Dear Chairman Metcalf:

On July 2, 1996, we received Amendment II to the Tribal-State Compact (Amendment) for regulation of class III gaming between the Coquille Tribe of Indians (Tribe) and the State of Oregon (State), dated June 21, 1996. We have completed our review of this Amendment and conclude that it does not violate the Indian Gaming Regulatory Act of 1988 (IGRA), Federal law, or our trust responsibility. Therefore, pursuant to Section 11 (d)(8)(A) of the IGRA, 25 U.S.C. § 2710(d)(8)(A) and delegated authority in 209 DM 8.1, we approve the Amendment. The Amendment shall take effect when the notice of our approval, pursuant to Section 11 (d)(3)(B) of IGRA, 25 U.S.C. § 2710(d)(3)(B), is published in the FEDERAL REGISTER.

We wish the Tribe and the State success in their economic venture.

Sincerely,

**TRIBAL-STATE COMPACT FOR REGULATION
OF CLASS III GAMING BETWEEN THE COQUILLE TRIBE OF INDIANS
AND THE STATE OF OREGON**

AMENDMENT II

This amendment is made to the Class III Gaming Compact between the Coquille Tribe of Indians and the State of Oregon executed on December 8, 1994, and approved by the Secretary of the Interior on February 16, 1995. The terms of this amendment are in addition to and, except as specifically provided herein, do not supersede any of the provisions of the original compact, or Amendment I thereto.

WHEREAS, the Tribe wishes to extend the terms of Amendment I to the Compact which provides for regulation of house banked blackjack at the gaming facility, and

WHEREAS, the State agrees that the circumstances justify this Amendment,

NOW THEREFORE, the Tribe and the State hereby approve the following amendments to the Compact:

I. Section VII of Amendment I to the Compact, is amended as follows:

VII. The provisions of Section V of this amendment expire on [~~June 30, 1996~~ June 30, 1997. However, if the compliance review described in Section 4.H.8. of the Compact (added by this Amendment) is completed before October 1, 1996, Section V of this amendment shall expire on December 31, 1997. Unless an extension of the provisions of Section V of this amendment or a permanent amendment governing the operation of house banked blackjack has been negotiated and executed before the expiration of this amendment, the Tribe agrees to terminate blackjack games at the gaming facility until a new agreement has been negotiated and executed.

II. The following new paragraph 8 is added to Subsection H of Section 4 of the Compact (added by Amendment I):

8. The Tribe and the State agree that the State shall conduct a comprehensive compliance review of the tribal gaming operation, as described in Section 9.C.1. of the Compact, to be completed no later than October 1, 1996.

III Paragraph 3 of Subsection H of Section 4 of the Compact (added by Amendment I) is amended as follows:

3. The Tribe shall establish an initial wager limit of [~~\$50~~] **\$100** per hand except that the Tribe may offer a maximum [~~\$100~~] **\$500** wager limit on [~~two~~] **four** tables. After any period of six months of operation of house banked blackjack in full compliance with the requirements of this subsection, the Tribe may request a change in the initial wager limits. The State may refuse to agree to an increase in the initial wager limit if there have been any significant problems with the conduct of house banked blackjack due to noncompliance with the internal controls, the rules of operation of the game or with the terms of this subsection.

IV Paragraph 1 of Subsection C of Section 9 of the Compact is amended to read:

1. Monitoring. The State is authorized hereby to monitor the Tribal gaming operation as the State considers necessary to ensure that the operation is conducted in compliance with the provisions of this Compact. The Tribe may request removal of a State law enforcement officer or monitor on the basis of malfeasance, abuse of authority, or conduct disrespectful of tribal institutions or culture. Effective performance of the officer's or monitor's duties shall not be a basis for disapproval. The State shall have free and unrestricted access to all areas of the Gaming Facility during normal operating hours without giving prior notice to the Tribal gaming operation. The Tribe agrees that the State monitoring function includes at a minimum the activities identified in the Compact, the amendments and the memorandum of understanding entered into pursuant to this Compact, and that the actual, reasonable and necessary cost of monitoring activities shall be assessed to the Tribe as provided in the memorandum of understanding entered into pursuant to this Compact. In addition to the State's regular monitoring functions, the Tribe agrees that the State may conduct the following activities, which shall also be assessed to the Tribe:
 - a. A comprehensive annual review, which shall be planned and conducted jointly with the tribal gaming commission, of the gaming operation to verify compliance with the requirements of this Compact and with the regulations and

internal controls adopted by the tribal gaming commission, including at a minimum review in the following areas, if they involve Class III gaming activities in any way: administrative controls (gaming management internal controls), gaming operations controls, drop boxes, station inventories, surveillance department controls, cashier cage controls, count room controls (security and surveillance), accounting department controls (security), general controls (Compact regulatory requirements), blackjack controls, VLT controls, accounts payable, employee identification, gaming chip inventory for gaming floor and cage, physical examination of all class III gaming cards, chips, e-proms, paper stock, printers, keno balls, fill slips, video gaming devices, keno controls, off-track betting and security department controls;

- b. Periodic review of any part of the gaming operation that involves Class III gaming in any way in order to verify compliance with the requirements of this Compact and with the regulations and internal controls:

Investigation of possible violations of this Compact or other gaming regulatory matter that involves Class III gaming in any way, whether discovered during the action, review, or inspection by the State during its monitoring activities, or otherwise; and

Investigation of possible criminal law violations that involve the conduct of the gaming operation whether discovered during the action, review, or inspection by the State during its monitoring activities, or otherwise.

IV, Section 6.A. of the Compact is amended as follows:

- A, The Tribe and the State agree that maintaining the honesty, integrity, fairness and security of the Tribe's gaming operation is essential both to the success of the enterprise, and to satisfy the interests of the State and of the Tribe. The Tribe and the State agree that both of them have a the responsibility to protect the citizens of this State who patronize the Tribe's gaming facility from any breach of security of the gaming operation. Accordingly, all decisions by the Tribe, the Tribal Gaming

Commission and the management of the gaming operation, concerning regulation and operation of [their] the Gaming Facility, including those decisions expressly placed within the Tribe's discretion under the terms of this Compact, shall be consistent with each of the following principles:

1. Any and all [~~of the Tribe's~~] decisions concerning regulation and operation of the Tribal gaming enterprise, whether made by the Tribe, the Tribal Gaming Commission or the management of the gaming operation, shall reflect the particularly sensitive nature of a gaming operation.
2. In order to maintain the honesty, integrity, fairness and security of the Tribe's gaming operation, the Tribe, the Tribal Gaming Commission and the management of the gaming operation shall work diligently and take all reasonably necessary affirmative steps to prevent cheating and theft, and to protect the gaming operations from the influence or control by any form of criminal activity or organization.
3. The honesty, integrity, fairness and security of the Tribe's gaming operation shall be of paramount consideration in awarding contracts, licensing and hiring employees, and in making other business decisions concerning the operation of the gaming enterprise. 4. Regulation and operation of the Tribe's gaming activities shall be, at a minimum, consistent with generally accepted industry standards and practices, in order to maintain the honesty, integrity, fairness and security of the Tribe's gaming operation.

V. Subparagraph 6.B.5.a. of the Compact is amended as follows:

- a. If the State, in good faith, believes that there is an immediate threat to the honesty, integrity, fairness and security of the Tribal gaming operations, and believes that substantial harm will result during the time that would pass if the procedure established in paragraphs 1 to 3 of this subsection is

followed, the State may give written notice to the [Tribe] Tribal Gaming Commission. The written notice shall de-scribe the factual basis for the State's concern. The written notice shall describe the specific action the State believes is necessary to prevent substantial harm from occurring. The State and the Tribal Gaming Commission shall confer as soon thereafter as possible to discuss alternative ways to address the State's concern. If such consultation does not result in mutually acceptable action, the Tribe agrees that the Tribal Gaming Commission shall act according to the State's recommendation, unless the commission determines that acting according to the State's recommendation would adversely affect the honesty, integrity, fairness and security of the Tribal gaming operation. Nothing in this subparagraph shall preclude the Tribe from invoking the dispute resolution procedures provided in this Compact.

VI. Subparagraph 6.B.5.d. of the Compact is amended as follows:

- d. An immediate threat to the honesty, integrity, fairness and security of the Tribal gaming operations includes but is not limited to the following examples:

 - (2) A criminal organization or members of a criminal organization have obtained an ownership interest in a contractor, or a member of a criminal organization has become a key employee of a contractor;
 - (3) A malfunction of gaming equipment hardware or software causes patrons of the Gaming Facility to lose money, and that loss is directly related to the equipment malfunction;

- (4) The security of gaming equipment has been impaired by loss, theft, or tampering;
- (5) The physical safety or security of patrons is seriously at risk;
- (6) A continuing pattern of failure by the Tribe, the Tribal Gaming Commission or management of the gaming operation to enforce compliance with the provisions of this Compact, or the regulations and internal controls governing the gaming operation.

VII. The Tribe and the State agree to amend the Memorandum of Understanding executed April 13, 1995, as previously amended under Amendment I to the Compact, as set forth in Exhibit I to this Amendment.

VIII. This amendment is effective as an extension under Paragraph VII of Amendment I to the Compact upon execution by the State and the Tribe, and submission to the Secretary of the Interior. It is the intent of both the State and the Tribe that this Amendment be fully enforceable as between the parties to it from and after the date it is executed and submitted to the Secretary of the Interior, both as to the Tribe's ability to offer house banked blackjack and the State's and the Tribe's responsibility to implement the regulatory amendments contained herein.
