The Pathways Program provides opportunities for students to earn college credits while still in high school through partnerships with colleges and universities.

Our Organization

The Bureau of Indian Affairs is committed to preparing Tribal communities and their members for meaningful participation in the workforce.

The BIA has an unprecedented professional initiative to improve the quality of life for their tribal members.

We are committed to addressing the challenges faced by our communities and to creating opportunities for our youth.

The BIA builds and develops initiatives that focus on these areas:
- Education
- Infrastructure
- Economic Development
- Natural Resources Management
- Environmental Protection
- Emergency Management
- Health
