

United States Department of the Interior

OFFICE OF THE SECRETARY Washington, D.C. 20240

MAY I 8 1995

Honorable Gailey Wanatee Chairman Sac & Fox of the Mississippi in Iowa 3137 F Avenue Tama, Iowa 52339

Dear Chairman Wanatee:

On April 3, 1995, we received the Compact between the Sovereign Indian Nation of the Sac and Fox Tribe of the Mississippi in Iowa (Tribe) and the Sovereign State of Iowa (State), dated March 21, 1995. We have completed our review of this Compact and conclude that it does not violate the Indian Gaming Regulatory Act of 1988 (IGRA), Federal law, or our trust responsibility. Therefore, pursuant to my delegated authority and Section 11 of the IGRA, we approve the Compact. The Compact shall take effect when the notice of our approval, pursuant to Section 11 (d)(3)(B) of IGRA, 25 U.S.C. § 2710(d)(3)(B), is published in the FEDERAL REGISTER.

Notwithstanding our approval of the Compact, Section 11(d)(1) of the IGRA, 25 U.S.C. § 2710(d)(1), requires that tribal gaming ordinances be approved by the Chairman of the National Indian Gaming Commission (NIGC). Regulations governing approval of Class II and Class III gaming ordinances are found in 25 C.F.R. §§ 501.1-577.15 (1994). Pursuant to the IGRA and the regulations, even previously existing gaming ordinances must be submitted to the NIGC for approval when requested by the Chairman. The Tribe may want to contact the NIGC at (202) 632-7003 for further information to determine when and how to submit the ordinance for approval by the NIGC.

We note the Compact purports to authorize sports betting in Appendix "B." To be legal sports gaming must comply with the Professional and Amateur Sports Protection Act (PASPA). To be lawful, any sports gaming pursuant to Appendix "B" of the Compact must come within one of the exceptions authorized by Section 3704 of PASPA. The exception at Section 3704 (a)(2) establishes two criteria which must be met to authorize sports betting. First, the gambling must be authorized by a statute in effect on October 2, 1991. Second, the gambling must actually have been conducted sometime between September 1, 1989, and October 2, 1991. Neither sports betting nor sports betting pools appear to have been authorized by lowa law on October 2, 1991. Therefore, the provisions contained in Appendix "B" for these types of Class III gaming said to be contingent upon their validity under lowa law, cannot be used as long as PASPA is in effect. Furthermore, Section 16 of the Compact authorizes gaming by means of "telecommunications, satellite or technologic or computer enhancement" when conducted on Indian lands, if the gaming is consistent with Federal law. At least one current case which raises related issues is being litigated, so that what is consistent with Federal law is neither settled nor determinable at this time. However, as already noted, the Compact by its terms limits the gaming to that which "conforms to the requirements of Federal law" so the Compact cannot be viewed as violating Federal law. We are therefore approving the Compact as not in violation of Federal law.

In addition, if the Tribe enters into a management contract for the operation and management of the Tribe's gaming facility, the contract must likewise be submitted to, and approved by the Chairman of the NIGC pursuant to Section 11(d)(9) of the IGRA, 25 U.S.C. § 2710(d)(9) and the NIGC's regulations governing management contracts. The Tribe may want to contact the NIGC for information on submitting the ordinance and the management contract for approval by the NIGC. Section 33 of the Compact purports to make the effective date dependent upon publication by the NIGC in the FEDERAL REGISTER. As stated in the first paragraph of this letter, however, the Compact takes effect upon the publication of our notice of approval.

We wish the Tribe and the State success in their economic venture.

Sincerely,

[S] Ada E. Deer

Ada E. Deer Assistant Secretary - Indian Affairs

from an address on Indian Lands to an address on Indian Lands. Winners may receive prize winnings outside the boundaries of Indian Lands without violating this provision.

Nothing in this Section shall prevent the Tribe from conducting inter-reservation Class III Gaming by means of telecommunications, satellite or technologic or computer enhancement provided that the gaming conforms to the requirements of federal law including the Act, this Compact, the laws, rules and regulations of all Tribes involved in the gaming, and to the terms of an effective tribal/state compact which governs the gaming activities of each tribe participating in the gaming. Inter-reservation gaming conducted by means of telecommunications, satellite or technologic or computer enhancement must, however, be conducted solely on "Indian lands" (as that term is currently defined in Section 4(4) of the Act, 25 U.S.C. sec. 2703(4), and as that term is limited by Section 20 of the Act, 25 U.S.C. sec. 2719) which belongs to one of the participating tribes.

17. JURISDICTION

This Section sets forth the agreement of the parties as to the jurisdiction of the Tribe and the State regarding Class III gaming on Indian Lands. Nothing in this Section shall be construed as granting the State of Iowa civil or criminal jurisdiction over activities on Indian Lands other than the activities specified in this Section which relate to Class III Gaming activities, or as applying to or diminishing the Tribe's or State's civil or criminal jurisdiction over activities on Indian Lands which exists independently of the Act and this Compact.

-22-

17.1 Criminal Jurisdiction of the Tribe. Subject to such criminal jurisdiction as may be reserved to the United States under the Act or other applicable federal law or as otherwise provided herein, the Tribe shall exercise criminal jurisdiction concurrent with, but independent of, the State over any Indian or other person over whom the Tribe may exercise lawful jurisdiction whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Indian Lands.

Whenever the Tribe has reason to believe that any person or entity has violated this Compact, the Regulations, the Gaming Ordinance or other law applicable to a Class III Gaming activity, the Tribe shall request that law enforcement authorities of the Tribe and the United States investigate the violation. The Tribe shall take all reasonable steps to ensure that all violations are detected and appropriately prosecuted by the Tribe or the United States Attorney.

The Tribe shall have jurisdiction to commence prosecutions for violation of any applicable criminal law, including Tribal law, arising out of any investigation conducted by any governmental authority provided that the subject of such criminal prosecution is an Indian or other person over whom the Tribe may exercise lawful jurisdiction. Provided that the Tribe has a criminal justice system with the authority to exercise the Tribe's criminal jurisdiction and provided that the Tribe is authorized under Tribal and/or federal law to impose a penalty commensurate with the crime, Iowa agrees not to exercise criminal jurisdiction until after the Tribe has had a reasonable

-23-

opportunity to prosecute any criminal activity relating to Class III Gaming on Indian Lands and has failed to do so.

17.2 Criminal Jurisdiction of the State of Iska. Subject to the provisions of this Section pertaining to the concurrent criminal jurisdiction of the Tribe, the State of Iowa shall exercise prohibitory criminal jurisdiction over all persons, including without limitation, players of authorized gaming, all licensees and all other persons or entities whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Indian Lands. Except as limited by this Compact, the State's prohibitory criminal laws shall apply on Indian Lands used in connection with its gaming operation as elsewhere in the State of Iowa. The State's criminal jurisdiction shall be exercised concurrently with, but independently of, the criminal jurisdiction held by the Tribe and the United States.

If as part of the State's exercise of its criminal jurisdiction, property used in violation of this agreement or applicable Iowa law is subject to forfeiture under the civil forfeiture laws of the State of Iowa, any real or personal property owned by or held in trust for the Tribe or that of any tribal member on gaming property at the time the property was seized shall not be forfeited.

Whenever State law enforcement authorities engage in any law enforcement activity on Indian Lands related to Class III Gaming, Tribal gaming regulatory or other law enforcement authorities who have certified peace officer status on Indian Land shall be notified in advance, except in bona fide

-24-

emergencies, and shall accompany state authorities executing warrants on Indian Lands or carrying out other law enforcement activities authorized by this Compacton Indian land to minimize any disruption to ClassIII Gaming that may result from their law enforcement activity. Upon a judicial finding that such notification or cooperation would be contrary to law or would likely jeopardize the State's law enforcement activities, the State may be relieved of its obligations of notification and cooperation. Nothing in this paragraph shall, however, be construed as preventing the Tribe from challenging such action by the State under applicable federal or state statute, regulation or common law.

17.3 Civil Regulatory Jurisdiction. Except as otherwise provided in this Compact, the Tribe shall exercise exclusive civil regulatory jurisdiction over players of authorized Class III Gaming, licensees and other persons or entities whose acts or omissions relate to any authorized or unauthorized Class III Gaming activities on Indian Lands and over all property related to Class III Gaming on Indian Land.

17.4 Civil Jurisdiction. Except as otherwise provided in this Compact, the Tribe shall exercise jurisdiction concurrent with, but independent of, the State of Iowa over all private civil matters involving players of authorized Class III Gaming, licensees and other persons and entities and that involve the transaction of any business or the commission of tortious acts on or within Indian Land or on or within any other property related to Class III Gaming on Indian Land. The Tribe shall also have

-25-

such concurrent jurisdiction over anyperson who commits a tortious act outside of Indian Land provided that such person regularly does or solicits business, or engages in any other persistent course or conduct, or derives substantial revenue from goods used or consumed or services rendered on Indian Land, or expects or should reasonably expect the act to have consequences on Indian Land. Nothing in this paragraph shall be construed to prohibit the Tribe or any person from contractually or otherwise lawfully agreeing that the Tribe shall have sole jurisdiction to determine any civil matter covered by this paragraph.

17.5 Discretion to Exercise Jurisdiction. The jurisdiction held by the State pursuant to this Compact does not obligate the State to take any action on Indian Lands. In addition, this Compact shall not be construed as creating an obligation between the State or the Tribe to any third party which would require the State or the Tribe to take any action pursuant to the jurisdiction held by either the State or the Tribe.

18. TAXES

Nothing in this Compact shall be construed as imposing any tax on any Class III Gaming activity. In addition, nothing in this Compact shall be construed as expanding or diminishing Iowa's authority, if any, to impose any tax on the Tribe or any person or entity authorized by the Tribe to engage in authorized Class III Gaming on Indian Lands or on any Class III Gaming activity.

19. AMENDMENTS ANDaWAIVERS

The terms and conditions or this Compact shall not be modified, amended or otherwise altered except by written agreement of the parties. Any written waiver of any provision or requirement of this Compact signed by the party waiving the provision and any modification oraamendment of any provision of this Compact or any Appendix to this Compact that is agreed upon by the parties in writing shall take effect immediately upon the date such waiver, modification or amendment is approved by the Secretary. The Director may waive any provisions or requirements of this Compact which are imposed by Iowa on the Tribe by providing the Tribe with written notice of the waiver. Any waiver provided by the Director shall not constitute a waiver of any future deviation from the terms of this compact unless the waiver specifically addresses future deviations. The Tribe may waive any provision or requirement of this Compact imposed on the State in a similar manner and with similar effect.

20. REMEDIES FOR BREACH OF CONTRACT

20.1 Breach Of This Agreement By Tribe And Dispute Resolution: In the event that the Tribe or its employees, representatives, contractors, licensees or agents fail to comply with any material term of this agreement, the Director may suspend this agreement in whole or in part, terminate this agreement in its entirety, and/or seek any other remedy authorized by law. In the event of termination or suspension, gaming activities previously conducted pursuant to this agreement shall cease. All remedies provided in this agreement are cumulative and non-exclusive.

-27-

Prior to suspending or terminating this agreement on seeking any other remedy authorized by law, the Director shall deliver a written notice to the Tribe which identifies the conduct which violates this agreement, describes the action which would cure the default and which specifies the date on which the notice period will end. The notice must precede remedial action taken by the Director by a minimum of thirty (30) calendar days, provided however that if the Tribe notifies the Director within such period that the alleged default is not reasonably susceptible to cure within such thirty (30) day period, the Director may agree to an extension of the period in which the default may be cured. If the default is not cured by expiration of the notice period (together with any extension granted by the Director) or if the Tribe has not presented a plan to cure the default which is acceptable to the Director, or if the Tribe has not requested mediation to aid in the determination of the existence of a default prior to termination or suspension, the Director may suspend or terminate this agreement, providing written notice of suspension or termination to the Tribe and/or may seek any other remedy authorized by law.

The Tribe may request mediation to assist in determining whether the default alleged by the Director exists and if so, an acceptable resolution or cure. The Tribe shall choose an impartial mediator and shall pay any fees and expenses of the mediator. Within five (5) days of receiving the proposed mediator's name, the Director may object, with supporting reasons, upon a showing that the mediator is unqualified due to a bona fide conflict of interest. If the objection is legitimate

and made in good faith, the Tribe shall have five (5)days from the date of receipt of the objection to propose three (3) other impartial mediators. The Director shall then have three (3)days to choose a mediator from those proposed by the Tribe and the parties shall proceed to mediation. The Tribe may, in good faith, withdraw its request foremediation at any time. The Tribe's request for mediation shall not prevent or delay its pursuit of any other available remedy.

If the mediation proceeds, the parties shall negotiate with the assistance of the mediator for a period not to exceed sixty (60) days from the Tribe's request for mediation in an effort to mutually agree as to whether the alleged default exists and if any, an acceptable resolution. The parties may agree to extend such period. At the conclusion of the mediation period, the Director may exercise the right to suspend or terminate this agreement if the Director and the Tribe have not mutually agreed that a default has not occurred. Any action by the Director following the mediation period to suspend or terminate this agreement shall be preceded by at least thirty (30) days written notice to the Tribe of the Director's intention to suspend or terminate this agreement. If the Tribe remedies the default to the Director's satisfaction prior to the expiration of such period as may be stated in the Director's notice of suspension or termination, no suspension or termination shall occur.

The Tribe's request for mediation shall not prevent or delay the Director's pursuit of any remedy authorized by law other than the right to terminate or suspend this agreement. Nothing in this Section shall apply to or limit any law enforcement activities conducted by the Director or the State.

20.2 Breach Of This Agreement By The State And Dispute Resolution. In the event that the State fails to comply with any material term of this Compact, the Tribe may seek any remedy authorized by law or equity e

Prior to seeking any such remedy the Tribe shall deliver a written notice to the Director which identifies the conduct which violates this Compact, describes the steps which must be taken to cure any default, if a cure is possible, and which specifies the date on which the notice period will end. The notice must precede remedial action taken by the Tribe by a minimum of thirty (30)calendar days. If the default is not cured within the notice period the Tribe may immediately seek any available remedy without further notice.

20.3 Dispute Resolution--Non-Exclusiveness. Nothing in Section 20 of this Compact shall be construed to preclude, limit or restrict the ability of the parties to pursue, by mutual agreement, alternative methods of dispute resolution, whether binding or non-binding including, but not limited to, arbitration, mediation, mini-trials, or judicial resolution firms; provided, however, that neither party is under any obligation to agree to such alternative methods of dispute resolution.

21. EXTENSION OF OBLIGATIONS

obligation which arose under this Compact during the period in which it was in effect.

22. SEVERABILITY

If any part of this Compact is finally found to be in violation of any applicable law by a court of competent jurisdiction the illegal portion shall be severed from this compact if possible and the remainder of this Compact shall remain valid and enforceable provided that continuation of the Compact does not alter the fundamental intent of the parties.

Sac and Fox Tribe and the State of Iowa.

24. PROVISION OF COMPACTS TO THE TRIBE

The last day of the period so computed shall be included, unless the last day is a Saturday, Sunday or a legal holiday under Sac and Fox Tribal law, Iowa law or federal law. If the act to be done is the filing of or providing access to any report or document, and the last day of the period falls on a day in which

the weather or other conditions have made the office in which the report or document is to be filed inaccessible, the designated period shall extend until the end of the next day on which the office is accessible which is not a Saturday, Sunday or legal holiday. When the period of time prescribed or allowed is less than eleven (11) days, intermediate Saturdays, Sundays and legal holidays under Sac and Fox Tribal law, Iowa law or federal law shall be excluded from the computation period.

30. RENEGOTIATION

Renegotiations of the provisions of this Compact as contemplated in Section 34 shall be conducted in good faith pursuant to the terms of this Compact and the terms of the Act as though the renegotiation were a request to negotiate a Compact. The Tribe and the State shall both execute their obligations pursuant to this Compact reasonably and in good faith.

31. RIGHTS AVAILABLE UNDER THE ACT

Nothing in this Compact shall be construed to limit the rights or remedies available to the parties under the Act.

32. TRIBAL AND STATE SOVEREIGNTY

Such notice shall reasonably describe issues to be reconsidered. However, the parties will not be limited in their negotiations to such issues and may reconsider any issues deemed necessary and appropriate at that time. Negotiations shall commence as soon as practic able following receipt of the notice and shall be conducted in good faith by both parties. In the event that the Tribe requests renegotiation, the term of this Compact shall be automatically extended and shall continue in effect throughout

such period of renegotiation. However, the renegotiation period shall not exceed one (1) year from the expiration of the current term unless a longer period is otherwise agreed to by the parties. In addition, if the process of renegotiation should result in the initiation of a suit by the Tribe against the State of Iowa alleging that Iowa has negotiated in bad faith, the term of this Compact shall be extended and shall continue in effect until the final conclusion of such litigation, including any appeals, or until the expiration of the three (3) year period immediately following the date on which the Tribe and Iowa commenced renegotiations.
