

DEPARTMENT OF THE INTERIOR**Bureau of Indian Affairs****Indian Gaming**

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of Approved Tribal-State Compact.

SUMMARY: Pursuant to 25 U.S.C. 2710, of the Indian Gaming Regulatory Act of 1988 (Pub. L. 100-497), the Secretary of the Interior shall publish, in the Federal Register, notice of approved Tribal-State Compacts for the purpose of engaging in Class III (casino) gambling on Indian reservations. The Assistant Secretary-Indian Affairs, Department of the Interior, through his delegated authority, is publishing the Compact between the Sovereign Indian Nation of the Sac and Fox Tribe of the Mississippi in Iowa and the Sovereign State of Iowa to Govern Class III Gaming on Indian Lands of the Sac and Fox Tribe of the Mississippi in Iowa and Amendment No. 1, which is considered approved, but only to the extent the compact, as amended, is

consistent with the provisions of the Indian Gaming Regulatory Act (IGRA). **SUPPLEMENTARY INFORMATION:** Initially, it was concluded that section 17 of the compact, entitled "Jurisdiction," violated Federal law by extending the Sac and Fox Tribe's criminal jurisdiction to non-members who consent to such jurisdiction. While Indian tribes may exercise criminal jurisdiction over non-member Indians, the United States Supreme Court has held that "Indians do not have criminal jurisdiction over non-Indians absent affirmative delegation of such power by Congress." See *Oliphant v. Suquamish Indian Tribe*, 435 U.S. 191, 208 (1978). Accordingly, non-Indians can not consent to criminal jurisdiction which does not exist. Thus, the attempt in Section 17 to extend tribal criminal jurisdiction to non-Indians violated Federal law.

Amendment No. 1, executed on April 9, 1992, to the Compact between the Sac and Fox Tribe of Mississippi in Iowa and the State of Iowa removes all compact provisions pertaining to criminal jurisdiction over non-members. Because the Tribe no longer attempts to exercise criminal jurisdiction over non-

Indians, the compact does not violate Federal law.^t

Because of the expiration of the 45 days specified in 25 U.S.C. 2710(d)(8)(B) in which the Secretary could approve or disapprove this compact, the Compact between the Sovereign Indian Nation of the Sac and Fox Tribe of the Mississippi in Iowa and the Sovereign State of Iowa to Govern Class III Gaming on Indian Lands of the Sac and Fox Tribe of the Mississippi in Iowa, executed on March 3, 1992, is considered approved, as amended, as specified in 25 U.S.C. 2710(d)(8)(B) to the extent that it is consistent with the IGRA.^t

BILLING CODE 4310-02-M

United States Department of the Interior

OFFICE OF THE SECRETARY
Washington, D.C. 20240

APR 24 1992

Honorable Keith C. Davenport
Chief, Sac and Fox Tribal Council
Route 2, Box 56C
Tama, Iowa 52339

Dear Chief Davenport:

On March 16, 1992, we received the tribal-state compact between the Sac and Fox Tribe of Mississippi in Iowa and the State of Iowa, accompanied by Tribal Resolution No. 7-1992 authorizing the Chief to enter into the compact. On April 13, 1992, we received Amendment No.1, accompanied by Tribal Resolution No. 12-1992 authorizing the Chief to execute the amendment to the compact.

Because the 45 day statutory time period in which the Secretary may approve or disapprove a compact has expired, the compact, as amended, is considered approved but only to the extent the compact is considered consistent with the Indian Gaming Regulatory Act (IGRA). Pursuant to my delegated authority and Section 11 of the IGRA, 25 U.S.C. 2710, we approve the compact, as amended.

Initially, we concluded that Section 17 of the compact, entitled "Jurisdiction," violated Federal law by extending the Sac and Fox Tribe's criminal jurisdiction to non-members who consent to such jurisdiction. While Indian tribes may exercise criminal jurisdiction over non-member Indians, the United States Supreme Court has held that "Indians do not have criminal jurisdiction over non-Indians absent affirmative delegation of such power by Congress." See *Oliphant v. Suquamish Indian Tribe*, 435 U.S. 191, 208 (1978). Accordingly, non-Indians can not consent to criminal jurisdiction which does not exist. Thus, the attempt in Section 17 to extend tribal criminal jurisdiction to non-Indians violated Federal law.

However, Amendment No. 1 to the Compact between the Sac and Fox Tribe of Mississippi in Iowa and the State of Iowa removes all compact provisions pertaining to criminal jurisdiction over non-members. Because the Tribe no longer attempts to exercise criminal jurisdiction over non-Indians, the compact does not violate Federal law.

The Sac and Fox Tribe of Mississippi in Iowa - State of Iowa Compact shall take effect when notice of our approval, pursuant to Section 11(d)(3)(B) of the IGRA, is published in the FEDERAL REGISTER.

For your information, Section 11(d) of the IGRA requires the Chairman of the National Indian Gaming Commission (Commission) to approve tribal ordinances authorizing Class III gaming. The Commission does not yet have final regulations governing such approvals. When those regulations are issued, you must submit the tribal ordinance to the Commission.

We wish you and the state the best of luck in this economic endeavor.

Sincerely,

(s) RICHARD C. WHITESELL

Acting Assistant Secretary - Indian Affairs

occurred within the last ten years, a license shall be issued if the Tribe determines that sufficient evidence of rehabilitation exists. The Tribe shall temporarily deny a license and shall suspend an existing license if charges are pending against an applicant which, if resulting in a conviction, would disqualify the applicant from receiving or holding a license.

- (c) Applicants must not have been denied a gaming license by the State of Iowa or any other gaming licensing jurisdiction, or currently have a gaming license which has been suspended by the State of Iowa or any other gaming licensing jurisdiction, or have had a gaming license revoked by the State of Iowa, or any other gaming licensing jurisdiction.

- (e) Applicants must be of good moral character.
- (f) The license shall be nontransferable and shall prohibit the licensee from transferring any of its rights or duties relating to the license either directly or indirectly.

7.2 Revocation of License. The Tribe shall revoke an existing license upon the happening of any event which would have made the licensee ineligible for a license if the event had occurred prior to the issuance of a license.

7.3 Background Investigations. Prior to issuing a license the Tribe shall cause background investigations, in accordance with the Act, the Gaming Ordinance, and other requirements specified in this Section, to be conducted on applicants to verify the truthfulness of the information provided by the applicant to the Tribe and to ensure that persons and entities licensed by the Tribe are eligible for licensure.

At a minimum, background applications shall require the applicant to make a sworn statement containing the following information:

- (i) Whether the applicant has ever held a gambling related license issued by any state, Indian tribe or any other jurisdiction, the jurisdiction in which the license was issued, the type of license, the license number, the details surrounding any suspension, revocation, or other disciplinary action taken based on the license, and if not current, the reason it is not current;
- (j) Whether the applicant has ever had any experience related to any agreement with any gaming operation, the exact nature of the applicant's role in the operation, the name and address of all parties to the agreement, the place the agreement was performed, and the dates covered by the agreement;

investment, the name and address of all other investors holding an interest of ten (10) percent or more in the gaming operation, and the name and address of the gaming operation;

7.4 Background investigations may be conducted by the Federal Bureau of Investigation, by the DCI or by another agency mutually agreeable to the Tribe and the Director. If the DCI performs background investigations, the investigations shall be performed pursuant to terms mutually acceptable to the Tribe and the DCI. This provision shall not be construed as requiring the Tribe to use the DCI to perform all background investigations or as requiring the DCI to perform all background investigations requested by the Tribe.

8. MINIMUM STANDARDS FOR INSPECTION AND APPROVAL OF GAMBLING DEVICES

Prior to the installation and use of a Gambling Device, the Tribe shall inspect, test and consider the Gambling Device for its approval. The Tribe shall not approve a Gambling Device unless the tests conducted indicate that such Gambling Device meets the minimum standards set forth in Appendix "A" of this Compact (as amended from time to time by

mutual agreement of the parties) or unless an identical Gambling Device is currently approved for use by the Iowa Racing and Gaming Commission. If an identical Gambling Device is currently approved for use by the Iowa Racing and Gaming Commission, the Tribe may waive the inspection and testing requirements for such Gambling Device.

In the event a particular Gambling Device has not been approved by the Iowa Racing and Gaming Commission but has been approved by a gaming regulatory body of the states of Nevada, South Dakota or New Jersey, and the test results from such jurisdictions show that the Gambling Device meets the standards set forth in Appendix "A", then the Gambling Device may be authorized for use by the Tribe provided that a copy of the test results indicating that the device complies with Appendix "A" is obtained and forwarded to the Tribe and the manufacturer of the Gambling Device certifies to the Tribe and the Director that each Gambling Device to be shipped complies in all respects with the standards in Appendix "A". The Director and the Tribe shall agree upon the identity of the gaming test laboratories which can be utilized under this Section.

9. SECURITY AND SURVEILLANCE

The Tribe agrees to establish security and surveillance procedures including, at a minimum, the employment of a reasonably adequate security force, providing for a certified peace officer with the power to arrest all persons committing gaming violations to be present at all times when gambling is

being conducted, and the installation, maintenance and operation of security and surveillance equipment at least meeting the standards described in Appendix "C". The possession of firearms shall be prohibited at all times within the gambling area and adjacent facilities except for certified law enforcement officers on duty.

10. ACCOUNTING AND CASH CONTROL

Prior to implementation of any authorized gaming, the Tribe shall implement a cash management and control system designed or approved by a certified public accountant, or another person or entity mutually agreeable to the Tribe and the Department, to be used by the Tribe in all authorized gaming facilities. The system used shall be suitable for use in a casino operation and shall be specifically designed to prevent and detect skimming and money laundering. A description of the system shall be provided to the Director at least twenty (20) days prior to implementation. The Director may provide the Tribe with comments on the system and with suggestions for improving it.

11. OPERATING PROCEDURES AND GAME RULES

All Class III Gaming shall be played in conformance with this Compact, the Act and the Gaming Ordinance.

The Class III Gaming operation shall be operated for cash only; no credit may be extended. However, the Tribe may offer check cashing and credit card transactions including cash advances, as routinely offered by other businesses in the state of Iowa. This provision shall not be construed as

allowing credit to be offered by the Tribe or any Management Contractor or any other person or entity other than through a bona fide credit card company whose services are offered to other businesses in the state of Iowa. Personal checks accepted by the Tribe must be deposited into a financial institution on the banking day following the receipt of such check.

Prior to implementing any game, the Tribal gaming agency will approve all game rules and make the rules available to the gaming public.

12. AUDITS, INSPECTIONS AND FACILITY AND RECORDS ACCESS

The Tribe shall cause an independent certified public accountant to audit the books, records and gaming and cash procedures and equipment of all authorized Class III Gaming activities at least once in each fiscal year.

Prior to employing a certified public accountant, the Tribe shall notify the Director of the identity and qualifications of the certified public accountant. Unless there is an objection from the Director within fifteen (15) days following the Director's receipt of the Tribe's notice, the Tribe may employ the certified public accountant. If the Director objects to the Tribe employing a particular certified public accountant, the Director shall inform the Tribe of the reasons for his position. The Tribe agrees not to employ any certified public accountant whose qualifications are disputed by the Director.

The Tribe and the Director shall mutually agree on the

scope of the audits to be conducted by the auditor. At a minimum, the audits shall include the review of all records necessary to determine whether authorized gaming is being conducted in conformance with this Compact, the Gaming Ordinance, the Regulations and other applicable laws. All audits shall be conducted pursuant to the AICPA Standards for Audits of Casinos when applicable.

In the event that Iowa has probable cause to believe that an audit will provide evidence of criminal activity related to the conduct of the Tribe's Class III Gaming, the Director may notify the Tribe and request that the Tribe obtain an audit specifically pertinent to the alleged criminal activity. The audit shall examine such books, records, equipment and procedures of the Tribe's gaming operation, including the records of any Management Contractor, as may be relevant to the alleged criminal activity and to ensure compliance with this Compact, the Gaming Ordinance, the Regulations and other applicable laws. Within ten days (10) following receipt of such notification, the Tribe agrees to initiate such audit as may be necessary to fully investigate the alleged criminal activity. Upon completion of the audit, the Tribe agrees to provide the Director with a copy of the audit report. Upon request, the Tribe also agrees to provide the Director with other audit material necessary to explain any identified part of the audit report. Any audit conducted by the Tribe for the purpose of investigating the alleged criminal activity shall

not be construed as limiting any law enforcement activities of the state of Iowa.

Upon at least twenty-four (24) hours advance notice to the Tribe's gaming agency, authorities of Iowa may enter upon the premises of an authorized gaming facility at any time during ordinary business hours for the purpose of conducting routine facility inspections, including equipment testing on the premises, and casino surveillance, as may be necessary to determine compliance with the Act and this Compact. Members of the gaming agency shall not communicate to any person other than the Tribal Chairman, Iowa's intent to conduct a routine facility inspection. Upon the reasonable request of Iowa, the Tribe shall provide Iowa access to all areas of their Class III Gaming facilities and their records and shall ensure that all licensees make their records and facilities available to Iowa. The Tribe shall ensure that information requested by Iowa is provided by all persons possessing the requested information and that a suitable office is provided in which the State may review records and other information provided by the Tribe. In the event that the State provides the Tribe with a written statement explaining a purpose directly related to ensuring compliance with the Act and this Compact and makes a reasonable request for permission to copy, remove from the premises and retain copies of materials and documents related to such purpose, the Tribe, after inventorying, will make available the material and documents requested.

Throughout the term of this Compact and during the pendency of any litigation arising from this Compact, and for one (1) year following the termination of this Compact, the Tribe shall ensure that all books and records relating to authorized gaming activities, including the records of any Management Contractor and the Tribe, are separately maintained in order to facilitate auditing of these books and records to ensure compliance with this Compact. All records shall be maintained pursuant to generally accepted accounting principles and shall be suitable for audit pursuant to the standards of the American Institute of Certified Public Accountants.

13. TRIBE'S ACCESS TO STATE RECORDS

The Director agrees to provide the Tribe with a copy of any records pertaining to any tests of Class III Gaming-related equipment conducted by the State at the Tribe's gaming facility and any other reports made by any State employee, agent or official related to Class III Gaming conducted at the Tribe's gaming facility, provided that disclosure of the test results or reports would not compromise any ongoing law enforcement investigations or activities or violate any applicable law. Whenever a law enforcement investigation or activity is no longer ongoing, the Director shall provide to the Tribe any withheld reports or test results provided that provision of the reports to the Tribe would not violate any applicable law.

14. DOCUMENTS PROVIDED BY THE TRIBE TO THE STATE

Within a reasonable time following a written request, which shall include a statement explaining a purpose directly related to ensuring compliance with the Act and this Compact and that identifies with specificity information pertinent to such stated purpose, the Tribe shall provide the Director with the requested information. In addition, the Tribe shall provide the Director with a copy of its current Gaming Ordinance, its Regulations and all subsequent amendments to the Gaming Ordinance and the Regulations. The Tribe shall also provide the Director with a copy of the results of all equipment or program tests, all Management Contracts and all contracts or leases for gaming equipment or services. The Tribe shall routinely provide the DCI with a copy of all background applications and the results of all background investigations, with information concerning any suspected or proven violations of the terms of this Compact, the Gaming Ordinance, the Regulations or other applicable laws and with information describing the steps taken by the Tribe to remedy such violations.

All copies shall be provided by the Tribe as soon as is reasonably practical but no later than ten (10) calendar days after the documents are received by the Tribe or the Tribe becomes aware of a suspected or proven violation of this Compact, the Gaming Ordinance, the Regulations or other applicable laws.

15. COVENANT OF CONFIDENTIALITY

Except as otherwise required by law or as allowed by the

exceptions specified below, Iowa agrees to forever maintain in confidence and never to disclose to any third party any financial information, proprietary ideas, plans, methods, data, developments, inventions or other proprietary information regarding the gambling enterprises of the Sac and Fox Tribe, games conducted by the Sac and Fox Tribe, or the operation thereof which is provided to the State by the Tribe. Nothing contained in this Section shall be construed to prohibit:

- (a) The publication of statistics, provided that there is no direct or indirect identification that the statistics relate to the gaming operation of the Tribe;
- (b) The furnishing of any information to a law enforcement or regulatory agency of the United States government or another State, to any subdivision of the State of Iowa, including counties, or to the National Indian Gaming Commission;
- (c) Iowa from making known the names of persons, firms or corporations conducting Class III Gaming activities pursuant to the terms of this Compact, locations at which such activities are conducted or the dates on which such activities are conducted;
- (d) Publishing the terms of this Compact;
- (e) Disclosing to a law enforcement or regulatory agency of the United States government or to any subdivision of the state Iowa, including counties, information necessary to audit, investigate or prosecute violations of this Compact or other applicable laws or to defend suits against the State;
- (f) Complying with any law, subpoena or court order; or
- (g) Disclosing audit or test results provided that disclosure would not compromise the security of the gaming facility or reveal proprietary information, and provided further, that disclosure is limited to circumstances where the audit or test results demonstrate detriment to the public. Whenever the

audit or test results demonstrate detriment to the public, disclosure, if any, will not occur until at least thirty (30) days following the date on which the State has notified the Tribe of its intent to disclose. The notice will identify those aspects of the audit or test results considered by the State to demonstrate detriment to the public. If by the close of such thirty (30) day period, the Tribe has acted to or has corrected any audit or test result matters considered by the State to demonstrate detriment to the public, disclosure shall include a statement of the facts pertaining to the actions taken or corrections made by the Tribe to eliminate such detriment.

16. GAMING CONDUCTED SOLELY ON INDIAN LANDS

Except as indicated in the following paragraph all authorized Class III Gaming shall be conducted solely on Indian Lands as defined in this Compact. Authorized Class III Gaming is conducted solely on Indian Lands only if all consideration wagered is placed by players physically located on Indian Lands at the time the wager is made, all activities performed by the player to participate in the game physically occur on Indian Lands, and all activities related to determining and validating winners occur on Indian Lands. The activities prohibited by this Section, include, without limitation, placing bets or playing games by telephone or by mail unless calls both originate and terminate on Indian Lands and unless correspondence is sent from an address on Indian Lands to an address on Indian Lands. Winners may receive prize winnings outside the boundaries of Indian Lands without violating this provision.

Nothing in this Section shall prevent the Tribe from conducting inter-reservation Class III Gaming by means of telecommunications, satellite or technologic or computer

enhancement provided that the gaming conforms to the requirements of federal law including the Act, this Compact, the laws, rules and regulations of all Tribes involved in the gaming, and to the terms of an effective tribal/state compact which governs the gaming activities of each tribe participating in the gaming. Inter-reservation gaming conducted by means of telecommunications, satellite or technologic or computer enhancement must, however, be conducted solely on "Indian lands" (as that term is currently defined in Section 4(4) of the Act, 25 U.S.C. sec. 2703(4), and as that term is limited by Section 20 of the Act, 25 U.S.C. sec. 2719) which belongs to one of the participating tribes.

17. JURISDICTION

Criminal Jurisdiction of the Tribe. Subject to such criminal jurisdiction as may be reserved to the United States under the Act or other applicable federal law or as otherwise provided herein, the Tribe shall exercise criminal jurisdiction concurrent with, but independent of, the State over Tribal Members whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Indian Lands and over all property related to any authorized or unauthorized Class III Gaming activities on Indian Lands.

Subject to such criminal jurisdiction as may be reserved to the United States under the Act or other applicable federal law or as otherwise provided herein, and provided that the Tribe has the retained sovereign power to do so, the

Tribe shall also exercise criminal jurisdiction concurrent with, but independent of, the State over persons, not members of the Tribe, who have consented to the exercise of such jurisdiction and whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Indian Lands.

Whenever the Tribe has reason to believe that any person or entity has violated this Compact, the Regulations, the Gaming Ordinance or other law applicable to a Class III Gaming activity, the Tribe shall request that law enforcement authorities of the Tribe and the United States investigate the violation. The Tribe shall take all reasonable steps to ensure that all violations are detected and appropriately prosecuted by the Tribe or the United States Attorney.

The Tribe shall have jurisdiction to commence prosecutions for violation of any applicable criminal law, including Tribal law, arising out of any investigation conducted by any governmental authority provided that the subject of such criminal prosecution is a Tribal Member or a person, not a member of the Tribe, who has consented to the Tribe's criminal jurisdiction. Provided that the Tribe has a criminal justice system with the authority to exercise the Tribe's criminal jurisdiction and provided that the Tribe is authorized under Tribal and/or federal law to impose a penalty commensurate with the crime, Iowa agrees not to exercise criminal jurisdiction until after the Tribe has had a reasonable opportunity to prosecute any criminal activity

relating to Class III Gaming on Indian Lands and has failed to do so.

Criminal Jurisdiction of the State of Iowa. Subject to the provisions of this Section pertaining to the concurrent criminal jurisdiction of the Tribe, the State of Iowa shall exercise criminal jurisdiction over all persons, including without limitation, players of authorized gaming, all licensees and all other persons or entities whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Indian Lands. Except as limited by this Compact, the State's criminal laws shall apply on Indian Lands as elsewhere in the State of Iowa. The State's criminal jurisdiction shall be exercised concurrently with, but independently of, the criminal jurisdiction held by the Tribe and the United States.

If as part of the State's exercise of its criminal jurisdiction, property used in violation of this agreement or applicable Iowa law is subject to forfeiture under the civil forfeiture laws of the State of Iowa, any property owned by the Tribe at the time the property was seized shall not be forfeited.

Whenever State law enforcement authorities engage in any law enforcement activity on Indian Lands related to Class III Gaming, Tribal law enforcement authorities who have certified peace officer status on Indian Land and who have received training equivalent to the training provided at the Iowa Law Enforcement Academy shall be notified in advance and shall

accompany said authorities executing warrants on Indian Land or carrying out other law enforcement activities authorized by this Compact on Indian Land. In carrying out any law enforcement activity pursuant to this Compact, State law enforcement authorities will cooperate with Tribal law enforcement authorities to minimize any disruption to Class III Gaming that may result from their law enforcement activity. The State shall be relieved of its obligations of notification and cooperation if notification or cooperation would be contrary to law or would likely jeopardize the State's law enforcement activities.

Civil Regulatory Jurisdiction. Except as otherwise provided in this Compact, the Tribe shall exercise exclusive civil regulatory jurisdiction over players of authorized Class III Gaming, licensees and other persons or entities whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Indian Lands and over all property related to Class III Gaming on Indian Land.

Civil Jurisdiction. Except as otherwise provided in this Compact, the Tribe shall exercise jurisdiction concurrent with, but independent of, the State of Iowa over all private civil matters involving players of authorized Class III Gaming, licensees and other persons and entities and that involve the transaction of any business or the commission of tortious acts on or within Indian Land or on or within any other property related to Class III Gaming on Indian Land. The Tribe shall also have such concurrent

jurisdiction over any person who commits a tortious act outside of Indian Land provided that such person regularly does or solicits business, or engages in any other persistent course of conduct, or derives substantial revenue from goods used or consumed or services rendered on Indian Land, or expects or should reasonably expect the act to have consequences on Indian Land and derives substantial revenue from interstate or international commerce. Nothing in this paragraph shall be construed to prohibit any person from contractually or otherwise lawfully agreeing that the Tribe shall have sole jurisdiction to determine any civil matter covered by this paragraph.

Discretion to Exercise Jurisdiction. The jurisdiction held by the State pursuant to this Compact does not obligate the State to take any action on Indian Lands. In addition, this Compact shall not be construed as creating an obligation between the State or the Tribe to any third party which would require the State or the Tribe to take any action pursuant to the jurisdiction held by either the State or the Tribe.

Effect of this Compact on Existing Rights of the State and the Tribe. Nothing in this Section shall be construed as granting the State of Iowa civil or criminal jurisdiction over activities on Indian Lands other than the activities specified in this Section which relate to Class III Gaming activities or as applying to or diminishing the Tribe's or State's civil or criminal jurisdiction over activities on Indian Lands which exists independently of the Indian Gaming

Regulatory Act and this Compact.

18. TAXES

Nothing in this Compact shall be construed as imposing any tax on any Class III Gaming activity. In addition, nothing in this Compact shall be construed as expanding or diminishing Iowa's authority, if any, to impose any tax on the Tribe or any person or entity authorized by the Tribe to engage in authorized Class III Gaming on Indian Lands or on any Class III Gaming activity.

19. AMENDMENTS AND WAIVERS

The terms and conditions of this Compact shall not be modified, amended or otherwise altered except by written agreement of the parties. Any written waiver of any provision or requirement of this Compact signed by the party waiving the provision and any modification or amendment of any provision of this Compact or any Appendix to this Compact that is agreed upon by the parties in writing shall take effect immediately upon the date such waiver, modification or amendment is approved by the Secretary. The Director may waive any provisions or requirements of this Compact which are imposed by Iowa on the Tribe by providing the Tribe with written notice of the waiver. Any waiver provided by the Director shall not constitute a waiver of any future deviation from the terms of this Compact unless the waiver specifically addresses future deviations. The Tribe may waive any provision or requirement of this Compact imposed on the State in a similar manner and with similar effect.

20. REMEDIES FOR BREACH OF COMPACT

20.1 Breach Of This Agreement By Tribe And Dispute Resolution. In the event that the Tribe or its employees, representatives, contractors, licensees or agents fail to comply with any material term of this agreement, the Director may suspend this agreement in whole or in part, terminate this agreement in its entirety, and/or seek any other remedy authorized by law. In the event of termination or suspension, gaming activities previously conducted pursuant to this agreement shall cease. All remedies provided in this agreement are cumulative and non-exclusive.

Prior to suspending or terminating this agreement or seeking any other remedy authorized by law, the Director shall deliver a written notice to the Tribe which identifies the conduct which violates this agreement, describes the action which would cure the default and which specifies the date on which the notice period will end. The notice must precede remedial action taken by the Director by a minimum of thirty (30) calendar days, provided however that if the Tribe notifies the Director within such period that the alleged default is not reasonably susceptible to cure within such thirty (30) day period, the Director may agree to an extension of the period in which the default may be cured. If the default is not cured by expiration of the notice period (together with any extension granted by the Director), or if the Tribe has not presented a plan to cure the default which is acceptable to the Director, or if the Tribe has not

requested mediation to aid in the determination of the existence of a default prior to termination or suspension, the Director may suspend or terminate this agreement by providing written notice of suspension or termination to the Tribe and/or may seek any other remedy authorized by law.

The Tribe may request mediation to assist in determining whether the default alleged by the Director exists. The Tribe shall choose the mediator and shall pay any fees and expenses of the mediator. The sole issue to be resolved with the assistance of the mediator shall be the existence of the default alleged by the Director. The parties shall negotiate with the assistance of the mediator for a period not to exceed forty-five (45) days from the Tribe's request for mediation in an effort to mutually agree as to whether the alleged default exists. At the conclusion of the forty-five (45) day period, the Director may exercise his right to suspend or terminate this agreement if the Director and the Tribe have not mutually agreed that a default has not occurred. Any action by the Director to suspend or terminate this agreement shall be preceded by at least thirty (30) days written notice to the Tribe of the Director's intention to suspend or terminate this agreement. If the Tribe remedies the default to the Director's satisfaction prior to the expiration of such period as may be stated in the Director's notice of suspension or termination, no suspension or termination shall occur.

The Tribe's request for mediation shall not prevent or

delay the Director's pursuit of any remedy authorized by law other than the right to terminate or suspend this agreement.

Nothing in this Section shall apply to or limit any law enforcement activities conducted by the Director or the State.

20.2 Breach Of This Agreement By The State And Dispute Resolution. In the event that the State fails to comply with any material term of this Compact, the Tribe may seek any remedy authorized by law or equity.

Prior to seeking any such remedy the Tribe shall deliver a written notice to the Director which identifies the conduct which violates this Compact, describes the steps which must be taken to cure any default, if a cure is possible, and which specifies the date on which the notice period will end. The notice must precede remedial action taken by the Tribe by a minimum of thirty (30) calendar days. If the default is not cured within the notice period the Tribe may immediately seek any available remedy without further notice.

20.3 Dispute Resolution--Non-Exclusiveness. Nothing in Section 20 of this Compact shall be construed to preclude, limit or restrict the ability of the parties to pursue, by mutual agreement, alternative methods of dispute resolution, whether binding or non-binding including, but not limited to, arbitration, mediation, mini-trials, or judicial resolution firms; provided, however, that neither party is under any obligation to agree to such alternative methods of dispute resolution.

21. EXTENSION OF OBLIGATIONS

The expiration or termination of this Compact shall not relieve either the State of Iowa or the Sac and Fox Tribe of any obligation which arose under this Compact during the period in which it was in effect.

22. SEVERABILITY

If any part of this Compact is finally found to be in violation of any applicable law by a court of competent jurisdiction, the illegal portion shall be severed from this Compact if possible and the remainder of this Compact shall remain valid and enforceable provided that continuation of the Compact does not alter the fundamental intent of the parties.

23. THIRD-PARTY BENEFICIARIES

This Compact is not intended to create any third-party beneficiaries and is entered into solely for the benefit of the Sac and Fox Tribe and the State of Iowa.

24. PROVISION OF COMPACTS TO THE TRIBE

In the event that another Indian Tribe executes a compact with Iowa for the conduct of Class III Gaming, Iowa shall provide a copy thereof to the Sac and Fox Tribe within five (5) days following execution by both the Tribe and the State.

25. NOTICES

Unless otherwise indicated differently, all notices, payments, requests, reports, information or demands which any party hereto may desire and may be required to give the other

party hereto, shall be in writing and shall be personally delivered or sent by telefax, telegram or first class certified or registered United States mail, postage prepaid, return receipt requested, and sent to the other party at its address appearing below or such other address as either party shall hereinafter inform the other party by written notice given as previously required:

All notices, payments, requests, reports, information or demands so given shall be deemed effective upon receipt or the expiration of the third day following the day of mailing, whichever occurs first, except that any notice of change of address shall be effective only upon receipt by the party to which the notice is addressed.

26. CALCULATION OF TIME

In computing any period of time prescribed or allowed by this Compact or any laws, rules or regulations of the Sac and Fox Tribe, the day of the act, event or default from which the designated period of time begins to run shall not be

included. The last day of the period so computed shall be included, unless the last day is a Saturday, Sunday or a legal holiday under Sac and Fox Tribal law, Iowa law, or federal law. If the act to be done is the filing of or providing access to any report or document, and the last day of the period falls on a day in which the weather or other conditions have made the office in which the report or document is to be filed inaccessible, the designated period shall extend until the end of the next day on which the office is accessible which is not a Saturday, Sunday or legal holiday. When the period of time prescribed or allowed is less than eleven (11) days, intermediate Saturdays, Sundays and legal holidays under Sac and Fox Tribal law, Iowa law or federal law shall be excluded from the computation period.

27. COUNTERPARTS

This Compact may be executed by the parties in any number of separate counterparts with the same effect as if the signatures were upon the same instrument. All such counterparts shall together constitute one and the same document.

28. ASSIGNMENT OF COMPACT BY IOWA OR THE SAC AND FOX TRIBE

Neither Iowa nor the Sac and Fox Tribe may assign any of its respective rights, title or interest in the Compact, nor may Iowa or the Sac and Fox Tribe delegate any of their respective obligations and duties under this Compact, except as expressly provided in this Compact. Any attempt at assignment or delegation in contravention of the foregoing

shall be null and void. The Sac and Fox Tribe may, without violating this Section, delegate its regulatory responsibilities to an agency of the Tribe, enter into a Management Contract, or enter into a cross-deputization, mutual assistance or other similar agreement with a law enforcement agency of the United States or the State of Iowa. The State may, without violating this Section, delegate its responsibilities to any subdivision of the State of Iowa, to any county authorities in the State of Iowa or enter into a cross-deputization agreement with a law enforcement agency of the United States.

29. GOVERNING LAW

This Compact is, in all respects, to be governed by the laws of the United States of America. In the event the governing law of the United States looks to the law of a particular state for its content, the law applicable in this instance shall be the laws of the State of Iowa.

30. RENEGOTIATION

Renegotiations of the provisions of this Compact as contemplated in Section 34 shall be conducted in good faith pursuant to the terms of this Compact and the terms of the Act as though the renegotiation were a request to negotiate a Compact. The Tribe and the State shall both execute their obligations pursuant to this Compact reasonably and in good faith.

31. RIGHTS AVAILABLE UNDER THE ACT

Nothing in this Compact shall be construed to limit the

rights or remedies available to the parties under the Act.

32. TRIBAL AND STATE SOVEREIGNTY

This Compact shall not be construed to waive or diminish the sovereignty or any sovereign immunity of the Tribe or Iowa.

33. EFFECTIVE DATE

This Compact shall be effective upon signature by both parties, approval by the Secretary and publication by the Secretary in the Federal Register in accordance with the Act.

34. DURATION

Unless earlier terminated pursuant to the terms of this Compact, this Compact shall remain effective for a period of two years following the effective date of this Compact. The term of this Compact may be extended for such term as the parties may agree. In the event that the Tribe or State shall seek a renegotiation of this Compact at the expiration of the existing term, the Tribe shall notify the Director or, as the case may be, the Director shall notify the Tribe, of its intent to renegotiate this Compact at least 120 days prior to the expiration of such term. The notice to renegotiate shall be in writing and shall describe the issues to be reconsidered. Negotiations shall commence not later than twenty days following receipt of the notice and shall be conducted in good faith by both parties. In the event that the Tribe requests renegotiation, the term of this Compact shall be automatically extended and shall continue in effect throughout such period of renegotiation. However, the

renegotiation period shall not exceed one (1) year unless a longer period is otherwise agreed to by the parties. In addition, if the process of renegotiation should result in the initiation of a suit by the Tribe against the State of Iowa alleging that Iowa has negotiated in bad faith, the term of this Compact shall be extended and shall continue in effect until the final conclusion of such litigation, including any appeals, or until the expiration of the three (3) year period immediately following the date on which the Tribe and Iowa commenced renegotiations.

35. AUTOMATIC TERMINATION

This Compact shall automatically terminate if the Tribe passes an Ordinance or series of Ordinances which result in discontinuing all authorized Class III Gaming for a period of at least one (1) year or if the Tribe fails to initiate operation of at least one (1) of the games authorized by this Compact within the one (1) year period following the effective date of this Compact. Nothing in this Compact shall be interpreted as preventing the Tribe from terminating any gaming activity conducted pursuant to this Compact at any time.

36. NO SEPARATE ENTITY OR COOPERATIVE RELATIONSHIP

This Compact is not intended to create any separate administrative or legal entity. Nothing in this Compact shall be construed as creating any third-party beneficiaries, a partnership, joint venture, or other joint or cooperative relationship between Iowa and the Tribe for the purposes of

conducting or regulating authorized Class III Gaming activities. The Tribe shall not represent to others that the gaming conducted by or on behalf of the Tribe is licensed or endorsed by Iowa or a subdivision of Iowa.

37. INTEGRATION

This Compact, including the attached Appendices "A", "B" and "C", which are fully incorporated into this Compact by this reference as if written here, constitutes the entire agreement between the parties. Neither party is relying on any prior or other written or oral representation in entering into this Compact.

38. CHANGES IN IOWA OR FEDERAL LAW

The terms of this agreement are specifically made subject to such changes in Iowa and/or federal law which may enlarge, expand or increase or which may restrict, contract or decrease the Tribe's rights under this agreement. Nothing in this paragraph shall be construed as preventing the Tribe from challenging future legislation on grounds which are not based on the Tribe's rights resulting from this agreement.
