Health Maintenance Organizations

AGENCY: Public Health Service, HHS.

ACTION: Notice, continued regulation of Health Maintenance Organizations; Reestablishment of compliance.

SUMMARY: On January 20, 1982, the Office of Health Maintenance Organizations (OHHMO) notified Anchor Organization for Health Maintenance (Anchor), 1725 West Harrison Street, Chicago, Illinois 60612, a federally qualified health maintenance organization (HMO), that Anchor had successfully reestablished compliance with certain of the assurances it had provided the Secretary as described below under “Supplementary Information.” This determination took effect on January 1, 1982.

FOR FURTHER INFORMATION CONTACT: Frank H. Seubold, Ph.D., Director, Office of Health Maintenance Organizations, Park Building, 3rd Floor, 12420 Parklawn Drive, Rockville, Maryland 20857, 301/443-4106.

SUPPLEMENTARY INFORMATION: Under section 1312(b)(1) of the Public Health Service Act (42 U.S.C. 300e-11(b)(1)), if the Secretary makes a determination under section 1312(a) that a qualified HMO is not organized or operated in the manner prescribed by section 1301(c), then the HMO shall be (1) notified in writing of the determination, and (2) directed to initiate corrective action to bring it into compliance with the assurances it provided to the Secretary under section 1310(d)(1). Section 1312(b)(1) also provides that the Secretary shall publish in the Federal Register notices of determinations made under that section.

On April 9, 1989, HCP was officially notified that it was not in compliance with the assurances it had given the Secretary that it would maintain a fiscally sound operation as required by section 1301(c)(3)(A) of the Act. This determination of noncompliance, published in the Federal Register at 45 FR 50653 on July 30, 1980, did not affect HCP’s status as a federally qualified health maintenance organization (HMO). Subsequently, HCP successfully implemented corrective action to return to compliance with its assurances. On January 13, 1982, HCP was notified by OHHMO that it had reestablished compliance with its assurance to the Secretary that it would maintain a fiscally sound operation. This determination took effect on October 1, 1981.

Frank H. Seubold, Ph.D.,
Director, Office of Health Maintenance Organizations.
