EXPLANATION OF MATERIAL TRANSMITTED:

The goal of this policy is to provide high quality services to American Indian families and children at each Family and Child Education (FACE) program. The purpose of this policy is to establish procedures for evaluating all FACE programs funded by the Bureau of Indian Education (BIE) to ensure high quality program implementation.

Keith Moore
Director, Bureau of Indian Education
1.1 **Purpose.** The goal of this policy is to provide high quality services to American Indian families and children at each Family and Child Education (FACE) program. The purpose of this policy is to establish procedures for evaluating all FACE programs funded by the Bureau of Indian Education (BIE) to ensure high quality program implementation.

The policy will establish FACE program standards and technical assistance reports that will measure levels of program implementation at each site.

- Each FACE program that exhibits a high level of implementation will be recognized by:
  1) Continuation of FACE program funding;
  2) Consideration for special projects; or
  3) An invitation to provide leadership and mentoring to other FACE programs.

- Inadequate FACE program implementation will result in:
  1) Continuous monitoring by the BIE;
  2) Required submissions and corrective actions; and
  3) Possible discontinuation of FACE program funding.

1.2 **Scope.** The policy is applicable to all BIE-funded schools.

1.3 **Policy.** These procedures will be used by the BIE to determine Full Implementation and Resulting Action; Notice of Concern/Alert and Resulting Action; and Probation and Consequences.

**A. FULL IMPLEMENTATION**

The determination that programs have implemented all assurances and have performed at a high level of implementation will be based on the following information: Data Collection; Monthly Reports; Technical Assistance Reports; FACE program implementation standards and action plans; and FACE assurances.

**RESULTING ACTION:** Based on the review of the information:

1. The BIE’s Early Childhood Director will provide notification of full implementation status in writing to the Education Line Office (ELO) and the school’s FACE program.
2. The school FACE program shall submit an action plan to BIE’s Early Childhood Director by June 30\textsuperscript{th} of each year, with program reports due in December 15\textsuperscript{th} and March 15\textsuperscript{th} of the following school year. The action plan will provide for continued program improvement based on an annual review of Implementation Standards.

3. The BIE’s Early Childhood Director will provide on-site Technical Assistance to support program improvement.

4. The BIE’s Early Childhood Director will review and provide a determination of the level of the implementation.

B. NOTICE OF CONCERN/ALERT

School FACE programs that have difficulty meeting one or more of the assurances or implementing program components will be placed on Concern/Alert Status based on the following information: Data Collection; Monthly Reports; Technical Assistance Reports; FACE program implementation standards and action plans; and FACE assurances.

RESULTING ACTION: Based on the review of the information the following actions will occur:

1. The BIE’s Early Childhood Director will provide notification of Concern/Alert Status in writing to the ELO and the school’s FACE program.

2. Within 30 days of notification of Concern/Alert status, the BIE’s Early Childhood Director will initiate a teleconference with the school’s FACE program, the ELO, and the national technical assistance providers.

3. Within 15 days of the initial teleconference, the school’s FACE program shall submit an action plan to address all program standards identified for improvement.

4. Thereafter, quarterly teleconferences will be conducted with the FACE school program staff, ELO, and the national technical assistance providers.

5. The BIE’s Early Childhood Director will provide for continuous on-site technical assistance to address specific program deficiencies if required.

6. The BIE’s Early Childhood Director will continually monitor and review program progress while the school’s FACE program is on Concern/Alert status.

7. The BIE’s Early Childhood Director will make a determination addressing the level of implementation of the school’s FACE program at the end of each school year.
8. The BIE’s Early Childhood Director will provide notification to the school’s FACE program when Concern/Alert status changes to Full Implementation or Probation.

C. PROBATION

School FACE programs that have one year of inadequate FACE program implementation and that do not meet one or more of the critical assurances (i.e., those addressing full program, qualified staff, full enrollment in home-based and center-based, and high participation) will be placed on probation, based on the following information: Data Collection; Monthly Reports; Technical Assistance Reports; FACE program implementation standards and action plans; FACE assurances; Continuous Improvement Monitoring Process (CIMP); and results of the ELO Administrative Review.

CONSEQUENCES:

1. The BIE’s Early Childhood Director will provide notification of probation status and areas of inadequate implementation in writing to the ELO and the school’s FACE program.

2. Within 30 days of notification, the BIE’s Early Childhood Director will initiate a teleconference with the school’s FACE program, ELO and the national technical assistance providers.

3. Within 15 days of the initial teleconference, the school’s FACE program shall submit an action plan to the BIE’s Early Childhood Director to address all program standards identified for improvement.

4. The BIE’s Early Childhood Director will approve/disapprove the school’s FACE program’s action plan within 15 days of receipt.

5. The ELO staff and BIE’s Early Childhood Director will monitor the school’s FACE program as outlined in the approved action plan. In addition, BIE will conduct quarterly teleconferences with the school’s FACE program to address program status.

6. The BIE’s Early Childhood Director will continue to provide on-site technical assistance and request that technical assistance be provided by national technical assistance providers.

7. At the end of the school year, the BIE’s Early Childhood Director will provide notification to the school’s FACE program of any change of status (to
D. REPORTING

The BIE’s Early Childhood program will submit an annual status report on the implementation of this policy to the BIE Deputy Director of School Operations by December 31.
