OFFICE OF THE SECRETARY  
Washington, DC 20240

MAY 21 2021

The Honorable Ned Norris, Jr.  
Tohono O'odham Nation of Arizona  
P.O. Box 837  
Sells, Arizona 85634

Dear Chairman Norris, Jr.:

On April 16, 2021, the Tohono O'odham Nation of Arizona (Tribe) and the State of Arizona (State) submitted to the Department of the Interior (Department) the Tohono O'odham - State of Arizona Amended and Restated Gaming Compact (2021 Compact), providing for the regulation of class III gaming activities on the Tribe's Indian lands.

I am pleased to approve the 2021 Compact for the reasons stated below.

I commend the Tribe, the State, and the other Arizona Tribes for engaging in good-faith negotiations to arrive at the 2021 Compact. In connection with the 2021 Compact, the State of Arizona enacted the 2021 Gaming Act.<sup>1</sup> The 2021 Compact and the 2021 Gaming Act complement each other by addressing the collective and individual interests of the Tribes and the State. The 2021 Gaming Act authorized the Arizona Lottery to operate on a limited and restricted basis electronic keno and a mobile draw game, fantasy sports contests, and authorized event wagering, with a significant opportunity for Tribes to participate in and benefit from off-reservation event wagering.

### *The 2021 Compact*

The 2021 Compact builds on the successes of the Tribe's existing compact that was approved by the Department in 2003 (2003 Compact) and addresses changes in gaming law and technology. The 2021 Compact extends the term of the 2003 Compact by including an additional 10-year initial term, a second 10-year first renewal term, and a 2-year final renewal term to allow for negotiation of a successor compact.<sup>2</sup> The 2021 Compact expands the scope of class III games the Tribe may offer on its Indian lands, including in-person and mobile sports betting and fantasy sports. The 2021 Compact maintains tribal exclusivity over the operation of gaming devices and poker, and expands tribal exclusivity to include blackjack, jackpot poker (including promotional award poker and house banked poker), baccarat, roulette, craps, sic bo, pai gow, and dealer

Laws 234, An Act amending section 5-554, Arizona Revised Statutes; amending title 5, chapter 6, article 1, Arizona Revised Statutes, by adding section 5-605; amending title 5, Arizona Revised Statutes, by adding chapters 10 and 11; amending sections 13-3301 and 13-3305, Arizona Revised Statutes; relating to amusements and sports.

controlled electronic table games.<sup>3</sup> The 2021 Compact additionally expands the scope of non-exclusive class III games the Tribe may offer to include on-reservation, in-person and mobile sports betting and fantasy sports wagering,<sup>4</sup> while carving out limited exceptions for state lottery, off-reservation fantasy sports, and state licensed sports betting. The 2021 Compact reflects the purposes of the Indian Gaming Regulatory Act (IGRA) by promoting tribal economic development, tribal self-sufficiency, and strong tribal governments.

### *Sports Betting and Mobile Gaming*

Another important aspect of exclusivity is the State's agreement to restrict off-reservation gaming. The 2021 Compact and the 2021 Gaming Act address changes in gaming law and technology, particularly sports betting and fantasy sports. The 2021 Compact and the 2021 Gaming Act work in tandem to authorize sports betting and fantasy sports in the State and on the Tribe's Indian lands, while providing the Tribe geographic and electronic exclusivity over their Indian lands. The Tribes extracted a significant concession from the State to permit the Tribes to participate in and benefit from off-reservation event wagering. The 2021 Gaming Act provides for up to 20 State sports betting licenses, 10 of which are reserved for the Tribes to operate off-reservation mobile sports betting under State law.<sup>5</sup>

### *The 2021 Compact Trust Fund*

I am encouraged to see that the 2021 Compact creates the 2021 Compact Trust Fund, into which the Gila River Indian Community, the Salt River Pima-Maricopa Indian Community, and the Tohono O'odham Nation will contribute funds in order to benefit 2021 Compact signatory Tribes who are non-gaming or limited gaming Tribes (beneficiary Tribes) for a ten-year period.<sup>6</sup> The beneficiary Tribes will receive disbursements that will fund tribal government operations or programs. I note that funding tribal government operations or programs from gaming net revenues is a permissible use under 25 U.S.C. § 2710(b)(2)(B), and the Compact Trust Fund arrangement in the 2021 Compact complies with IGRA's "sole proprietary interest" requirement at 25 U.S.C. § 2710(b)(2)(A). The 2021 Compact Trust Fund complements the mutually beneficial arrangement initiated in the 2003 Compacts and continued under the 2021 Compact, under which Tribes may lease some or all of their allotment of gaming devices to other Tribes.<sup>7</sup>

Hart, Director, Office of Indian Gaming (May 6, 2021) (on file with the Office of Indian Gaming) (explaining the benefits of the limits contained in the 2021 Gaming Act's sports betting provisions including reserving mobile sports betting licenses for the Tribes).

Hart, Director, Office of Indian Gaming (May 10, 2021) (on file with the Office of Indian Gaming) (stating that the Trust Fund is not a tax or fee to the State of Arizona, but, like many of the 2021 amendments, is a set of obligations negotiated and agreed to between the participating tribes to strengthen and maintain the benefits of the compact for each tribe). *See also* Letter from Ned Norris, Jr., Chairman, Tohono O'odham Nation, to Paula L. Hart, Director, Office of Indian Gaming (May 13, 2021) (on file with the Office of Indian Gaming) (explaining the 2021 Compact Trust Fund was the result of inter-tribal negotiations as a way for all Arizona Tribes to benefit from the expansion of tribal gaming under the 2021 Compact).

<sup>7</sup> Compact at Section 3(d).

The 2021 Compact Trust Fund is an excellent example of Indian gaming benefitting all Tribes in a State.

### *Revenue Sharing*

The IGRA sharply limits the circumstances under which an Indian tribe can make direct payments to a state.<sup>8</sup> We review revenue sharing provisions in compacts or amendments with great scrutiny. We begin with the premise that a Tribe's payments to a state or local government for anything beyond the costs of regulating class III gaming activities are a prohibited "tax, fee, charge, or other assessment."<sup>9</sup> Our analysis first looks to whether the State has offered meaningful concessions to the Tribe that it was not otherwise required to negotiate, such as granting exclusive rights to operate class III gaming or other benefits with a gaming-related nexus. We then examine whether the value of the concessions provide substantial economic benefits to the Tribe in a manner justifying the revenue sharing required.

The 2021 Compact expands and clarifies the exclusive scope of tribal gaming in the 2003 Compact.<sup>10</sup> The 2021 Compact provides that five named Tribes will maintain the revenue sharing percentages contained in the 2003 Compact up to a maximum of 8% for net win over \$100 million. The remaining Tribes will pay a lower fixed rate of 0.75% of net win.<sup>11</sup> Representatives of the five named Tribes who will maintain the 2003 Compact's revenue sharing percentages stated that the improvements to the Tribes' expanded exclusivity provisions offset the limited expansions in state lottery and state-licensed sports betting, and justify maintaining the 2003 Compact's revenue sharing percentages.<sup>12</sup> Additionally, the representatives of the five named Tribes stated that the decrease in revenue sharing contributions for the remaining Tribes is evidence that the 2021 Compact is beneficial for Arizona Tribes. Further, the Tribes explain the 2021 Compact together with the narrowly tailored expansion of state-licensed, non-tribal gaming under the 2021 Gaming Act limits the potential impacts to the Tribes.

I also note that the State made a valuable concession to the Tribes by adopting the 2021 Gaming Act provisions that ensure an opportunity to participate in the commercial gaming market outside of Indian lands. This interconnected arrangement where the Tribes negotiated for the right to participate in off-reservation mobile sports betting with competition limited by the State is directly related to on-reservation gaming in the 2021 Compact, and, therefore, permissible under

Hart, Director, Office of Indian Gaming (May 11, 2021) (on file with the Office of Indian Gaming) (explaining the value of the changes to the Tribes' exclusivity under the 2021 Compact); Compact at Sections 3(a)(1) and 3(c)(1)(A).

<sup>11</sup> Compact at Section 12(b)(2)(A); Letter from Anni Foster, General Counsel to the Governor, to Paula L. Hart, Director, Office of Indian Gaming (May 13, 2021) (on file with the Office of Indian Gaming) (explaining that the revenue sharing tiered rate structure remains unchanged for five Tribes - Salt River Pima-Maricopa Indian Community, Gila River Indian Community, Ak-Chin Indian Community, Tohono O'odham Nation, and Pascua Yaqui Tribe and the other 15 Tribes signing the 2021 Compact will see their revenue sharing rates decrease from the tiered rate structure to a flat 0.75% of Class III Net Win).

<sup>12</sup> See e.g. Letter from Martin Harvier, President, Salt River Pima-Maricopa Indian Community, to Paula L. Hart, Director, Office of Indian Gaming (May 6, 2021) (on file with the Office of Indian Gaming) (explaining the value of the changes to the Tribes' exclusivity under the 2021 Compact).

IGRA. Were the State's concession not directly related to the Tribes' conduct of gaming on Indian lands, our analysis would have been different.

We have thoroughly analyzed the 2021 Compact, together with the Tribe's responses to our questions. It is my determination that the State has made meaningful concessions to the Tribe. First, the State has agreed to preserve the Tribe's exclusive rights under the 2003 Compact to operate gaming devices and poker. Second, the State has agreed to expand the Tribe's exclusive scope of gaming to include the full breadth of Las Vegas-style casino gaming devices and table games identified above. Third, the State has secured an opportunity for the Tribe to participate in related commercial gaming.

It is my determination that the State's concessions will provide substantial economic benefits to the Tribe in a manner justifying the revenue sharing required by the 2021 Compact.

*Decision*

We completed our review of the 2021 Compact and conclude that it does not violate the Indian Gaming Regulatory Act, any other provision of Federal law that does not relate to jurisdiction over gaming on Indian lands, or the trust obligations of the United States to Indians. 25 U.S.C. § 2710(d)(8)(B). Therefore, pursuant to my delegated authority and Section 11 of IGRA, I approve the 2021 Compact. 25 U.S.C. § 2710(d)(8)(A). The 2021 Compact takes effect when the notice of this approval is published in the Federal Register. 25 U.S.C. § 2710(d)(3)(B).

A similar letter is being sent to the Honorable Doug Ducey, Governor of Arizona.

Sincerely,

Bryan Newland

Indian Affairs

The Tribe agrees that: (i) all proceeds received by the Tribe as a transferor under a Transfer Agreement are net revenues from tribal gaming as defined by the Act and that such proceeds shall be used for the purposes permitted under the Act; and (ii) the Tribe shall include the proceeds in an annual audit and shall make available to the State that portion of the audit addressing proceeds from Transfer Agreements.
- (8) Agreed upon procedures report. The Tribe agrees to provide to the State Gaming Agency, either separately or with the other party to the Transfer Agreement, an agreed upon procedures report from an independent Certified Public Accountant. The procedures to be examined and reported upon are whether payments made under the Transfer Agreement were made in the proper amount, made at the proper time, and deposited in an account of the Indian tribe transferring Gaming Device Operating Rights. To comply with this reporting requirement, if the Tribe acquires Gaming Device Operating Rights under a Transfer Agreement, the acquiring Tribe shall submit its agreed upon procedures report to the State Gaming Agency, with a copy to the transferring tribe, within 180 days after each fiscal year end for the Tribe's Gaming Operation. If the Tribe transfers Gaming Device Operating Rights under a Transfer Agreement, the transferring Tribe may comply with this reporting requirement by either: (A) submitting its agreed upon procedures report to the State Gaming Agency within 180 days after the fiscal year end for the acquiring Tribe's Gaming Operation; (B) jointly submitting an agreed upon procedures report with the acquiring Tribe to the State Gaming Agency within 180 days after the fiscal year end for the acquiring Tribe's Gaming Operation; or (C) within 45 days after receipt of the acquiring Tribe's procedures report, providing the State Gaming Agency a written acknowledgment certifying that the information in the acquiring Tribe's agreed upon procedures report is correct and that all payments were deposited in an account of the transferring Tribe.

- (9) State payment. Proceeds received by the Tribe as a transferor under a Transfer Agreement from the transfer of Gaming Device Operating Rights are not subject to any payment to the State under this Compact or otherwise.
- (10) Compact enforcement; effect on Transfer Agreements. If the Tribe acquires Gaming Device Operating Rights under a Transfer Agreement, no dispute between the State and the other party to the Transfer Agreement shall affect the Tribe's rights under the Transfer Agreement or the Tribe's obligations to make the payments required under the Transfer Agreement. If the Tribe transfers Gaming Device Operating Rights under a Transfer Agreement, no dispute between the State and the other party to the Transfer Agreement shall affect the Tribe's rights under the Transfer Agreement or the obligations of the other party to the Transfer Agreement to make the payments required under the Transfer Agreement. These provisions shall not apply to a dispute among the State and both parties to a Transfer Agreement regarding the validity of a Transfer Agreement or to a dispute between the parties to a Transfer Agreement regarding a breach of the Transfer Agreement.
- (11) Access to records regarding Transfer Agreement. The State Gaming Agency shall have access to all records of the Tribe directly relating to Transfer Agreements and Forbearance Agreements under Section 7(b).
- (12) Transfer and acquisition of pooled Gaming Devices.
- (A) The Tribe is authorized to join with other Indian tribes to periodically establish a pool to collect Gaming Device Operating Rights from Indian tribes that desire to transfer Gaming Device Operating Rights and transfer them to Indian tribes that desire to acquire Gaming Device Operating Rights. The Tribe may acquire Additional Gaming Devices up to the number specified in Gaming Device Annex for the Tribe from such transfer pool under procedures agreed to by Indian tribes participating in the transfer pool, a copy of which shall be provided to the State. The procedures shall provide a meaningful opportunity for each tribe with a 2021 Compact and the ability to acquire or transfer Gaming Device Operating Rights to participate in the transfer pool.
- (B) The Tribe and the State are authorized to establish a pooling mechanism, under procedures agreed to by the Tribe and the State, by which the rights to operate Gaming Devices that are not in operation may be acquired by an Indian tribe through an agreement with the State. If the Tribe is operating all of its Current Gaming Device Allocation as set forth in its 2021 Compact and, after making reasonable efforts to do so, the Tribe is not able to acquire Additional Gaming Devices pursuant to an agreement described in Section 3(d)(2) or from any transfer pool established pursuant to Section 3(d)(12)(A) within 90 days after the opening of a transfer pool established pursuant to Section 3(d)(12)(A), the Tribe may acquire Additional Gaming Devices from the State up to

the number specified in the Gaming Device Annex for the Tribe at a price that is at least one hundred percent (100%) of the highest price paid to date for the transfer of at least one hundred (100) Gaming Device Operating Rights for a term of at least five (5) years. The monies paid by an Indian tribe to acquire Additional Gaming Devices under an agreement pursuant to this Section 3(d)(12)(B) shall benefit Indian tribes that have the right to operate Gaming Devices that are eligible to be transferred and are not in operation. The State shall provide Indian tribes that are eligible to enter into an agreement with the State pursuant to this Section 3(d)(12)(B), the opportunity to participate in the pool pursuant to the procedures agreed to by the Tribe and the State. The procedures shall provide a meaningful opportunity for each Tribe with a Compact and the ability to acquire or transfer Gaming Device Operating Rights to participate in the transfer pool.

- (C) Prior to agreeing to any procedures with any Indian tribe pursuant to Sections 3(d)(12)(A) or (B), the State shall provide notice to the Tribe of the proposed procedures.
- (D) The provisions of Sections 3(d)(1)(B)(ii) and 3(d)(1)(E) shall not apply to the transfer of gaming devices pursuant to Sections 3(d)(12)(A) or (B).
- (E) The Tribe may extend any pre-existing transfer pool agreements with one or more Indian tribes that were in effect during the term of the 2003 Compact on terms agreed to by the parties, and the extended agreements shall continue to be a transfer of Gaming Device Operating Rights pursuant to Sections 3(d)(12)(A) or (B), as applicable. The provisions of this Section 3(d)(12)(E) shall apply regardless of any amendments, including a reduction in the number of Gaming Device Operating Rights, transferred to an Indian tribe during the extended transfer pool agreement term.

(13) Continuing Validity of Transfer Agreements.

- (A) An Existing Transfer Agreement shall remain in effect during the term of this Compact according to the Transfer Agreement's terms; provided that:
  - (i) the Transfer Agreement was effective as of the Effective Date for the 2021 Compact of one of the tribes that are parties to the Transfer Agreement (the "Transferring Parties"); and
  - (ii) the Transferring Parties have complied with the requirements of Section 3(d)(3).
- (B) A tribe that acquired Gaming Device Operating Rights pursuant to a Transfer Agreement in effect during the term of the 2003 Compact may continue operating transferred Gaming Devices

Operating Rights pursuant to such a Transfer Agreement, upon the Effective Date provided that:

- (i) the obligation to pay for such acquired Gaming Device Operating Rights continues to be fulfilled;
- (ii) the conditions set forth in Section 3(d)(13)(A) are satisfied; and
- (iii) each Transferring Party has a 2003 Compact in effect or a 2021 Compact in effect within one hundred eighty (180) days after each Indian tribe with a Gaming Facility in the Phoenix Metropolitan Area or in Pima County has a 2021 Compact in effect.

Each blackjack table shall be limited to no more than seven (7) available player positions plus the dealer. Each poker table shall be limited to no more than ten (10) available player positions plus the dealer. The Tribe agrees that it will not operate card games outside of a Gaming Facility.

On each five-year anniversary of the Effective Date, the number of Card Game Tables and other games referenced in Sections 3(e)(1) and (2) that the Tribe is authorized to operate shall automatically increase by five percent (5%) without the need to amend this Compact, and all resulting increases shall be rounded up to the next whole number.

There shall be no more than three (3) dealer controlled electronic table games per Gaming Facility. Each dealer controlled electronic table game shall have no more than twelve (12) wagering stations; provided, however, if the Tribe elects to operate fewer than three (3) dealer controlled electronic table games, then the one (1) or two (2) dealer controlled electronic table games in the Gaming Facility shall together have no more than 36 wagering stations.
  - (B) If there is a game, device or equipment that incorporates elements of a dealer controlled electronic table game, but adds the ability for players to wager on games other than the live, on-going dealer controlled game in a dealer controlled electronic table game and utilizes an electronic random number generator to determine any game outcome, it shall be considered a Gaming Device for purposes of the Compact, and treated as a Multi-Station Device. If the game, device or equipment is operated without a live dealer, but does not meet the definition, requirements and limitations for Multi-Station Devices when it is operated without a live dealer, then each wagering station in the dealer controlled electronic table game shall be considered a unique Gaming Device.
- (f) [Reserved.]
- (g) Inter-Tribal Parity Provisions.
  - (1) Gaming Devices. Except as provided in Section 3(g)(6), and subject to the terms of Section 3(i), if, during the term of this Compact:
    - (A) Any Indian tribe listed on Gaming Device Annex is authorized or permitted to operate in the State:
      - (i) - More Class III Gaming Devices than the total number of that Indian tribe's Current Gaming Device Allocation, plus the number of that Indian tribe's Additional Gaming Devices, plus that Indian tribe's New Gaming Device

Allocation and any periodic increases provided for under this Compact; or

- (ii) More Class III Gaming Devices within a single Gaming Facility than that Indian tribe's Maximum Devices Per Gaming Facility specified in Section 3(c)(4)(A) (as adjusted in accordance with Section 3(c)(4)(B)); or
  - (B) Any Indian tribe not listed on Gaming Device Annex is authorized or permitted after the Effective Date to operate in the State more than four hundred seventy-five (475) Class III Gaming Devices plus any periodic increases provided for under this Compact; then
  - (C) Subject to the provisions of Section 3(i), the following remedies shall be available to the Tribe to elect, as the Tribe may determine in its sole discretion, from time to time:
    - (i) The Tribe shall automatically be entitled to a greater number of Gaming Device Operating Rights, without the need to amend this Compact and without the need to acquire any Gaming Device Operating Rights under Section 3(d). The greater number of Gaming Device Operating Rights is the product of a ratio which is the total number of Class III Gaming Devices the other Indian tribe is in fact authorized or permitted to operate following the occurrence of any of the events specified in subsections (A) or (B) of this Section 3(g)(1) divided by the sum of the number assigned to the other Indian tribe under column (1) plus column (2) plus column (3) on Gaming Device Annex multiplied by the sum of number assigned to the Tribe in column (1) plus column (2) plus column (3) on Gaming Device Annex. If the Tribe is not listed on the Gaming Device Annex, then the ratio described in the previous sentence is multiplied by the Tribe's total number of Gaming Devices authorized in the Compact; and
    - (ii) The Tribe shall automatically be entitled to immediately reduce its obligations to make contributions to the State under Section 12. Instead of the amounts payable under Section 12(b), the Tribe shall make quarterly contributions to the State equal to seventy-five hundredths of one percent (.75%) of its Class III Net Win for the prior quarter. This remedy will not be available during the Final Renewal Term (as defined in Section 23 below).
- (2) Gaming Facilities. If, during the term of this Compact, any Indian tribe is authorized or permitted to operate more Gaming Facilities than are specified for such Indian tribe on Gaming Facilities Annex or a Gaming Facility within the Phoenix Metropolitan Area that is not authorized under Section 3(c)(3)(A), then, subject to Section 3(i), the Tribe shall automatically be entitled to immediately reduce its obligations to make

contributions to the State under Section 12. Instead of the amounts payable under Section 12(b), subject to Section 3(i), the Tribe shall make quarterly contributions to the State equal to seventy-five hundredths of one percent (.75%) of its Class III Net Win for the prior quarter.

- (3) Contribution Terms. If the obligation of Salt River Pima-Maricopa Indian Community, Gila River Indian Community, Tohono O'odham Nation, Ak-Chin Indian Community, or Pascua Yaqui Tribe to make contributions to the State pursuant to Section 12(b)(1) is amended to provide more favorable terms to any one of such tribes, then, subject to Section 3(i), the Tribe may elect to have Section 12 automatically amended to conform to those more favorable terms.
- (4) Additional Class III Gaming. Except as provided in Section 3(g)(6), if during the term of this Compact, any Indian tribe is authorized to operate:
  - (A) A form of Class III Gaming in the State that is not listed in Section 3(a), then the Tribe shall be entitled to operate the additional form of gaming that the other Indian tribe is authorized to operate, without the need to amend this Compact.
  - (B) More Card Game Tables per Gaming Facility or other games than authorized under this Compact, then the Tribe shall be entitled to operate blackjack on the additional number of Card Game Tables or other games that the other Indian tribe is authorized to operate, without the need to amend this Compact.
- (5) Wager limits. If, during the term of this Compact, any Indian tribe is authorized or permitted to operate in the State any Class III Gaming with higher wager limits than the wager limit specified in the Tribe's applicable Appendix, then the Tribe is also authorized to operate that form of Class III Gaming with the same higher wager limits, without the need to amend this Compact or the applicable Appendix.
- (6) Exceptions. The provisions of Section 3(g) shall not be triggered by: (a) the automatic periodic increases in (i) the Current Gaming Device Allocation, Additional Gaming Devices and New Gaming Device Allocation provided in Section 3(c)(1)(B); (ii) the Maximum Devices Per Gaming Facility provided in Section 3(c)(4)(B); or (iii) the number of authorized Card Game Tables and other games provided in Section 3(e)(3); (b) the increase in the number of Additional Gaming Devices and New Gaming Device Allocation pursuant to Section 3(c)(1)(A)(ii); or (c) the triggering of any of the remedies set forth in Sections 3(g) and 3(h) of the 2003 Compact of any Continuing 2003 Compact Tribe; provided that if a Continuing 2003 Compact Tribe that is entitled to any of the remedies set forth in Sections 3(g) and 3(h) of the 2003 Compact has any fee or trust land within the exterior boundaries of the Navajo reservation, and the Tribe is the Navajo Nation, San Juan Southern Paiute Tribe, or Yavapai Apache Nation, then, without the need to amend this Compact:

- (A) the number of Gaming Facilities authorized for the Tribe in the Gaming Facilities Annex shall automatically increase by one (1), and the New Gaming Device Allocation set forth in Column Three of the Gaming Device Annex for the Tribe shall increase by five hundred (500);
- (B) if a Continuing 2003 Compact Tribe actually operates, or discloses a development plan to operate, in northern Arizona more Gaming Devices, Gaming Facilities, or Gaming Devices Per Gaming Facility than the number authorized for that Continuing 2003 Compact Tribe under the 2003 Compact, then the Tribe shall automatically be authorized to operate an equal number of increased Gaming Devices, Gaming Facilities, and Gaming Devices Per Gaming Facility as the number the Continuing 2003 Compact Tribe operates or plans to operate;
- (C) if a Continuing 2003 Compact Tribe actually operates, or discloses a development plan to operate, in northern Arizona more Card Game Tables, different or higher-limit wagers, or different types of games than the Tribe is authorized to operate under this Compact, then the Tribe shall automatically be authorized to operate an equal number of Card Game Tables, the same types and limits of wagers, and the same types of games as the Continuing 2003 Compact Tribe operates or plans to operate; and
- (D) such entitlements by Navajo Nation, San Juan Southern Paiute Tribe and/or Yavapai Apache Nation shall not trigger the provisions of this Section 3(g) as to any other tribe.

For the purpose of this Section 3(g)(6): (y) disclosure of "a development plan to operate" shall include information disclosed by the Continuing 2003 Compact Tribe to any federal, state, local, or tribal government in connection with the development of a gaming project; and (z) the term "northern Arizona" shall be construed to be consistent with the same term in the Navajo-Hopi Land Dispute Settlement Act of 1996, PL 104-301 (Oct. 11, 1996).

(h) Additional Gaming Due to Changes in State Law.

- (1) If, after the Effective Date, State law changes, or is interpreted in a final judgment of a court of competent jurisdiction, or through a final order of a State administrative agency, to permit a Person, entity or an Indian tribe to operate, on lands not Indian Lands: (i) Gaming Devices; (ii) any other form of Class III Gaming, other than gambling that was lawful on May 1, 2002 pursuant to A.R.S. § 13-3302 and other than as permitted as an exception pursuant to Section 3(h)(2); (iii) commercial bingo, other than commercial bingo that was lawful on May 1, 2019; and (iv) poker, other than poker that was lawful on May 1, 2002 pursuant to A.R.S. § 13-3302; then, upon the effective date of such State law, final judgment, or final order:

- (2) The provisions of this Section 3(h) shall not apply to: (i) Off-Reservation Event Wagering; (ii) Off-Reservation Fantasy Sports; (iii) Lottery Keno; (iv) Lottery Draw Games; (v) casino nights operated by non-profit or charitable organizations pursuant to and qualified under A.R.S. § 13-3302(B); (vi) social gambling as defined in A.R.S. § 13-3301(7); (vii) any paper product lottery games, including ticket dispensing devices of the nature used prior to the Effective Date by the Arizona State Lottery; (viii) low-wager, non-banked recreational pools or similar activities operated by and on the premises of retailers licensed under Title 4, Arizona Revised Statutes, as may be authorized by State law; or (ix) the triggering of any of the remedies set forth in Sections 3(g) and 3(h) of the 2003 Compact of any Continuing 2003 Compact Tribe. The Tribe and the State agree that the Off-Reservation Event Wagering, Off-Reservation Fantasy Sports, Lottery Keno, and Lottery Draw Games exceptions in this Section 3(h)(2) shall apply to, and be in full force and effect regarding, the 2021 Gaming Act, regardless of whether the 2021 Gaming Act becomes effective before or after the Effective Date.

- (I) Neither the Tribe, the Gaming Facility Operator, the Tribal Gaming Office, nor any employee thereof shall be liable to any self-excluded Person or to any other party in any proceeding and neither the Tribe, the Gaming Facility Operator, nor the Tribal Gaming Office shall be deemed to have waived its sovereign immunity with respect to any Person for any harm, monetary or otherwise, which may arise as a result of:
  - (i) The failure of the Gaming Facility Operator or the Tribal Gaming Office to withhold or restore gaming privileges from or to a self-excluded Person; or

(a) Gaming Facility Operator and Gaming Facility. The Gaming Facility Operator, and all Gaming Facilities authorized by this Compact, shall be licensed by the Tribal Gaming Office in conformance with the requirements of this Compact prior to commencement of operation, and annually thereafter. The licensing of the Gaming Facility Operator shall include the licensing of each Principal, Primary Management Official and Key Employee. Prior to the initial commencement of the operation of a new Gaming Facility, the State Gaming Agency and Tribal Gaming Office shall verify compliance with this requirement through a joint pre-operation inspection and letter of compliance. The State Gaming Agency shall send a compliance letter within seven (7) working days after the completion of the inspection if the inspection reveals that the Gaming Facility Operator and Gaming Facilities comport with the terms of this Compact. If the State Gaming Agency determines that the Gaming Facility Operator and Gaming Facility do not comport with the terms of this Compact a non-compliance letter shall be sent within seven (7) working days of the inspection that shall set forth the matters of non-compliance upon which the State Gaming Agency bases its decision. If a dispute arises during the inspection, it shall be resolved pursuant to Section 15 of this Compact.

(b) Gaming Employees. Every Gaming Employee shall be licensed by the Tribal Gaming Office and every employee of the Tribal Gaming Office shall be licensed by the Tribe. Except as otherwise provided in this Section 4(b), any Gaming Employee or Tribal Gaming Office employee that is not an Enrolled Tribal Member shall also be certified by the State Gaming Agency prior to commencement of employment, and every two (2) years thereafter subject to the temporary certification provided in Section 5(n). Enrolled Tribal Members are not required to be certified by the State as a condition of employment. Gaming Employees that hold the following positions are also not required to be certified by the State, so long as they do not have unescorted access to secure areas such as Gaming Device storage and repair areas, count rooms, vaults, cages, security offices and surveillance rooms, revenue accounting offices, and rooms containing information systems that monitor or control Gaming Activity (or, as may be agreed to by the State Gaming Agency and the Tribal Gaming Office in a separate agreement delineating the secure areas in the Tribe's Gaming Facilities):

(c) Management Contractors. Any Management Contractor, including its Principals, engaged by the Tribe to assist in the management or operation of the Gaming Facilities or Gaming Activity shall be subject to the licensing requirements of the Tribal Gaming Office, and shall be required to obtain State Certification prior to providing management services for Class III Gaming authorized by this Compact. The certification shall be renewed every two (2) years thereafter.

A Short Form Application shall be submitted by such providers to the State Gaming Agency no later than one (1) business day after providing any goods or services. The Short Form Application shall only require the business name, type of business organization, services provided, address, taxpayer identification number, and information regarding persons directly involved in the conduct of Gaming Activity or in providing goods or services for a Gaming Facility. If a business tax identification number is not provided on a Short Form Application, then it shall also include the residence address, social security number, and date of birth of such persons. The State Gaming Agency may require additional information from the Applicant at a later date as it determines necessary and may review Tribal Gaming Office licensing information for the Applicant, if any.

A vendor licensed and regulated by another governmental agency may submit a supplement to the application on file with the other agency. The State Gaming Agency may waive the certification requirement for an Ancillary Services provider or Gaming Vendor if it determines that certifying the Ancillary Services provider or Gaming Vendor is not necessary to protect the public interest.

- (4) Without the need to amend this Compact, the \$1,000, \$2,500 and \$10,000 threshold amounts applicable to Gaming Vendors and providers of Ancillary Services, as set forth in Compact Sections 4 and 5, shall be automatically increased by 10% on each five-year anniversary of the Effective Date.

## **SECTION 5. PROCEDURES FOR TRIBAL LICENSING AND STATE CERTIFICATION**

(a) Procedures for Tribal License Applications and State Certification. Every Applicant for a tribal gaming license and every Applicant for State Certification shall submit a completed Application, along with any required information, to both the Tribe or Tribal Gaming Office, as applicable and if required by the Tribe, and, except as provided in this Section 5(a), to the State Gaming Agency. Each Application for State Certification and for a tribal license shall be accompanied, as required, by the Applicant's fingerprint card(s), current photograph, and the fee required by the State Gaming Agency or the Tribe or Tribal Gaming Office, as applicable. Gaming Employees who are not required to have State Certification or recommendation under Section 4(b) because they occupy one of the positions in Sections 4(b)(1) through (9) and do not have access to secure areas as described in that Section are not required to send Applications or pay the fees to the State Gaming Agency for State Certifications, recommendations, or renewals, but the State Gaming Agency may review the Applications and background investigations, may conduct background investigations as authorized by Section 5(b)(3), and may invoke the administrative process in Section 5(q) with respect to these employees.

(b) Background Investigation of Applicants.

- (1) Upon receipt of a completed Application and required fee for tribal licensing, the Tribe or Tribal Gaming Office, as applicable, shall conduct the necessary background investigation to ensure the Applicant is qualified for tribal licensing. Upon completion of the necessary background investigation, the Tribe or Tribal Gaming Office, as applicable, shall either issue a tribal License, or deny the Application. If the Application for licensing is denied, a statement setting forth the grounds for denial shall be forwarded to the State Gaming Agency together with all other documents relied upon by the Tribe or Tribal Gaming Office, as applicable, to the extent allowed by law. The Tribal Gaming Office may choose to allow Applicants who are not required to have State Certification or recommendation under Section 4(b) because they occupy one of the positions in Sections 4(b)(1) through (9) and do not have access to secure areas as described in that Section to apply with only fingerprint card(s) and a shortened form of application and to work for up to fifteen (15) days prior to receiving their License. The

shortened form of application need only require, at a minimum, the Person's name, address, social security number, date and place of birth, other names used, last employer, and criminal history.

- (2) Upon receipt of a completed Application for State Certification or at any time thereafter, the State Gaming Agency may conduct a background investigation to determine if the Applicant is qualified for State Certification. If the Application for certification is denied, a statement setting forth the grounds for denial shall be forwarded to the Tribe or Tribal Gaming Office, as applicable, together with all other documentation relied upon by the State Gaming Agency to the extent allowed by State law. Consistent with the provisions of Section 5(a), the State may also conduct background investigations of all Applicants for tribal Licenses and, consistent with Section 5(q), may provide the Tribe or Tribal Gaming Office, as applicable, with a written recommendation as to whether the Applicant should be licensed.
- (3) The Tribe or Tribal Gaming Office, as applicable, and the State Gaming Agency shall retain the right to conduct additional background investigations of any Person required to be licensed or certified at any time, while the License or State Certification remains valid.

(c) Notification to Applicant. The Applicant for State Certification (excluding those Applicants who submitted a Short Form Application) shall be notified by the Tribe or Tribal Gaming Office, as applicable, of the status of the Application within five (5) business days after receiving the State Gaming Agency's certification or denial.

(d) Tribal Licensing Standards. Neither the issuance of a License by the Tribe or Tribal Gaming Office nor the issuance of State Certification by the State Gaming Agency creates or implies a right of employment or continued employment. Tribal Gaming Office employees and Gaming Employees must be licensed, and the Tribal Gaming Office and Gaming Facility Operator will not employ any who are not licensed. The Tribe or Tribal Gaming Office shall not license a Tribal Gaming Office employee or Gaming Employee if it is determined that the Applicant:

(e) Notification of Change of Principals. After an entity is licensed by the Tribal Gaming Office, or certified by the State Gaming Agency, but except for providers of Ancillary Services and for Gaming Vendors providing goods or services between \$1,000 and \$10,000 in any single month, it shall file a report of each change of its Principals with the Tribal Gaming Office and the State Gaming Agency. Each new Principal of a Management Contractor, a Gaming Vendor providing goods or services in excess of \$10,000 in any single month, or a Manufacturer and/or Distributor of Gaming Devices shall file a complete Application within thirty (30) days after appointment or election. The Tribal Gaming Office shall forward a copy of the Application to the State Gaming Agency. The entity's License shall remain valid unless the Tribal Gaming Office disapproves the change or denies the Application. The entity's State Certification shall remain valid unless the State Gaming Agency disapproves the change or denies the Application.

(f) Grounds for Revocation, Suspension or Denial of State Certification. The State Gaming Agency may revoke, suspend or deny a State Certification when an Applicant or holder of State Certification:

The hearing shall be conducted in accordance with the procedures contained in the applicable provisions of the Arizona Administrative Procedures Act, Title 41, Chapter 6, Arizona Revised Statutes or the State Gaming Agency's administrative rules; provided, the State, after consultation with the Tribe or Tribal Gaming Office, as applicable, may defer such actions to the Tribe or Tribal Gaming Office. The issuance, revocation, suspension or denial of any tribal gaming License by the Tribe or the Tribal Gaming Office, including the terms and conditions thereof, shall be in accordance with the Tribe's ordinances and regulations governing such procedures and the grounds for such actions shall not be less stringent than those of this Section. A licensed or certified employee or Person that has applied for renewal may continue to be employed or engaged under the expired License or State Certification until action is taken on the renewal Application by the Tribe or Tribal Gaming Office, as applicable, or the State Gaming Agency. Applicants for renewal of a License or State Certification shall provide updated material as requested, on the appropriate renewal forms, to both the Tribe or Tribal Gaming Office, as applicable, and the State Gaming Agency, consistent with the provisions of Section 5(a), but shall not be required to resubmit historical data already available to the Tribe or Tribal Gaming Office, or the State Gaming Agency. (q) Administrative Process: Licenses.

(1) Any Person applying for licensure by the Tribe or Tribal Gaming Office acknowledges that by making such Application, the State Gaming

Agency, as set forth herein, may be heard concerning the Applicant's qualifications to hold such License. If the State recommends revocation, suspension, or denial of a License, and the Tribe or Tribal Gaming Office revokes, suspends, or denies the License based on the State Gaming Agency's recommendation, the Person may appeal that action to the Tribe, to the extent any such right exists.

- (2) If the Tribe or Tribal Gaming Office takes any action with respect to a License despite a State recommendation to the contrary, the Tribe or Tribal Gaming Office shall afford the State an opportunity for a hearing before an appropriate tribal forum to contest the Tribe's or Tribal Gaming Office's licensing decision. The decision of the tribal forum shall be final, except as provided in Section 5(q)(4).
- (3) The Tribe or Tribal Gaming Office shall afford the State Gaming Agency the opportunity to be heard in an appropriate tribal forum on its recommendation to suspend or revoke the License of any Person in the same manner as if the State Gaming Agency had recommended denial of the License in the first instance.

Within twenty (20) days thereafter, the CPR or a similar dispute resolution service acceptable to the parties (the "Dispute Resolution Service") shall select the tribunal members, except that upon agreement by the parties, in lieu of selection by the Dispute Resolution Service, each party may select a tribunal member, and the two (2) members shall select a third member. If, within five (5) days after their appointment, the tribunal members appointed by the parties have not agreed upon a third tribunal member, the Dispute Resolution Service shall select the third member. All tribunal members, whether appointed by the Dispute Resolution Service or the parties, shall be (a) impartial, (b) licensed by and in good standing with a state bar association, and (c) independent from the State, the State Gaming Agency, the Tribe, and the Tribal Gaming Office. The tribunal shall hold a hearing and issue its decision within ninety (90) days after the State Gaming Agency delivers its written notice of appeal to the Tribe or Tribal Gaming Office, as applicable. If Tribal Gaming Office employee licensing decisions are made by a department or an agency of the Tribe other than the Tribal Gaming Office, then Tribal Gaming Office employees are not subject to this tribunal process.
  - (B) Tribunal authority. The tribunal's sole authority shall be to review the decision of the tribal forum and determine whether the

decision is supported by substantial evidence based on the record as a whole. The tribunal's hearing shall be conducted in a fair and impartial manner. The hearing shall be held on the administrative record presented to the tribal forum. The tribunal's decision shall be final and not subject to further appeal or to Section 15 dispute resolution procedures. If the tribunal determines the employee should not be licensed, the Tribe or Tribal Gaming Office shall promptly revoke the disputed License. The cost of the tribunal and the hearing shall be borne equally between the State and the Tribe.

(r) Withdrawal. An Applicant for State Certification or recommendation, or renewal thereof, may not withdraw an Application without the written permission of the State Gaming Agency. The State Gaming Agency will not unreasonably withhold permission to withdraw an Application. An Applicant for a tribal License, or renewal thereof, may not withdraw an Application without the permission of the Tribe or Tribal Gaming Office as applicable, unless otherwise provided under tribal law.

- (3) For the period from the fifth anniversary of the Effective Date through the tenth anniversary of the Effective Date, for a total of twenty (20) consecutive quarterly payments:
  - (A) Gila River Indian Community shall contribute one million one hundred eighty-seven thousand five hundred dollars (\$1,187,500) each quarter for a total of four million seven hundred fifty thousand dollars (\$4,750,000) per year;
  - (B) Salt River Pima-Maricopa Indian Community shall contribute one million one hundred eighty-seven thousand five hundred dollars (\$1,187,500) each quarter for a total of four million seven hundred fifty thousand dollars (\$4,750,000) per year; and,
  - (C) Tohono O'odham Nation shall contribute one million one hundred eighty-seven thousand five hundred dollars (\$1,187,500) each quarter for a total of four million seven hundred fifty thousand dollars (\$4,750,000) per year.

(c) Distributions from the 2021 Compact Trust Fund. The Director shall make distributions from the 2021 Compact Trust Fund solely in accordance with this Section 12.1(c) and Annex 12.1(c)(5).

- (1) Within thirty (30) days after the Effective Date, and annually thereafter, the Director shall send a written notice to all Beneficiary Tribes providing an opportunity for all Beneficiary Tribes to provide information relating to their eligibility for a distribution from the 2021 Compact Trust Fund pursuant to any of the Beneficiary Tribe categories as set forth in Annex 12.1(c)(5).
- (2) The Beneficiary Category List as of the Effective Date is set forth in Annex 12.1(c)(2). For each subsequent Payment Year within sixty (60) days after the anniversary of the Effective Date, the Director shall transmit to all Tribes its determination listing the Tribes eligible for distributions from each Beneficiary Category ("Beneficiary Category List").
- (3) The Director shall use its then current Beneficiary Category List for purposes of making payments from the 2021 Compact Trust Fund in any given Payment Year.
- (4) A Tribe that becomes eligible or ineligible for Beneficiary Category One or Beneficiary Category Two distributions during a Payment Year because of a change in such Tribes' circumstances shall provide written notice to the State Gaming Agency within thirty (30) days of its change in circumstances and the State Gaming Agency shall update its Beneficiary Category List accordingly.

- (5) The State Gaming Agency shall make payments to Beneficiary Tribes in accordance with the procedures set forth in Annex 12.1(c)(5).

(d) Ten Year Evaluation. The 2021 Compact Trust Fund shall remain in effect until all funds contributed pursuant to Section 12.1(b)(1)-(3) are distributed to Beneficiary Tribes. Beginning in the ninth year after the Effective Date of the Compact, the State Gaming Agency shall initiate a process with the Contributing Tribes and the Beneficiary Tribes to evaluate the necessity for continuing the 2021 Compact Trust Fund after the tenth anniversary of the Effective Date of the Compact.

(e) Contingency for 2021 Compact Trust Fund. If the 2021 Gaming Act does not include provisions to create the 2021 Compact Trust Fund as anticipated in Section 12.1(a), within thirty (30) days after the Effective Date, the Contributing Tribes and the Beneficiary Tribes shall meet to discuss establishing an escrow account to meet the requirements for the 2021 Compact Trust Fund as set forth in this Section 12.1 and Annex 12.1(c)(5). The parties to such an escrow account shall be the Contributing Tribes and all Beneficiary Tribes as they become eligible for distributions from the 2021 Compact Trust Fund. If such escrow account is established, the management of the 2021 Compact Trust Fund by an escrow agent, not the State Gaming Agency, shall be on the terms of an escrow agreement that is substantially similar to the management terms set forth in this Section 12.1 and Annex 12.1(c)(5). The escrow agreement shall not change the amount or schedule for payments from the Contributing Tribes or the distribution schedule or amounts payable to the Beneficiary Tribes as those terms are set forth in this Section 12.1 and in Annex 12.1(c)(5).

### **SECTION 13. PUBLIC HEALTH, SAFETY AND WELFARE**

(a) Compliance. The Tribe shall comply with standards governing health and safety with regard to its Gaming Facilities and which shall be no less stringent than the standards imposed by the following (or other comparably rigorous standards as agreed to by the Tribe and the State which agreement shall not be unreasonably withheld):

- (1) The International Building Code;
- (2) The International Mechanical Code;
- (3) The International Plumbing Code; and
- (4) The International Fire Code.

Construction and modification of the Tribe's Gaming Facilities either shall meet the international standards referenced above that are in effect as of the construction or modification, or shall meet other comparably rigorous standards as agreed to by the Tribe and the State which agreement shall not be unreasonably withheld. In addition, public health standards for food and beverage handling shall be in accordance with United States Public Health Service requirements.

(b) Emergency Medical and Fire Suppression Services. The Tribe shall require the Gaming Facility Operator to make provisions for adequate emergency accessibility and service. The Tribe shall establish and implement a written emergency medical and fire suppression plan that includes all steps reasonably appropriate to ensure the on-going availability of sufficient emergency services to its Gaming Facilities, including the availability of qualified emergency

medical and fire suppression personnel and adequate emergency medical transportation and fire suppression equipment. Mutual aid and emergency response service agreements will be entered as needed with entities from the surrounding communities.

(c) Tort Remedies for Patrons. The Tribe shall establish written procedures for the disposition of tort claims arising from personal injury or property damage alleged to have been suffered by patrons and invitees of its Gaming Facilities and shall enact such tribal law as is necessary to implement these procedures. The procedures shall include all time limits applicable to the disposition of the tort claim and a provision that, upon request, the patron or invitee, or the patron's or invitee's designated representative, shall be provided with a copy of the procedures as well as the name, address and telephone number of the Gaming Facility Operator and the mailing address and telephone number of the clerk of the Tribal court. The Tribe shall not be deemed to have waived its sovereign immunity from suit with respect to such claims by establishing such procedures or by any provision of this Compact, but agrees not to assert such immunity as provided in subsection (d) of this Section.

(d) Liability for Damage to Persons and Property. During the term of this Compact, the Gaming Facility Operator shall maintain a policy of commercial general liability insurance with a combined single limit for personal injury and property damage of not less than two million dollars (\$2,000,000) per occurrence and in the aggregate. The insurance policy shall include an endorsement providing that neither the insurer nor the Gaming Facility Operator may invoke tribal sovereign immunity up to the limits of the policy set forth above with respect to any claim covered under the policy and disposed of in accordance with the Tribe's tort claim procedures, provided, that the policy shall not exclude all claims made by a patron or invitee for personal injury or property damage. Neither the insurer nor the Gaming Facility Operator shall be precluded from asserting any other statutory or common law defense and provided further that any award or judgment rendered in favor of the patron or invitee shall be satisfied solely from insurance proceeds.

(e) Law Enforcement. The Tribe shall implement a written law enforcement services plan that provides a comprehensive and effective means to address criminal and undesirable activity at the Gaming Facilities. This plan shall provide that sufficient law enforcement resources are available twenty-four (24) hours a day, seven (7) days per week to protect the public health, safety, and welfare at the Gaming Facilities. The Tribe and the State shall investigate violations of State gambling statutes and other criminal activities at the Gaming Facilities. To accommodate investigations and intelligence sharing, the Tribe will provide that a police officer holding current Arizona police officer standards and training certification is employed by the Gaming Facility Operator, the Tribal Gaming Office, or the Tribal Police Department, and assigned to handle gaming-related matters when they arise. Intelligence liaisons will be established at the Tribal Police Department or Tribal Gaming Office and also at the State Gaming Agency. The Tribe and the State agree to cooperate in federal, tribal and State task force investigations.

The State Gaming Agency's intelligence unit will gather, coordinate, centralize, and disseminate accurate and current intelligence information pertaining to criminal and undesirable activity that may threaten patrons, employees, or assets of the gaming industry. The State and the Tribe will coordinate the use of resources, authority, and personnel of the State and the Tribe for the shared goal of preventing and prosecuting criminal or undesirable activity by players, employees, or businesses in connection with tribal Gaming Facilities. Violations of State criminal gambling statutes on tribal lands may be prosecuted as federal crimes in federal court.

(f) Maintenance of Plans and Procedures. The Gaming Facility Operator shall maintain at all times current copies of the following:

- (1) the emergency medical and fire suppression plan referenced in Section 13(b);
- (2) the procedures for disposition of tort claims referenced in Section 13(c);
- (3) the current certificate of insurance demonstrating compliance with Section 13(d); and
- (4) the law enforcement services plan referenced in Section 13(e).

#### **SECTION 14. PATRON DISPUTES**

(a) Refusal to Pay Winnings. Whenever the Gaming Facility Operator refuses payment of alleged winnings to a patron or there is otherwise a dispute with a patron regarding that patron's wins or losses from Gaming Activity, and the Gaming Facility Operator and the patron are unable to resolve the dispute to the satisfaction of the patron and the dispute involves:

- (1) At least five hundred dollars (\$500), the Gaming Facility Operator shall immediately notify the Tribal Gaming Office. The Tribal Gaming Office shall conduct whatever investigation it deems necessary and shall determine whether payment should be made; or
- (2) Less than five hundred dollars (\$500), the Gaming Facility Operator shall inform the patron of his or her right to request that the Tribal Gaming Office conduct an investigation. Upon request of the patron, the Tribal Gaming Office shall conduct whatever investigation it deems necessary and shall determine whether payment should be made.

(b) Notice to Patrons. The Tribal Gaming Office shall mail written notice by certified mail, return receipt requested, to the Gaming Facility Operator and the patron of its decision within thirty (30) days after the date that the Tribal Gaming Office first receives notification from the Gaming Facility Operator or a request to conduct an investigation from the patron.

(c) Effective Date of Decision. The decision of the Tribal Gaming Office is effective on the date it is received by the patron as reflected on the return receipt.

(d) Review of Decision.

- (1) Within thirty (30) days after the date of receipt of the written decision, the patron or Gaming Facility Operator may file a petition with the Tribal Gaming Office requesting a review of the decision. The Tribal Gaming Office may set a hearing on the matter or may make a decision based solely upon the prior decision and other documentation provided to it by the patron and the Gaming Facility Operator. The Tribal Gaming Office shall then issue a written decision within sixty (60) days of the filing of the

petition and mail the decision to the parties pursuant to the procedures set forth in Section 14(b).

- (2) The Tribe's ordinance shall allow a patron whose dispute involves at least \$500 to file a complaint in Tribal court within sixty (60) days of receipt of the Tribal Gaming Office's written decision referenced in Section 14(d)(1). The Tribe's ordinances shall empower, and vest jurisdiction in, the Tribal court to hear and render decisions on these disputes. The Tribal court will review the dispute and issue a decision. Disposition of the action in Tribal court will be final and binding upon all parties in accordance with Tribal law.

## **SECTION 15. DISPUTE RESOLUTION**

(a) Notice/Negotiation. If either the Tribe or the State believes the other has failed to comply with the requirements set forth in this Compact or its appendices, or if a dispute arises as to the proper interpretation of those requirements, then either party may serve a written notice on the other identifying the specific provision or provisions of the Compact or its appendices in dispute and specifying in detail the factual bases for any alleged non-compliance and/or the interpretation of the provision of the Compact or its appendices proposed by the party providing notice. Within ten (10) days following delivery of the written notice of dispute, the Executive Director of the Tribal Gaming Office and the Director of the State Gaming Agency shall meet in an effort to voluntarily resolve the compliance or interpretation dispute through negotiation. If those negotiations fail to resolve the dispute, the Executive Director of the Tribal Gaming Office, the Director of the State Gaming Agency, and representatives designated by the Governor of Arizona and the Chair, President, or Governor of the Tribe shall meet in a further effort to voluntarily and informally resolve the dispute through further negotiation.

(b) Mediation. If the Tribe and the State are unable to resolve by negotiation any dispute regarding compliance with the requirements of the Compact or its appendices, or the proper interpretation of those requirements, within thirty (30) days after delivery of the written notice of dispute, the Tribe and the State shall, upon the request of either party, endeavor to settle the dispute in an amicable manner by non-binding mediation administered by the CPR under its mediation procedures dated April 1, 1998 (unless otherwise agreed to by the parties), and the procedures set forth below. Although the parties shall be required to participate in the mediation process if requested, a request for mediation shall not preclude either party from pursuing any other available remedy.

- (1) Selection of mediator. If the parties agree upon a mediator, that individual shall serve as the mediator. If the parties are unable to agree on a mediator within ten (10) days of a request for mediation, then the CPR (i) shall select an attorney from the CPR Panel of Distinguished Neutrals to be the mediator or (ii) if requested by the parties, shall select the mediator from a list of potential mediators approved by the parties.
- (2) Conduct of mediation. The mediator shall control the procedural aspects of the mediation and shall be guided by the mediation procedures promulgated by the CPR.

- (3) Costs of mediation. The costs of mediation shall be borne equally by the parties, with one-half ( $\frac{1}{2}$ ) of the expenses charged to the Tribe and one-half ( $\frac{1}{2}$ ) of the expenses charged to the State.

(c) Arbitration. If the Tribe and the State fail to resolve such a dispute regarding compliance with the requirements of the Compact or its appendices or the proper interpretation of those requirements through negotiation or mediation under Sections 15(a) or (b) within thirty (30) days after delivery of the written notice of dispute, upon a demand by either party, the Tribe and the State expressly agree herewith that the dispute shall be settled through binding arbitration at a neutral location and, unless otherwise agreed to by the parties, the arbitration shall be conducted in accordance with the Rules, as modified by the following:

- (1) Demand for arbitration. No earlier than thirty (30) days after the delivery of the notice required under Section 15(a), either party may serve on the other a written demand for arbitration of the dispute, in accordance with CPR Rule 3. The demand shall contain a statement setting forth the nature of the dispute and the remedy sought. The other party shall file a notice of defense and any counterclaim within twenty (20) days, in accordance with CPR Rule 3. Failure to provide a notice of defense shall not delay the arbitration. In the absence of a notice of defense, all claims set forth in the demand shall be deemed denied.
- (2) Arbitrators. Unless the parties agree in writing to the appointment of a single arbitrator, the arbitration shall be conducted before a panel of three (3) arbitrators. In the absence of an agreement to a single arbitrator, within twenty (20) days of the defending party's receipt of the demand, each party shall select an arbitrator. As soon as possible thereafter, but in no event more than forty (40) days following delivery of the demand, the party-appointed arbitrators shall discuss and select a third arbitrator from the Panel of Distinguished Neutrals, who shall chair the tribunal. Alternatively, if the parties have agreed upon a list of arbitrators acceptable to both parties, the CPR shall select the third arbitrator from that list. Unless the parties agree otherwise, at least one (1) of the arbitrators on the tribunal shall be an attorney or retired judge knowledgeable about the Act, federal Indian law, and jurisdiction within Indian country. If the parties do not appoint an arbitrator with those qualifications, the party-appointed arbitrators or the CPR shall do so. Once the tribunal is impaneled, there shall be no ex parte contact with the arbitrators, except for contacts with the office of the tribunal chair regarding scheduling or other purely administrative matters that do not deal with substantive matters or the merits of the issues.
- (3) Selection of arbitrator(s) by the CPR. If a party fails to appoint an arbitrator, or if the party-appointed arbitrators have failed to appoint a third arbitrator within the time period provided in Section 15(c)(2), either party may request appointment of the arbitrator by the CPR. The request shall be made in writing and served on the other party. CPR shall fill any vacancies on the tribunal within ten (10) days of a request in accordance with CPR Rule 6.

- (4) Neutrality of the arbitrators. All arbitrators shall be independent and impartial. Upon selection, each arbitrator shall promptly disclose in writing to the tribunal and the parties any circumstances that might cause doubt regarding the arbitrator's independence or impartiality. Such circumstances may include, but shall not be limited to, bias, interest in the result of the arbitration, and past or present relations with a party or its counsel. Following such disclosure, any arbitrator may be challenged in accordance with CPR Rule 7.
- (5) Cost of arbitration. The costs of arbitration shall be borne equally by the parties, with one-half ( $\frac{1}{2}$ ) of the expenses charged to the Tribe and one-half ( $\frac{1}{2}$ ) of the expenses charged to the State.
- (6) Preliminary conference/hearing. The tribunal shall hold an initial pre-hearing conference no later than thirty (30) days following the selection of the members of the tribunal and shall permit discovery and make other applicable decisions in accordance with CPR Rules 9 through 12. Unless the parties agree otherwise, or unless the tribunal determines that compelling circumstances exist which demand otherwise, the arbitration shall be completed within one hundred and eighty (180) days of the initial pre-hearing conference.
- (7) Discovery.
  - (A) Documents. Consistent with the expedited nature of arbitration, each party will, upon the written request of the other party, promptly provide the other with copies of documents relevant to the issues raised by any claim or counterclaim or on which the producing party may rely in support of or in opposition to any claim or defense. Except as permitted by the tribunal, all written discovery shall be completed within ninety (90) days following the initial pre-hearing conference. Any dispute regarding discovery, or the relevance or scope thereof, shall be determined by the tribunal, whose determination shall be conclusive.
  - (B) Depositions. Consistent with the expedited nature of arbitration and unless the parties agree otherwise, a party, upon providing written notice to the other party, shall have the right to take the depositions of up to five (5) witnesses, each of which shall last no longer than one (1) day. Unless the parties agree otherwise, additional depositions shall be scheduled only with the permission of the tribunal and for good cause shown. A party's need to take the deposition of a witness who is not expected to be available for an arbitration hearing shall be deemed to be good cause. Except as permitted by the tribunal, all depositions shall be concluded within one hundred and twenty (120) days following the initial pre-hearing conference. All objections that might be raised to deposition testimony shall be reserved for the arbitration hearing, except for objections based on privilege, proprietary or confidential information, and objections to form or foundation that could be cured if raised at the deposition.

- (8) Injunctive relief in aid of arbitration. The Tribe or the State may seek in a court of competent jurisdiction (A) provisional or ancillary remedies, including preliminary injunctive relief, pending the outcome of an arbitration proceeding, or (B) permanent injunctive relief to enforce an arbitration award.
- (9) Arbitration hearing.
  - (A) Notice/transcript. Unless the parties agree otherwise, the tribunal shall provide the parties with at least sixty (60) days notice of the date of the arbitration hearing. Unless the parties agree otherwise, there shall be a stenographic record made of the hearing, with the cost to be shared by the Tribe and the State. The transcript shall be the official record of the proceeding.
  - (B) Last, best offer format. The arbitrators shall conduct each arbitration proceeding using the "last, best offer" format, unless any party to an arbitration proceeding opts out of the "last, best offer" arbitration format in the manner set forth in Section 15(c)(9)(C).
    - (i) No later than forty (40) days before the arbitration hearing (or forty (40) days before the date the dispute is to be submitted to the tribunal for decision if oral hearings have been waived), each party shall submit to the other party or parties to the arbitration a preliminary last, best offer for those issues that will be decided using the last, best offer format.
    - (ii) No later than twenty (20) days before the arbitration hearing (or twenty (20) days before the date the dispute is to be submitted to the tribunal for decision if oral hearings have been waived), each party shall submit to the tribunal and the other party or parties to the arbitration its pre-hearing last, best offer for those issues that will be decided using the last, best offer format.
    - (iii) No later than ten (10) days after the conclusion of the arbitration hearing (or ten (10) days before the date the dispute is to be submitted to the tribunal for decision if oral hearings have been waived), each party shall submit to the tribunal and the other party or parties to the arbitration its final last, best offer for those issues that will be decided using the last, best offer format.
    - (iv) Except as otherwise provided in this Section 15(c)(9)(B)(iv), for each issue to be decided using the last, best offer format, the tribunal shall, for its decision on the issue, adopt one of the last, best offers submitted under Section 15(c)(9)(B)(iii) and no other remedy (excepting only remedies in aid of the tribunal's decision). If the

tribunal expressly determines that a last, best offer submitted by a party with respect to an issue or issues is not consistent with or does not comply with the Act and/or the Compact, as they may be amended and as they are interpreted by courts of competent jurisdiction, then the tribunal shall reject that last, best offer and shall not consider it in rendering its decision. If the tribunal expressly determines that all the last, best offers submitted by the parties with respect to an issue or issues are not consistent with or do not comply with the Act and/or the Compact, as they may be amended and as they are interpreted by courts of competent jurisdiction, then the tribunal shall reject all the last, best offers and shall decide the related issue or issues as if the parties had elected to have the issue or those issues decided without using the "last, best offer" format. In addition, the tribunal shall have no authority to award money damages against either party, regardless of whether a last, best offer proposes an award of damages.

- (C) Opting out of last, best offer format. Unless the parties agree otherwise, a party desiring to opt out of the "last, best offer" arbitration format shall serve a written notice of its election no later than fifty (50) days before the arbitration hearing (or fifty (50) days before the date the dispute is to be submitted to the tribunal for decision if oral hearings have been waived). The notice shall:
  - (i) Identify with specificity the issue or issues that the arbitrators will decide without using the "last, best offer" arbitration format, or
  - (ii) State that the arbitrators will not use the "last, best offer" arbitration format.
  
- (10) Decision of the tribunal. The decision of the tribunal shall be in writing, setting forth detailed findings of fact and conclusions of law and a statement regarding the reasons for the disposition of each claim. If the tribunal determines that a last, best offer is not consistent with or does not comply with the Act and/or the Compact, the decision of the tribunal shall set forth detailed findings of fact and conclusions of law and a statement regarding the reasons for the tribunal's determination. The written decision of the tribunal shall be made promptly and, unless otherwise agreed to by the parties, no later than forty (40) days from the date of the closing of the hearing or, if oral hearings have been waived, no later than forty (40) days from the date the dispute is submitted to the tribunal for decision. The tribunal may take additional time to render its decision if the tribunal determines that compelling circumstances require additional time. The tribunal may issue awards in accordance with CPR Rule 13, to the extent that rule is consistent with Section 15(c). The decision of the majority of the arbitrators shall be final, binding, and non-appealable, except for a challenge to a decision on the grounds set forth in 9 U.S.C.

§ 10. The failure to comply with a judgment upon the award of the arbitrators shall be a breach of this Compact.

- (11) **Governing law/jurisdiction.** Title 9 of the United States Code (the United States Arbitration Act) and the Rules shall govern the interpretation and enforcement of Section 15(c), but nothing in Section 15(c) shall be interpreted as a waiver of the State's Tenth Amendment or Eleventh Amendment immunity or as a waiver of the Tribe's sovereign immunity. The tribunal shall resolve the disputes submitted for arbitration in accordance with, and every decision of the tribunal must comply and be consistent with, the Act and the Compact, as they may be amended and as they are interpreted by courts of competent jurisdiction. The tribunal shall have no authority to award money damages against either party.
- (12) **Judicial confirmation.** Judgment upon any award rendered by the tribunal may be entered in any court having competent jurisdiction.

(d) **Injunctive Relief.** The parties expressly agree that, although negotiation followed by mediation and arbitration are the preferred methods of dispute resolution, Compact Section 15 shall not impair any rights to seek in any court of competent jurisdiction injunctive relief pursuant to 25 U.S.C. § 2710(d)(7)(A)(ii), or a judgment upon an award rendered by an arbitration tribunal. In an action brought by the Tribe against the State, one court of competent jurisdiction is the Arizona Superior Court. In an action brought by the State against the Tribe, one court of competent jurisdiction is the United States District Court for the District of Arizona. Nothing in this Compact is intended to prevent either party from seeking relief in some other court of competent jurisdiction, or to constitute an acknowledgment that the State courts have jurisdiction over the Tribe or the Tribal courts have jurisdiction over the State.

## **SECTION 16. RESERVATION OF RIGHTS UNDER THE ACT**

(a) **Status of Class I and Class II Gaming.** This Compact shall not apply to any Class I or Class II Gaming whether conducted within or without the Gaming Facilities, and shall not confer upon the State any jurisdiction or other authority over such Class I or Class II Gaming conducted by the Tribe on Indian Lands.

(b) **Prohibition on Taxation by the State.** Nothing in this Compact shall be deemed to authorize or permit the State or any political subdivision thereof to impose any tax, fee, charge or assessment upon the Tribe or any Gaming Operation of the Tribe, except for the payment of expenses as provided in Section 12 of this Compact.

(c) **Preservation of Tribal Self-Government.** Nothing in this Compact shall divest or diminish the sovereign governmental authority of either the Tribe or the State.

(d) **Use of Net Revenues.** The net revenues derived from Class III Gaming authorized under this Compact shall be used by the Tribe for the purposes permitted under the Act.

(e) **Tax Documentation.** For purposes of cooperation, the Gaming Facility Operator will provide to the State Gaming Agency a copy of the documentation the Gaming Facility Operator submits to the Internal Revenue Service indicating gaming winnings of patrons of the Gaming Operation.

**SECTION 17. AMENDMENTS**

Any amendment to this Compact shall be in writing and signed by both parties, and to the extent required under the Act, approved or deemed approved by operation of law under the Act by the Secretary of the Interior. The terms and conditions of this Compact shall remain in effect until amended, modified, or terminated. Any provision of this Compact can be amended at any time by mutual agreement of the Tribe and the State. The Governor of the State is authorized to agree to amendments that are not inconsistent with the provisions of Title 5, Chapter 6 of the Arizona Revised Statutes, including, without limitation, any amendments that would provide an opportunity for the Hopi Tribe or San Juan Southern Paiute Tribe to access additional revenue, derived solely from the parties who are party to the amendments, in exchange for the transfer or forbearance of their rights under the 2021 Compact.

**SECTION 18. SEVERABILITY**

Each provision of this Compact shall stand separate and independent of every other provision. If a court of competent jurisdiction finds any provision of this Compact to be invalid or unenforceable, it is the intent of the parties that the remaining provisions shall remain in full force and effect to the extent possible.

**SECTION 19. THIRD PARTY BENEFICIARIES**

This Compact is entered into solely for the benefit of the Tribe and the State. It is not intended to create any rights in third parties which could result in any claim of any type against the Tribe and/or the State. Neither the Tribe nor the State waive their immunity from third-party claims and this Compact is not intended to result in any waiver of that immunity, in whole or in part.

**SECTION 20. NOTICES**

All notices required or authorized to be served under this Compact shall be served by certified mail (return receipt requested), commercial overnight courier service or by personal delivery, at the following addresses or such other address as either party shall hereafter inform the other by written notice.

**SECTION 21. CALCULATION OF TIME**

In computing any period of time prescribed or allowed by this Compact, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a legal holiday under the Tribe's laws, State law, or federal law, or when the act to be done is the filing of or providing access to any report or document, and the last day of the period falls on a day in which the weather or other conditions have made the offices in which the report or document is to be filed inaccessible, in which event the designated period shall extend until the end of the next day on which the office is accessible which is not a Saturday, Sunday or legal holiday, and is not one of the previously mentioned days. When the period of time prescribed or allowed is less than eleven (11) days, intermediate Saturdays, Sundays and legal holidays under the Tribe's laws, State law or federal law shall be excluded from the computation period.

**SECTION 22. COUNTERPARTS**

This Compact is executed in three original documents: one shall be maintained by the Chairperson of the Tribe, one shall be maintained by the Governor of the State, and the third shall be sent to the Secretary of the Interior for approval.

**SECTION 23. EFFECTIVE DATE AND DURATION**

(a) Replacement of Other Gaming Compacts. On the Effective Date, this Compact shall replace and supersede any other tribal-state gaming compact between the State and the Tribe. The Tribe and the State shall execute an acknowledgment of the Effective Date.

(b) Duration.

(1) The initial term of this Compact shall commence on the Effective Date. The initial term of this Compact shall be the remainder of the term under

Section 23(b) of the Tribe's 2003 Compact, if any, including any extension thereof as provided by Section 23(b)(3), provided that such 2003 Compact was in effect on May 1, 2019, plus ten (10) years (the "Initial Term").

- (2) This Compact shall thereafter be extended for a first renewal term of ten (10) years (the "First Renewal Term"), unless the State or the Tribe notifies the other in writing, not less than one hundred eighty (180) days prior to the expiration of the Initial Term, that it does not intend to renew the Compact because of substantial non-compliance.
- (3) Not less than one hundred eighty (180) days prior to the expiration of the First Renewal Term, if the Tribe seeks a new or amended compact for an additional term, the Tribe shall provide notice to the State of its request to enter into negotiations. Upon receipt of the notice of intent the State shall agree to a term not to exceed two (2) years (the "Final Renewal Term") to negotiate under 25 U.S.C. § 2710(d)(3)(A), or other applicable federal law, for a successor Compact or other similar agreement unless the State or the Tribe notifies the other in writing, not less than one hundred eighty (180) days prior to the expiration of the First Renewal Term, that it does not intend to renew the Compact.
- (4) For purposes of this Section 23, substantial non-compliance means the willful failure or refusal to reasonably comply with the material terms of a final, non-appealable court order, or a final, non-appealable award of an arbitrator or arbitrators under Section 15. Substantial non-compliance does not include technical inadvertence or non-material variations or omissions in compliance with any such award or judgment. The failure to comply with any such award or judgment following notice from the State Gaming Agency and a reasonable opportunity to cure, which in no event shall be considered to be more than thirty (30) days, shall constitute a willful failure or refusal to reasonably comply. If either party contends that the other is in substantial non-compliance or has failed to comply with the material terms of a final, non-appealable court order, or a final, non-appealable award of an arbitrator or arbitrators under Section 15, the party so contending shall provide immediate written notice to the other, including the specific reason(s) for the contention and copies of all documentation relied upon to the extent allowed by law.
