“Death Claims Pioneer Resident of Walton County”

Muscogee Nation of Florida Technical Assistance Response 2012, Volume 1
FORMER T. L. I. STUDENTS
WED IN ATLANTA, GEORGIA

A telegram was received by De- 
funiaq relatives and friends last 
Friday afternoon apprising them 
of the marriage of Miss Gladys 
Townsend, niece of Dr. and Mrs. 
P. G. Townsend of this city, and 
Dr. and Mrs. W. B. Alts, of 
Atlanta, Ala., the event taking place 
in the city at that time... 

Mr. Miller is in the navy service 
and was on furlough here learn 
ing some years ago, located at 
B. D. Rhode, the early part of the 
year on a trip to his alma mater-Thomas 
Institutional Institute, following 
which he proceeded to Atlanta, Ga., where 
Miss Townsend was engaged at the 
profession of trained nurse, and 
prevented on her to have the 
overseas performed a thorou- 
ging of her original plans for his 
departure. 

The wedding was held in De- 
funiaq, Ala., where the under 
standing that work is to start 
forthwith, and under the terms 
of the contract is to be completed 
in ninety working days, the 
contract being under a head of per 
dollar for the faithful per- 
formance of the work. All this re- 
ceived from the local company 
the ratification of the contract by 
the secretary that it will be 
accomplished.

The contract price is $24,744.71, 
and calls for the necessary 
accomplishment of the work 
and the promised or other 
working paying, and which includes 
watering, grading, and all 
manholes, etc. The specifications 
will be issued for the bidders 
and, when delivered, is to be 
used in mixing the box fill 
whenever necessary, and the 
contracting company is to be 
paid $20 per cent. being retained by the city.

FURTHER DETAILS ON THE 
CANTERBURY BRIDGE

The contract for the cantilever 
bridge at Westville, have 
been more trouble, meaning for 
the work, and it has been 
found that what the estimat 
geshows to be a rock foundation 
for the middle span, is in fact 
from the bank, some four 
or five feet thick, and it will be 
necessary to do that work 
and possible to finish the 
beams, 12 feet further... the 
get a footing for the plan.

At the contractors make their

CONTRACT FOR STREET-PAVING LET 
WORK TO BE COMPLETED IN 90 DAYS

PALMER: COLLEGE NOTES

SANTA ROSA MOURNS 
DEATH OF ESTIMATED LADY

Mrs. Linens Townsend, 
not long ago attended De- 
funiaq's most highly respected 
personages, passed away 
March 22, at 11:55 p.m., following 
a several-weeks illness due to 
neuroses. 

Miss Townsend was born in 
Montgomery, Ala., February 
24, 1844, dying at death. 

Miss Townsend, following the 
death of her husband, Dr. George F. 
Townsend, the early part of the 
year on a trip to his alma mater-Thomas 
Institutional Institute, following 
which he proceeded to Atlanta, Ga., where 
Miss Townsend was engaged at the 
profession of trained nurse, and 
prevented on her to have the 
overseas performed a thorou- 
ging of her original plans for his 
departure.
