by EEO counselors in all instances except for three which were processed through the Federal Mediation and Conciliation Service. The cost and time savings were significant with the avoidance of expenditures in connection with EEO investigations, hearings, transcripts, and staff time. The program Department-wide thus far has focused on EEO and related personnel matters. Only MMS, among the bureaus, has concentrated on resolving conflicts with outside groups. The interim policy signed by the Secretary in June 1994, upon which the final policy is based, makes clear that the program is to be broader based. The IDRC will continue to encourage other bureaus to adopt the MMS model for resolving conflicts with constituents, customers and outside groups.

Honorable Raymond Hoferer  
Chairman  
Walker River Paiute Tribe  
P.O. Box 220  
Schurz, Nevada 89427

Dear Chairman Hoferer:

On June 13, 1996, we received the Slot Route Compact between the Walker River Paiute Tribe (Tribe) and the State of Nevada (State), dated March 25, 1996. We have completed our review of this Compact and conclude that it does not violate the Indian Gaming Regulatory Act of 1988 (IGRA), Federal law, or our trust responsibility. Therefore, pursuant to my delegated authority and Section 11 of the IGRA, we approve the Compact. The Compact shall take effect when the notice of our approval, pursuant to Section 11(d)(3)(B) of IGRA, 25 U.S.C. § 2710(d)(3)(B), is published in the FEDERAL REGISTER.

Notwithstanding our approval of the Compact, Section 11(d)(1) of the IGRA, 25 U.S.C. § 2710(d)(1), requires that tribal gaming ordinances be approved by the Chairman of the National Indian Gaming Commission (NIGC). Regulations governing approval of Class II and Class III gaming ordinances are found in 25 CFR §§ 501.1-577.15 (1995). Pursuant to the IGRA and the regulations, even previously existing gaming ordinances must be submitted to the NIGC for approval when requested by the Chairman. The Tribe may want to contact the NIGC at (202) 632-7003 for further information to determine when and how to submit the ordinance for approval by the NIGC.

In addition, if the Tribe enters into a management contract for the operation and management of the Tribe’s gaming facility, the contract must likewise be submitted to, and approved by the Chairman of the NIGC pursuant to Section 11(d)(9) of the IGRA, 25 U.S.C. § 2710(d)(9) and the NIGC’s regulations governing management contracts. The Tribe may want to contact the NIGC for information on submitting the ordinance and the management contract for approval by the NIGC.
We wish the Tribe and the State success in their economic venture.

Sincerely,

/IS/ Ada E. Deer
