OFFICE OF THE SECRETARY  
Washington, D.C. 20240

Honorable Caleb Shields  
Chairman, Assiniboine and Sioux  
Tribes of the Fort Peck Reservation  
P.O. Box 1027  
Poplar, Montana 59255

Dear Chairman Shields:

On February 23, 1993, we received the Third Amendment to the April 6, 1992, Agreement Between the Assiniboine and Sioux Tribes of the Fort Peck Reservation (Tribe) and the State of Montana (State).

We have reviewed the Amendment and conclude that it does not violate the Indian Gaming Regulatory Act (IGRA), Federal law, or our trust responsibility. Therefore, pursuant to my delegated authority and Section 11 of the IGRA, we approve the Amendment. The Amendment shall take effect when notice of our approval, pursuant to Section 11(d)(3)(B) of the IGRA, is published in the FEDERAL REGISTER.

Notwithstanding our approval of the Amendment, Section 11(d)(1) of the IGRA (25 U.S.C. § 2710(d)(1)) requires that tribal gaming ordinances be approved by the Chairman of the National Indian Gaming Commission (NIGC). On July 8, 1992, the NIGC published in the FEDERAL REGISTER proposed regulations to govern approval of Class II and Class III gaming ordinances. The final regulations were published in the FEDERAL REGISTER on January 22, 1993 (58 Fed. Reg. 5802), and became effective on February 22, 1993. Under the statute and regulations, even previously existing gaming ordinances must be submitted to the NIGC for approval when requested by the Chairman. The Tribe may want to contact the NIGC at (202) 632-7003 for further information to determine when and how to submit the ordinance for approval by the NIGC.

Some tribal constitutions have an independent requirement that certain types of tribal ordinances be submitted to the Secretary of the Interior for approval before being effective. Article VII, Section 3, of the Constitution of the Assiniboine and Sioux Tribes of the Fort Peck Reservation would

appear to require the Secretary to approve the gaming ordinance. Authority to approve such ordinances on behalf of the Secretary has been delegated to the Superintendent.

We wish the Tribe and the State success in this economic venture.

Sincerely,

/s/ Stanley M. Speaks

**Third Amendment to the April 6, 1992  
Agreement between the Assiniboine and Sioux Tribes  
of the Fort Peck Reservation and the State of Montana  
Concerning Video Keno, Poker and Bingo Games,  
Simulcast Racing, and other Class III Gaming.**

Pursuant to Article VII B of the Agreement Between the Assiniboine and Sioux Tribes of the Fort Peck Reservation (hereinafter "Tribe") and the State of Montana Concerning Video Keno, Poker and Bingo Games, Simulcast Racing, and other Class III Gaming;

1. Appendix A d(iv) is amended as follows:

(iv) the machine must have three (3) locks: one in the area containing the logic board and software for the game, one to the logic board itself, and the other to the area housing the cash, except that a separate cash compartment shall not be required for coins necessary to pay prizes in a machine which pays prizes through a drop hopper. EPROMS contained on the logic board must be readily accessible from the front of the machine.

2. Appendix A d(vii) is amended as follows:

(vii) the machine must be capable of printing a ticket voucher for all credits owed the player at the completion of each game, or machines utilizing coin drop hoppers are permitted provided they are monitored by a game transaction management/reporting system of the type described in paragraph A d(xi) which has been approved by the State of Montana. A valid ticket must contain the following:

- (A) the name of the licensed establishment;
- (B) the name of the city, town, or county in which the licensed establishment is located;
- (C) the machine serial number or other unique identification number for the machine;

- (D) the time of day in hours and minutes in a 24 hour format;
- (E) the current date;
- (F) the program name and revision;
- (G) the value of the prize in numbers;
- (H) the value of the prize in words;
- (I) the sequential ticket number of the ticket voucher;

3. Subsection (1) d (xi) of Appendix A (General Specifications of Video Gambling Machines) is amended to read as follows:

(xi) (A) if a machine is attached to and communicates electronically with a game transaction management/reporting system, it is not required to have a ticket printer. However, the game transaction management/reporting system must each day collect from the machine the following information:

- (1) the name of the licensed establishment;
- (2) the name of city, town, or county in which the licensed establishment is located;
- (3) the serial number or other unique identification number for the machine;
- (4) the time of day, in hours and minutes in a 24-hour format;
- (5) the current date;
- (6) the program name and revision number; and
- (7) the electronic meter readings or dollar amounts of electronic meters.

(B) if a machine is not attached to a game transaction management/reporting system, the machine must issue by activation of an external key switch, an accounting ticket containing a performance synopsis of the machine and progressive accounting data if applicable. The printing of all totals from the electronic meters shall occur automatically each time access occurs to either the logic compartment or any compartment where cash is collected. Whenever electronic meters are reset, each machine must produce a full

accounting ticket both before and after each resetting. The tickets must contain the information required in subsections (1) (d) (xi) (A) (1) through (7) of this section.
