TRIBAL-STATE COMPACT
BETWEEN THE STATE OF CALIFORNIA AND THE
AGUA CALIENTE BAND OF CAHUILLA INDIANS

This Tribal-State Compact Between the State of California and the Agua Caliente Band of Cahuilla Indians (Compact) is entered into on a government-to-government basis by and between the Agua Caliente Band of Cahuilla Indians (Tribe), a federally-recognized sovereign Indian tribe, and the State of California (State), a sovereign State of the United States, pursuant to the Indian Gaming Regulatory Act of 1988 (P.L. 100-497, codified at 25 U.S.C. § 2701 et seq. and 18 U.S.C. §§ 1166-1168) (IGRA), and any successor statute or amendments.

PREAMBLE

WHEREAS, in 1988, Congress enacted IGRA as the federal statute governing Indian tribal gaming in the United States and the purposes of IGRA are to provide a statutory basis for the operation of gaming by Indian tribes as a means of promoting tribal economic development, self-sufficiency, and strong tribal governments; to provide a statutory basis for the regulation of Indian gaming adequate to shield it from organized crime and other corrupting influences; to ensure that the Indian tribe is the primary beneficiary of the gaming operation; to ensure that gaming is conducted fairly and honestly by both the operator and players; and to declare that the establishment of an independent federal regulatory authority for gaming on Indian lands, federal standards for gaming on Indian lands, and a National Indian Gaming Commission are necessary to meet congressional concerns; and

WHEREAS, the system of regulation of Indian tribal gaming fashioned by Congress in IGRA rests on an allocation of regulatory jurisdiction among the three sovereigns involved: the federal government, the state in which a tribe has land, and the tribe itself. IGRA makes Class III Gaming Activities lawful on the lands of federally-recognized Indian tribes only if such activities are: (i) authorized by a tribal ordinance, (ii) located in a state that permits such gaming for any purpose by any person, organization or entity, and (iii) conducted in conformity with a gaming compact entered into between the Indian tribe and the state and approved by the Secretary of the United States Department of the Interior or procedures issued by the Secretary in lieu of a compact; and

WHEREAS, in 1999, the Tribe and the State entered into the "Tribal-State Compact between the State of California and the Agua Caliente Band of Cahuilla Indians" (1999 Compact), which enabled the Tribe, through revenues generated by its Gaming Operation to improve the governance, environment, education, health, safety, and general welfare of its citizens, and to promote a strong tribal government, self-sufficiency, and to provide essential government services to its citizens; and

WHEREAS, in 2006, based on then existing economic indicators the Tribe and the State entered into an amendment to the 1999 Compact (2006 Amendment), which, among other things, significantly increased the Gaming Operation's earning potential and revenue payments to the State; and

WHEREAS, since the time that the State and the Tribe entered into the 2006 Amendment circumstances in the overall economy, the casino gaming market, and the law, such as the Ninth Circuit's decision in *Rincon Band of Luiseno Mission Indians v. Schwarzenegger*, have changed dramatically; and

WHEREAS, the Tribe and the State have a common interest in ensuring the Revenue Sharing Trust Fund which benefits non-gaming and limited gaming tribes is adequately funded; and

WHEREAS, the Tribe and the State believe that providing credits and funding for local government infrastructure, diversification of the Tribe's economic base, projects that benefit tribal members, other Indians and Indian tribes, services provided by local jurisdictions, and projects that have particular social or environmental value provide valuable benefits to the Tribe and its gaming facilities; and

WHEREAS, the Tribe and the State agree that this Compact is designed to enhance the Tribe's economic development and self-sufficiency and to protect the health, safety and general welfare interests of the Tribe and its citizens, as well as the surrounding communities, and the California public and to promote and secure long-term stability, mutual respect, and mutual benefits; and

WHEREAS, the Tribe and the State desire to enter into this Compact to ensure that the Tribe is the primary beneficiary of its Gaming Operation and can continue to fund essential tribal government services through gaming revenue; and

WHEREAS, the State and the Tribe recognize that the exclusive rights the Tribe enjoys under this Compact provide a unique opportunity for the Tribe to continue to engage in the Gaming Activities in an economic environment free of competition from the operation of slot machines and banked card games on non-Indian lands in California and that this unique economic environment is of great value to the Tribe; and

WHEREAS, in consideration of the exclusive rights enjoyed by the Tribe pursuant to article IV, section 19, subdivision (f) of the California Constitution to engage in the Gaming Activities and to operate Gaming Devices as specified in this Compact for twenty-five years with a substantial reduction in payments, and the other meaningful concessions offered by the State in good faith negotiations, and pursuant to IGRA, the Tribe restates its intent, *inter alia*, to provide to the State, on a sovereign-to-sovereign basis, and to local jurisdictions, fair cost reimbursement and mitigation measures for the direct impacts of its Gaming Operations from revenues generated from the Gaming Devices operated pursuant to this Compact on a payment schedule; and

WHEREAS, the Tribe and the State share an interest in mitigating the significant off-reservation impacts of the Gaming Facility, affording meaningful consumer and employee protections in connection with the operations of the Gaming Facility, fairly regulating the Gaming Activities conducted at the Gaming Facility, and fostering a good-neighbor relationship between the Tribe, the State, and local jurisdictions; and

WHEREAS, the Tribe's unique "checker-board" reservation has limited the Tribe's ability to fully develop its Gaming Operations and the State recognizes that the Tribe and the surrounding local communities will benefit from economic development and accompanying job creation if the Tribe is able to develop Gaming Facilities on certain parcels of land that are contiguous to the Tribe's current reservation boundaries and

WHEREAS, the Tribe and the State share a joint sovereign interest in ensuring that Gaming Activities are free from criminal and other undesirable elements; and

WHEREAS, this Compact will afford the Tribe primary responsibility over the regulation of its Gaming Facility and will enhance the Tribe's economic development and self-sufficiency; and

WHEREAS, the State and the Tribe agree that all terms of this Compact are intended to be binding and enforceable.

NOW, THEREFORE, the Tribe and the State agree as set forth herein:

- (4) If the State fails to respond to the Tribe's notice and documentation within thirty (30) days of receipt, refuses to meet, or fails within fifteen (15) days after the meeting to initiate the dispute resolution process, then the Tribe may institute the dispute resolution process set forth in section 13.0 to resolve whether the parcel or parcels meet the requirements of subdivision (a) or (b), as appropriate, and are or will be Indian lands eligible for Class III Gaming before a Gaming Facility may be constructed thereon.

Sec. 4.3. Special Distribution Fund.

The Tribe shall pay to the State on a pro rata basis the State's 25 U.S.C. § 2710(d)(3)(C) costs incurred for purposes consistent with IGRA, including the performance of all its duties under this Compact, the administration and implementation of tribal-state Class III Gaming compacts, and funding for the Office of Problem Gambling, as determined by the monies appropriated in the annual Budget Act each fiscal year to carry out those purposes (Appropriation). The Appropriation and the maximum number of Gaming Devices operated by all federally recognized tribes in California pursuant to tribal-state Class III Gaming compacts determined to be in operation during the previous State fiscal year shall be reported annually by the State Gaming Agency to the Tribe on or before December 15. The term "operated" or "operation" as used in this Compact in relation to Gaming Devices describes each and every Gaming Device available to patrons (including slot tournament contestants) for play at any given time. The Tribe's pro rata share of the State's 25 U.S.C. § 2710(d)(3)(C) regulatory costs in any given year this Compact is in effect shall be calculated by the following equation:

The maximum number of Gaming Devices operated in the Tribe's Gaming Facilities during the previous State fiscal year as determined by the State Gaming Agency, divided by the maximum number of Gaming Devices operated by all federally recognized tribes in California

pursuant to tribal-state Class III Gaming compacts during the previous State fiscal year, multiplied by the Appropriation, equals the Tribe's pro rata share.

- (a) Beginning the first full quarter after Class III Gaming commences under this Compact, the Tribe shall pay its pro rata share to the State Gaming Agency for deposit into the Indian Gaming Special Distribution Fund established by the Legislature (Special Distribution Fund). The payment shall be made in four (4) equal quarterly installments due on the thirtieth (30th) day following the end of each calendar quarter (i.e., by April 30 for the first quarter, July 30 for the second quarter, October 30 for the third quarter, and January 30 for the fourth quarter); provided, however, that in the event this Compact becomes effective during a calendar quarter, payment shall be prorated for the number of days remaining in that initial quarter, in addition to any remaining full quarters in the first calendar year of operation to obtain a full year of full quarterly payments of the Tribe's pro rata share specified above. A payment year will run from January through December. If any portion of the Tribe's quarterly pro rata share payment or payment pursuant to section 4.3, subdivision (b) or section 4.3, is overdue, the Tribe shall pay to the State for purposes of deposit into the appropriate fund, the amount overdue plus interest accrued thereon at the rate of one percent (1%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less. All quarterly payments shall be accompanied by the report specified in section 4.7.
- (b) If the Tribe objects to the State's determination of the Tribe's pro rata share, or to the amount of the Appropriation as including matters not consistent with IGRA, the matter shall be resolved in accordance with the dispute resolution provisions of section 13.0. Any State determination of the Tribe's pro rata share challenged by the Tribe shall govern and shall be paid by the Tribe to the State when due, and the Tribe's payment is a condition precedent to invoking the section 13.0 dispute resolution provisions.
- (c) The Tribe's annual pro rata share payment amount shall be capped at an amount equal to a five percent (3%) increase from the Tribe's pro rata share calculated in the immediately

preceding year. The Tribe shall not be required to pay any amount of the Tribe's calculated pro rata share that exceeds its calculated pro rata share from the immediately preceding year by more than five percent (5%).

- (d) The foregoing payments have been negotiated between the parties as a fair and reasonable contribution, based upon the State's costs of regulating and mitigating certain impact of tribal Class III Gaming Activities including problem gambling, as well as the Tribe's market conditions, its circumstances, and the rights afforded and consideration provided by this Compact.

Sec. 4.3.1. Use of Special Distribution Funds.

Revenue placed in the Special Distribution Fund shall be available for appropriation by the Legislature for the following purposes:

- (a) Grants, including any administrative costs, for programs designed to address and treat gambling addiction;
- (b) Grants, including any administrative costs and environmental review costs, for the support of State and local government agencies impacted by tribal government gaming;
- (c) Compensation for regulatory costs incurred by the State including, but not limited to the Commission, the California Department of Justice, the Office of the Governor, the California Department of Public Health Programs, Office of Problem Gambling, the State Controller, the Department of Human Resources, the Financial Information System for California, and State Designated Agencies in connection with the implementation and administration of Class III Gaming compacts in California;
- (d) Compensation to state and local government for law enforcement, fire, public safety, and other emergency response services provided in response to or arising from any threat to the health, welfare and safety of Gaming Facility patrons, employees, tribal members or the public generally, attributable to, or as a consequence of, intra-tribal government disputes; and

- (e) Any other purposes specified by the Legislature that are consistent with IGRA, including funds necessary to ensure adequate funding to the Revenue Sharing Trust Fund.

See. 4.4, Quarterly Revenue Contribution Report.

At the time each quarterly payment is due, the Tribe shall submit to the State Gaming Agency a report. prepared and certified by an authorized representative of the Gaming Operation, which sets forth the following information:

- (a) The calculation of the average number of Gaming Devices in operation for each day during the given quarter.
- (b) The total amount of the quarterly revenue contribution paid to the State under sections 4,3 and 4.5.

See. 4.5. Revenue Contribution.

In exchange for substantial exclusivity and other meaningful concessions, the Tribe shall make an annual payment equal to:

- Six percent (6%) of the Net Win generated from the operation of all Gaming Devices in excess of three hundred and fifty (350) Gaming Devices but less than two thousand five hundred and one (2,501) Gaming Devices;
- Seven percent (7%) of the Net Win generated from the operation of all Gaming Devices in excess of two thousand five hundred (2,500) Gaming Devices but less than three thousand and one (3,001) Gaming Devices;
- Eight percent (8%) of the Net Win generated from the operation of all Gaming Devices in excess of three thousand (3,000) Gaming Devices but less than three thousand five hundred and one (3,501) Gaming Devices;
- Nine percent (9%) of the Net Win generated from the operation of all Gaming Devices in excess of three thousand five hundred (3,500) Gaming Devices but less than four thousand and one (4,001) Gaming Devices;

- Ten percent (10%) of the Net Win generated from the operation of all Gaming Devices in excess of four thousand (4,000) Gaming Devices but less than four thousand five hundred and one (4,501) Gaming Devices; and
- Eleven percent (11%) of the Net Win generated from the operation of all Gaming Devices in excess of four thousand five hundred (4,500) Gaming Devices but less than five thousand and one (5,001) Gaming Devices.

These payments, which shall be used exclusively for the Revenue Sharing Trust Fund and the Tribal Nation Grant Fund, shall be made quarterly in accordance with section 5.2, subdivision (b). Sixty percent (60%) of the Tribe's revenue contributions made pursuant to this section may be allocated by the Tribe to the purposes specified in section 5.3 and shall be paid yearly as provided in section 5.3, subdivision (b)

Sec. 4.6. Effective Date of Revenue Contribution Provisions.

The provisions of this Compact establishing or superseding existing revenue sharing obligations of the Tribe, including sections 4.3, 4.5, 5.2, and 5.3, will take effect on the first day of the calendar month following the effective date of this Compact, to allow the State and the Tribe time to plan for the implementation of these provisions. Until that date, the revenue contributions set forth in the Amendment to the Tribal-Slate Gaming Compact between the State of California and the Agua Caliente Band of Cahuilla Indians, executed on August 8, 2006, will remain in effect.

Sec. 4.7. Quarterly Payments and Quarterly Contribution Report,

- (a) (1) The Tribe shall remit quarterly to the State Gaming Agency (i) the payments described in section 4.3, for deposit into the Special Distribution Fund, and (ii) the payments described in section 5.2, for deposit into the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund.
- (2) If the Gaming Activities authorized by this Compact commence during a calendar quarter, the first payment shall be due on the thirtieth (30th) day following the end of the first full calendar quarter of the Gaming Activities and shall cover the period

from the commencement of the Gaming Activities to the end of the first full calendar quarter.

- (3) All quarterly payments shall be accompanied by the certification specified in subdivision (b).
- (b) At the time each quarterly payment is due, regardless of whether any monies are owed, the Tribe shall submit to the State Gaming Agency a certification (Quarterly Contribution Report) that specifies the following:
- (1) calculation of the maximum number of Gaming Devices operated in the Gaming Facility for each day during the given quarter;
 - (2) the Net Win calculation reflecting the quarterly Net Win from the operation of all Gaming Devices in the Facility;
 - (3) the amount due pursuant to section 4.3;
 - (4) calculation of the amount due to the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund pursuant to section 5.2; and
 - (5) the total amount of the quarterly payment paid to the State.

The Quarterly Contribution Report shall be prepared by the chief financial officer of the Gaming Operation.

- (c) (1) At any time after the fourth quarter of each year, but in no event later than April 30 of the following calendar year, the Tribe shall provide to the State Gaming Agency an audited annual certification of its Net Win calculation from the operation of Gaming Devices. The audit shall be conducted in accordance with generally accepted auditing standards, as applied to audits for the gaming industry, by an independent certified public accountant who is not employed by the Tribe, the Tribal Gaming Agency, the Management Contractor, or the Gaming Operation, is only otherwise retained by any of these entities to conduct regulatory audits or independent audits of the Gaming

Operation, and has no financial interest in any of these entities. The auditor used by the Tribe for this purpose shall be approved by the State Gaming Agency, or other State Designated Agency, but the State shall not unreasonably withhold its consent.

- (2) If the audit shows that the Tribe made an overpayment from its Net Win to the State Gaming Agency during the year covered by the audit, the Tribe's next quarterly payment may be reduced by the amount of the overage. If the audit shows that the Tribe made an underpayment to the State Gaming Agency during the year covered by the audit, the Tribe's next quarterly payment shall be increased by the amount of the underpayment.
 - (3) The State Gaming Agency shall be authorized to confer with the auditor at the conclusion of the audit process and to review all of the independent certified public accountant's work papers and documentation relating to the audit. The Tribal Gaming Agency shall be notified of and provided the opportunity to participate in and attend any such conference or document review.
- (d) The State Gaming Agency may audit the calculations in subdivision (b) and Net Win calculations specified in the audit provided pursuant to subdivision (c). The State Gaming Agency shall have access to all records deemed necessary by the State Gaming Agency to verify the calculations in subdivision (b) and Net Win calculations, including access to the Gaming Device accounting systems and server-based systems and software, and to the data contained therein on a read-only basis. If the State Gaming Agency determines that the Net Win is understated or the deductions overstated, it will promptly notify the Tribe and provide a copy of the audit. The Tribe within twenty (20) days will either accept the difference or provide a reconciliation satisfactory to the State Gaming Agency. If the Tribe accepts the difference or does not provide a reconciliation satisfactory to the State Gaming Agency, the Tribe must immediately pay the amount of the resulting deficiency, plus accrued interest thereon at the rate of one percent (1 %) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less. If the Tribe does not accept the difference but does not provide a

reconciliation satisfactory to the State Gaming Agency, the Tribe, once payment is made, may commence dispute resolution under section 13.0. The parties expressly acknowledge that the certifications provided for in subdivision (b) are subject to section 8.4, subdivision (h).

- (e) Notwithstanding anything to the contrary in section 13.0, any failure of the Tribe to remit the payments referenced in subdivision (a) will entitle the State to immediately seek injunctive relief in federal or state court, at the State's election, to compel the payments, plus accrued interest thereon at the rate of one percent (1%) per month, or the maximum rate permitted by State law for delinquent payments owed to the State, whichever is less; and further, the Tribe expressly consents to be sued in either court and waives its right to assert sovereign immunity against the State in any such proceeding.
- (f) If any portion of the payments under subdivision (a) of this section is overdue after the State Gaming Agency has provided written notice to the Tribe of the overdue amount with an opportunity to cure of at least fifteen (15) business days, and if more than sixty (60) calendar days have passed from the due date, then the Tribe shall cease operating all of its Gaming Devices until full payment is made.

Sec. 4.8. Exclusivity.

The Tribe agrees to make the payments specified in sections 4.3 and 4.5. Although the parties recognize that Indian tribes in California have the exclusive right to operate Gaming Devices and banking or percentage card games, the parties have agreed that in the event the exclusive right of Indian tribes to operate Gaming Devices in California is abrogated by the enactment, amendment, or repeal of a state statute or constitutional provision, or the conclusive and dispositive judicial construction of a statute or the state Constitution by a California appellate court after the effective date of this Compact that Gaming Devices may lawfully be operated by another person, organization, or entity (other than an Indian tribe) within California, the Tribe shall have the right to exercise one (1) of the following options:

- (a) Terminate this Compact, in which case the Tribe will lose the right to operate Gaming Devices and other Class III Gaming authorized by this Compact; or

- (b) Continue under this Compact with an entitlement to end payments to the State other than to provide for: (i) compensation to the State for the costs of regulation, as set forth in section 4.3; (ii) reasonable payments to local governments impacted by tribal government gaming, the amount to be determined based upon any intergovernmental agreement entered into pursuant to section 11.7; (iii) grants for programs designed to address and treat gambling addiction; and (iv) such assessments as may be permissible at such time under federal law.

Each eligible Non-Gaming Tribe and Limited-Gaming Tribe in the State shall receive the sum of one million one hundred thousand dollars (\$1,100,000) per year from the Revenue Sharing Trust Fund. In the event there are insufficient monies in the Revenue Sharing Trust Fund to pay one million one hundred thousand dollars (\$1,100,000) per year to each eligible Non-Gaming Tribe and Limited-Gaming Tribe, any available monies in that fund shall be distributed to eligible Non-Gaming Tribes and Limited-Gaming Tribes in equal shares. Monies deposited into the Revenue Sharing Trust Fund in excess of the amount necessary to distribute one million one hundred thousand dollars (\$1,100,000) to each eligible Non-Gaming Tribe and Limited-Gaming Tribe shall remain in the Revenue Sharing Trust Fund available for disbursement in future years, or deposited in the Tribal Nation Grant Fund but shall not be used for purposes other than the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund. In no event shall the State's general fund be obligated to make up any shortfall in the Revenue Sharing Trust Fund or to pay any unpaid claims connected therewith, and, notwithstanding any provision of law, including any existing provision of law implementing the State Gaming Agency's

obligations related to the Revenue Sharing Trust Fund under any Class III Gaming compact, Non-Gaming Tribes and Limited-Gaming Tribes are not third-party beneficiaries of this Compact and shall have no right to seek any judicial order compelling disbursement of any Revenue Sharing Trust Fund monies to them.

(b) The fiscal operations of the Tribal Nation Grant Fund are

administered by the State Gaming Agency, which acts as a limited trustee, not subject to the duties and liabilities contained in the California Probate Code, similar state or federal statutes, rules or regulations, or under state or federal common law or equitable principles, and with no duties or obligations hereunder except for the receipt, deposit, and distribution of monies paid by gaming tribes for the benefit of Non-Gaming Tribes and Limited-Gaming Tribes, as those payments are directed by a State Designated Agency. The State Gaming Agency shall exercise no discretion or control over nor bear any responsibility arising from, the recipient tribes' use or disbursement of Tribal Nation Grant Fund monies. The State Designated Agency shall perform any necessary audits to ensure that monies awarded to any tribe are being used in accordance with their disbursement in relation to the purpose of the Tribal Nation Grant Fund, In no event shall the State's general fund be obligated to pay any monies into the Tribal Nation Grant Fund or to pay any unpaid claims connected therewith, and, notwithstanding any provision of law, including any existing provision of law implementing the State's obligations related to the Tribal Nation Grant Fund or the Revenue Sharing Trust Fund under any Class III Gaming compact, Non-Gaming Tribes and Limited-Gaming Tribes are not third-party beneficiaries of this Compact and shall have no right to seek any judicial order compelling disbursement of any Tribal Nation Grant Fund monies to them.

- (c) If any portion of the Tribe's payment(s) is overdue as required by subdivision (b), the Tribe shall pay to the State for purposes of deposit into the appropriate fund, the amount overdue plus interest accrued thereon at the rate of one percent (1%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less.
- (d) All payments made by the Tribe to the State Gaming Agency pursuant to section 4.5 shall be deposited into the Revenue Sharing Trust Fund and the Tribal Nation Grant Fund in a proportion to be determined by the Legislature, provided that if there are insufficient monies in the Revenue Sharing Trust Fund to pay one million one hundred thousand dollars (\$1,100,000) per year to each eligible Non-Gaming Tribe and Limited-Gaming Tribe, the State Gaming Agency shall deposit all payments into the Revenue Sharing Trust Fund.

Sec. 5.3. Mutually Beneficial Investments in the Local and Tribal Community.

- (a) Notwithstanding anything to the contrary in this Compact, the State agrees to provide the Tribe with an annual credit for up to sixty percent (60%) of the payments otherwise due under section 4.5 for the following: (i) The costs of services provided by the Tribe, or payments made to the County, Local Jurisdictions, or non-profit and civic organizations operating facilities or providing services within the County for purposes of improved fire, law enforcement, public transit,

If the State does not object to the items proposed within ninety (90) days, the State cannot later seek to disallow those credits except as provided below. During the year, the Tribe shall take such credits during the first three (3) quarters in prorated amounts based on the annual budget, but during the fourth quarter shall take an adjusted amount based on actual amounts spent. At the end of each year, the Tribe shall submit to the State a budget reconciliation, reflecting the actual amounts expended versus budget numbers. The State shall have the right to review the credits taken and, if necessary, request additional information from the Tribe. The State may only reduce or disallow such credits if those claimed credits do not fall within one of the categories under subdivisions (a)(iii), (a)(iv), (a)(v), (a)(vi), and (a)(vii) of this section 5.3. Soc, 6.4. Licensing Requirements and Procedures.

Sec. 6.4.1. Summary of Licensing Principles.

All persons in any way connected with the Gaming Operation or Gaming Facility who are required to be licensed or to submit to a background investigation under IGRA, and any others required to be licensed under this Compact, including, without limitation, all Gaming Employees, Gaming Resource Suppliers, Financial Sources, and any other person having a significant influence over the Gaming Operation, must be licensed by the Tribal Gaming Agency and cannot have had any determination of suitability denied or revoked by the State Gaming Agency. The parties intend that the licensing process provided for in this Compact shall involve joint cooperation between the Tribal Gaming Agency and the State Gaming Agency, as more particularly described herein.

Sec. 6.4.2. Gaming Facility.

- (a) The Gaming Facilities authorized by this Compact shall be licensed by the Tribal Gaming Agency in conformity with the requirements of this Compact, the Tribe's Gaming Ordinance, IGRA, and any applicable regulations adopted by the NIGC. The license shall be reviewed and renewed every two (2) years thereafter. Verification that this requirement has been met shall be provided by the Tribe to the State by sending, either electronically or by hard copy, a copy of the initial license and each renewal license to the State Gaming Agency within twenty (20) days after issuance of the license or renewal. The Tribal Gaming Agency's certification that a Gaming

Facility is being operated in conformity with these requirements shall be posted in a conspicuous and public place in the Gaming Facility at all times.

- (b) To assure the protection of the health and safety of all Gaming Facility patrons, guests, and employees, the Tribe shall adopt, or has already adopted, and shall maintain throughout the term of this Compact, an ordinance that requires any Gaming Facility construction to meet or exceed the construction standards set forth in the Applicable Codes. The Gaming Facility and construction, expansion, improvement, modification, or renovation will also comply with the federal Americans with Disabilities Act, P.L. 101-336, as amended, 42 U.S.C. § 12101 et seq. Notwithstanding the foregoing, the Tribe need not comply with any standard that specifically applies in name or in fact only to tribal facilities. Without limiting the rights of the State under this section, reference to Applicable Codes is not intended to confer jurisdiction upon the State or its political subdivisions. For purposes of this section, the terms "building official" and "code enforcement agency" as used in titles 19 and 24 of the California Code of Regulations mean the Tribal Gaming Agency or such other tribal government agency or official as may be designated by the Tribe's law.

- (c) To assure compliance with the Applicable Codes, in all cases where those codes would otherwise require a permit, the Tribe shall employ for any Gaming Facility construction qualified plan checkers or review firms. To be qualified as a plan checker or review firm for purposes of this Compact, plan checkers or review firms must be either California licensed architects or engineers with relevant experience, or California licensed architects or engineers on the list, if any, of approved plan checkers or review firms provided by the city or County in which the Gaming Facility is located. The Tribe shall also employ qualified project inspectors. To be qualified as a project inspector for purposes of this Compact, project inspectors must possess the same qualifications and certifications as project inspectors utilized by the County in which the Gaming Facility is located. The plan checkers, review firms, and project inspectors shall hereinafter be referred to as "Inspector(s)." The Tribe shall require the Inspectors to maintain contemporaneous records of all inspections and report in writing any failure to comply with the Applicable Codes to the Tribal

Gaming Agency and the State Gaming Agency and, if the failure is not remedied within thirty (30) days after giving notice of the lack of compliance, give notice to the State Gaming Agency. The Tribe agrees to correct any Gaming Facility condition noted in the inspections that does not meet the Applicable Codes (hereinafter "deficiency").

- (d) The Tribe shall cause the design and construction calculations, and plans and specifications that form the basis for the construction (the "Design and Building Plans") to be available to the State Gaming Agency for inspection and copying by the State Gaming Agency upon its request.
- (e) In the event that material changes to a structural detail of the Design and Building Plans will result from contract change orders or any other changes in the Design and Building Plans, such changes shall be reviewed and field-verified by the Inspectors for compliance with the Applicable Codes.
- (f) The Tribe shall maintain during construction all contract change orders for inspection and copying by the State Gaming Agency upon its request.
- (g) The Tribe shall maintain the Design and Building Plans depicting the as-built Gaming Facility, which shall be available to the State Gaming Agency for inspection and copying by the State Gaming Agency upon its request, for the term of this Compact.
- (h) Upon final certification by the Inspectors that the Gaming Facility meets the Applicable Codes, the Tribal Gaming Agency shall forward the Inspectors' certification to the State Gaming Agency within ten (10) days of issuance. If the State Gaming Agency objects to that certification, the Tribe shall make a good-faith effort to address the State's concerns, but if the State Gaming Agency does not withdraw its objection, the matter will be resolved in accordance with the dispute resolution provisions of section 13.0.
- (i) Any failure to remedy within a reasonable period of time any material and timely raised deficiency shall be deemed a violation of this Compact, and furthermore, any deficiency that poses a serious or

significant risk to the health or safety of any occupant shall be grounds for the State Gaming Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to a court order until the deficiency is corrected. The Tribe shall not allow occupancy of any portion of the Gaming Facility that is constructed or maintained in a manner that endangers the health or safety of the occupants.

- (j) The Tribe shall also take all necessary steps to reasonably ensure the ongoing availability of sufficient and qualified fire suppression services to the Gaming Facility, and to reasonably ensure that the Gaming Facility satisfies all substantive safety and construction requirements of titles 19 and 24 of the California Code of Regulations applicable to similar facilities in the County as set forth below:

- (I) Not less than thirty (30) days before the commencement of the Gaming Activities and not less than biennially thereafter, and upon at least ten (10) days' notice to the State Gaming Agency, the Gaming Facility shall be inspected, at the Tribe's expense, by an independent expert for purposes of certifying that the Gaming Facility meets a reasonable standard of fire safety and life safety.

- (2) The State Gaming Agency shall be entitled to designate and have a qualified representative or representatives, which may include local fire suppression entities, present during the inspection. During such inspection, the State's representative(s) shall specify to the independent expert any condition that the representative(s) reasonably believes would preclude certification of the Gaming Facility as meeting a reasonable standard of fire safety and life safety.

- (3) The independent expert shall issue to the Tribal Gaming Agency and the State Gaming Agency a report on the inspection within fifteen (15) days after its completion, or within thirty (30) days after commencement of the inspection, whichever first occurs, identifying any deficiency in fire safety or life safety at the Gaming Facility or in the ability of the Tribe to meet reasonably expected fire suppression needs of the Gaming Facility.

- (4) Within twenty-one (21) days after the issuance of the report, the independent expert shall also require and approve a specific plan for correcting deficiencies, whether in fire safety or life safety, at the Gaming Facility or in the Tribe's ability to meet the reasonably expected fire suppression needs of the Gaming Facility, including those identified by the State Gaming Agency's representatives. A copy of the report shall be delivered to the State Gaming Agency and the Tribal Gaming Agency.
 - (5) Immediately upon correction of all deficiencies identified in the report, the independent expert shall certify in writing to the Tribal Gaming Agency and the State Gaming Agency that all deficiencies have been corrected.
 - (6) Any failure to correct all deficiencies identified in the report within a reasonable period of time shall be a violation of this Compact, and any failure to promptly correct those deficiencies that pose a serious or significant risk to the health or safety of any occupants shall be a violation of this Compact and grounds for the State Gaming Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to court order until the deficiency is corrected.
 - (7) Consistent with its obligation to ensure the safety of those within the Gaming Facility, the Tribe shall promptly notify the State Gaming Agency of circumstances that pose a serious and significant risk to the health or safety of occupants and take prompt action to correct such circumstances. Any failure to remedy within a reasonable period of time any serious and significant risk to public safety shall be deemed a violation of this Compact, and furthermore, any circumstance that poses a serious or significant risk to the health or safety of any occupant shall be grounds for the State Gaming Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to a court order until the deficiency is corrected.
- (k) Notwithstanding anything in section 6.4 or elsewhere in this Compact, any construction of any Project that has taken place or has commenced prior to the effective date of this Compact shall be subject

to the facility license rules in section 6.4.2 of the 2006 Amendment, provided that the Project was previously approved under section 6.4.2 of that compact.

SECTION 6.4.3. Gaming Employees

(a) Every employee of the Gaming Facility shall obtain, and thereafter maintain current, a valid tribal gaming license, and except as provided in subdivision (b) shall obtain and thereafter maintain current a State Agency determination of suitability, which license and determination shall be subject to biennial renewal; provided that in accordance with section 6.4.9, those persons may be employed on a temporary or conditional basis pending completion of the licensing process and the State Gaming Agency determination of suitability.

(b) A Gaming Employee who is required to obtain and maintain current a valid tribal gaming license under subdivision (a) is not required to obtain or maintain a State Gaming Agency determination of suitability if any of the following applies:

(1) The employee is subject to the licensing requirement of subdivision (a) solely because he or she is a person who conducts, operates, maintains, repairs, or assists in Gaming Activities, provided that this exception shall not apply if he or she supervises Gaming Activities or persons who conduct, operate, maintain, repair, assist, account for or supervise any such gaming activity *and* is empowered to make discretionary decisions affecting the conduct of gaming activities

(2) The employee is subject to the licensing requirements of subdivision (a) because she or he is a person whose employment duties require or authorize

access to areas of the Gaming Facility that are not open to the public, provided that this exception shall not apply if he or she supervises Gaming Activities or persons who conduct, operate, maintain, repair, assist, account for or supervise any such Gaming Activity, *and* is empowered to make discretionary decisions affecting the conduct of the Gaming Activities.

- (3) The State Gaming Agency, in consultation with the Tribal Gaming Agency, exempts the Gaming Employee from the requirement to obtain or maintain current a State Gaming Agency determination of suitability.
- (c) Notwithstanding subdivision (b), where the State Gaming Agency determines it is reasonably necessary, the State Gaming Agency is authorized to review the tribal license application, and all materials and information received by the Tribal Gaming Agency in connection therewith, for any person whom the Tribal Gaming Agency has licensed, or proposes to license, as a Gaming Employee. If the State Gaming Agency determines that the person would be unsuitable for issuance of a license or permit for a similar level of employment in a gambling establishment subject to the jurisdiction of the State, it shall notify the Tribal Gaming Agency of its determination and the reasons supporting its determination. The Tribal Gaming Agency shall thereafter conduct a hearing, in accordance with section 6.55, to reconsider issuance of the tribal gaming license and shall immediately notify the State Gaming Agency of its determination after the hearing, which shall be final unless made the subject of dispute resolution pursuant to section 13.0 within thirty (30) days of such notification.
- (d) The Tribe shall not employ, or continue to employ, any person whose application to the State Gaming Agency for a determination of suitability or for a renewal of such a determination has been denied, or whose determination of suitability has expired without renewal.
- (e) (I) Notwithstanding subdivision (d), the Tribe may retain in its employ a person whose application for a determination of suitability, or for a renewal of such a determination, has been denied by the State Gaming Agency, if: (i) the person holds a valid and current license issued by the Tribal Gaming Agency that must be renewed at least biennially; (ii) the denial of the application by the State Gaming Agency is based solely on activities, conduct, or associations that antedate the filing of the person's initial application to the State Gaming Agency for a determination of suitability; (iii) the person is not an employee or agent of any oilier gaming operation; and (iv) the person has been in the continuous employ of the Tribe for at least three (3) years prior to the effective date of the 1999 Compact.

- (2) Notwithstanding subdivision (d), the Tribe may employ or retain in its employ a person whose application for a determination of suitability, or for a renewal of such a determination, has been denied by the State Gaming Agency, if the person is an enrolled member of the Tribe pursuant to the requirements of the Tribe's Constitution and laws, and if (A) the enrolled member holds a valid and current license issued by the Tribal Gaming Agency that must be renewed at least biennially; (B) the denial of the application by the State Gaming Agency is based solely on activities, conduct, or associations that occurred more than ten (10) years before the filing of the enrolled member's initial application to the State Gaming Agency for a determination of suitability; and (C) the enrolled member is not an employee or agent of any other gaming operation.
- (f) At any time after five (5) years following the effective date of this Compact, either party to this Compact may request renegotiation of the scope of coverage of subdivision (b) or (c).
- (g) This section shall not apply to members of the Tribal Gaming Agency.

Sec. 6.4.4. Gaming Resource Suppliers.

- (a) Every Gaming Resource Supplier shall be licensed by the Tribal Gaming Agency prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility. Unless the Tribal Gaming Agency licenses the Gaming Resource Supplier pursuant to subdivision (d), or the Tribal Gaming Agency and the State Gaming Agency agree in writing that a suitability determination is not required, the Gaming Resource Supplier shall also apply to, and the Tribe shall require it to apply to, the State Gaming Agency for a determination of suitability at least thirty (30) days prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility, except that for Gaming Devices the period specified under section 7.1, subdivision (a)(1), shall govern. The period during which a determination of suitability as a Gaming

Resource Supplier is valid expires on the earlier of (i) the date two (2) years following the date on which the determination is issued, unless a different expiration date is specified by the State Gaming Agency, or (ii) the date of its revocation by the State Gaming Agency. If the State Gaming Agency denies or revokes a determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the license and shall not reissue any license to that Gaming Resource Supplier unless and until the State Gaming Agency makes a determination that the Gaming Resource Supplier is suitable. The license and determination of suitability shall be reviewed at least every two (2) years for continuing compliance. For purposes of section 6.5.2, such a review shall be deemed to constitute an application for renewal. In connection with such a review, the Tribal Gaming Agency shall require the Gaming Resource Supplier to update all information provided in the previous application.

- (b) Any agreement between the Tribe and a Gaming Resource Supplier shall include a provision for its termination without further liability on the part of the Tribe, except for the bona fide payment of all outstanding sums (exclusive of interest) owed as of, or payment for services or materials received up to, the date of termination, upon revocation or non-renewal of the Gaming Resource Supplier's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. Except as set forth above, the Tribe shall not enter into, or continue to make payments to a Gaming Resource Supplier pursuant to, any contract or agreement for the provision of Gaming Resources with any person or entity whose application to the State Gaming Agency for a determination of suitability has been denied or revoked or whose determination of suitability has expired without renewal.
- (c) Notwithstanding subdivision (a), the Tribal Gaming Agency may license a Management Contractor for a period of no more than seven (7) years, but the Management Contractor must still apply for renewal of a determination of suitability by the State Gaming Agency at least every two (2) years, and where the State Gaming Agency denies or revokes a determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the license and shall not reissue any license to that Management Contractor unless and until the State Gaming Agency makes a determination that the Management

Contractor is suitable. Except where the State Gaming Agency has denied or revoked its determination of suitability, nothing in this subdivision shall be construed to bar the Tribal Gaming Agency from issuing additional new licenses to the same Management Contractor following the expiration of a seven (7)-year license.

- (d) The Tribal Gaming Agency may elect to license a person or entity as a Gaming Resource Supplier without requiring it to apply to the State Gaming Agency for a determination of suitability under subdivision (a) if the Gaming Resource Supplier has already been issued a determination of suitability that is then valid. In that case, the Tribal Gaming Agency shall immediately notify the State Gaming Agency of its licensure of the person or entity as a Gaming Resource Supplier, and shall identify in its notification the State Gaming Agency determination of suitability on which the Tribal Gaming Agency has relied in proceeding under this subdivision (d). Subject to the Tribal Gaming Agency's compliance with the requirements of this subdivision, a Gaming Resource Supplier licensed under this subdivision may, during and only during the period in which the determination of suitability remains valid, engage in the sale, lease, or distribution of Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility, without applying to the State Gaming Agency for a determination of suitability. The issuance of a license under this subdivision is in all cases subject to any later determination by the State Gaming Agency that the Gaming Resource Supplier is not suitable or to a tribal gaming license suspension or revocation pursuant to section 6.5.1, and does not extend the time during which the determination of suitability relied on by the Tribal Gaming Agency is valid. A license issued under this subdivision expires upon the revocation or expiration of the determination of suitability relied on by the Tribal Gaming Agency. Nothing in this subdivision affects the obligations of the Tribal Gaming Agency, or of the Gaming Resource Supplier, under section 6.5.2 and section 6.5.6 of this Compact.

- (e) Except where subdivision (d) applies, within twenty-one (21) days of the issuance of a license to a Gaming Resource Supplier, the Tribal Gaming Agency shall transmit to the State Gaming Agency a copy of the license. All tribal license application materials and information received by it from the Applicant must be made available to the State

Gaming Agency upon request, which is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation.

Sec. 6.4.5. Financial Sources.

- (a) Every Financial Source shall be licensed by the Tribal Gaming Agency prior to extending any financing in connection with the Tribe's Gaming Operation or Facility. Except as provided in subdivision (e) (4) or section 6.5.6, subdivision (h), every Financial Source shall also apply to, and the Tribe shall require it to apply to, the State Gaming Agency for a determination of suitability pursuant to the following timetable: (i) at least ninety (90) days prior to extending any financing in connection with the Tribe's Gaming Operation or Facility, provided that any Financial Source that applies for such a determination within ten (10) days of the effective date of this Compact *is* not in violation of this section; and (ii) in the event of a purchase or acceptance of an assignment or participation interest in any financing in connection with the Tribe's Gaming Operation or Facility, at least five (5) days prior to the Financial Source's purchase or acceptance of the assignment or participation interest. Where the State Gaming Agency denies the determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the license. In each instance where licensure or an application for a determination of suitability is required as set forth above, the license and determination of suitability shall be reviewed at least every two (2) years for continuing compliance. For purposes of section 6.5.2, such a review shall be deemed to constitute an application for renewal. In connection with such a review, the Tribal Gaming Agency shall require the Financial Source to update all information provided in the previous application.
- (b) Any agreement between the Tribe and a Financial Source shall include a provision for its termination without further liability on the part of the Tribe, except for the payment of all bona fide obligations which remain unpaid as of the date of termination, upon revocation or non-renewal of the Financial Source's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. Except as provided above, the Tribe shall not enter into, or continue to make payments to a Financial Source pursuant to, any contract or agreement for the provision of financing with any person

whose application to the State Gaming Agency for a determination of suitability has been denied or revoked or whose determination of suitability has expired without renewal.

- (c) A Gaming Resource Supplier who provides financing exclusively in connection with the provision, sale, or lease of Gaming Resources obtained from that Gaming Resource Supplier may be licensed solely in accordance with the licensing procedures applicable, if at all, to Gaming Resource Suppliers, and need not be separately licensed as a Financial Source under this section.
- (d) Within twenty-one (21) days of the issuance of a license to a Financial Source, the Tribal Gaming Agency shall transmit to the State Gaming Agency a copy of the license and a copy of all tribal license application materials and information received by it from the Applicant which is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation.
- (e) (I) The Tribal Gaming Agency may, at its discretion, exclude from the licensing requirements of this section the following Financial Sources under the circumstances stated:
 - (A) Any federally-regulated or state-regulated bank, savings and loan association, or other federally- or state-regulated lender and any fund or other investment vehicle which is administered or managed by any such entity.
 - (B) Any entity described in the Commission's Uniform Tribal Gaming Regulation CGCC-2, subdivision (f) (as in effect on the date the parties execute this Compact), when that entity is a Financial Source solely by reason of being (i) a purchaser or a holder of debt securities or other forms of indebtedness issued directly or indirectly by the Tribe for a Gaming Facility or for the Gaming Operation or (ii) the owner of a participation interest in any amount of indebtedness for which a Financial Source described in subdivision (e)(I)(A), or any fund or other investment vehicle which is administered or managed by any such Financial Source, is the creditor.

- (C) Any investor who, alone or together with any person(s) controlling, controlled by or under common control with such investor, holds less than ten percent (10%) of all outstanding debt securities issued directly or indirectly by the Tribe for a Gaming Facility or for the Gaming Operation.
 - (D) Any agency of the federal, state or local government providing financing, together with any person purchasing any debt securities or other forms of indebtedness of the agency to provide such financing.
- (2) Except as provided in subdivision (e)(4), the Tribal Gaming Agency's exclusion of any Financial Source from the licensing requirements of this section does not relieve the Financial Source from the requirement of applying to the State Gaming Agency for a determination of suitability pursuant to subdivision (a).
 - (3) In any case where the Tribal Gaming Agency elects to exclude a Financial Source from the licensing requirements of this section, the Tribal Gaming Agency shall give immediate notice thereof to the State Gaming Agency, shall give reasonable advance notice of any extension of financing by the Financial Source in connection with the Tribe's Gaming Operation or Facility, and upon request of the State Gaming Agency, shall provide it with all documentation supporting the Tribal Gaming Agency's exclusion of the Financial Source from the licensing requirements of this section.
 - (4) (A) Where the Tribal Gaming Agency elects to exclude a Financial Source from the licensing requirements of this section, that Financial Source need not apply to the State Gaming Agency for a determination of suitability if:
 - (i) It is a Financial Source specified in subdivision (e)(1)(A), or
 - (ii) It is a Financial Source specified in paragraph (2) or (3) of subdivision (f) of the Commission's

Uniform Tribal Gaming Regulation CGCC-2, which falls within the description of subdivision (e)(1)(B), and the Commission has by resolution found that the interest of the State does not require an application for a determination of suitability to be made by such Financial Source prior to the extension of financing covered by subdivision (e)(1)(B).

(B) Notwithstanding subdivision (e)(4)(A), the State Gaming

Agency continues to have the right to find the Financial Source unsuitable, and if the State Gaming Agency finds that an investigation of any Financial Source is warranted, the Financial Source shall be required to submit an application for a determination of suitability to the State Gaming Agency and shall pay the costs and charges incurred in the investigation and processing of the application, in accordance with the provisions set forth in California Business and Professions Code sections 19867 and 19951.

(5) In the event that any Financial Source excluded from the licensing requirements of this section is found unsuitable by the State Gaming Agency, the Tribe must not enter into, or continue to make payments (except for payment of all bona fide obligations which remain unpaid as of the date of the finding of unsuitability) to the Financial Source pursuant to, any contract or agreement for the provision of financing.

(6) The following are not Financial Sources for purposes of this section.

(A) An entity identified by the Commission's Uniform Tribal Gaming Regulation CGCC-2, subdivision (h) (as in effect on the date the parties execute this Compact).

(B) A person or entity whose sole connection with a provision or extension of financing to the Tribe is to provide loan brokerage or debt servicing for a Financial Source at no cost to the Tribe or the Gaming Operation,

provided that no portion of any financing provided is an extension or credit to the Tribe or the Gaming Operation by that person or entity.

- (C) A person or entity that the State Gaming Agency has determined does not require licensure pursuant to any process the State Gaming Agency deems necessary due to the nature of financing services provided, the existence of current and effective federal or state agency oversight or licensure, attenuated interests of the person or entity as passive investors without the ability to exert significant influence over the Gaming Operation, or other grounds which the State Gaming Agency determines appropriate, subject to its responsibilities under state law that alleviate the need for licensure.
- (f) In recognition of changing financial circumstances, this section shall be subject to good faith renegotiation by both parties in or after five (5) years from the effective date of this Compact upon the request of either party; provided such renegotiation shall not retroactively affect transactions that have already taken place where the Financial Source has been excluded or exempted from licensing requirements.

Sec. 6,4.6. Processing Tribal Gaming License Applications.

- (a) Each Applicant for a tribal gaming license shall submit the completed application along with the required information and an application fee, if required, to the Tribal Gaming Agency in accordance with the rules and regulations of that agency.
- (b) At a minimum, the Tribal Gaming Agency shall require submission and consideration of all information required under IGRA, including part 556.4 of title 25 of the Code of Federal Regulations, for licensing primary management officials and key employees.
- (c) For Applicants that are business entities, these licensing provisions shall apply to the entity as well as: (i) each of its officers, limited liability members and directors; (ii) each of its principal management employees, including any chief executive officer, chief financial officer, chief operating officer, and general manager; (iii) each of its

owners or partners, if an unincorporated business; (iv) each of its shareholders who owns more than ten percent (10%) of the shares of the corporation, if a corporation, or who has a direct controlling interest in the Applicant; and (v) each person or entity (other than a Financial Source that the Tribal Gaming Agency has determined does not require a license under section 6.4.5) that, alone or in combination with others, has provided financing in connection with any Gaming Operation or Class III Gaming authorized under this Compact, if that person or entity provided more than ten percent (10%) of either the start-up capital or the operating capital, or of a combination thereof, over a twelve (12)-month period. For purposes of this subdivision, where there is any commonality of the characteristics identified in this section 6.4.6, subdivisions (c)(i) through (c)(v), inclusive, between any two (2) or more entities, those entities may be deemed to be a single entity. For purposes of this subdivision, a direct controlling interest in the Applicant referred to in subdivision (c)(iv) excludes any passive investor or anyone who has an indirect or only a financial interest and does not have the ability to control, manage, or direct the management decisions of the Applicant.

- (d) Nothing herein precludes the Tribe or Tribal Gaming Agency from requiring more stringent licensing requirements.

Sec. 6.4.7. Suitability Standard Regarding Gaming Licenses.

- (a) In reviewing an application for a tribal gaming license, and in addition to any standards set forth in the Tribe's Gaming Ordinance, the Tribal Gaming Agency shall consider whether issuance of the license is inimical to public health, safety, or welfare, and whether issuance of the license will undermine public trust that the Tribe's Gaming Operation is free from criminal and dishonest elements and would be conducted honestly.
- (b) A license may not be issued unless, based on all information and documents submitted, the Tribal Gaming Agency is satisfied that the Applicant, and in the case of an entity, each individual identified in section 6.4.6, meets all the following requirements:
 - (1) The person is of good character, honesty, and integrity.

- (2) The person's prior activities, criminal record (if any), reputation, habits, and associations do not pose a threat to the public interest or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the conduct of gaming, or in the carrying on of business and financial arrangements incidental thereto.
- (3) The person is in all other respects qualified to be licensed as provided, and meets the criteria established in this Compact, IGRA, NIGC regulations, the Tribe's Gaming Ordinance, and any other criteria adopted by the Tribal Gaming Agency or the Tribe; provided, however, an Applicant shall not be found to be unsuitable solely on the ground that the Applicant was an employee of a tribal gaming operation in California that was conducted prior to May 16, 2000.

Sec. 6.4.8. Background Investigations of Applicants.

- (a) The Tribal Gaming Agency shall conduct or cause to be conducted all necessary background investigations reasonably required to determine that the Applicant is qualified for a gaming license under the standards set forth in section 6.4.7, and to fulfill all applicable requirements for licensing under IGRA, NIGC regulations, the Tribe's Gaming Ordinance, and this Compact. The Tribal Gaming Agency shall not issue a gaming license, other than a temporary license pursuant to section 6.4.9, until a determination is made that those qualifications have been met.
- (b) In lieu of completing its own background investigation, and to the extent that doing so does not conflict with or violate IGRA or the Tribe's Gaming Ordinance, the Tribal Gaming Agency may contract with the State Gaming Agency for the conduct of background investigations, may rely on a State determination of suitability previously issued under a Class III Gaming compact involving another tribe and the State, or may rely on a State Gaming Agency license previously issued to the Applicant, to fulfill some or all of the Tribal Gaming Agency's background investigation obligations.

- (c) If the Tribal Gaming Agency contracts with the State Gaming Agency for the conduct of background investigations, then an Applicant for a tribal gaming license shall be required to provide releases to the State Gaming Agency to make available to the Tribal Gaming Agency background information regarding the Applicant. The State Gaming Agency shall cooperate in furnishing to the Tribal Gaming Agency that information, unless doing so would violate state or federal law, would violate any agreement the State Gaming Agency has with a source of the information other than the Applicant, or would impair or impede a criminal investigation, or unless the Tribal Gaming Agency cannot provide sufficient safeguards to assure the State Gaming Agency that the information will remain confidential.
- (d) In lieu of obtaining summary criminal history information from the NIGC, the Tribal Gaming Agency may, pursuant to the provisions in subdivisions (d) through (i), obtain such information from the California Department of Justice. If the Tribe adopts an ordinance confirming that article 6 (commencing with section 11140) of chapter I of title I of part 4 of the California Penal Code is applicable to members, investigators, and staff of the Tribal Gaming Agency, and those members, investigators, and staff thereafter comply with that ordinance, then, for purposes of carrying out its obligations under this section, the Tribal Gaming Agency shall be eligible to be considered an entity entitled to request and receive state summary criminal history information, within the meaning of subdivision (b)(13) of section 11105 of the California Penal Code.
- (e) The information received shall be used by the requesting agency solely for the purpose for which it was requested and shall not be reproduced for secondary dissemination to any other employment or licensing agency. The unauthorized access and misuse of criminal offender record information may affect an individual's civil rights. Additionally, any person intentionally disclosing information obtained from personal or confidential records maintained by a state agency or from records within a system of records maintained by a government agency may be subject to prosecution.
- (f) The Tribal Gaming Agency shall submit to the California Department of Justice fingerprint images and related information required by the California Department of Justice of all Gaming Employees, as defined

by section 2.11, for the purposes of obtaining information as to the existence and content of a record of state or federal convictions and state or federal arrests and also information as to the existence and content of a record of state or federal arrests for which the Department of Justice establishes that the person is free on bail or on his or her own recognizance pending trial or appeal.

- (g) When received, the California Department of Justice shall forward to the Federal Bureau of Investigation requests for federal summary criminal history information received pursuant to this section. The California Department of Justice shall review the information returned from the Federal Bureau of Investigation and compile and disseminate a response to the Tribal Gaming Agency.
- (h) The California Department of Justice shall provide a state or federal level response to the Tribal Gaming Agency pursuant to Penal Code section 11105, subdivision (p)(1),
- (i) The Tribal Gaming Agency shall request from the California Department of Justice subsequent notification service, as provided pursuant to section 11105.2 of the Penal Code, for persons described in subdivision (f) above.

Sec. 6.4.9. Temporary Licensing of Gaming Employees.

- (a) If the Applicant has completed a license application in a manner satisfactory to the Tribal Gaming Agency, and that agency has conducted a preliminary background investigation, and the investigation or other information held by that agency does not indicate that the Applicant has a criminal history or other information in his or her background that would either automatically disqualify the Applicant from obtaining a tribal gaming license or cause a reasonable person to investigate further before issuing a license, or that the Applicant is otherwise unsuitable for licensing, the Tribal Gaming Agency may issue a temporary tribal gaming license and may impose such specific conditions thereon pending completion of the Applicant's background investigation, as the Tribal Gaming Agency in its sole discretion shall determine.

- (b) Special fees may be required by the Tribal Gaming Agency to issue or maintain a temporary tribal gaming license.
- (c) A temporary tribal gaming license shall remain in effect until suspended or revoked, or a final determination is made on the application, or for a period of up to one (1) year, whichever comes first.
- (d) At any time after issuance of a temporary tribal gaming license, the Tribal Gaming Agency shall or may, as the case may be, suspend or revoke it in accordance with the provisions of sections 6.5.1 or 6.5.5, and the State Gaming Agency may request suspension or revocation before making a determination of unsuitability.
- (e) Nothing herein shall be construed to relieve the Tribe of any obligation under part 558 of title 25 of the Code of Federal Regulations.

Sec. 6.5.0. Tribal Gaming License Issuance.

Upon completion of the necessary background investigation, the Tribal Gaming Agency may issue a tribal gaming license on a conditional or unconditional basis. Nothing herein shall create a property or other right of an Applicant in an opportunity to be licensed, or in a tribal gaming license itself, both of which shall be considered to be privileges granted to the Applicant in the sole discretion of the Tribal Gaming Agency.

Sec. 6.5.1. Denial, Suspension, or Revocation of Licenses.

- (a) Any Applicant's application for a tribal gaming license may be denied, and any license issued may be revoked, if the Tribal Gaming Agency determines that the application is incomplete or deficient, or if the Applicant is determined to be unsuitable or otherwise unqualified for a tribal gaming license.
- (b) Pending consideration of revocation, the Tribal Gaming Agency may suspend a tribal gaming license in accordance with section 6.5.5.
- (c) All rights to notice and hearing shall be governed by tribal law and comport with federal procedural due process by, at a minimum,

providing the employee with notice reasonably calculated to apprise the employee of the pendency of the determination, access to the materials upon which the charge is based, and an opportunity to be heard. The Applicant shall be notified in writing of the hearing and given notice of any intent to suspend or revoke the tribal gaming license.

- (d) Notwithstanding anything to the contrary herein, upon receipt of notice that the State Gaming Agency has determined that a person would be unsuitable for licensure in a gambling establishment subject to the jurisdiction of the State Gaming Agency, the Tribal Gaming Agency shall deny that person a tribal gaming license and promptly, and in no event more than thirty (30) days from the State Gaming Agency notification, revoke any tribal gaming license that has theretofore been issued to that person; provided that the Tribal Gaming Agency may, in its discretion, reissue a tribal gaming license to the person following entry of a final judgment reversing the determination of the State Gaming Agency in a proceeding in state court between the Applicant and the State Gaming Agency conducted pursuant to section 1085 of the California Code of Civil Procedure.

Sec. 6.5.2. Renewal of Licenses; Extensions; Further Investigation.

- (a) Except as provided in section 6.4.4, subdivision (c), the term of a tribal gaming license shall not exceed two (2) years, and application for renewal of a license must be made prior to its expiration. Applicants for renewal of a license shall provide updated material, as requested, on the appropriate renewal forms, but, at the discretion of the Tribal Gaming Agency, may not be required to resubmit historical data previously submitted or which is otherwise available to the Tribal Gaming Agency. At the discretion of the Tribal Gaming Agency, an additional background investigation may be required at any time if the Tribal Gaming Agency determines the need for further information concerning the Applicant's continuing suitability or eligibility for a license.
- (b) Prior to renewing a license, the Tribal Gaming Agency shall deliver to the State Gaming Agency copies of all information and documents received in connection with the application for renewal of the tribal gaming license, which is not otherwise prohibited or restricted from

disclosure under applicable federal law or regulation, for purposes of the State Gaming Agency's consideration of renewal of its determination of suitability.

- (c) At the discretion of the State Gaming Agency, an additional background investigation may be required if the State Gaming Agency determines the need for further information concerning the Applicant's continuing suitability for a license.

Sec. 6.5.3. Identification Cards.

- (a) The Tribal Gaming Agency shall require that all persons who are required to be licensed wear, in plain view at chest height at all times while in the Gaming Facility, identification badges issued by the Tribal Gaming Agency. The Tribal Gaming Agency may allow temporary exceptions to this provision for the purposes of authorizing investigators who are actively investigating a matter within the Gaming Facility to monitor Gaming Activities.
- (b) Identification badges must display information, including, but not limited to, a photograph and the person's name, which is adequate to enable members of the public and agents of the Tribal Gaming Agency to readily identify the person and determine the validity and date of expiration of his or her license.
- (c) Upon request, the Tribe shall provide the State Gaming Agency with the name, badge identification number (if any), and job title of all Gaming Employees.

Sec. 6.5.4. Fees for Tribal Gaming License.

The fees for all tribal gaming licenses shall be set by the Tribal Gaming Agency.

Sec. 6.5.5. Suspension of Tribal Gaming License.

The Tribal Gaming Agency shall summarily suspend the tribal gaming license of any employee if the Tribal Gaming Agency determines that the continued licensing of the person could constitute a threat to the public health or safety or may summarily suspend the license of any employee if the Tribal Gaming

Agency determines that the continued licensing of the person may violate the Tribal Gaming Agency's licensing or other standards. Any right to notice or hearing in regard thereto shall be governed by tribal law and comport with federal procedural due process.

Sec. 6.5.6, State Determination of Suitability Process.

- (a) With respect to Gaming Employees, upon receipt of an Applicant's completed license application and a determination to issue either a temporary or regular license, the Tribal Gaming Agency shall transmit within twenty-one (21) days to the State Gaming Agency for a determination of suitability for licensure under the California Gambling Control Act a notice of intent to license the Applicant, together with all of the following:
 - (1) A copy of all tribal license application materials and information received by the Tribal Gaming Agency from the Applicant which is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation.
 - (2) A complete set of fingerprint impressions, rolled by a certified fingerprint roller, transmitted electronically.
 - (3) A current photograph.
 - (4) Except to the extent waived by the State Gaming Agency, such releases of information, waivers, and other completed and executed forms as have been obtained by the Tribal Gaming Agency.
- (b) Upon receipt of a written request from a Gaming Resource Supplier or a Financial Source for a determination of suitability, the State Gaming Agency shall transmit an application package to the Applicant to be completed and returned to the State Gaming Agency for purposes of allowing it to make a determination of suitability for licensure.
- (c) Investigation and disposition of applications for a determination of suitability shall be governed entirely by State law, and the State Gaming Agency shall determine whether the Applicant would be found suitable for licensure in a gambling establishment subject to the

State Gaming Agency's jurisdiction. Additional information may be required by the State Gaming Agency to assist it in its background investigation, to the extent permitted under State law for licensure in a gambling establishment subject to the State Gaming Agency's jurisdiction.

- (d) The Tribal Gaming Agency shall require a licensee to apply for renewal of a determination of suitability by the State Gaming Agency at such time as the licensee applies for renewal of a tribal gaming license.
- (e) Upon receipt of completed license or license renewal application information from the Tribal Gaming Agency, the State Gaming Agency may conduct a background investigation pursuant to state law to determine whether the Applicant is suitable to be licensed for association with Class III Gaming operations. While the Tribal Gaming Agency shall ordinarily be the primary source of application information, the State Gaming Agency is authorized to directly seek application information from the Applicant. The Tribal Gaming Agency shall provide to the State Gaming Agency reports of the background investigations conducted by the Tribal Gaming Agency and the NIGC and related applications, if any, for Gaming Employees, Gaming Resource Suppliers, and Financial Sources. If further investigation is required to supplement the investigation conducted by the Tribal Gaming Agency, the Applicant will be required to pay the application fee charged by the State Gaming Agency pursuant to California Business and Professions Code section 19951, subdivision (a), but any deposit requested by the State Gaming Agency pursuant to section 19867 of that Code shall take into account reports of the background investigation already conducted by the Tribal Gaming Agency and the NIGC, if any. Failure to provide information reasonably required by the State Gaming Agency to complete its investigation under State law or failure to pay the application fee or deposit can constitute grounds for denial of the application by the State Gaming Agency. The State Gaming Agency and Tribal Gaming Agency shall cooperate in sharing as much background information as possible, both to maximize investigative efficiency and thoroughness, and to minimize investigative costs.

- (f) Upon completion of the necessary background investigation or other verification of suitability, the State Gaming Agency shall issue a notice to the Tribal Gaming Agency certifying that the State has determined that the Applicant is suitable, or that the Applicant is unsuitable, for licensure in a Gaming Operation and, if unsuitable, stating the reasons therefore. Issuance of a determination of suitability does not preclude the State Gaming Agency from a subsequent determination based on newly discovered information that a person or entity is unsuitable for the purpose for which the person or entity is licensed. Upon receipt of notice that the State Gaming Agency has determined that a person or entity is or would be unsuitable for licensure, the Tribal Gaming Agency shall deny that person or entity a license and promptly, and in no event more than thirty (30) days from the issuance of the State Gaming Agency notification, revoke any tribal gaming license that has theretofore been issued to that person or entity; provided that the Tribal Gaming Agency may, in its discretion, reissue a tribal gaming license to the person or entity following entry of a final judgment reversing the determination of the State Gaming Agency in a proceeding in state court between the Applicant and the State Gaming Agency conducted pursuant to section 1085 of the California Code of Civil Procedure.
- (g) Prior to denying an application for a determination of suitability, or to issuing notice to the Tribal Gaming Agency that a person or entity previously determined to be suitable had been determined unsuitable for licensure, the State Gaming Agency shall notify the Tribal Gaming Agency and afford the Tribe an opportunity to be heard. If the State Gaming Agency denies an application for a determination of suitability, or issues notice that a person or entity previously determined suitable has been determined unsuitable for licensure, the State Gaming Agency shall provide that person or entity with written notice of all appeal rights available under state law.
- (h) The Commission, or its successor, shall maintain a roster of Gaming Resource Suppliers and Financial Sources that it has determined to be suitable pursuant to the provisions of this section, or through separate procedures to be adopted by the Commission. Upon application to the Tribal Gaming Agency for a tribal gaming license, a Gaming Resource Supplier or Financial Source that appears on the Commission's suitability roster may be licensed by the Tribal Gaming

Agency in the same manner as a Gaming Resource Supplier under subdivision (d) of section 6.4.4, subject to any later determination by the State Gaming Agency that the Gaming Resource Supplier or Financial Source is not suitable or to a tribal gaming license suspension or revocation pursuant to section 6.5.1; provided that nothing in this subdivision exempts the Gaming Resource Supplier or Financial Source from applying for a renewal of a State determination of suitability.

Sec. 6.6. Submission of New Application.

Nothing in section 6.0 shall be construed to preclude an Applicant who has been determined to be unsuitable for licensure by the State Gaming Agency, or the Tribe on behalf of such Applicant, from submitting a new application for a determination of suitability by the State Gaming Agency in accordance with section 6.0, provided that the new application cannot be filed sooner than one (1) year from when the State Gaming Agency's finding of unsuitability has become final under state law.

If, at any time, the Gaming Test Laboratory license and/or approval required by (ii) herein is suspended or revoked by any of those states or the Gaming Test Laboratory is found unsuitable by the State Gaming Agency, then the State Gaming Agency may reject the use of such Gaming Test Laboratory, and upon such rejection, the Tribal Gaming Agency shall ensure that such Gaming Test Laboratory discontinues its responsibilities under this section.

The random inspections conducted pursuant to this subdivision shall occur during normal business hours outside of weekends and holidays and shall not remove from play more than five percent (5%) of the Gaming Devices then in operation at the Gaming Facility, provided that the five percent (5%) limitation on removal of Gaming Devices shall not apply where a Gaming Device, including but not limited to a progressive controller, makes limiting removal from play to no more than five percent (5%) infeasible or impossible. Whenever practicable, the State Gaming Agency shall not require removal from play any Gaming Device that the State Gaming Agency determines may be fully and adequately tested while still in play.

- (b) The State Gaming Agency shall provide notice to the Tribal Gaming Agency of such inspection at or prior to the commencement of the random inspection, and the Tribal Gaming Agency may accompany the State Gaming Agency inspector(s).

Sec. 9.4. State Civil and Criminal Jurisdiction.

Nothing in this Compact impairs the civil or criminal jurisdiction of the State, local law enforcement agencies and state courts under Public Law 280 (18 U.S.C. § 1162; 28 U.S.C. § 1360) or IGRA. Except as provided below, all State and local law enforcement agencies and state courts shall exercise jurisdiction to enforce the State's criminal laws on the Tribe's Indian lands, including the Gaming Facility and all related structures, in the same manner and to the same extent, and subject to the same restraints and limitations, imposed by the laws of the State and the United States, as is exercised by State and local law enforcement agencies and state courts elsewhere in the State. The Tribe hereby consents to such criminal jurisdiction. However, no Gaming Activity conducted by the Tribe pursuant to this Compact may be deemed to be a civil or criminal violation of any law of the State. Except for such Gaming Activity conducted pursuant to this Compact, criminal jurisdiction to enforce State gambling laws on the Tribe's Indian lands, and to adjudicate alleged violations thereof, is hereby transferred to the State pursuant to 18 U.S.C. § 1166(d).

Sec. 9.5. Tribal Gaming Agency Members.

- (a) The Tribe shall take all reasonable steps to ensure that members of the Tribal Gaming Agency are free from corruption, undue influence, compromise, and conflicting interests in the conduct of their duties under this Compact; shall adopt a conflict-of-interest code to that end and shall ensure its enforcement; and shall ensure the prompt removal of any member of the Tribal Gaming Agency who is found to have acted in a corrupt or compromised manner or to have a conflict of interest.
- (b) The Tribe shall conduct a background investigation on each prospective member of the Tribal Gaming Agency, who shall meet the background requirements of a management contractor under IGRA; provided that if such member is elected through a tribal election process, that member may not participate in any Tribal Gaming Agency matters under this Compact unless a background investigation has been concluded and the member has been found to be suitable. If requested by the Tribe or the Tribal Gaming Agency, the State Gaming Agency may assist in the conduct of such a background

investigation and may assist in the investigation of any possible corruption or compromise of a member of the Tribal Gaming Agency.

- (c) In the event that the Tribe requests the assistance of the State Gaming Agency pursuant to subdivision (b) of this section and the State Gaming Agency determines that a member of the Tribal Gaming Agency is unsuitable, the State Gaming Agency shall serve upon the Tribe a written notice of its finding of unsuitability and request the removal of the member. Upon receipt of notice that the State Gaming Agency has determined the member to be unsuitable, the Tribe shall either immediately remove that member from the Tribal Gaming Agency or demand an expedited arbitration pursuant to section 13.2.
- (d) If the Tribe demands an expedited arbitration of the State Gaming Agency's determination of unsuitability, the arbitrator shall make a *de novo* determination as to whether the State Gaming Agency's determination of unsuitability is justified using the following bases for such determination.
 - (1) To be found suitable, the member must be all of the following:
 - (A) A person of good character, honesty, and integrity.
 - (B) A person whose prior activities, criminal record, if any, reputation, habits, and associations do not pose a threat to the public interest of the State, or to the effective regulation and control of controlled gambling, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, and activities in the conduct of controlled gambling or in the carrying on of the business and financial arrangements incidental thereto.
 - (C) A person that is in all other respects qualified to be licensed as provided in section 6.4.7 of this Compact.
 - (2) A member is deemed unsuitable if any of the following apply:
 - (A) The person, any partner, or any officer, director, or shareholder of any corporation in which the person has a controlling interest, has any financial interest in any

business or organization that is engaged in any form of gambling prohibited by section 330 of the California Penal Code, whether within or without the State of California, unless such gambling is lawful within the jurisdiction in which it is being conducted.

- (B) The person fails to clearly establish eligibility and qualification in accordance with section 6.4.7 of this Compact
- (C) The person fails to provide information, documentation, and assurances required by sections 6.4.7, 6.4.8, subdivision (c), or 6.5.6 of this Compact or requested by the Tribal Gaming Agency, or fails to reveal any fact material to qualification, or supplies information that is untrue or misleading as to a material fact pertaining to the qualification criteria.
- (D) The person has been convicted of a felony in any state or federal court, including a conviction by a federal court or by a court in another state for a crime that would constitute a felony if committed in California.
- (E) The person has been convicted of any misdemeanor involving dishonesty or moral turpitude within the ten (10)-year period immediately preceding the beginning of his or her service on the Tribal Gaming Agency, unless the applicant has been granted relief pursuant to section 1203.4, 1203.4a, or 1203.45 of the California Penal Code; provided, however, that the granting of relief pursuant to section 1203.4, 1203.4a, or 1203.45 of the California Penal Code shall not constitute a limitation on the discretion of the arbitrator to determine the person's compliance with the requirements of sections 6.4.7 and 9.5, subdivision (d)(1), of this Compact.
- (F) The person has been associated with criminal profiteering activity or organized crime, as defined by section 186.2 of the California Penal Code.

(G) The person has exhibited contumacious defiance of any legislative investigatory body, or other official investigatory body of any state or of the United States, when that body is engaged in the investigation of crimes relating to gambling, official corruption related to gambling activities, or criminal profiteering activity or organized crime, as defined by section 186.2 of the California Penal Code.

(H) The person is less than twenty-one (21) years of age.

In all cases, in coming to a decision, the arbitrator must give due consideration for the proper protection of the health, safety and welfare of the residents of the State, and must take into account whether membership on the Tribal Gaming Agency would undermine public trust that the Gaming Operation is free from criminal and dishonest elements and would be conducted honestly.

Sec. 9.6. Uniform Tribal Gaming Regulations.

- (a) Uniform Tribal Gaming Regulations CGCC-1, CGCC-2, CGCC-7, and CGCC-8 (as in effect on the date the parties execute this Compact), adopted by the State Gaming Agency and approved by the Association, shall apply to the Gaming Operation until amended or repealed, without further action by the State Gaming Agency, the Tribe, the Tribal Gaming Agency or the Association.
- (b) Any subsequent Uniform Tribal Gaming Regulations adopted by the State Gaming Agency and approved by the Association shall apply to the Gaming Operation until amended or repealed.
- (c) No State Gaming Agency regulation adopted pursuant to this section 9.6 shall be effective with respect to the Tribe's Gaming Operation unless it has first been approved by the Association and the Tribe has had an opportunity to review and comment on the proposed regulation.
- (d) Every State Gaming Agency regulation adopted pursuant to this section 9.6 that is intended to apply to the Tribe (other than a regulation proposed or previously approved by the Association) shall be submitted to the Association for consideration prior to submission

of the regulation to the Tribe for comment as provided in subdivision (c). A regulation adopted pursuant to this section 9.6 that is disapproved by the Association shall not be submitted to the Tribe for comment unless it is re-adopted by the State Gaming Agency as a proposed regulation, in its original or amended form, with a detailed, written response to the Association's objections.

- (e) Except as provided in subdivision (d), no regulation of the State Gaming Agency adopted pursuant to this section 9.6 shall be adopted as a final regulation in respect to the Tribe's Gaming Operation before the expiration of thirty (30) days after submission of the proposed regulation to the Tribe for comment as a proposed regulation, and after consideration of the Tribe's comments. if any.
- (f) In exigent circumstances (e.g., imminent threat to public health and safety), the State Gaming Agency may adopt a regulation that becomes effective immediately. Any such regulation shall be accompanied by a detailed, written description of the exigent circumstances, and shall be submitted immediately to the Association for consideration. If the regulation is disapproved by the Association, it shall cease to be effective, but may be re-adopted by the State Gaming Agency as a proposed regulation, in its original or amended form, with a detailed, written response to the Association's objections, and thereafter submitted to the Tribe for comment as provided in subdivision (e).
- (g) The Tribe may object to a State Gaming Agency regulation adopted pursuant to this section 9.6 on the ground that it is unnecessary, unduly burdensome, or unfairly discriminatory, and may seek repeal or amendment of the regulation through the dispute resolution process of section 13.0.

SECTION 10.0. PATRON DISPUTES.

The Tribal Gaming Agency shall promulgate regulations governing patron disputes over the play or operation of any game, including any refusal to pay a patron any alleged winnings from any Gaming Activities, which regulations must meet the following minimum standards:

- (a) A patron must make an oral or written complaint to personnel of the Gaming Operation over the play or operation of any Class III game within three (3) days of the play or operation at issue (Initial Complaint).
- (I) If the patron's Initial Complaint is not resolved to the patron's satisfaction by the Gaming Operation's management, the patron shall be given written notice by the Gaming Operation that the patron has the right to request in writing resolution of their complaint by the Tribal Gaming Agency. The patron must make their request to the Tribal Gaming Agency within fifteen (15) days of receiving the Gaming Operation's written notification. If the patron is dissatisfied with the Tribal Gaming Agency's resolution of their complaint, the patron may seek resolution in either the Tribe's tribal court system, once established, or through binding arbitration of the dispute before a retired judge pursuant to the terms and provisions in subdivision (c).
- (II) The written notice provided by the Gaming Operation must contain notice of all procedural provisions in subdivision (a)(1). If the patron is not provided with written notice by the Gaming Operation within thirty (30) days of the patron's submission of the Initial Complaint, then the patron may seek resolution of the complaint by the Tribal Gaming Agency up to one hundred eighty (180) days after submission of the Initial Complaint. If the patron is dissatisfied with the Tribal Gaming Agency's resolution, the patron may seek resolution in either the Tribe's tribal court system, once established, or through binding arbitration of the dispute before a retired judge pursuant to the terms and provisions in subdivision (c),
- (III) An explanation of the dispute resolution process shall be posted or otherwise made available in each Gaming Facility.
- (b) Upon receipt of the patron's written request for a resolution of the patron's complaint pursuant to subdivision (a), the Tribal Gaming Agency shall conduct an appropriate investigation, shall provide to the patron a copy of its regulations concerning patron complaints, and shall render a decision in accordance with industry practice. The

decision shall be issued within sixty (60) days of the patron's request, shall be in writing, shall be based on the facts surrounding the dispute, and shall set forth the reasons for the decision.

- (c) If the patron is dissatisfied with the decision of the Tribal Gaming Agency issued pursuant to subdivision (b), or no decision is issued within the sixty (60)-day period, the patron may request that the dispute be settled either in the Tribe's tribal court system, once established, or by binding arbitration before a JAMS arbitrator, in accordance with the Streamlined Arbitration Rules and Procedures of JAMS (or if those rules no longer exist, the closest equivalent) (hereafter "JAMS Streamlined Arbitration"). The decision to choose either the tribal court system, once established, or JAMS Streamlined Arbitration shall be at the patron's sole discretion. Resolution of the patron dispute before the tribal court system, once established, shall be at no cost to the patron (excluding patron's attorney's fees). The cost and expenses of the JAMS Streamlined Arbitration shall be initially borne equally by the Tribe and the patron (for purposes of this section, the "parties") and both parties shall pay their share of the arbitration costs at the time of election of the arbitration option, but the arbitrator shall award to the prevailing party its costs and expenses (but not attorney's fees).
- (d) Upon a patron's request pursuant to subdivision (c), the Tribe and its Gaming Operation shall consent to tribal court adjudication or JAMS Streamlined Arbitration of the matter, and agree to abide by the decision of the tribal court or JAMS arbitrator; provided, however, that if any alleged winnings are found to be a result of a mechanical, electronic or electromechanical failure and not due to the intentional acts or gross negligence of the Tribe or its agents, the tribal court or JAMS arbitrator shall deny the patron's claim for the winnings but shall deem the patron the prevailing party pursuant to subdivision (c) and shall award reimbursement of the amount wagered by the patron which was lost as a result of any said failure.
- (e) Any party dissatisfied with the award of the tribal court or JAMS arbitrator issued pursuant to subdivision (c), may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (and if those rules no longer exist, the closest equivalent); provided that the party making such election shall bear all costs and expenses of

JAMS and the JAMS arbitrators associated with the JAMS Optional Arbitration Appeal Procedure, regardless of the outcome.

- (f) To effectuate its consent to the tribal court system, once established, or JAMS Streamlined Arbitration and JAMS Optional Arbitration Appeal Procedure in this section 10.0, the Tribe shall, in the exercise of its sovereignty, waive its right to assert sovereign immunity in connection with the tribal court jurisdiction and JAMS arbitrator's jurisdiction and in any action to (i) enforce the Tribe's or the patron's obligation to arbitrate, (ii) confirm, correct, modify, or vacate the tribal court award or the arbitral award rendered in the arbitration, or (iii) enforce or execute a judgment based upon the award.

SECTION 11.0. OFF-RESERVATION ENVIRONMENTAL AND ECONOMIC IMPACTS.

Sec. 11.1. Tribal Environmental Impact Report

- (a) Before the commencement of any Project as defined in section 2.25, the Tribe shall prepare a tribal environmental impact report (TEIR), analyzing the potentially significant off-reservation environmental impacts of the Project pursuant to the process set forth in this section 11.0; provided, however, that information or data that is relevant to the TEIR and is a matter of public record or is generally available to the public need not be repeated in its entirety in the TEIR, but may be specifically cited *as* the source for conclusions stated therein; and provided further that such information or data shall be briefly described, that its relationship to the TEIR shall be indicated, and that the source thereof shall be reasonably available for inspection at a public place or public building. The TEIR shall provide detailed information about the Significant Effect(s) on the Off-Reservation Environment that the Project is likely to have, including each of the matters set forth in Appendix B, shall list ways in which the Significant Effects on the Off-Reservation Environment might be minimized, and shall include a detailed statement setting forth all of the following:
 - (1) A description of the physical environmental conditions in the vicinity of the Project (the environmental setting and existing

baseline conditions), as they exist at the time the notice of preparation is issued;

- (2) All Significant Effects on the Off-Reservation Environment of the proposed Project;
 - (3) In a separate section:
 - (A) Any Significant Effect on the Off-Reservation Environment that can not be avoided if the Project is implemented;
 - (B) Any Significant Effect on the Off-Reservation Environment that would be irreversible if the Project is implemented;
 - (4) Mitigation measures proposed to minimize Significant Effects on the Off-Reservation Environment, including, but not limited to, measures to reduce the wasteful, inefficient, and unnecessary consumption of energy;
 - (5) Alternatives to the Project; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Compact on its Indian lands;
 - (6) Whether any proposed mitigation would be feasible;
 - (7) Any growth-inducing impacts of the Project; and
 - (8) Whether the proposed mitigation would be effective to substantially reduce the potential Significant Effects on the Off-Reservation Environment.
- (b) In addition to the information required pursuant to subdivision (a), the TEIR shall also contain a statement indicating the reasons for determining that various effects of the Project on the off-reservation environment are not significant and consequently have not been discussed in detail in the TEIR. In the TEIR, the direct and indirect Significant Effects on the Off-Reservation Environment, including

each of the items on Appendix B, shall be clearly identified and described, giving due consideration to both the short-term and long-term effects. The discussion of mitigation measures shall describe feasible measures that could minimize significant adverse effects, and shall distinguish between the measures that are proposed by the Tribe and other measures proposed by others. Where several measures are available to mitigate an effect, each should be discussed and the basis for selecting a particular measure should be identified. Formulation of mitigation measures should not be deferred until some future time. The TEIR shall also describe a range of reasonable alternatives to the Project or to the location of the Project, which would feasibly attain most of the basic objectives of the Project and which would avoid or substantially lessen any of the Significant Effects on the Off-Reservation Environment, and evaluate the comparative merits of the alternatives; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Compact on its Indian lands. The TEIR must include sufficient information about each alternative to allow meaningful evaluation, analysis, and comparison. The TEIR shall also contain an index or table of contents and a summary, which shall identify each Significant Effect on the Off-Reservation Environment with proposed measures and alternatives that would reduce or avoid that effect, and issues to be resolved, including the choice among alternatives and whether and how to mitigate the Significant Effects on the Off-Reservation Environment. Previously approved land use documents, including, but not limited to, general plans, specific plans, and local coastal plans, may be used in the cumulative impact analysis.

- (c) Subject to the foregoing, the Tribe may determine, in the exercise of its sovereign authority and pursuant to its duly enacted "Ordinance No. 28, Tribal Environmental Policy Act," as may be amended, that a particular activity may not cause a Significant Effect on the Off-Reservation Environment. The Tribe shall notify the State of any determination taken pursuant to its Ordinance No. 28, Tribal Environmental Policy Act that a particular activity is not a Project within the meaning of this Compact. If the State objects to the Tribe's determination, the matter shall be resolved in accordance with the dispute resolution provisions of section 13.0.

Sec.11.2. Notice of Preparation of Draft TEIR.

- (u) Upon commencing the preparation of the draft TEIR, the Tribe shall issue a Notice of Preparation to the State Clearinghouse in the State Office of Planning and Research (State Clearinghouse) and to the County for distribution to the public. The Tribe shall also post the Notice of Preparation on its website. The Notice of Preparation shall provide all Interested Persons, as defined in section 2.18, with information describing the Project and its potential Significant Effects on the Off-Reservation Environment sufficient to enable Interested Persons to make a meaningful response or comment. At a minimum, the Notice of Preparation shall include all of the following information:
 - (I) A description of the Project;
 - (2) The location of the Project shown on a detailed map, preferably topographical, and on a regional map; and
 - (3) The probable off-reservation environmental effects of the Project.
- (b) The Notice of Preparation shall also inform Interested Persons of the preparation of the draft TEIR and shall inform them of the opportunity to provide comments to the Tribe within thirty (30) days of the date of the receipt of the Notice of Preparation by the State Clearinghouse and the County. The Notice of Preparation shall also request Interested Persons to identify in their comments the off-reservation environmental issues and reasonable mitigation measures that the Tribe will need to have explored in the draft TEIR.

Sec. 11.3. Notice of Completion of Draft TEIR.

- (a) Within no less than thirty (30) days following the receipt of the Notice of Preparation by the State Clearinghouse and the County, the Tribe shall file a copy of the draft TEIR and a Notice of Completion with the State Clearinghouse, the State Gaming Agency, the County, and the California Department of Justice, Office of the Attorney General. The Tribe shall also post the Notice of Completion and a copy of the

draft TEJR on its website. The Notice of Completion shall include all of the following information:

- (1) A brief description of the Project;
 - (2) The proposed location of the Project;
 - (3) An address where copies of the draft TEIR are available;
and
 - (4) Notice of a period of forty-five (45) days during which the Tribe will receive comments on the draft TEIR.
- (b) The Tribe will submit ten (10) copies each of the draft TEIR and the Notice of Completion to the County, which will be asked to post public notice of the draft TEIR at the office of the County Board of Supervisors and to furnish the public notice to the public libraries serving the County. The County shall also be asked to serve in a timely manner the Notice of Completion to all Interested Persons, which Interested Persons shall be identified by the Tribe for the County, to the extent it can identify them. In addition, the Tribe will provide public notice by at least one (1) of the procedures specified below:
- (1) Publication at least one (1) time by the Tribe in a newspaper of general circulation in the area affected by the Project. If more than one (1) area is affected, the notice shall be published in the newspaper of largest circulation from among the newspapers of general circulation in those areas; or
 - (2) Direct mailing by the Tribe to the owners and occupants of property adjacent to, but outside, the Indian lands on which the Project is to be located. Owners of such property shall be identified as shown on the latest equalization assessment roll.

Sec. 11.4. Issuance of Final TEIR.

The Tribe shall prepare, certify, and make available to the County, the State Clearinghouse, the State Gaming Agency, and the California Department of Justice, Office of the Attorney General, at least fifty-five (55) days before the

completion of negotiations pursuant to section 11.7 a Final TEIR, which shall consist of:

- (a) The draft TEIR or a revision of the draft;
- (b) Comments and recommendations received on the draft TEIR either verbatim or in summary;
- (c) A list of persons, organizations, and public agencies commenting on the draft TEIR;
- (d) The responses, which shall include good faith, reasoned analyses, of the Tribe to significant environmental points raised in the review and consultation process; and
- (e) Any other information added by the Tribe.

Sec, 11.5. Cost Reimbursement to County.

The Tribe shall reimburse the County for copying and mailing costs resulting from making the Notice of Preparation, Notice of Completion, and draft TEIR available to the public under this section 11.0.

Sec. 11.6. Failure to Prepare Adequate TEIR.

The Tribe's failure to prepare an adequate TEIR when required shall be deemed a breach of this Compact and furthermore may be grounds for issuance of an injunction or other appropriate equitable relief in an action brought by the State.

Sec. 11.7. Intergovernmental Agreement.

- (a) Before the commencement of a Project, and no later than the issuance of the Final TEIR to the County, the Tribe shall offer to commence negotiations with the County and any impacted city where the Project is located, as applicable, and upon the County or city's acceptance of the Tribe's offers, shall negotiate with the County or city and shall enter into enforceable written agreements (hereinafter "intergovernmental agreements") with the County or city with respect to the matters set forth below:

- (1) The timely mitigation of any Significant Effect on the Off Reservation Environment (which effects may include, but are not limited to, aesthetics, agricultural resources, air quality, biological resources, cultural resources, geology and soils, hazards and hazardous materials, water resources, land use, mineral resources, traffic noise, utilities and service systems, and cumulative effects), where such effect is attributable, in whole or in part, to the Project unless the parties agree that the particular mitigation is infeasible, taking into account economic, environmental, social, technological, or other considerations.
 - (2) Compensation for law enforcement, fire protection, emergency medical services and any other public services to be provided to the Tribe for the purposes of the Gaming Operation, including the Gaming Facility, as a consequence of the Project.
 - (3) Reasonable compensation for programs designed to address and treat gambling addiction.
 - (4) Mitigation of any effect on public safety attributable to the Project, including any compensation to the County and/or city as a consequence thereof.
- (b) The Tribe shall not commence a Project until the intergovernmental agreements specified in subdivisions (a) and (c) are executed by the parties or are effectuated pursuant to section I 1.8.
- (c) If the Final TEIR identifies traffic impacts to the state highway system or facilities that are directly attributable in whole or in part to the Project, then before the commencement of the Project, the Tribe shall negotiate an intergovernmental agreement with the California Department of Transportation that provides for timely mitigation of all traffic impacts on the state highway system and facilities directly attributable to the Project, and payment of the Tribe's fair share of cumulative traffic impacts. Alternatively, the California Department of Transportation may agree in writing that the Tribe may negotiate and conclude, prior to commencement of the Project, an intergovernmental agreement with the County that mitigates the traffic impacts to the state highway system or facilities.

- (d) Nothing in this section 11.7 requires the Tribe to enter into any other intergovernmental agreements with a local governmental entity other than as set forth in subdivisions (a) and (c).

Sec. 11.8. Arbitration.

To foster good government-to-government relationships and to assure that the Tribe is not unreasonably prevented from commencing a Project and benefiting therefrom, if an intergovernmental agreement with the County, or the California Department of Transportation if required by section 11.7, subdivision (c), is not entered within seventy-five (75) days of the submission of the Final TEJR, or such further time as the Tribe and the County, or the Tribe and the California Department of Transportation if required by section 11.7, subdivision (c) (for purposes of this section the "parties") may agree in writing, any party may demand binding arbitration before a JAMS arbitrator pursuant to JAMS Comprehensive Arbitration with respect to any remaining disputes arising from, connected with or related to the negotiation:

The arbitration shall be conducted as follows: Each party shall

exchange with each other within five (5) days of the demand for arbitration its last, best written offer made during the negotiation pursuant to section 11.7. The arbitrator shall schedule a hearing to be heard within thirty (30) days of his or her appointment unless the parties agree to a longer period. The arbitrator shall be limited to awarding only one (1) of the offers submitted, without modification, based upon that proposal which best provides feasible mitigation of Significant Effects on the Off-Reservation Environment and on public safety and most reasonably compensates for public services pursuant to section 11.7, without unduly interfering with the principal objectives of the Project or imposing environmental mitigation measures which are different in nature or scale from the type of measures that have been required to mitigate impacts of a similar scale of other projects in the surrounding area, to the extent there are such other projects. The arbitrator shall take into consideration whether the Final TEIR provides the data and information necessary to enable the County, or the California Department of Transportation if required by section 11.7, subdivision (c), to determine both whether the Project may result in a Significant Effect on the Off-Reservation Environment and whether the proposed measures in mitigation are

sufficient to mitigate any such effect. If the respondent does not participate in the arbitration, the arbitrator shall nonetheless conduct the arbitration and issue an award, and the claimant shall submit such evidence as the arbitrator may require therefore. Review of the resulting arbitration award is waived.

- (b) To effectuate this section 11.8, and in the exercise of its sovereignty, the Tribe agrees to expressly waive, and to waive its right to assert, sovereign immunity in connection with the arbitrator's jurisdiction and in any action to (i) enforce the other party's obligation to arbitrate, (ii) enforce or confirm any arbitral award rendered in the arbitration, or (iii) enforce or execute a judgment based upon the award.
- (c) The arbitral award will become part of the intergovernmental agreements with the County required under section 11.7.
- (d) An arbitral award entered pursuant to this section 11.8 as the result of arbitration between the Tribe and the California Department of Transportation, when an intergovernmental agreement is required by section 11.7, subdivision (c), will become the intergovernmental agreement with the California Department of Transportation.

SECTION 12.0. PUBLIC AND WORKPLACE HEALTH, SAFETY, AND LIABILITY.

Sec. 12.1. General Requirements.

The Tribe shall not conduct Class III Gaming in a manner that endangers the public health, safety, or welfare, provided, however, that nothing herein shall be construed to make applicable to the Tribe any State laws or regulations governing the use of tobacco.

Sec. 12.2. Tobacco Smoke.

Notwithstanding section 12.1, the Tribe agrees to provide a non-smoking area in the Gaming Facility and, consistent with the Tribe's commitment to the well-being of its employees and patrons, to incorporate ventilation, filtration, purification or other technologies throughout the Gaming Facility where reasonably feasible after consideration of engineering, economic and scientific

factors, and further agrees not to offer or sell tobacco products, including but not limited to smokeless tobacco products or e-cigarettes, to anyone younger than the minimum age specified in state law to lawfully purchase tobacco product.

Sec. 12.3. Health and Safety Standards.

To protect the health and safety of patrons and employees of the Gaming Facility, the Tribe shall, for the Gaming Facility:

- (a) Adopt and comply with standards no less stringent than State public health standards for food and beverage handling. The Gaming Operation will allow, during normal hours of operation, inspection of food and beverage services in the Gaming Facility by State or County health inspectors, whichever inspector would have jurisdiction but for the Gaming Facility being on Indian lands, to assess compliance with these standards, unless inspections are routinely made by an agency of the United States government to ensure compliance with equivalent standards of the United States Public Health Service. Any report subsequent to an inspection or visit by the State, County, or federal health inspectors shall be transmitted within seventy-two (72) hours to the State Gaming Agency, the Tribal Gaming Agency and the Gaming Operation. This includes any document that includes a citation or finding. Nothing herein shall be construed as submission of the Tribe to the jurisdiction of those State or County health inspectors, but any violations of the standards may be the subject of dispute resolution pursuant to section 13.0.

- (b) Adopt and comply with standards no less stringent than federal water quality and safe drinking water standards applicable in California. The Tribe will allow, during normal hours of operation, inspection and testing of water quality at the Gaming Facility by State or County health inspectors, whichever inspector would have jurisdiction but for the Gaming Facility being on Indian lands, to assess compliance with these standards, unless inspections and testing are routinely made by an agency of the United States pursuant to federal law to ensure compliance with federal water quality and safe drinking water standards. Any report or other writings by the State, County, or federal health inspectors shall be transmitted within seventy-two (72) hours to the State Gaming Agency, the Tribal Gaming Agency, and the Gaming Operation. Nothing herein shall be construed as

submission of the Tribe to the jurisdiction of those State, or County health inspectors, but any violations of the standards may be the subject of dispute resolution pursuant to section 13.0.

- (c) Comply with the building and safety standards set forth in section 6.4.2.
- (d) Adopt and comply with standards no less stringent than federal workplace and occupational health and safety standards. The Tribe will allow inspection of Gaming Facility workplaces by State inspectors, during normal hours of operation, to assess compliance with these standards, unless inspections are regularly made by an agency of the United States government to ensure compliance with federal workplace and occupational health and safety standards and the Tribe has provided a copy of the federal agency's report to the State Gaming Agency within ten (10) days of the federal inspection. Nothing herein shall be construed as a submission of the Tribe to the jurisdiction of those state inspectors, but any alleged violations of the standards shall be treated as alleged violations of this Compact.
- (e) Adopt and comply with tribal codes to the extent consistent with the provisions of this Compact and other applicable federal law regarding public health and safety.
- (f) Adopt and comply with tribal law and implementing tribal policy consistent with federal laws and state laws forbidding harassment, including sexual harassment, in the workplace, forbidding employers from discrimination in connection with the employment of persons to work or working for the Gaming Operation or in the Gaming Facility on the basis of race, color, religion, ancestry, national origin, gender, marital status, medical condition, sexual orientation, age, or disability, and forbidding employers from retaliation against persons who oppose discrimination or participate in employment discrimination proceedings (hereinafter "harassment, retaliation, or employment discrimination"); provided that nothing herein shall preclude the Tribe from giving a preference in employment to members of federally recognized Indian tribes pursuant to a duly adopted tribal ordinance.
- (I) The Tribe shall obtain and maintain an employment practices liability insurance policy consistent with industry standards for

non-tribal casinos and underwritten by an insurer with an A.M. Best rating of A or higher which provides coverage of at least three million dollars (\$3,000,000) per occurrence for unlawful harassment, retaliation, or employment discrimination arising out of the claimant's employment in, in connection with, or relating to the operation of, the Gaming Operation, Gaming Facility or Gaming Activities. To effectuate the insurance coverage, the Tribe, in the exercise of its sovereignty, shall expressly waive, and waive its right to assert, sovereign immunity and any and all defenses based thereon up to three million dollars (\$3,000,000), in accordance with the tribal law and implementing tribal policy referenced in subdivision (1)(2) below, in connection with any claim for harassment, retaliation, or employment discrimination arising out of the claimant's employment in, in connection with, or relating to the operation of, the Gaming Operation, Gaming Facility or Gaming Activities; provided, however, that nothing herein requires the Tribe to agree to liability for punitive damages or to waive its right to assert sovereign immunity in connection therewith. The employment practices liability insurance policy shall acknowledge in writing that the Tribe has expressly waived, and waived its right to assert, sovereign immunity and any and all defenses based thereon for the purpose of arbitration of those claims for harassment, retaliation, or employment discrimination up to the limits of such policy and for the purpose of enforcement of any ensuing arbitral award or judgment and shall include an endorsement providing that the insurer shall not invoke tribal sovereign immunity up to the limits of such policy; however, such endorsement or acknowledgement shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for any portion of the claim that exceeds three million dollars (\$3,000,000). Nothing in this provision shall be interpreted to supersede any requirement in the Tribe's harassment, retaliation, or employment discrimination law that a claimant must exhaust administrative remedies as a prerequisite to arbitration.

- (2) The standards shall be subject to enforcement pursuant to a tribal harassment, retaliation, or employment discrimination law which shall be adopted by the Tribe prior to the effective

date of this Compact and which shall continuously provide at least the following:

- (A) That tribal law and implementing tribal policy provisions which are no less stringent than California law shall govern all claims of harassment, retaliation, or employment discrimination arising out of the claimant's employment in, in connection with, or relating to the operation of, the Gaming Operation, Gaming Facility or Gaming Activities; provided that California law governing punitive damages shall not be a part of the tribal law and implementing tribal policy. Nothing in this provision shall be construed as a submission of the Tribe to the jurisdiction of the California Department of Fair Employment and Housing or the California Fair Employment and Housing Commission, or any successor agencies thereto.
- (B) That a claimant shall have one hundred eighty (180) days from the date that an alleged discriminatory act occurred to file a written notice with the Tribe that he or she has suffered prohibited harassment, retaliation, or employment discrimination.
- (C) That, in the exercise of its sovereignty, the Tribe expressly waives, and also waives its right to assert, sovereign immunity solely with respect to the binding arbitration of claims for harassment, retaliation, or employment discrimination, but only up to three million dollars (\$3,000,000) referenced in subdivision (f)(1) above; provided, however, such waiver shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for any portion of the claim that exceeds three million dollars (\$3,000,000),
- (D) The tribal law or implementing tribal policy shall allow for the claim to be resolved either in the Tribe's tribal court system, once a tribal court system is established, or by a three (3)-member tribal claims commission consisting of one Tribal government representative and at

least one (1) non-tribal member. No member of the commission may be employed by the Gaming Facility or Gaming Operation. Resolution of the dispute before the tribal court system or tribal claims commission shall be at no cost to the claimant (excluding claimant's attorney's fees).

- (E) Discovery in the tribal court or tribal claims commission proceedings shall be governed by procedures comparable to section 1283.05 of the California Code of Civil Procedure.
 - (F) Any party dissatisfied with the award of the tribal court or tribal claims commission may at the party's election appeal the matter to a tribal court of appeal, if one is established, or invoke the JAMS Optional Arbitration Appeal Procedure (and if those rules no longer exist, the closest equivalent). To effectuate its consent to the foregoing arbitration procedure, the Tribe shall, in the exercise of its sovereignty, expressly waive, and also waive its right to assert, sovereign immunity in connection with the arbitrator's jurisdiction and in any state or federal court action to (i) enforce the parties' obligation to arbitrate, (ii) confirm, correct, or vacate the arbitral award rendered in the arbitration in accordance with section 1285 et seq. of the California Code of Civil Procedure, or (iii) enforce or execute a judgment based upon the arbitral award. The Tribe agrees not to assert, and will waive, any defense alleging improper venue or forum non conveniens as to any state court located within the County or any federal court located in the Central District of California, Eastern Division, in any such action brought with respect to the arbitration award.
- (3) The tribal harassment, retaliation, or employment discrimination law and implementing tribal policy required under subdivision (f)(2) may require, as a prerequisite to binding arbitration under subdivision (f)(2)(D), that the claimant exhaust the Tribe's administrative remedies, if any exist, in the form of a tribal harassment, retaliation, or

employment discrimination complaint resolution process (hereinafter "employment discrimination complaint resolution process"), for resolving the claim in accordance with the following standards:

- (A) Upon notice that the claimant alleges that he or she has suffered prohibited harassment, retaliation, or employment discrimination, the Tribe or its designee shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required to proceed with the Tribe's employment discrimination complaint resolution process in the event that the claimant wishes to pursue his or her claim.
- (B) The claimant must bring his or her claim within one hundred eighty (180) days of receipt of the written notice ("limitation period") of the Tribe's employment discrimination complaint resolution process as long as the notice thereof is served personally on the claimant or by certified mail with an executed return receipt by the claimant or proof of attempted personal service in the event service is refused or avoided and the one hundred eighty (180)-day limitation period is prominently displayed on the front page of the notice.
- (C) The arbitration may be stayed until the completion of the Tribe's employment discrimination complaint resolution process or one hundred eighty (180) days from the date the claim was filed, whichever first occurs, unless the parties mutually agree upon a longer period.
- (D) The decision of the Tribe's employment discrimination complaint resolution process shall be in writing, shall be based on the facts surrounding the dispute, shall be a reasoned decision, and shall be rendered within one hundred eighty (180) days from the date the claim was filed, unless the parties mutually agree upon a longer period.

- (4) Within fourteen (14) days following notification that a claimant claims that he or she has suffered harassment, retaliation, or employment discrimination, the Tribe shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required within the specified limitation period to first exhaust the Tribe's employment discrimination complaint resolution process, if any exists, and if dissatisfied with the resolution, is entitled to arbitrate his or her claim before a retired judge in a binding arbitration proceeding, the Tribe and the claimant shall equally bear the initial cost of arbitration (except each party bears its own attorney's fees).
- (5) In the event the Tribe fails to adopt the ordinance specified in subdivision (f)(2), such failure shall constitute a breach of this Compact.
- (6) The Tribe shall provide written notice of the employment discrimination complaint law and implementing tribal policy and the procedures for bringing a complaint in its employee handbook. The Tribe also shall post and keep posted in prominent and accessible places in the Gaming Facility where notices to employees and applicants for employment are customarily posted, a notice setting forth the pertinent provisions of the employment discrimination complaint ordinance and information pertinent to the filing of a complaint.
- (g) Adopt and comply with standards that are no less stringent than State laws prohibiting a gambling enterprise from cashing any check drawn against a federal, state, county, or city fund, including but not limited to, Social Security, unemployment insurance, disability payments, or public assistance payments.
- (h) Adopt and comply with standards that are no less stringent than State Laws, if any, prohibiting a gambling or other gaming enterprise from providing, allowing, contracting to provide, or arranging to provide alcoholic beverages, or food or lodging, for no charge or at reduced prices at a gambling establishment or lodging facility as an incentive or enticement.

- (i) Adopt and comply with standards that are no less stringent than State laws, if any, prohibiting extensions of credit.
- (j) Comply with provisions of the Bank Secrecy Act, P.L. 91-508, October 26, 1970, 31 U.S.C. §§ 5311-5314, as amended, and all reporting requirements of the Internal Revenue Service, insofar as such provisions and reporting requirements are applicable to gambling establishments.
- (k) Comply with standards no less stringent than the minimum wage, maximum hour, child labor, overtime, and working condition standards set forth in the Fair Labor Standards Act, 29 U.S.C. § 201 et seq., the United States Department of Labor regulations implementing the Fair Labor Standards Act, 29 C.F.R. § 500 et seq., the State's minimum wage law established pursuant to California Labor Code section 1182.12, and the State Department of Industrial Relations regulations implementing the State's minimum wage law, Cal. Code Regs. tit. 8, § 11000 et seq. Notwithstanding the foregoing, only the federal minimum wages laws set forth in the Fair Labor Standards Act, 29 U.S.C. § 201 et seq., and its implementing regulations, shall apply to tipped employees. Nothing herein shall make applicable state law concerning overtime.

Sec. 12.4. Tribal Gaming Facility Standards Ordinance.

The Tribe shall adopt in the form of an ordinance the standards described in subdivisions (a) through (k) of section 12.3 to which the Gaming Operation is held, and shall transmit the ordinance to the State Gaming Agency, upon request, not later than thirty (30) days after the effective date of this Compact. In the absence of a promulgated tribal standard in respect to a matter identified in those subdivisions, or the express adoption of an applicable federal and/or state statute or regulation, as the case may be, in respect of any such matter, the otherwise applicable federal and/or state statute or regulation shall be deemed to have been adopted by the Tribe as the applicable standard.

Sec. 12.5. Insurance Coverage and Claims.

- (a) The Tribe shall obtain and maintain commercial general liability insurance consistent with industry standards for non-tribal casinos in the United States underwritten by an insurer with an A.M. Best rating

of A or higher which provide, coverage of no less than ten million dollars (\$10,000,000) per occurrence for bodily injury, personal injury, and property damage arising out of, connected with, or relating to the operation of the Gaming Facility or Gaming Activities (Policy). To effectuate the insurance coverage, the Tribe shall expressly waive, and waive its right to assert, sovereign immunity up to ten million dollars (\$10,000,000), in accordance with the tribal ordinance referenced in subdivision (b) below in connection with any claim for bodily injury, personal injury, or property damage, arising out of, connected with, or relating to the operation of the Gaming Operation, Gaming Facility, or the Gaming Activities, including, but not limited to, injuries resulting from patronizing the Gaming Facility or providing goods or services to the Gaming Facility; provided, however, that nothing herein requires the Tribe to agree to liability for punitive damages or to waive its right to assert sovereign immunity in connection therewith. The Policy shall acknowledge in writing that the Tribe has expressly waived, and waived its right to assert, sovereign immunity for the purpose of arbitration of those claims up to ten million dollars (\$10,000,000) and for the purpose of enforcement of any ensuing award or judgment and shall include an endorsement providing that the insurer shall not invoke tribal sovereign immunity up to ten million dollars (\$10,000,000); however, such endorsement or acknowledgement shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for any portion of the claim that exceeds ten million dollars (\$10,000,000).

- (b) The Tribe shall adopt, and at all times hereinafter shall maintain in continuous force, an ordinance that provides for all of the following:
 - (1) The ordinance shall provide that California tort law shall govern all claims of bodily injury, personal injury, or property damage arising out of, connected with, or relating to the operation of the Gaming Operation, Gaming Facility, or the Gaming Activities, including but not limited to injuries resulting from patronizing the Gaming Facility or providing goods or services to the Gaming Facility, provided that California Law governing punitive damages need not be a part of the ordinance. Further, the Tribe may include in the ordinance required by this subdivision a requirement that a person with claims for money damages against the Tribe file

those claim, within the time periods applicable for the filing of claims for money damages against public entities under California Government Code section 810, et seq.

- (2) The ordinance shall also expressly provide for waiver of the Tribe's sovereign immunity and its right to assert sovereign immunity with respect to the arbitration or resolution of such claims in the Tribe's tribal court system, once established, but only up to ten million dollars (\$10,000,000); provided, however, such waiver shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for any portion of the claim that exceeds ten million dollars (\$10,000,000).
- (3) The ordinance shall allow for the dispute to be settled either in the Tribe's tribal court system, once established, or by binding arbitration before a JAMS arbitrator, in accordance with JAMS Comprehensive Arbitration. The decision to choose either the tribal court system, once established, or JAMS Comprehensive Arbitration shall be at the claimant's sole discretion. Resolution of the dispute before the tribal court system, once established, shall be at no cost to the claimant (excluding claimant's attorney's fees). The cost and expenses of the JAMS Comprehensive Arbitration shall be initially borne equally by the parties and the parties shall pay their share of the arbitration costs at the time of claimant's election of the arbitration option, but the arbitrator may award costs to the prevailing party (but not attorney's fees) not to exceed those allowable in a suit in California Superior Court.
- (4) The Tribe shall consent to tribal court adjudication or binding JAMS Comprehensive Arbitration before a JAMS arbitrator up to ten million dollars (\$10,000,000), that discovery in the arbitration proceedings shall be governed by section 1283.05 of the California Code of Civil Procedure, that the Tribe and the claimant shall initially bear the cost of JAMS and the JAMS arbitrator equally, to be paid at the time of election of arbitration but that the JAMS arbitrator may award costs to the prevailing party (but not attorney's fees) not to exceed those allowable in a suit in California Superior Court, and that any party dissatisfied with the award of the arbitrator may at the

party's election invoke the JAMS Optional Arbitration Appeal Procedure (or if those rules no longer exist, the closest equivalent), provided that the party making such election must bear all costs and expenses of JAMS and the JAMS arbitrators associated with the JAMS Optional Arbitration Appeal Procedure, regardless of the outcome.

- (5) To effectuate its consent to the tribal court system, once established, or JAMS Comprehensive Arbitration, and JAMS Optional Arbitration Appeal Procedure in the ordinance, the Tribe shall, in the exercise of its sovereignty, expressly waive, and also waive its right to assert, sovereign immunity in connection with the jurisdiction of the tribal court and the arbitrator's jurisdiction and in any action to (i) enforce the parties' obligation to arbitrate, (ii) confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (iii) enforce or execute a judgment based upon the award.
 - (6) The ordinance may also require that the claimant first exhaust the Tribe's administrative remedies for resolving the claim (hereinafter the "Tribal Dispute Process") in accordance with the following standards; The claimant must bring his or her claim within one hundred eighty (180) days of receipt of written notice of the Tribal Dispute Process as long as notice thereof is served personally on the claimant or by certified mail with an executed return receipt by the claimant and the one hundred eighty (180)-day limitation period is prominently displayed on the front page of the notice. The ordinance may provide that any other dispute resolution process shall be stayed until the completion of the Tribal Dispute Process or one hundred eighty (180) days from the date the claim is filed in the Tribal Dispute Process, whichever first occurs, unless the parties mutually agree to a longer period.
- (c) Upon notice that a claimant claims to have suffered an injury or damage covered by this section, the Tribe shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required within the limitation period provided by subdivision (b)(6) to first exhaust the Tribal Dispute Process, if any,

and if dissatisfied with the resolution, entitled to arbitrate his or her claim *de novo* before a retired judge.

- (d) In the event the Tribe fails to adopt the ordinance specified in subdivision (b), the tort law of the State of California, including applicable statutes of limitations, shall apply to all claims of bodily injury, personal injury, and property damage arising out of, connected with, or relating to the operation of the Gaming Operation. Gaming Facility, or the Gaming Activities, including but not limited to injuries resulting from patronizing the Gaming Facility or providing goods or services to the Gaming Facility; and the Tribe shall be deemed to have expressly waived, and to have waived its right to assert; sovereign immunity up to ten million dollars (\$10,000,000) in connection with the arbitration of any such claims, any court proceedings based on such arbitration, including the arbitral award resulting therefrom, and any ensuing judgments.
- (e) The Tribe shall not invoke on behalf of any employee or agent, the Tribe's sovereign immunity in connection with any claim for, or any judgment based on any claims for, intentional injury to persons or property committed by the employee or authorized agent, without regard to the Tribe's liability insurance limits. Nothing in this subdivision prevents the Tribe from invoking sovereign immunity on its own behalf or authorizes a claim against the Tribe or a tribally owned entity.

Sec. 12.6. Participation in State Programs Related to Employment.

- (a) The Tribe agrees that it will participate in the State's workers' compensation program with respect to employees employed at the Gaming Operation and the Gaming Facility. The workers' compensation program includes, but is not limited to state laws relating to the securing of payment of compensation through one (1) or more insurers duly authorized to write workers' compensation insurance in this state or through self-insurance as permitted under the State's workers' compensation laws. All disputes arising from the workers' compensation laws shall be heard by the Workers' Compensation Appeals Board pursuant to the California Labor Code. The Tribe hereby consents to the jurisdiction of the Workers' Compensation Appeals Board and the courts of the State of California

for purposes of enforcement. The parties agree that independent contractors doing business with the Tribe are bound by all state workers' compensation laws and obligations.

- (b) In lieu of permitting the Gaming Operation and Gaming Facility to participate in the State's workers' compensation system, the Tribe may create and maintain a system that provides redress for employee work-related injuries through requiring insurance or self-insurance, which system must include a scope of coverage, provision of up to ten thousand dollars (\$10,000) in medical treatment for an alleged injury until the date that liability for the claim is accepted or rejected, employee choice of physician (either after thirty (30) days from the date of the injury is reported or if a medical provider network has been established, within the medical provider network), quality and timely medical treatment provided comparable to the state's medical treatment utilization schedule, availability of an independent medical examination to resolve disagreements on appropriate treatment (by an Independent Medical Reviewer on the state's approved list, a Qualified Medical Evaluator on the state's approved list, or an Agreed Medical Examiner upon mutual agreement of the employer and employee), the right to notice, hearings before an independent tribunal, a means of enforcement against the employer, and benefits (including, but not limited to, disability, rehabilitation and return to work) comparable to those mandated for comparable employees under state law. Not later than the effective date of this Compact, or sixty (60) days prior to the commencement of Gaming Activities under this Compact, the Tribe will advise the State of its election to participate in the State's workers' compensation system or; alternatively, will forward to the State all relevant ordinances that have been adopted and all other documents establishing the system and demonstrating that the system is fully operational and compliant with the comparability standard set forth above. The parties agree that independent contractors doing business with the Tribe must comply with all state workers' compensation laws and obligations.
- (c) The Tribe agrees that it will participate in the State's program for providing unemployment compensation benefits and unemployment compensation disability benefits with respect to employees employed at the Gaming Operation or Gaming Facility, which participation shall include compliance with the provisions of the California

Unemployment Insurance Code, and the Tribe consents to the jurisdiction of the State agencies charged with the enforcement of that Code and of the courts of the State of California for purposes of enforcement.

- (d) As a matter of comity, the Tribe shall, with respect to persons, including nonresidents of California, employed at the Gaming Operation or Gaming Facility, withhold all amounts due to the State as provided in the California Unemployment Insurance Code and, except for individuals who are enrolled tribal members pursuant to the Tribe's Constitution and laws who are living on the Tribe's reservation, the California Revenue and Taxation Code and the regulations thereunder, as may be amended from time to time, and shall forward such amounts to the State. The Tribe shall file with the Franchise Tax Board a copy of any information return filed with the Secretary of the Treasury, as provided in the California Revenue and Taxation Code and the regulations thereunder, except those pertaining to tribal members living on the Tribe's reservation. For purposes of this subdivision, "reservation" refers to the Tribe's Indian lands within the meaning of IGRA or lands otherwise held in trust for the Tribe by the United States, and "tribal members" refers to the enrolled members of the Tribe.
- (e) As a manner of comity, the Tribe shall, with respect to the earnings of any person employed at the Gaming Operation or Gaming Facility, comply with all earnings withholding orders for support of a child, or spouse or former spouse, and all other orders by which the earnings of an employee are required to be withheld by an employer pursuant to chapter 5 (commencing with section 706.010) of division 1 of title 9 of penal of the California Code of Civil Procedure, and with all earnings assignment orders for support made pursuant to chapter 8 (commencing with section 5200) of part 5 of division 9 of the California Family Code or section 3088 of the California Probate Code.

Sec. 12.7. Emergency Services Accessibility.

The Tribe shall make reasonable provisions for adequate emergency fire, medical, and related relief and disaster services for patrons and employees of the Gaming Facility.

Sec. 12.8. Alcoholic Beverage Service.

Purchase, sale, and service of alcoholic beverages by or to patrons shall be subject to state alcoholic beverage laws.

Sec. 12.9. Possession of Firearms.

The possession of firearms by any person in the Gaming Facility is prohibited at all times, except for federal, state, or local law enforcement personnel, or tribal law enforcement or security personnel authorized by tribal law and federal or state law to possess firearms at the Gaming Facility.

Sec. 12.10. Labor Relations.

The Gaming Activities authorized by this Compact may only commence after the Tribe has adopted an ordinance identical to the Tribal Labor Relations Ordinance attached hereto as Appendix C, and the Gaming Activities may only continue as long as the Tribe maintains the ordinance. The Tribe shall provide written notice to the State that it has adopted the ordinance, along with a copy of the ordinance, before the effective date of this Compact.

SECTION 13.0. DISPUTE RESOLUTION PROVISIONS.

Sec. 13.1. Voluntary Resolution; Court Resolution.

In recognition of the government-to-government relationship of the Tribe and the State, the parties shall make their best efforts to resolve disputes that arise under this Compact by good faith negotiations whenever possible. Therefore, except for the right of either party to seek injunctive relief against the other when circumstances are deemed to require immediate relief, the Tribe and the State shall seek to resolve disputes by first meeting and conferring in good faith in order to foster a spirit of cooperation and efficiency in the administration and monitoring of the performance and compliance of the terms, provisions, and conditions of this Compact, as follows:

- (a) Either party shall give the other, as soon as possible after the event giving rise to the concern, a written notice setting forth the facts giving rise to the dispute and with specificity, the issues to be resolved.

- (b) The other party shall respond in writing to the facts and issues set forth in the notice within fifteen (15) days of receipt of the notice, unless both parties agree in writing to an extension of time.
- (c) The parties shall meet and confer in good faith by telephone or in person in an attempt to resolve the dispute through negotiation within thirty (30) days after receipt of the notice set forth in subdivision (a), unless both parties agree in writing to an extension of time.
- (d) If the dispute is not resolved to the satisfaction of the parties after the first meeting, either party may seek to have the dispute resolved by an arbitrator in accordance with this section, but neither party shall be required to agree to submit to arbitration.
- (e) Disputes that are not otherwise resolved by arbitration or other mutually agreed means may be resolved in the United States District Court in the judicial district and division where the Tribe's Gaming Facility is located, or if those federal courts lack jurisdiction, in any state court of competent jurisdiction in or over the County. The disputes to be submitted to court action include, but are not limited to, claims of breach of this Compact, provided that the remedies expressly provided in section 13.4, subdivision (a)(ii) are the sole and exclusive remedies available to either party for issues arising out of this Compact. and supersede any remedies otherwise available, whether at law, tort, contract or in equity and, notwithstanding any other provision of law or this Compact, neither the State nor the Tribe shall be liable for damages or attorney fees in any action based in whole or in part on the fact that the parties have either entered into this Compact, or have obligations under this Compact. The parties are entitled to all rights of appeal permitted by law in the court system in which the action is brought.
- (f) In no event may the Tribe be precluded from pursuing any arbitration or judicial remedy against the State on the ground that the Tribe has failed to exhaust its State administrative remedies and in no event may the State be precluded from pursuing any arbitration or judicial remedy against the Tribe on the ground that the State has failed to exhaust any tribal administrative remedies.

Sec. 13.2. Arbitration Rules Between the Tribe and the State.

Arbitration between the Tribe and the State shall be conducted before a JAMS arbitrator in accordance with JAMS Comprehensive Arbitration. Discovery in the arbitration proceedings shall be governed by section 1283.05 of the California Code of Civil Procedure, provided that no discovery authorized by that section may be conducted without leave of the arbitrator. The parties shall equally bear the cost of JAMS and the JAMS arbitrator. Either party dissatisfied with the award of the arbitrator may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (or if those rules no longer exist, the closest equivalent). In any JAMS arbitration under this section 13.2, the parties will bear their own attorney's fees. The arbitration shall take place within seventy-five (75) miles of the Gaming Facility, or as otherwise mutually agreed by the parties and the parties agree that either party may file a state or federal court action to (i) enforce the parties' obligation to arbitrate, (ii) confirm, correct, or vacate the arbitral award rendered in the arbitration in accordance with section 1285 et seq. of the California Code of Civil Procedure, or (iii) enforce or execute a judgment based upon the award. In any such action brought with respect to the arbitration award, the parties agree that venue is proper in any state court located within the County or in any federal court located in the Central District of California, Eastern Division.

Sec. 13.3. No Waiver or Preclusion of Other Means of Dispute Resolution.

This section 13.0 may not be construed to waive, limit, or restrict any remedy to address issues not arising out of this Compact that is otherwise available to either party, nor may this section 13.0 be construed to preclude, limit, or restrict the ability of the parties to pursue, by mutual agreement, any other method of Compact dispute resolution, including, but not limited to, mediation.

Sec. 13.4. Limited Waiver of Sovereign Immunity.

- (a) For the purpose of actions or arbitrations based on disputes between the State and the Tribe that arise under this Compact and the enforcement of any judgment or award resulting therefrom, the State and the Tribe expressly waive their right to assert their sovereign immunity from suit and enforcement of any ensuing judgment or arbitral award and consent to the arbitrator's jurisdiction and further consent to be sued in federal or state court, as the case may be,

provided that (i) the dispute is limited solely to issues arising under this Compact, (ii) neither the Tribe nor the State makes any claim for restitution or monetary damages, except that payment of any money expressly required by the terms of this Compact may be sought, and solely injunctive relief, specific performance (including enforcement of a provision of this Compact expressly requiring the payment of money to one or another of the parties), and declaratory relief (limited to a determination of the respective obligations of the parties under the Compact) may be sought, and (iii) nothing herein shall be construed to constitute a waiver of the sovereign immunity of either the Tribe or the State with respect to any third party that is made a party or intervenes as a party to the action.

- (b) In the event that intervention, joinder, or other participation by any additional party in any action between the State and the Tribe would result in the waiver of the Tribe's or the State's sovereign immunity as to that additional party, the waivers of either the Tribe or the State provided herein may be revoked, except where joinder is required to preserve the court's jurisdiction, in which case the State and the Tribe *may* not revoke their waivers of sovereign immunity as to each other.
- (c) The waivers and consents to jurisdiction expressly provided for under this section 13.0 and elsewhere in the Compact shall extend to all arbitrations and civil actions expressly authorized by this Compact, including actions to compel arbitration, any arbitration proceeding herein, any action to confirm, modify, or vacate any arbitral award or to enforce any judgment, and any appellate proceeding emanating from any such proceedings, whether in state or federal court.
- (d) Except as stated herein or elsewhere in this Compact, no other waivers or consents to be sued, either express or implied, are granted by either party, whether in state statute or otherwise, including but not limited to Government Code section 98005.

SECTION 14.0. EFFECTIVE DATE AND TERM OF COMPACT.

Sec. 14.1. Effective Date,

This Compact shall not be effective unless and until all of the following have occurred;

- (a) The Compact is ratified in accordance with State law; and
- (b) Notice of approval or constructive approval is published in the Federal Register as provided in 25 U.S.C. § 2710(d)(3)(B).

Sec. 14.2. Term of Compact; Termination.

- (a) Once effective, this Compact shall be in full force and effect for twenty-five (25) years following the effective date.
- (b) Either party may bring an action in federal court. after providing a thirty (30)-day written notice of an opportunity to cure any alleged breach of this Compact, for a declaration that the other party has materially breached this Compact or that a material part of this Compact has been invalidated. If the federal court rules that a party has materially breached this Compact, then the party found to have committed the breach shall have thirty (30) days after a final decision has been issued by the court after any appeals to cure the material breach. If the material breach is not cured within thirty (30) days, then in addition to a declaration of material breach and the equitable remedies explicitly identified in section 13.0, the non-breaching party may seek, in the same federal court action, termination of the Compact as a further judicially imposed remedy. The court may order termination based on a finding (i) that the respondent party has breached its Compact obligations, (ii) that, taking into consideration the facts and circumstances, the breach was not in good faith, and (iii) that the respondent party failed to cure the material breach within the time allowed. In the event a federal court determines that it lacks jurisdiction to impose termination, the matter may be brought in the Superior Court for Riverside County, and any finding that termination is warranted shall be effective thirty (30) days after issuance of the termination order by the federal district court or superior court, as the case may be. The parties expressly waive, and also waive their right to assert, sovereign immunity from suit for purposes of an acLion under this subdivision, subject to the waiver qualifications stated in section 13.4.

- (c) If this Compact does not take effect by September 1, 2017, it shall be deemed null and void unless the Tribe and the State agree in writing to extend the date.

SECTION 15.0. AMENDMENTS; RENEGOTIATIONS.

Sec. 15.1. Amendment by Agreement.

The terms and conditions of this Compact may be amended at any time by the mutual and written agreement of both parties during the term of this Compact set forth in section 14.2, provided that each party voluntarily consents to such negotiations, including the scope of such negotiations, in writing. Any amendments to this Compact shall be deemed to supersede, supplant, and extinguish all previous understandings and agreements on the subject.

Sec. 15.2. Negotiations for a New Compact.

No sooner than eighteen (18) months before the termination date of this Compact set forth in section 14.2, either party may request the other party to enter into negotiations to extend the term of this Compact or to enter into a new Class III Gaming compact. If the parties have not agreed to extend the term of this Compact or have not entered into a new compact by the termination date in section 14.2, this Compact shall automatically be extended for one (1) calendar year.

Sec. 15.3. Requests to Amend or to Negotiate a New Compact.

All requests to amend this Compact or to negotiate to extend the term of this Compact or to negotiate for a new Class III Gaming compact shall be in writing, addressed to the Tribal Chair or the Governor, as the case may be, and shall include the activities or circumstances to be negotiated, together with a statement of the basis supporting the request. If the request meets both the requirements of this section and section 15.1 for an amendment to this Compact, or the requirements of this section and section 15.2 for a new Class III Gaming compact, and all parties agree in writing to negotiate, the parties shall confer promptly and determine within forty-five (45) days of the request a schedule for commencing negotiations, and both parties shall negotiate in good faith. The Tribal Chair and the Governor of the State are hereby authorized to designate the person or agency responsible for conducting the negotiations, and shall execute any documents necessary to do so.

SECTION 17.0. CHANGES TO IGRA.

This Compact is intended to meet the requirements of IGRA as it reads on the effective date of this Compact, and, when reference is made to IGRA or to an implementing regulation thereof, the referenced provision is deemed to have been incorporated into this Compact as if set out in full. Subsequent changes to IGRA that diminish the rights of the State or the Tribe may not be applied retroactively to alter the terms of this Compact, except to the extent that federal law validly mandates retroactive application without the State's or the Tribe's respective consent.

SECTION 18.0. MISCELLANEOUS.

Sec. 18.1. Third-Party Beneficiaries.

Notwithstanding any provision of law, this Compact is not intended to, and shall not be construed to, create any right on the part of a third party to bring an action to enforce any of its terms.

Sec. 18.2. Complete Agreement.

This Compact, together with all appendices, sets forth the full and complete agreement of the parties and shall replace and supersede any prior compacts, amended compacts, agreements or understandings with respect to the subject matter hereof.

Sec. 18.3. Construction.

Neither the presence in another Tribal-state Class III Gaming compact of language that is not included in this Compact, nor the absence in another tribal-state Class III Gaming compact of language that is present in this Compact shall be a factor in construing the terms of this Compact. In the event of a dispute between the parties as to the language of this Compact or the construction or meaning of any term hereof, this Compact will be deemed to have been drafted by the parties in equal parts so that no presumptions or inferences concerning its terms or interpretation may be construed against any party to this Compact.

Sec. 18A. Successor Provisions.

Wherever this Compact makes reference to a specific statutory provision, regulation, or set of rules, it also applies to the provision, regulation, or rules, as they may be amended from time to time, and any successor provision, regulation or set of rules.

Sec. 18.5. Ordinances and Regulations.

Whenever the Tribe adopts or amends any ordinance or regulations required to be adopted and/or maintained under this Compact, in addition to any other Compact obligations to provide a copy to others, the Tribe shall upon request provide a copy of such adopted or amended ordinance or regulations to the State Gaming Agency within thirty (30) days of the effective date of such ordinance or regulations.

Sec. 18.6. Calculation of Time.

In computing any period of time prescribed by this Compact, the day of the event from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a legal holiday under the Tribe's laws, State law, or federal law, Unless otherwise specifically provided herein, the term "days" shall be construed as calendar days.

Sec. 18.7. Force Majeure.

In the event of a force majeure event, including but not limited to: an act of God; accident; fire; flood, earthquake; or other natural disaster; strike or other

labor dispute; riot or civil commotion; act of public enemy; enactment of any rule; order or act of a government or governmental instrumentality; effects of an extended restriction of energy use; and other causes of a similar nature beyond the Tribe's control that causes the Tribe's Gaming Operation or Facility to be inoperable or operate at significantly less capacity; the parties agree to meet and confer for the purpose of discussing the event and the appropriate actions given the circumstances.

Sec, 18.8. Representations.

- (a) The Tribe expressly represents that as of the date of the undersigned's execution of this Compact the undersigned has the authority to execute this Compact on behalf of the Tribe, including any waiver of sovereign immunity and the right to assert sovereign immunity therein, and will provide written proof of such authority and of the ratification of this Compact by the tribal governing body to the Governor no later than thirty (30) days after the execution of this Compact by the undersigned.
- (b) The Tribe further represents that it is (i) recognized as eligible by the Secretary of the Interior for special programs and services provided by the United States to Indians because of their status as Indians, and (ii) recognized by the Secretary of the Interior as possessing powers of self-government.
- (c) In entering into this Compact, the State expressly relies upon the foregoing representations by the Tribe, and the State's entry into the Compact is expressly made contingent upon the truth of those representations as of the date of the Tribe's execution of this Compact through the undersigned. If the Tribe fails to timely provide written proof of the undersigned's aforesaid authority to execute this Compact or written proof of ratification by the Tribe's governing body, the Governor shall have the right to declare this Compact null and void.
