OFFICE OF THE SECRETARY

Washington, D.C. 20240

AUG 07 1998

Honorable Lewis Taylor
Tribal Chairman
St. Croix Tribal Council
P.O. Box 287
Hertel, Wisconsin 54845

Dear Chairman Taylor:

We are in receipt of the Amendments to the St. Croix Chippewa Indians (Tribe) and the State of Wisconsin (State) Gaming Compact of 1991 dated June 18, 1998. We have completed our review of these Amendments and conclude that they do not violate the Indian Gaming Regulatory Act of 1988 (IGRA), Federal law, or our trust responsibility. Therefore, pursuant to Section 11(d)(8)(A) of IGRA, 25 U.S.C. § 2710(d)(8)(A) and delegated authority in 209 DM 8.1, we approve the Amendments. The Amendments shall take effect when the notice of our approval, pursuant to Section 11(d)(3)(8) of IGRA, 25 U.S.C. § 2710(d)(3)(B), is published in the FEDERAL REGISTER.

We note that the Amendments (Section XXXII of the Compact) memorialize that the Tribe and State agree to discuss modification of the Compact should the State enact a law which purports to impact a tax, fee, assessment or other charge directly on the Tribe's Class III gaming revenues, or a tax on winnings generated at a Class III gaming facility. Our approval of these Amendments should not be construed as, and is not, authorization for the State to impose such taxes, fees, assessments or charges.

We wish the Tribe and the State success in their economic venture.

Sincerely,

/s/ Kevin Gover

Assistant Secretary - Indian Affairs

4. Section XXXII of the Compact entitled "PAYMENT TO THE STATE" is created as follows:
 - A. The Tribe shall make an annual payment to the State for each one year period beginning December 19, 1998 through December 19, 2003 in the amount of \$2,191,000.
 - B. In the event a change in State law is enacted to permit the operation of electronic games of chance, or other Class III games, as defined in and authorized by this Compact, by any person other than a federally recognized Tribe under the provisions of the Indian Gaming Regulatory Act, 25 U.S.C. 2701 et. seq., or the State Lottery as authorized by Ch. 565 Wis.  - C. Method of Payment. The Tribe shall make the first payment required by Subsection A on or before December 30, 1999, and each subsequent payment on, December 30, 2000, December 30, 2001, December 30, 2002 and December 30, 2003 respectively.

 - F. In the event that, after the effective date of this amendment, the State enacts any law which imposes a new tax, fee, assessment, or other charge which is assessed directly on the Tribe's Class III gaming revenues, or a tax exclusively on winnings generated at the Class III gaming facilities, the State and Tribe shall meet to discuss a modification to Section XXXII. of this Compact.

7. The Tribe, along with other Wisconsin Indian Tribes, agrees to propose the development of a plan by February 1999 for the creation of a revenue sharing system among the Tribes so that monies would be directed by the Tribes within Wisconsin having the greatest gaming revenues to the Tribes having the least gaming revenues. MEMORANDUM OF UNDERSTANDING REGARDING TECHNICAL MATTERS

Whereas, the State of Wisconsin (State) and the St. Croix Chippewa Indians of Wisconsin (Tribe) have executed amendments to the St. Croix Chippewa Indians of Wisconsin and the State of Wisconsin Gaming Compact of 1991, and

Whereas, the State and the Tribe desire to execute this Memorandum contemporaneous with the Compact Amendments and incorporate this Memorandum into the Compact Amendments, and

Whereas, the State and the Tribe agree that the revisions contained herein will enable both parties to more effectively and efficiently perform the respective responsibilities regarding the Tribe's Class III gaming operation, to the benefit of both parties,

The parties hereby agree that the following terms and provisions are incorporated by reference into the Amendments to the St. Croix Chippewa Indians of Wisconsin and the State of Wisconsin Gaming Compact of 1991.

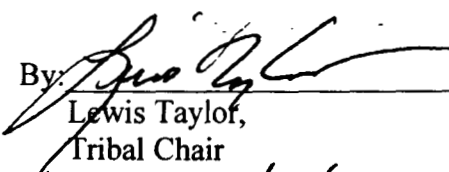

1. The Tribe shall utilize in its Class III gaming operations minimum internal control standards that achieve the same level of protection against risk of loss as those adopted by the National Indian Gaming Association. In the event any provision of the minimum internal control standards conflicts with the provisions of this Compact, the terms of the Compact shall control. The Department of Administration, Division of Gaming and the Tribe may designate, in writing, minimum internal control standards which conflict with the Compact as acceptable for use in the Tribe's Class III gaming facilities. In the event the Department and the Tribe enter into such written designation the written designation shall constitute a waiver, for a duration specified in the written designation, of the State's ability to allege compliance with the designated minimum internal control standard as a violation of the Compact.
2. In order to more efficiently provide the Department with access to the data generated by the Tribe's slot accounting system described at Section XV.D.7. of the Compact, the Tribe agrees to provide weekly, in electronic format, daily metered activity and records generated by the on-line slot accounting system
 - A. The information shall be provided weekly in an electronic format according to the following procedure:
 1. At the completion of the accounting rollover for the previous business day, the Tribe shall electronically submit the reports specified in subsections 2 and 3 based on the data contained in the "slotmast.dat" file of the slot accounting system.
 2. The Tribe shall run the "SLOTMAST TO ASCII" utility from the SMART System Utilities Menu.
 3. This data shall be transmitted as a variable length/comma delimited ASCII text file to the Department.

4. The weekly transmission of data shall include the "SIS ADJUSTMENT REPORT" written to an electronic format in which the slot accounting system has recorded any modifications to the data as a result of the daily audit.
 5. The Tribe shall upon request furnish the Department additional slot accounting information or reports electronically within 24 hours of the request.
- B. The parties shall cooperatively investigate and consider any future technological innovation which may improve the effectiveness and efficiency of revenue verification to the Department from the Tribe's on-line accounting system reliably and accurately, and which does not pose any material risk to the operating integrity and security of the Tribe's on-line system. The parties agree to pursue the installation of such innovations which are cost efficient and would further the purposes of the Compact.
- C. For Tribal facilities which operate with electronic games of chance that record accounting information individually on a printed medium rather than to an on-line slot accounting system, the Tribe shall electronically prepare a spreadsheet as each drop occurs. This spreadsheet shall contain all machine activity and machine identification information and shall be transmitted electronically to the Department on a weekly basis.
- D. Should the Tribe make significant changes to its slot accounting systems, which modify the procedure as contained in par. A., above, the Department and the Tribe shall meet not less than 90 days prior to the scheduled date of the system modification to agree upon necessary changes to the procedures for electronic transfer of accounting data as contained herein.
- E. All data provided pursuant to this section, shall be treated as confidential pursuant to Section X. B. of the Compact and such data shall not be disclosed in the form of statewide aggregate totals without permission of the Tribe.
