H. Economic conditions, exclusive of improvement or development required by the contract or the contribution value of such improvements, may be considered during periodic reviews and adjustment of the rental rate.

I. Unless otherwise provided in the Lease, rental payments may not be made or accepted more than one year in advance of the due date.

2. The estimated development cost of improvements; and
3. Any additional amount necessary to ensure compliance with the Lease and restoration/reclamation of the leased premises.

C. The performance bond may be in one of the following forms:

2. Irrevocable letter of credit issued by a federally-insured financial institution authorized to do business in the United States;

4. Surety bond issued by a company approved by the U.S. Department of the Treasury.

D. If a certificate of deposit, letter of credit, negotiable security, or any combination thereof is used to ensure performance, Lessee must enter into a written surety agreement with the Osage Nation, which agreement shall establish the written procedures to be followed if Lessee defaults in any payment or performance requirements under the Lease.

SECTION 13. IMPROVEMENTS

A. A Lease shall require Lessee to exercise due diligence and best efforts to complete construction of any improvements within the schedule specified in the Lease.

B. Lessee, at Lessee’s expense or as otherwise provided in the Lease, may construct improvements under a Lease if the Lease specifies, or provides for, the development of:

1. A plan that describes the type and location of any improvements to be built by Lessee; and
2. A general schedule for construction of the improvements.
C. Lessee shall provide the Director written justification as to the nature of any delay, the anticipated date of construction of the improvements, and evidence of progress toward commencement of construction.

D. When requested by the Director or otherwise required in the Lease, Lessee shall provide to the Director, in writing, an updated schedule for construction.

E. Failure of Lessee to comply with these requirements will be deemed a violation of the Lease and may lead to cancellation or termination of the Lease pursuant to this Act.

F. Upon cancellation or termination of a Lease, improvements to the premises shall become the property of the Osage Nation unless otherwise provided for in the Lease. If improvements are permitted or required to be removed, the Lease may specify the maximum time allowed for such removal.

G. If specified in a Lease, a Lessee may develop equity value in the improvements and sell its interest in the improvements based on such value, provided that the Osage Nation is given a right of first refusal to purchase such interest.

H. A Lease may provide that, at its expiration, Lessor may purchase improvements to the premises at fair market value.

I. Unless allowed or required by applicable law, no fee, tax, assessment, levy or charge imposed by a state or political subdivision shall apply to permanent improvements, activities under a Lease, or leasehold or possessory interests on Tribal Lands, provided that the Osage Nation may impose its own taxes or other charges on the same.

3. The assignee or sublessee submits a current financial statement showing financial adequacy; and

4. The assignee or sublessee agrees in writing to be bound by all terms and conditions of the Lease.

C. A Lease may authorize the Lessee to grant a Leasehold Mortgage of the Lessee’s leasehold interest, for the purpose of financing improvements to the premises, subject to the written approval of the Leasehold Mortgage by the Osage Nation Congress or its designee.

D. If a sale or foreclosure of Lessee’s business or assets that include the leasehold interest occurs and the mortgagee is also the purchaser, the mortgagee may assign the Lease without approval of the Director, provided the assignee agrees in writing, delivered to the Director, to be bound by all the terms and conditions of the Lease, including but not limited to any bonding and insurance requirements of the Lease, together with evidence that the assignee has met the bonding and insurance requirements, prior to taking possession of the premises. If the purchaser is a party other than the mortgagee, prior written approval by the Osage Nation Congress or its designee is required, and the purchaser must agree in writing to be bound by all terms and conditions of the Lease, including but not limited to any bonding and insurance requirements of the Lease, together with evidence that the assignee has met the bonding and insurance requirements. Failure to furnish the evidence of bonding or insurance required by this paragraph or to obtain the required approval of the Osage Nation Congress or its designee shall be a violation of the Lease and a trespass by the purchaser if the purchaser enters upon or occupies the premises of the Lease.

Pending the outcome of an appeal, Lessee must make all required payments and comply with all the terms of the Lease.

E. If the Director elects to grant an extension of time in which to cure a default, Lessee shall proceed diligently to perform and complete the corrective actions within the time extension period.
