SUMMARY: This notice publishes the Class III Tribal-State Gaming Compact between the Fort Independence Indian Community of Paiute Indians and the State of California.

DATES: Effective Date: January 17, 2014.

SUPPLEMENTARY INFORMATION: Under section 47 of the Indian Gaming Regulatory Act of 1988 (IGRA), Public Law 100–447, 25 U.S.C. 2701 et seq., the Secretary of the Interior shall publish in the Federal Register notice of approved Tribal-State compacts for the purpose of engaging in Class III gaming activities on Indian lands. The Compact between the State of California and the Fort Independence Indian Community of Paiute Indians allows for one gaming facility and authorizes the Tribe to operate up to 850 gaming devices. The Tribe will make revenue sharing payments for gaming devices operated in excess of 350. Finally, the term of the Compact is until December 31, 2034. AGENCY: Bureau of Land Management, Interior.

ACTION: 30-Day notice and request for comments.

SUMMARY: The Bureau of Land Management (BLM) has submitted an information collection request to the Office of Management and Budget (OMB) to continue the collection of information from those who wish to adopt and obtain title to wild horses and burros. The Office of Management and Budget (OMB) has assigned control number 1004–0042 to this information collection.

SUPPLEMENTARY INFORMATION: The Paperwork Reduction Act (44 U.S.C. 3501–3521) and OMB regulations at 5 CFR part 1320 provide that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond. In order to obtain and renew an OMB control number, Federal agencies are required to seek public comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d) and 1320.12(a)).

As required at 5 CFR 1320.8(d), the BLM published a 60-day notice in the Federal Register on September 25, 2013 (78 FR 50054), and the comment period ended November 25, 2013. The BLM received one comment. The comment was a general inveigle about the Federal government, the Department of the Interior, and the BLM. It did not address, and was not germane to this information collection. Therefore, we have not changed the collection in response to the comment.

The BLM now requests comments on the following subjects:
1. Whether the collection of information is necessary for the proper functioning of the BLM, including whether the information will have practical utility;
2. The accuracy of the BLM’s estimate of the burden of collecting the information, including the validity of the methodology and assumptions used;
3. The quality, utility and clarity of the information to be collected; and
4. How to minimize the information collection burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other forms of information technology.
