¹ This report was congressionally required in FY2017, FY2018, and FY2019. No such requirement was included in the FY2020 congressional language.

² The total number of required inspections per year reflects the number of school campuses in the BIE school inventory. There are 169 elementary and secondary schools and 14 dormitories in the BIE school system. However several are co-located on the same campus resulting in the 179 required inspections. The BIE school system also includes two BIA-owned post-secondary institutions.

In FY2018, the BIE began executing its approved reform and realignment and assumed responsibility for annual workplace inspections for schools from the Bureau of Indian Affairs.
