the U.S. All the research and development for the solar PV panel system is performed in the U.S. A significant number of the components used to make these products are of U.S.-origin. Further, this case clearly involves complex and meaningful assembly operations performed in the U.S. Several layers of thin film deposits are placed on the bare glass tubes which are then transformed into a module for a solar PV panel system with a new name, different and specialized characteristics and use. Therefore, we find that the imported components are substantially transformed in the U.S. and that the country of origin of the solar PV panel systems is the U.S. for purposes of U.S. Government procurement.

We suggest that you contact the Federal Trade Commission to determine whether the solar panel systems may be marked "Made in the U.S.A.", which is within their jurisdiction.

Holding:

Based on the facts of this case, the country of origin of the solar PV panel systems is the U.S. for purposes of U.S. Government procurement.

Notice of this final determination will be given in the Federal Register, as required by 19 CFR § 177.29. Any party-at-interest other than the party which requested this final determination may request, pursuant to 19 CFR § 177.31 that CBP reexamine the matter anew and issue a new final determination. Pursuant to 19 CFR § 177.30, any party-at-interest may, within 30 days after publication of the Federal Register Notice referenced above, seek judicial review of this final determination before the Court of International Trade.

Sincerely,

Sandra L. Bell, Executive Director, Office of Regulations and Rulings, Office of International Trade.

The Honorable Chad Smith
Principal Chief
Cherokee Nation of Oklahoma
P.O. Box 948
Tahlequah, Oklahoma 74465-0948

Dear Principal Chief Smith:

On July 1, 2010, we received the Tribal - State compact for Off-Track Wagering between the Cherokee Nation of Oklahoma (Tribe) and the State of Oklahoma (State) executed on April 8, 2010 (Compact).

We have completed our review of this Compact and conclude that it does not violate the Indian Gaming Regulatory Act (IGRA), any other provision of Federal law that does not relate to jurisdiction over gaming on Indian lands, or the trust obligations of the United States to Indians. Therefore, pursuant to my delegated authority and Section 11 of IGRA, we approve this Compact. This Compact shall take effect when the notice of our approval, pursuant to Section 11(d)(3)(B) of IGRA, 25 U.S.C. §2710 (d)(3)(B), is published in the Federal Register.

A similar letter is being sent to the Honorable Brad Henry, Governor of Oklahoma. We wish the Tribe and the State continued success in their economic venture.

Sincerely,

1. **Making Claims.** Any patron having a claim against the Gaming Facility shall present a claim for any appropriate relief including the award of money

damages. Claims against the gaming enterprise are to be presented within
ninety (90) days of the date the loss occurs. In the event a claim is not
presented following ninety (90) days after the loss occurs, it shall be barred.
A claim not resolved in ninety (90) days is deemed denied. A claim against
the gaming enterprise shall be barred unless litigation to pursue a denied
claim is commenced within one (1) year of the denial of such claim.

(2) Notice. The written notice of claims against the Gaming Facility shall state
the date, time, place and circumstances of the claim, the identity of the
persons, if known, the amount of compensation or other relief sought, the
name, address and telephone number of the claimant, and the name, address
and telephone number of any agent authorized to settle the claim including a
written copy of the authority of agent.

(3) Denial. A claim is deemed denied if the Gaming Facility fails to approve the
claim in its entirety within ninety (90) days of receipt, unless the interested
parties have reached a settlement before the expiration of that period. A
person may not initiate suit unless the claim has been denied in whole or in
part. The claimant and the Gaming Facility may continue attempts to settle a
claim; however, settlement negotiations do not extend the date of denial.

(4) Limitations. No action for any cause arising from personal injury, property
damage, or patron gaming dispute shall be maintained unless valid notice has
been given and the action is commenced in the Nation’s District Court
within one (1) year after denial of the claim as set forth herein. Neither the
claimant nor the Gaming Facility may extend the time to commence an
action by continuing to attempt settlement of the claim.

b. Tort Claim. During the term of the Compact, the Nation shall maintain public
liability insurance with limits of not less than $250,000 for any one person and
$2,000,000 for any one occurrence for personal injury and $1,000,000 for any one
occurrence for property damage. This insurance policy shall include an endorsement
providing that the insurer shall not invoke tribal sovereign immunity up to the limits
of the policy set forth above and, to this extent, the Nation explicitly waives its
immunity from suit. In the event of a claim for personal injury, property damage or
other tort allegedly suffered at a Gaming Facility arising from alleged negligence by
the Cherokee Nation, the sole and exclusive remedy for an alleged tort claim is
against this liability insurance policy and no asset of the Nation may be levied against
or executed upon by a claimant. All claims pursuant to this paragraph shall be
presented to the Courts of the Nation or through the tort claims resolution statutes
and procedures of the Nation, as applicable. Any tort claim must be submitted in
writing to the Nation’s tort claim administrator or the Nation’s insurer within ninety
(90) days of the date of injury or such claim shall be barred. Any claim not resolved
in ninety (90) days shall be deemed denied. Any litigation with respect to a denied
claim must be commenced in the Courts of the Nation within one (1) year of the
date of denial or such claim shall be barred. Notice of the claim procedures set forth
in this paragraph shall be posted in the Gaming Facility.
c. **Wagering Claim.** A claim against the Gaming Facility for payment of a wager or distribution of winnings shall be in writing and filed with the Cherokee Nation Gaming Commission at the address of the Gaming Facility. Notices explaining this procedure shall be posted in the Gaming Facility. Such notices shall explain that this procedure is the exclusive method of making a claim or registering a patron dispute about payment of a bet or a distribution of winnings. Such notices shall explain that upon denial of a claim redress must be sought exclusively in Nation's Courts.

d. **Posting.** Notices explaining dispute resolution procedures for tort or wagering claims shall be posted in prominent locations in each Gaming Facility and the copies will be made available upon request to the patron.

**SECTION 9. REGULATIONS**

In addition to the regulations in Appendix C, the following additional requirements apply:

The meetings shall take place at a location selected by the Cherokee Nation Gaming Commission. The OSB1 and/or the OSF prior to or during such meetings, shall disclose to the Cherokee Nation Gaming Commission any concerns, suspected activities or pending matters reasonably believed to possibly constitute violations of this Compact, by any person, organization or entity, if the disclosure will not compromise the interest sought to be protected.
SECTION 11. MONITORING

The OSBI with the assistance of the OSF shall have the authority to monitor the Gaming Operation to ensure compliance with provisions of this Compact with concurrent supervision of the Cherokee Nation Gaming Commission. In order to properly monitor the Gaming Operation, agents of the OSBI and/or the OSF shall have reasonable access to all areas of the Gaming Facilities for off-track wagering during normal operating hours after giving notice to the Gaming Facility manager and the Cherokee Nation Gaming Commission or its designee; provided, however, the monitoring activities of these agents shall not interfere with the normal functioning of the Gaming Operation, and OSBI and OSF shall provide proper photographic identification to any Nation representatives requesting the same.

a. **Access to Records.** Agents of the OSBI and/or the OSF shall have authority to review and copy during normal business hours all records maintained by or relating to the off-track betting operation, provided no original records shall leave the custody of the Nation and provided further that such records are held in confidence and not released to the public under any circumstances.

b. **Notification.** At the completion of any inspection or investigation by the OSBI and/or OSF, a full investigative report shall be forwarded to the Cherokee Nation Gaming Commission and the Nation's Chairperson within (5) days.

SECTION 12. CRIMINAL JURISDICTION

c. **Declaratory Judgment.** If either party considers itself aggrieved by a breach of this Compact, it may bring an action for breach of Compact in the United States District Court for the Eastern District of Oklahoma pursuant to 25 U.S.C. §2710(d)(7)(A). If the dispute involves a material breach of this Compact and is not cured, the court may declare the Compact terminated. Either party may claim in an action that repeated violation of this Compact constitutes a prospective intent not to abide by its terms and that, therefore, the pattern of repeated violations constitutes a material breach of this Compact. Although this remedy is consistent with 25 U.S.C.A. §2710, (d)(3)(C)(v), nothing herein shall be construed to authorize any other equitable remedy, nor to authorize a money judgment except for unpaid costs of monitoring by the State. To the extent necessary and permitted by applicable law, each of the parties waive immunity from suit for the limited purpose of this section.

**SECTION 16. RESERVATION OF RIGHTS**

In the event that a court of competent jurisdiction shall find any provision, section or subsection of this Compact to be invalid, the remaining provisions, sections and subsections of the Compact shall remain in full force and effect, unless the invalid provision materially alters the relationship between the parties. In the event of such alteration, the parties shall negotiate to comply as nearly as possible with the original intent of this Compact.

3. The Gaming Facility will not accept wagers on credit.

4. Gaming Facility employees are prohibited from wagering on events while on duty.
C. COMPUTER SYSTEM:

The main processors consist of three DEC 4000 Series 90 central processing units operating in triplex or other suitable computer substitutes. These central processing units are located at a suitable location by the simulcast signal provider with telecommunication links to peripheral terminals located at the Nation’s Gaming Facility or at some other suitable and securely equivalent location.

The systems provide hard disk storage in the form of dual-disk disk drives of 2.1 gigabytes each, and 2.1 gigabytes of magnetic tape for backup data or some other storage of similar or greater capacity.

Program source code shall not be available to Gaming Employees, or to Nation’s data processing employees.

Access to the main processors located at the source location is limited to authorized simulcast provider personnel or substitute entity personnel from the signal source locations.

The pari-mutuel system will be connected to the Gaming Facilities of the Nation via a dedicated telephone line or other acceptable communication system. Access through a dial-up modem or other suitable alternative will be available in case the leased dedicated telephone line becomes inoperative.

Writer/cashier terminals and screen activated machines (SAMs) will be furnished to the Gaming Facility by source location. Access to writer/cashier terminals will be restricted to writers/cashiers. This restriction will be provided by requiring operator number and passwords to log on to the system. Writer/cashier operator numbers will be issued by source location. Passwords for writers/cashiers will remain confidential, known only by the writer/cashier. Passwords for writers/cashiers will be changed at least quarterly.

Supervisor and accounting personnel operator numbers and passwords will be issued by source location. These passwords will be changed as least quarterly.

A Gaming Employee or other employee, approved by the Cherokee Nation Gaming Commission may perform routine maintenance and service of the hardware components of the Gaming Facility’s wagering and communication equipment. Source location-dispatched technician will perform all non-routine maintenance and service of the hardware components of the Gaming Facility’s equipment.

Nothing here shall prevent the Nation from providing an alternative computer system provided that the protection it maintains for the Nation and its patrons is similar to those provided by the described system and source location.

D. OPENING/CLOSING PROCEDURES:

1. Opening Procedure

Ticket writer/cashier receives his/her starting bank from the cage.
Ticket writer/cashier verifies funds and enters the amount on a log. The writer/cashier signs the log.

Upon completion of bank opening procedures, the writer/cashier will sign on to the system by inputting his operator code and password. The system will print a sign-on ticket that will contain the following information: “sign-on” designation, Gaming Center name, date, time, station number and operator number.

2. Closing Procedures

When the writer/cashier closes his/her pari-mutuel station, a sign-off ticket and a summary ticket will be printed by the terminal. The sign-off ticket will contain the following information: sign-off designation, Gaming Facility name, date, time, station number and operator number. The summary ticket will contain the following information: Gaming Facility name, date, time, station number, operator number, take (sales), voids (cancels), paid (cash), the IRS withholding amount, and beginning bank (draw). Information on cash turn-ins (cash balance) will only be available to the book supervisor via password access. The cash drawer is then counted by the cashier/writer and the shift supervisor. Both sign the count sheet. The computer terminal is accessed to determine the writer’s total cash balance. This is compared to the count sheet and variations are investigated.

Once verified, a manual cash-in slip is created and signed by both the writer/cashier and the shift supervisor, the writer/cashier will proceed to the slot cage and will turn in their funds.

E. BETTING/TICKET ISSUANCE AND CONTROLS:

Betting tickets shall be in single part form. The original is given to the customer. A second “copy” is retained internally within the computer system and is not accessible by pari-mutuel Gaming Facility personnel.

The computer system prints a number on each ticket which identifies each writer station.

Only one random numerical computer-assigned series per station shall be used at one time.

Unused tickets will be stored in the pari-mutuel Gaming Facility storage room. These forms are serially numbered by the computer and do not require the “sensitive” forms inventory control procedures.

The computer system will not allow a ticket to be voided after a race event is locked out.

All bets will be made in cash or chips and shall be evidenced by the issuance of a ticket upon acceptance of a wager.

Tickets will not be written or voided after the outcome of an event is known.

F. SCREEN ACTIVATED MACHINE

1. The screen activated machine (SAM) is a self-service betting machine which allows customers to place wagers using a winning ticket or voucher generated by the system.
2. The customer must insert a voucher or winning ticket for the SAM to accept a wager. Wagers will be made keying in the amount of the bet, the type of bet, and the horse or horses-selected. After the selection process is complete, the SAM will print a bet ticket. The SAM will print a voucher for the remaining balance, if any, owed. The voucher will contain the serial number, and SAM number. Once the wager is placed, the voucher can be used to place additional wagers for as cash.

3. When a patron wishes to redeem a voucher, the writer/cashier will insert it into the bar code reader. The computer will then generate a paid ticket and the writer/cashier will pay the patron. All other procedures described concerning payouts on winning wagers will be compiled with as applicable.

4. Outstanding vouchers will be listed on the Outbook Voucher Report. Vouchers outstanding more than a specified number of days will be purged by the Systems Operator.

5. All winning tickets and vouchers inserted into the SAM will be deposited automatically into a locked box in the machine. On a daily basis, an accounting representative will check out the key to the lock boxes to remove the tickets and vouchers. The key will be at a department Independent of the Pari-Mutuel Gaming Center and will require signing a log to access. After the accounting representative obtains the tickets and vouchers, he or she will immediately deliver them to accounting.

6. Voids will not be allowed at a SAM. Additionally, winning tickets that require IRS withholding will not be paid at the SAM.

G. PAYMENT OF WINNING WAGERS:

Upon presentation of a winning ticket by a customer, the writer/cashier will insert the ticket into the bar code reader for verification and payment authorization. The system will brand the ticket with the payout amount, writer/cashier’s station number, and date. Information on all winning tickets paid will be retained by the system.

Should the bar code reader fail to read a ticket, the writer/cashier will manually enter the ticket number into the terminal. A payout ticket will then be printed which will include the following information: ticket number, “pay” indication, Gaming Facility name, pay amount, date, station number, and operator number.

The computer software is designed to prevent payment of a ticket that has been previously paid by the system, voided by the system, a losing ticket, or a ticket not issued by the system.

Payoffs over $10,000.00 may be delayed for up to 24 hours after the next banking day.

For winnings requiring the completion of a form W2G, the computer system will preclude a writer/cashier from making payment until the patron’s social security number is entered. Once the social security number is entered, the computer will compute the amount of withholding and the amount of customer payment. The system will not pay a winning ticket, which requires IRS withholding, unless the customer provides his/her social security number at the time of payment.
The system will calculate the withholding amount and the net amount due to the customer, which will both be printed on the ticket. This will alert the writer/cashier and the supervisor to complete the required IRS forms. Persons who do not have social security numbers may receive winnings from the manager after complying with federal tax requirements.

H. POSTING OF RULES:

1. Posting of rules

   All house rules shall be conspicuously displayed in the Gaming Facility.

2. Refunds

   All bets received on any entry which does not start or on a race which is canceled or postponed shall be refunded on the basis of the refund policy in effect at the track.

3. Refusal to accept bets

   The Gaming Facility reserves the right to refuse to accept bets on a particular entry or entries or in any or all pari-mutuel pools for what it deems good and sufficient reason.

4. Cancellation of track pool

   In the event that a pari-mutuel pool is canceled by the track, the corresponding off-track betting pari-mutuel pool shall be refunded.

5. Responsibility of the Gaming Facility

   The Gaming Facility bears no responsibility with respect to the actual running of any race or races upon which it accepts bets. In all cases, the off-track betting pari-mutuel pool distribution shall be based upon the order of finish posted at the track as "official". The determination of the Judges, stewards or other appropriate officials at the track shall be conclusive in determining the payoffs of the Gaming Facility.

6. Error in calculation of payments

   In the event an error in calculation of payment occurs in a pool which is the result of the combination of the track pool and the off-track betting pool, the rules in effect at the track governing the disposition of such error shall prevail.

I. UNPAID WINNERS:

   Unpaid winners remain on the computer system for a minimum of 120 days after the conclusion of a racing meet. Following the 120 day period, the unpaid winners are brought back into revenue by the source location.
J. LOST TICKETS:

Upon notification by a patron that a winning betting ticket has been lost, stolen or is otherwise not available for presentation, the following procedures will be followed:

1. The patron must report the loss of the ticket not later than the third day following the day the race was completed, unless the patron can show circumstances where this was not possible, or unless approved by Gaming Facility management.

2. A lost ticket report will be prepared by the Gaming Facility from information supplied by the patron. The report will contain the following information:
   a. Name, address and telephone number of patron
   b. Date/time the ticket was purchased
   c. Amount/type of wager
   d. Horse/greyhound betting numbers
   e. Ticket number (if known by patron)
   f. Signature of patron
   g. Signature of report preparer
   h. Signature of Gaming Facility Manager/Supervisor

3. The lost ticket report will be delivered to the controller who will instruct an accounting clerk to research the unpaid ticket file.
   a. If an unpaid ticket that matches the information on the lost ticket report cannot be located, the lost ticket report will be returned to the Gaming Facility Manager with instructions that no payment can be made.
   b. If an unpaid ticket is found that matches the lost ticket report, the unpaid ticket will be "locked" in the computer system to prevent payment to other than the claimant for the holding period of one hundred twenty (120) days after the conclusion of the racing meet on which the wager was placed.

4. After the ticket is held for this one hundred twenty (120) day period, the patron may be paid. The controller reviews all of the lost ticket claim support paperwork prior to signing the check to be mailed to the customer.

5. If the ticket is presented for payment within this one hundred twenty (120) day period by other than the patron represented on the lost ticket report; or if a dispute arises from the foregoing procedures, it will be the Gaming Facility’s responsibility to resolve such disputes.
K. MAIL PAYMENTS:

Only original wagered tickets are acceptable for mail payments.

All mail payment requests are opened and logged by personnel independent of the Gaming Facility. A copy of the log is retained by the accounting department for auditing mail tickets paid. The mailed ticket is forwarded directly to the Gaming Facility Manager’s office, where it is then entered into a writer/cashier’s terminal for unpaid ticket update to indicate that the ticket is no longer outstanding.

A request for disbursement and the approved ticket are forwarded to the controller for payment.

Only the controller or a designate is authorized to approve mail payments.
