Student Work Assignment To Do List (Before, During and After)

This will help you prepare for and close out a work assignment. This is meant to provide you with an overview. You should receive Student Intern Coversheets throughout this process informing you of deadlines, reminding you of items needed, forms to complete, etc. If you have any concerns or questions regarding this checklist or would like to plan ahead, please contact us.

Acronyms and Commonly Used Terms (Pathways) Refer to the New Employee System Accesses On-Boarding Checklist and Guide (Student Only). It has links and pertinent contact information applicable to this process. Other Forms and Guidance can be located on our website at: https://www.bia.gov/bia/ots/workforce-planning-coordination

Section 1 - Before Summer Work Assignment Begins

☐ Complete FISSA+ and Cyber Security Trainings in DOI Learn (NOTE: This is Annual. Every employee is required to do this each year or your accesses will revoked).

☐ Email the BIA Helpdesk to request your Email and Active Directory (Returning Students) accounts be Reactivated. After coming off of LWOP, security measures are in place deactivate employee’s accesses after periods of no activity.

☐ Send copies of your upcoming semester/quarter School Schedule and most recent Transcripts to your Coordinator and Central Office (D.C.).
  - If anything has changed, such as less than 2.0 GPA, less than full-time, anticipated graduation date. LET US KNOW. If you don’t we won’t be able to work with you after the fact.

☐ Work with Coordinator and Host Supervisor to complete the Work Assignment Agreement (WAA) Form. This includes:
  - Negotiating Begin and End Dates
  - Identify who your Timekeeper and Certifier will be in Quicktime (QT)
  - Work with your Host Supervisor to complete a NEW Work Schedule Agreement Form (aka AWS).
  - Determine if travel to the worksite will apply (Not all Programs provide travel for rotational work assignments).
    - If travel does apply, contact your Coordinator to discuss the details and complete with them a TDY - Travel - Trip Request Form.
    - Then send the Trip Request Form to your TDY Travel Preparer so that they can complete your Travel Authorization (TA) in Concur timely.
    - If you do not have a valid driver’s license, you will not be allowed to drive a POV.
    - Also, remind your Coordinator to request that your JP Morgan card be Reactivated.

☐ If your Trip requires an overnight stay (aka Stop Overs or Rest Periods):

☐ Confirm with your Host Supervisor the Date, Time and Address of when and where you should Report for Duty.

IMPORTANT: If you are going to be on TDY for this WAA, you will need time to get there. Your travel begin date must coincide with your WAA’s Begin Date. Not before. For instance, if your WAA Begin Date is June 1st and you are approved POV and it will take you 2 days to drive there, your Report for Duty Date will be June 3rd. Work with your Host Supervisor and Travel Preparer to determine what date you will be expected to arrive.

☐ Ask your Host Supervisor and TK what their T&A protocols are:
  - Email the Timekeeper your contact information.
  - Do not take leave unless you have been approved in writing and in advance. Send copies of any leave slips to your TK.

TDY Travel (If applicable)

☐ Your TDY Travel Preparer will work with you to complete your TA in Concur. When it is approved/completed, they will email you a copy and provide instructions for you must do to submit voucher reimbursement requests, etc.
  - If you have been trained to complete your own TAs in Concur, make sure to send an email to travel_helpdesk@ios.doi.gov to request your account be reactivated and still work with your Travel Preparer because they will still need to review your TA before it can be approved.

☐ Send a copy to your TA to 1) Host Supervisor and 2) Timekeeper, and 3) Coordinator!

☐ Carry a paper copy of your TA with you when you travel (you cannot travel without it!).

☐ Travel only on the Dates listed on your TA (If there is a discrepancy between what is on your WAA and the TA, contact your Host Supervisor and Travel Preparer to confirm):
  - Follow the approved Travel Route
  - Record your start and end times and daily mileage (even if to airport) using the TDY Travel - Voucher Reimbursement Worksheet Form
  - Follow what is on your TA for Stop Over Points. It will list the City and State and Lodging Per diem Amount you are approved for.
