Presently, several tribal governments operate self-determination contracts awarded by BIA Awarding Officials for the performance of the OFMC projects.

II. Purpose and Scope

It is the purpose of this Memorandum of Understanding (MOU) to ensure that tribal self-determination contracts for OFMC projects are executed in an accurate and timely manner. This will require close coordination and cooperation between BIA OIS and BIA OFMC.

The OIS will provide OFMC a Level II Awarding Official from the Great Plains, Western and Navajo Regional Offices. The three BIA Regions will be responsible for awarding OFMC construction contracts by using the Level II Awarding Officials at each region. The awarding officials will appoint the appropriate regional OFMC staff as the Awarding Official Technical Representative (AOTR) for each construction contract. The BIA will provide training for the AOTR’s annually and be responsible for all awarding functions.
III. Clarification of Outstanding Issues:

**Work Load Distribution:** Each Region will be responsible for all OFMC Contracts within three designated areas.

**Great Plains Region:** Will be responsible for all OFMC Construction P.L. 93-638 contracts geographically located in the Great Plains, Rocky Mountain and Midwest Regions.

**Navajo Region:** Will be responsible for all OFMC Construction P.L. 93-638 contracts geographically located in the Navajo, Southwest, Northwest and Eastern Oklahoma Regions.

All Existing contracts not completed by November 1, 2010 shall stay with current Awarding Officials until project is completed and closed out.

OFMC will provide $210,000.00 annually to the OIS for P.L. 93-638 contracting services in FY 2011. OFMC will also provide to Regional Awarding Officials travel expenses occurred for contracts located outside their region but identified as other regions of identified responsibility.

OFMC Deputy Director will be the Approving Official on all OFMC Contracts unless the Deputy Director of OFMC appoints an alternate Approving Official and submits a written designation letter to the appropriate awarding official who the Approving Official will be. This MOU identified which Region will be responsible for awarding the OFMC contracts.

Upon the written approval of a contract proposal by the Approving Official, the OIS Awarding Official, with input from the AOTR, will negotiate and award the contract.
