C," relating to technical standards and rules of the games, and Appendix "D," relating to the system of accounting and internal controls, we understand it is the intent of the Tribe and the State, that upon approval of the Compact, these appendices will be developed prior to the commencement of any Class III gaming. Since the approval of Appendices "C" and "D" are not required under the IGRA as a condition for compact approval, we have not required their inclusion in the Compact.

Section 10 (A)(2) of the Compact provides for the purchase, sale and serving of alcoholic beverages in any gaming facility. The possession or sale of liquor in Indian country is a violation of Federal criminal law unless the liquor is sold in compliance with a duly-adopted tribal ordinance authorizing such sale, certified by the Secretary of the Interior and published...
in the FEDERAL REGISTER (18 U.S.C. §1161). The Eastern Area Director can provide the necessary technical assistance to develop a liquor ordinance.

Notwithstanding our approval of the Compact, Section 11(d)(1) of the IGRA (25 U.S.C. §2710(d)(1)) requires that tribal gaming ordinances be approved by the Chairman of the National Indian Gaming Commission (NIGC). On July 8, 1992, the NIGC published in the FEDERAL REGISTER proposed regulations to govern approval of Class II and Class III gaming ordinances. The final regulations were published in the FEDERAL REGISTER on January 22, 1993 (58 Fed. Reg. 5802), and became effective on February 22, 1993. Pursuant to the IGRA and the final regulations, even previously approved or existing gaming ordinances must be submitted to the NIGC for approval when requested by the Chairman. The Tribe may want to contact the NIGC at (202) 632-7003 for further information to determine when and how to submit the gaming ordinance for approval by the NIGC.

In addition, if the Tribe intends to enter into a management contract for the operation and management of the Tribe's gaming facility, the contract must be submitted and approved by the Chairman of the NIGC pursuant to Section 11(d)(9) of the IGRA (25 U.S.C. § 2710 (d)(9)) and the NIGC's final regulations. The final regulations governing the approval of management contracts were also published on January 22, 1993, and became effective on February 22, 1993. Again, the Tribe may want to contact the NIGC for further information on submitting the management contract for approval by the NIGC.

We wish the Tribe and the State success in this economic venture.

Sincerely,

/S/ Ronald D. Eden

WHEREAS, the Chitimacha Tribe of Louisiana is a sovereign Indian Nation that possesses powers of self-government, and is recognized as an Indian Tribe by the United States of America; and

WHEREAS, the Chitimacha Tribe of Louisiana possesses Indian lands that are located within the State of Louisiana, and that are held in trust by the United States of America; and

WHEREAS, in 1988, the Congress of the United States of America enacted the Indian Gaming Regulatory Act, which provided a statutory basis for the operation and regulation of gaming by Indian Tribes; and

WHEREAS, the Congress of the United States of America has recognized gaming activities on Indian lands as a means of generating Tribal governmental revenue; and

WHEREAS, the Congress of the United States of America has found that "Indian Tribes have the exclusive right to regulate gaming activity on Indian lands if the gaming activity is not specifically prohibited by federal law and is conducted within a state which does not as a matter of criminal law and public policy prohibit such gaming activity"; and
WHEREAS, certain gaming activities have been authorized by the State of Louisiana by the enactment of the Louisiana Riverboat Economic Development and Gaming Control Act, and the Louisiana Economic Development and Gaming Corporation Act; and

WHEREAS, the Chitimacha Tribe of Louisiana is authorized to enter into this Tribal-State Compact for the conduct of Class III gaming by Resolution No. 92-11 of the Chitimacha Tribal Council, and by the Indian Gaming Regulatory Act; and

WHEREAS, the State of Louisiana is authorized to enter into this Tribal-State Compact for the conduct of Class III gaming by Act 888 of the 1990 Regular Session of the Legislature, and by the Indian Gaming Regulatory Act;

NOW THEREFORE WE, the Chitimacha Tribe of Louisiana and the State of Louisiana, by virtue of the authority vested through the Constitution and laws of the United States of America and of the State of Louisiana, and in order to preserve and to protect the health, safety, and welfare of our people, do hereby enter into this Tribal-State Compact for the conduct of Class III gaming, as is set forth more fully herein and enumerated below:

SECTION 1: INTERPRETATION OF TRIBAL-STATE COMPACT

(A) Nothing in this Tribal-State Compact shall be applicable to any issues that are endemic to the Chitimacha Tribe of Louisiana, or to any issues that are not related to the conduct of Class III gaming. This Tribal-State Compact shall be governed by and construed in accordance with the Constitution and laws of the State of Louisiana. Where this Tribal-State Compact is silent, the Constitution and laws of the State of Louisiana apply to all aspects of the relationship between the parties.

(B) When this Tribal-State Compact is clear and unambiguous and its application does not lead to absurd consequences, this Tribal-State Compact shall be applied as written and no further interpretation may be made in search of the intent of the Chitimacha Tribe of Louisiana and the State of Louisiana. When the language of this Tribal-
State Compact is susceptible of different meanings, it must be interpreted as having the meaning that best conforms to the purposes of this Tribal-State Compact. The words of this Tribal-State Compact must be given their generally prevailing meaning. Words of art and technical terms must be given their technical meaning when this Tribal-State Compact involves a technical matter, and when applicable, they must be given their identical meaning as provided in the Indian Gaming Regulatory Act. When the words of this Tribal-State Compact are ambiguous, their meaning must be sought by examining the context in which they occur and the text of this Tribal-State Compact as a whole. Words on the same subject matter must be interpreted in reference to each other.

(C) Unless the context of this Tribal-State Compact clearly indicates otherwise:

(1) Words used in the singular number apply also to the plural.

(2) Words used in the plural number include the singular.

(3) Words used in one gender apply also to the other.

(4) The word "shall" is mandatory and the word "may" is permissive.

(5) The word "and" indicates the conjunctive.

(6) The word "or" indicates the disjunctive.

(7) When words are phrased in the disjunctive followed by the words "or both" both the conjunctive and disjunctive are intended.

(8) The word "and" or "or" between the last two items in a series applies to the entire series.

(D) All rights and obligations of the State of Louisiana pursuant to this Tribal-State Compact shall be exercised and satisfied by the Governor of the State of Louisiana in his official capacity, his designees, or the Department of Public Safety and Corrections.
SECTION 2: EFFECT OF TRIBAL-STATE COMPACT

(A) The Chitimacha Tribe of Louisiana shall have all necessary power and authority to conduct Class III gaming on its Indian lands that are described in Appendix A to this Tribal-State Compact. The Chitimacha Tribe of Louisiana shall conduct all gaming activity pursuant to the terms and conditions of this Tribal-State Compact, the Indian Gaming Regulatory Act, and all other applicable State and federal laws.

(B) Nothing in this Tribal-State Compact shall be deemed to authorize the State of Louisiana to impose any tax, fee, charge, or assessment upon the Chitimacha Tribe of Louisiana, or upon any Tribal gaming operation, except as expressly authorized pursuant to this Tribal-State Compact.

(C) Nothing in this Tribal-State Compact shall be deemed to admit, concede, or waive any right or obligation of the Chitimacha Tribe of Louisiana or the State of Louisiana relative to any taxing authority vested in the State of Louisiana by the Constitution and laws of the United States of America and the State of Louisiana.

(D) Nothing in this Tribal-State Compact shall be deemed to authorize the State of Louisiana to regulate the government of the Chitimacha Tribe of Louisiana in any manner, including the Tribal Gaming Commission, or to interfere with the selection of its governmental officers, including the Tribal Gaming Commission. No licensing or certification requirement contemplated by this Tribal-State Compact shall be applicable to such officers with respect to their capacity as officers of the Chitimacha Tribe of Louisiana.

(E) Nothing in this Tribal-State Compact shall be deemed to effect the operation of any Class II gaming, whether or not conducted within the gaming facilities, or to confer upon the State of Louisiana any jurisdiction over Class II gaming conducted by the Chitimacha Tribe of Louisiana on its Indian lands.

(F) Each provision, section, and subsection of this Tribal-State Compact shall stand separate and independent of every other provision, section, and subsection. In the event that a court of proper
authority and jurisdiction shall find any provision, section, or subsection of this Tribal-State Compact to be invalid or invalid as applied, then the remaining provisions, sections, and subsections of this Tribal-State Compact shall remain in full force and effect.

(G) The Chitimacha tribe of Louisiana and the State of Louisiana agree that by entering into this Tribal-State Compact, neither shall be deemed to have waived any rights pursuant to the Indian Gaming Regulatory Act. In the event that the State of Louisiana should refuse to enter into a Tribal-State Compact concerning other forms of Class III gaming, neither the Chitimacha Tribe of Louisiana nor the State of Louisiana shall be deemed to have waived any rights, arguments, or defenses applicable to such a procedure.

(H) The jurisdiction and waiver of sovereign immunity provided by this Tribal-State Compact shall be strictly limited to matters and issues arising directly from this Tribal-State Compact.

(I) Relative to the conduct of Class III gaming, this Tribal-State Compact constitutes the entire agreement between the Chitimacha Tribe of Louisiana and the State of Louisiana, and supersedes all prior written and oral agreements. This Tribal-State Compact may be amended only through a written instrument that is signed by the Tribal Chairman of the Chitimacha Tribe of Louisiana and by the Governor of the State of Louisiana, and that is approved by the Secretary of the Interior of the United States of America.

SECTION 3: TERRITORIAL AND GENERAL JURISDICTION

(A) The Chitimacha Tribe of Louisiana and the State of Louisiana recognize and respect all territorial rights and the independent sovereign existence of each other, and shall:

(1) Accord the fullest mutual respect to the legal institutions and cultural traditions of the Chitimacha Tribe of Louisiana and the State of Louisiana, insofar as they are consistent with preserving and protecting the health, safety, and welfare of all.
(2) Have all necessary concurrent jurisdiction to fully ensure the protection of the public, the Chitimacha Tribe of Louisiana, and the State of Louisiana.

(3) Avoid any undue adverse impact or expansive influence on traditional Tribal jurisdictional mechanisms, such as Tribal discussion and consensus, and on non-traditional but Tribally-adopted written jurisdictional mechanisms, such as the actions of representative bodies like Tribal commissions, boards, or courts, as these jurisdictional mechanisms pertain to Tribal jurisdiction over Tribal members. This intent to respect such existing intra-Tribal jurisdictional mechanisms applies particularly, but not exclusively, to those related to the recognition of the Chitimacha Tribe of Louisiana as possessing powers of self-government.

(B) The Chitimacha Tribe of Louisiana and the State of Louisiana shall retain all sovereignty and immunity to suit while discussing, negotiating, or confecting this Tribal-State Compact. The Chitimacha Tribe of Louisiana and the State of Louisiana intend and agree that all issues purely of Tribal law are to be determined in accordance with the legal mechanisms of the Chitimacha Tribe of Louisiana, and that all other issues are to be determined in accordance with the provisions of this Tribal-State Compact and the legal mechanisms of the State of Louisiana.

(C) In the interest of clarity of authority, and to preserve and to protect the health, safety, and welfare of all, the Chitimacha Tribe of Louisiana and the State of Louisiana shall:

(1) Preserve the full territorial and subject matter jurisdiction of the Chitimacha Tribe of Louisiana.

(2) Preserve the full territorial and subject matter jurisdiction of the State of Louisiana.

(3) Accord the State of Louisiana full territorial jurisdiction, as well as concurrent and primary law enforcement authority within the lands of the Chitimacha
Tribe of Louisiana and the State of Louisiana, when exercising any subject matter jurisdiction accorded the State of Louisiana pursuant to this Tribal-State Compact.

(4) Accord the Chitimacha Tribe of Louisiana, including its duly constituted Tribal law enforcement authorities, full territorial jurisdiction, as well as concurrent and secondary law enforcement authority within the lands of the Chitimacha Tribe of Louisiana and within any Parishes where they have been duly commissioned by a local law enforcement agency, when exercising any subject matter jurisdiction accorded the Chitimacha Tribe of Louisiana pursuant to this Tribal-State Compact, or when exercising the authority accorded to the Chitimacha Tribe of Louisiana pursuant to any agreements made with a local law enforcement agency.

(E) The Chitimacha Tribe of Louisiana and the State of Louisiana shall be available to meet and discuss with local communities on issues relative to the conduct of Class III gaming and its impact upon the local communities.

SECTION 4: CRIMINAL LAW SUBJECT MATTER JURISDICTION

(A) The State of Louisiana shall have primary criminal jurisdiction over all persons, including enrolled members of federally recognized Indian Tribes, who commit offenses made criminal by the laws of the United States of America or the State of Louisiana, on or within that portion of the Indian gaming lands that are described in Appendix A of this Tribal-State Compact. Any criminal law subsequently enacted or amended by the United States of America or the State of Louisiana shall be effective within this area, and shall be the primary enforcement responsibility of the State of Louisiana.

(B) All federal criminal laws applicable to Indian gaming, lands, or subject matter shall be fully operative, assimilated as State law, and applicable within all Tribal lands and areas of gaming activity, and shall apply equally to all persons therein.
(C) All criminal laws of the Chitimacha Tribe of Louisiana that are written, promulgated, and published in the English language, and are not inconsistent with the Constitution or laws of the United States of America or of the State of Louisiana, shall be fully operative, assimilated as State law, and applicable within all Tribal lands and areas of gaming activity, and shall apply equally to all persons therein.

SECTION 5: CRIMINAL LAW ENFORCEMENT AUTHORITY

Within the respective applicable territorial limits as provided in this Tribal-State Compact:

(A) The duly constituted Tribal law enforcement authorities of the Chitimacha Tribe of Louisiana shall have primary law enforcement authority, and all necessary or helpful powers in connection therewith, to enforce all Tribal criminal laws applicable under this Tribal-State Compact. The laws of the State of Louisiana may be enforced by the Tribal law enforcement authorities on non-Tribal lands where the Tribal law enforcement authorities have been duly commissioned by a local law enforcement agency. By written request of the Chitimacha Tribe of Louisiana, local, State, or federal law enforcement officers may be granted authority to enforce Tribal criminal laws.

(B) The Chitimacha Tribe of Louisiana shall have concurrent law enforcement authority, and all necessary or helpful powers in connection therewith, to enforce all State and federal criminal laws made applicable by this Tribal-State Compact. This concurrent law enforcement authority shall be secondary to that of the State of Louisiana. This concurrent law enforcement authority may be initiated in emergency situations by arrest or other appropriate action, but otherwise may be initiated or continued only after immediate and effective notice to the Department of Public Safety and Corrections.

(C) The State of Louisiana shall have primary and concurrent law enforcement authority, and all necessary or helpful powers in connection therewith, to enforce all State and federal criminal laws made applicable by this Tribal-State Compact. The State of Louisiana is not obligated
to exercise or take any action pursuant to such authority and powers on Tribal lands. The primary law enforcement agency of the State of Louisiana shall be the Department of Public Safety and Corrections.

(D) To facilitate law enforcement activities on Tribal lands, within St. Mary Parish, or within adjacent Parishes, the Chitimacha Tribe of Louisiana and the State of Louisiana may enter into cross-deputization or similar contracts or agreements, including but not limited to, agreements with each other, with Sheriffs or other local law enforcement agencies, with District Attorneys, local governmental agencies, and with agencies of the United States of America. Such agreements may include provisions for necessary funding.

(E) On Indian lands described in Appendix A to this Tribal-State Compact, the plenary law enforcement powers of the Chitimacha Tribe of Louisiana and the State of Louisiana include, but are not limited to, immediate access to any premises, building, location, storage facility, or place whatsoever, wherever, in which might be found any thing, tangible or intangible, produced by, a part of, contributing to, or in any way whatsoever related to, a violation of any criminal law made applicable by this Tribal-State Compact. This access includes, but is not limited to, books, records, equipment, electronic data, and supplies. On Indian lands described in Appendix B to this Tribal-State Compact, this access may be exercised by the State of Louisiana only in the company of, or proceeded by authorization from, a designated official of the Chitimacha Tribe of Louisiana.

SECTION 6: LICENSING AND CERTIFICATION REQUIREMENTS

(A) The gaming facilities and operation authorized by this Tribal-State Compact shall be validated by the Chitimacha Tribe of Louisiana to be in conformity with the requirements of this Tribal-State Compact prior to commencement of operations, and annually thereafter. Verification of this requirement shall be made through a joint pre-operation inspection, followed by a letter of compliance sent by the State of Louisiana within seven (7) working days after the completion of the inspection. In the event that the State of
Louisiana determines that the gaming facilities or operation are not in compliance with this Tribal-State Compact, it shall identify the reasons for such determination in a written notice of non-compliance. Upon receipt of such notice of non-compliance, the Chitimacha Tribe of Louisiana and the State of Louisiana shall meet within seven (7) working days to resolve the differences in good faith. If the differences are not resolved, then the matter shall be resolved pursuant to Section 14:(C) et seq. of this Tribal-State Compact.

(B) Any management company, including its principals, utilized by the Chitimacha Tribe of Louisiana to assist in the management or operation of the gaming facilities or operation, shall be licensed by the Chitimacha Tribe of Louisiana, be certified by the State of Louisiana, and shall satisfy all federal requirements prior to providing management services for Class III gaming activities, and annually thereafter.

(C) Each person or entity extending financing to the gaming facilities or operation shall be licensed by the Chitimacha Tribe of Louisiana and be certified by the State of Louisiana prior to providing financial services, and annually thereafter.

(D) Each manufacturer and supplier of gaming services, supplies, or equipment shall be licensed by the Chitimacha Tribe of Louisiana and be certified by the State of Louisiana prior to the sale of any gaming goods or services, and annually thereafter. If a supplier or manufacturer possesses a valid gaming license issued by the State of Louisiana, it shall be deemed certified for the purposes of this Tribal-State Compact.

(E) Each person or entity that provides the Class III gaming facilities or operation with non-gaming related supplies, services, or concessions in excess of $25,000 annually, or in excess of $25,000 in annual gross sales, shall be licensed by the Chitimacha Tribe of Louisiana and be certified by the State of Louisiana prior to the sale of any goods or services, and annually thereafter. Persons or entities that provide the Class III gaming facilities or operation with non-gaming related supplies, services, or concessions in amounts less than as provided above, are exempt
from the licensing and certification requirements, provided:

(1) Not less than monthly, the Chitimacha Tribe of Louisiana shall provide the State of Louisiana with the names and addresses of the persons or entities supplying goods and service under this exception to the certification requirements.

(2) Not less than quarterly, the Chitimacha Tribe of Louisiana shall provide the State of Louisiana with a statement of the dollar amount of goods and services provided by each person or entity.

(3) The Chitimacha Tribe of Louisiana shall not knowingly or willingly allow any person or entity to provide supplies, services, or concessions under another name for the purpose of evading State certification requirements.

(F) Prior to the commencement of employment and annually thereafter, every gaming employee shall be licensed by the Chitimacha Tribe of Louisiana and be certified by the State of Louisiana. For purposes of this Tribal-State Compact, a gaming employee shall mean any person employed in the operation or management of the gaming facilities or operation, whether employed by or contracted to the Chitimacha Tribe of Louisiana, or any person or entity, whether or not located on Tribal lands, that provides services to the Chitimacha Tribe of Louisiana regarding any Class III gaming activity. members of federally recognized Indian Tribes located within the State of Louisiana. The second preference shall consist of persons and entities domiciled in the State of Louisiana. The third preference shall consist of all persons and entities that are not included within the first and second preferences.

SECTION 7: LICENSING AND CERTIFICATION PROCEDURES

(B) After providing a completed application and the required fee for State certification, each applicant shall submit to a background investigation to ensure the applicant is qualified for State certification. Upon completion of the background investigation, the State of Louisiana shall issue the applicant a State certification or a written statement setting forth the grounds for denial. For each applicant, the State of Louisiana shall provide the Chitimacha Tribe of Louisiana a copy of the State certification or the written statement of denial. Appeals of denial determinations shall be resolved pursuant to Section 14:(C) et seq. of this Tribal-State Compact.

(C) (1) The State of Louisiana may revoke, suspend, or deny a State certification for any reason it deems to be in the public interest. These reasons include, but are not limited to, when an applicant for or holder of State certification:

(2) For purposes of reviewing any application for a State Certification and for considering the revocation, suspension, or denial, of any State Certification, the State of Louisiana may consider any prior criminal conduct of the applicant or holder of certification, whether or not the provisions of LSA-R.S. 15:572 et seq., LSA-C.Cr.P. art. 893 et seq., or any similar provision of any other jurisdiction have been applied.

(D) Any applicant for or holder of State certification shall be entitled to a review of any action by the State of Louisiana which may result in revocation, suspension, or denial of State certification. Such review will be conducted in accordance with the provisions of Section 14:(C) et seq. of this Tribal-State Compact. Nothing herein shall prevent the Chitimacha Tribe of Louisiana from invoking its disciplinary procedures and proceedings.

(E) The revocation, suspension, or denial, of any Tribal gaming license by the Chitimacha Tribe of Louisiana shall be in accordance with Tribal ordinances and regulations governing such actions,
which shall not be less stringent than those contained in this Tribal-State Compact.

(F) Any Tribal license or State certification shall be effective for one (1) year from date of issuance, unless suspended or revoked prior to that time. A licensed and certified person or entity that has applied for renewal may continue to serve under the expired license or certification until notice is received on the renewal application from the Chitimacha Tribe of Louisiana and the State of Louisiana. On the appropriate renewal forms, applicants for renewal of license or certification shall provide updated material as requested, but shall not be required to resubmit historical data already submitted to the Chitimacha Tribe of Louisiana and the State of Louisiana.

(G) The Chitimacha Tribe of Louisiana shall require all gaming employees to wear in plain view an identification card, which shall include the employee’s name, photograph, identification number unique to the employee, a Tribal seal or signature, and a date of expiration.

(H) In an effort to ensure a qualified work force in all areas of Class III and other types of gaming authorized by the State of Louisiana, the final disposition of any administrative action concerning a Tribal license or State certification shall be forwarded to both the Chitimacha Tribe of Louisiana and the State of Louisiana, and shall be maintained as a part of their permanent licensing records.
