

JAN 19 2007

Honorable Mitchell Parker
Chairman, Omaha Tribe of Nebraska in Iowa
200 Main Street
P.O. Box 368
Macy, Nebraska 68039

Dear Chairman Parker:

On December 6, 2006, we received the Compact between the Sovereign Indian Nation of the Omaha Tribe of Nebraska (Tribe) and the Sovereign State of Iowa (State), executed on November 27, 2006. We have completed our review of this Compact and conclude that it does not violate the Indian Gaming Regulatory Act (IGRA), any other provision of Federal law that does not relate to jurisdiction over gaming on Indian lands, or the trust obligations of the United States to Indians. Therefore, pursuant to my delegated authority and Section 11 of IGRA, we approve the Compact. This Compact shall take effect when the notice of our approval, pursuant to Section 11(d)(3)(B) of IGRA, 25 U.S.C. (d)(3)(B), is published in the FEDERAL REGISTER.

Although the parties to the Compact can agree to the modification of appendices or addition of appendices, such as those discussed in Section 19, we consider that if these modifications are substantive, they are subject to the review and approval authority of the Secretary under IGRA. However, substantive modifications of the terms of the compact must be approved by the Secretary. It is our view that a substantive modification is one that potentially implicates any of the three statutory reasons available to the Secretary to disapprove a compact in the first instance, *i.e.*, whether the provision violates IGRA, any other provision of Federal law, or the trust obligation of the United States to Indians, *See* 25 U.S.C. §2710(d)(8)(B). For example the addition of Class III games under Section 2.3 would trigger Secretarial review and approval under IGRA.

We wish the Tribe and State success in their economic venture.

Sincerely,

/s/ George T. Skibblne

Acting Deputy Assistant Secretary -
Policy and Economic Development

Identical letter sent to Steve K. Young, Director Iowa Department of Inspections & Appeals

- B. The purposes of this Compact include:

STATEMENT OF PURPOSES

- (1) **WHEREAS**, the OMAHA TRIBE OF NEBRASKA is a federally recognized Indian Tribe with jurisdiction over reservation lands located in the State of Iowa, title to which is held in trust by the federal government for the benefit of the OMAHA TRIBE OF NEBRASKA;
- (2) **AND WHEREAS**, the State of Iowa and the OMAHA TRIBE OF NEBRASKA are separate sovereigns and each respects the laws of the other sovereign;
- (3) **AND WHEREAS**, the public policy of the State of Iowa is reflected in the Constitution, statutes and administrative rules of the State of Iowa;
- (4) **AND WHEREAS**, the Tribal public policy, as reflected in its Constitution, ordinance and regulations, is to exercise and retain its rights to regulate gaming activities upon its lands for the purposes of encouraging tribal employment, economic and social development and funding of tribal services while ensuring fair and lawful operation of gaming and the prevention of corrupt and criminal influences;

(5) **AND WHEREAS**, Congress has declared that it is a principal goal of federal Indian policy to promote tribal economic development, tribal self-sufficiency and strong tribal government;

(6) **AND WHEREAS**, the United States Congress has enacted IGRA which declares federal policy and provides a statutory basis for operation of gaming as a means of promoting tribal economic development, self-sufficiency, and strong tribal government;

(7) **AND WHEREAS**, IGRA is intended to provide a statutory basis for regulation of gaming adequate to shield it from organized crime and other corrupting influences, to ensure that the OMAHA TRIBE OF NEBRASKA is the primary beneficiary of the gaming revenues, and to ensure that gaming is conducted fairly and honestly by both the operators and players;

(8) **AND WHEREAS**, IGRA establishes a system of agreements between Indian Tribes and States for the regulation of Class III gaming as defined in that Act;

(9) **AND WHEREAS**, IGRA provides that Class III gaming activities are lawful only if such activities are (1) located in a state that permits such gaming for any purpose by any person, organization or entity, (2) authorized by tribal ordinance, and (3) conducted in accordance with a Tribal/State Compact;

(10) **AND WHEREAS**, the Secretary of the Interior has determined that the gaming location is on Indian lands;

(11) **AND WHEREAS**, the continued growth and success of tribal gaming depends upon public confidence and trust that the Class III gaming is honest, fair and secure, and is free from criminal and corruptive influences;

(12) **AND WHEREAS**, public confidence and trust can be maintained only if there is strict compliance with laws and regulations related to licensed gaming establishments, by all persons involved in the Class III gaming;

(13) **AND WHEREAS**, the relationship between the State of Iowa and the OMAHA TRIBE OF NEBRASKA rests on mutual trust and the recognition that each has a primary duty to protect the gaming public through concurrent, appropriate responsibilities during the life of current and future Tribal/State Compacts;

(14) **AND WHEREAS**, Congress recognized a role for State public policy and State law in the regulation of Class III gaming;

2. PERMISSIBLE CLASS III GAMING

2.1 When Permissible. The Omaha Tribe may engage in Class III Gaming on Indian Lands provided:

- (a) Such gaming is conducted in accordance with the requirements of the Act;
- (b) Iowa permits such gaming for any purpose by any person, organization or entity; and
- (c) Such gaming is conducted in conformance with the terms of this Compact, the Gaming Ordinance, Regulations, other applicable laws and minimum internal control standards.

Any Class III gaming conducted on Indian Lands which does not meet these requirements is unlawful, and not permitted.

2.2 Types. As of the effective date of this Compact, the parties agree that the Tribe may conduct, under the Act and in compliance with the terms of this Compact, the Gaming Ordinance, Regulations, other applicable laws and minimum internal control standards, Class III gaming set forth in Appendix A.

2.3 Additional Class III Games. Whenever the Tribe determines to offer play of any

Class III game not specified by name in this Compact, the Tribe will notify the Director of its intent to offer play of such game. The notice will include a statement of the rules of the game. The Tribe will not commence its operation of such game until at least fifteen (15) days following the date on which the Tribe's notice is received by facsimile or certified U.S. mail by the Director. The Tribe may offer play of such game following the expiration of this fifteen (15) day period unless, prior thereto, the Director has notified the Tribe that Iowa, in good faith, does not agree that the Tribe can offer play of such game because one of the requirements of this Section has not been met. Any such Director's notice shall state in detail the reasons for the Director's position. After receiving such a notice from the Director, the Tribe will not offer play of such game until the Director consents, unless, pursuant to the dispute resolution provisions of this Compact, it has been determined that the Tribe is permitted to offer play of the game.

3. OWNERSHIP OF GAMING

The Tribe shall have sole proprietary interest in all Class III gaming conducted pursuant to the terms of this Compact.

4. CONDUCT AND REGULATION

The Tribe shall conduct all Class III gaming pursuant to the terms of the Act, this Compact, the Gaming Ordinance, Regulations, other applicable laws and minimum internal control standards. The Tribe shall take all reasonably necessary steps to regulate Class III gaming as required by the Act and this Compact, and to enforce the terms of the Act and this Compact, the Gaming Ordinance, Regulations, other applicable laws and minimum internal control standards. Where violations constitute a crime, the Tribe shall request the United States Attorney or other appropriate governmental authority to prosecute those persons or entities having engaged in such violations.

5. AGE RESTRICTIONS

The Tribe and the State recognize that state law expressly limits participation in authorized gambling activity to persons twenty-one years of age or older. The parties hereby agree that participation in all Class III gaming on Indian lands shall be limited to persons twenty-one years of age or older. The Gaming Commission shall be responsible for promulgating necessary internal controls and gaming regulations necessary to enforce this provision.

6. GAMING COMMISSION

The Tribe has established and will maintain the Omaha Gaming Commission. The Omaha Gaming Commission shall be comprised of not less than three (3) and not more than five (5) members. The Omaha Gaming Commission shall have the duty to exercise the Tribe's concurrent authority to regulate Class III gaming on Indian lands pursuant to the Act, which authority shall be delegated to it by the Omaha Tribal Council, and set forth in the Gaming Ordinance. Pursuant to this Compact, the parties agree that the minimum duties and powers which the Gaming Commission shall have include the power to:

- (a) Propose Regulations governing the conduct of all authorized Class III gaming;
- (b) Investigate alleged violations of this Compact, the Gaming Ordinance, Regulations, all other applicable laws and minimum internal control standards, and take or recommend such actions as may be necessary and appropriate to eliminate and correct any violation found to have occurred;
- (c) Establish and enforce occupational and other licensing requirements for employees and others engaged in activities connected to the Tribe's Class III gaming; and
- (d) Perform such other duties specifically required by this Compact to be performed.

The Commission shall have all powers necessary to perform each of the duties specified in this Compact, the Act, the Gaming Ordinance, Regulations, other applicable laws and minimum internal control standards. This Compact establishes only the minimum duties and

powers which the Commission shall have, and does not in any way limit the Commission from performing any other duty or exercising any power necessary to perform that duty, and does not in any way limit the Tribe from conferring additional allowable duties or powers upon the Commission, nor does it prevent the Commission from exercising the inherent powers of an Indian Tribe's Class III gaming regulatory body under the Act, as necessary to fulfill the purposes of the Act.

Background investigations meeting the requirements of Section 8 of this Compact shall be conducted on members of the Commission. At a minimum, members of the Commission shall meet the requirements for licensure contained in Section 8 of this Compact. The members of the Commission and their immediate families shall not have any financial interest in Class III gaming, other than the financial interest shared equally with all other Tribal Members.

7. MANAGEMENT CONTRACTOR

The Tribe may contract with a Management Contractor to operate the Class III gaming authorized by this Compact, provided that the Management Contract does not contain terms contradicting the terms of this Compact or applicable laws, and provided that the contract has been approved by the Chairman of the NIGC and has received those regulatory approvals required under the Ordinance, Regulations, and other applicable laws. Every Management Contract shall prohibit the Management Contractor from transferring, subcontracting or assigning any of its rights and duties under the Management Contract or any ownership interest in the Management Contract, and shall preclude the Management Contractor from obtaining a proprietary interest in the Tribe's Class III gaming. Notwithstanding the foregoing provision, nothing set forth in this section shall prohibit a Management Contractor from retaining various experts and consultants (each, a "Consulting Entity") to provide expert advice to the Management Contractor, so long as such Consulting Entity (a) complies with all applicable

licensing requirements under the Act, this Compact, the Gaming Ordinance, Regulations and other applicable laws, and (b) the Management Contractor maintains sole responsibility for and oversight of the service provided.

The Commission shall determine whether a proposed Management Contractor is eligible to receive a Tribal gaming license. A Tribal gaming license must be obtained before any Management Contract is entered or any services are performed by a Management Contractor. Prior to issuing a license to a proposed Management Contractor, the Commission shall cause a background investigation to be completed on the proposed Management Contractor which meets the requirements in the Ordinance, the Act, and Section 8 of this Compact. A background investigation shall be completed on each person or entity having a direct financial interest in, or management responsibility for the Contract and, in the case of a corporation, for each individual who serves on the board of directors, each officer, and each shareholder who directly or indirectly owns five (5) percent or more of the issued and outstanding stock of the corporation.

Management contractor background investigation results shall be submitted by the Commission to the Director within thirty (30) days of completion. The Director may discuss any concerns which he or she has about the proposed Management Contractor with the Commission, and the Commission shall consider these concerns prior to deciding whether the proposed Management Contractor is fit to receive a Tribal gaming license.

This Compact does not prevent the Tribe or the Commission from adopting a broader definition of "Management Contractor" for purposes of Tribal regulatory law.

8. LICENSING

8.1 Licenses, Issuance, Qualifications. The Commission shall have exclusive jurisdiction to establish classes of licenses relevant to the Tribe's Class III gaming. All employees, agents, management contractors or other contractors who have access to cash, tokens

or chips, machine components, or other gaming supplies or equipment or who have management responsibilities, security or surveillance responsibilities, or accounting responsibilities, shall be licensed by the Commission.

The Commission's requirements for licensure shall include, at a minimum, the following limitations:

- (a) Applicants must be at least eighteen (18) at the time of their employment.
- (b) The Commission may find an applicant ineligible for a license and deny, suspend or revoke the license of any applicant who has been convicted of any of the offenses below, if the Commission determines that the circumstances of the offense giving rise to the conviction make the applicant's presence a hindrance to the regulation and conduct of gaming, or may reasonably undermine public confidence in the integrity of gaming:
 - (1) Offenses related to bookkeeping;
 - (2) Offenses related to gambling;
 - (3) Offenses related to cheating, misrepresentation, fraud or ciception;
 - (4) Offenses related to use of an alias;
 - (5) Offenses related to a controlled substance;
 - (6) Offenses which are felonies under the laws of the jurisdiction in which they were prosecuted.

If a conviction occurred within the last five years, the license shall be denied unless the licensed employment is exempted by regulation for non-gaming positions or services. If conviction occurred more than five (5) years prior to the application date, a license may be issued if the Commission determines that sufficient evidence of rehabilitation exists. The Commission shall temporarily deny a license and shall suspend an existing license, if charges are pending against an applicant which, if resulting in a conviction, would disqualify the applicant from receiving or holding a license.

- (c) Applicants must not have been denied a gaming license by the State of Iowa or any other gaming licensing jurisdiction, or currently have a gaming license which has been suspended by the State of Iowa or any other gaming licensing jurisdiction, or have had a gaming license revoked by the State of Iowa, or any other gaming licensing jurisdiction.
- (d) Applicants must not be employed in any part-time or full-time employment with a government or private employer in any capacity which would create a conflict of interest between such employment and the interests and objectives of the licensed employment.

- (e) Applicants must be of good moral character.
- (f) The license shall be nontransferable and shall prohibit the licensee from transferring any rights or duties relating to the license, either directly or indirectly.
- (g) Applicants must be trainable or qualified by experience or otherwise to perform the duties required.
- (h) Applicants must agree to comply with this Compact, the Gaming Ordinance, Regulations, all applicable laws and minimum internal control standards governing Class III gaming.

8.2 Revocation. The Commission shall revoke an existing license upon the happening of any event which would have made the licensee ineligible for a license if the event had occurred prior to the issuance of a license; except that the Commission shall only be required to suspend a license of any licensee who is unable to perform the duties required of the licensee's position because the licensee is temporarily disabled.

8.3 Background Investigations. Prior to issuing a license, the Commission shall cause a background investigation, in accordance with the Act, the Gaming Ordinance, Regulations, other applicable laws, and the requirements specified in this Section, to be conducted on the applicant to verify the truthfulness of the information provided and to ensure that a person or entity licensed by the Commission is eligible for licensure. However, a temporary license may be issued for up to six (6) months pending completion of the background investigation of any prospective licensees.

At a minimum, a background application shall require the applicant to make a sworn statement containing the following information:

- (a) Name;
- (b) Date of birth;
- (c) Social security number;
- (d) Physical description;

- (e) The applicant's residence since age eighteen (18);
- (f) The applicant's employment history since age eighteen (18);
- (g) The applicant's criminal history, including the date, place, details surrounding any arrest or charges, and the disposition of any charges filed;
- (h) Whether the applicant has ever held a professional or occupational license issued by any state or Indian Tribe, the jurisdiction in which the license was issued, the type of license, the license number, dates held and the details surrounding the suspension, revocation, or other disciplinary action based on the license, and if not current, the reason it is not current;
- (i) Whether the applicant has ever held a gambling related license issued by any state, Indian Tribe or any other jurisdiction, the jurisdiction in which the license was issued, the type of license, the license number, dates held, the details surrounding any suspension, revocation, or other disciplinary action taken based on the license, and if not current, the reason it is not current;
- (j) Whether the applicant has ever had any experience related to any gaming operation, the exact nature of the applicant's role in the operation, the name and address of all immediate supervisors or parties to any gaming related agreement, the place any such agreement was performed, and the dates covered by the agreement, or when services or products were provided;
- (k) A complete financial statement of the applicant;
- (l) Whether the applicant has ever been an investor in any gaming operation, the exact dates and nature of the investment, the name and address of all other investors holding an interest of five (5) percent or more in the gaming operation, and the name and address of the gaming operation;
- (m) The applicant's agreement to provide any additional information as may be required by the Commission.

In addition to the sworn statement, the applicant shall be required to submit two (2) sets of fingerprints to the Commission on forms or media of the type commonly used by the Federal Bureau of Investigation (FBI) and to provide a current photograph with the application.

8.4 Background investigations may be conducted by the FBI, by the DCI or by another appropriate investigative entity deemed qualified by the Commission. If background investigations are conducted by an investigative entity other than the DCI or the FBI, the

Commission shall inform the Director, on request, of the name of the investigative entity used by the Commission. If the DCI performs background investigations, the investigations shall be performed and reported to the Commission pursuant to terms mutually acceptable to the Commission and the DCI. This provision shall not be construed as requiring the Commission to use the DCI to perform all background investigations, nor as requiring the DCI to perform all background investigations requested by the Commission.

8.5 This Compact does not restrict the Commission's authority to require individuals and entities beyond those specified in this Compact to apply for or obtain Tribal Gaming Licenses, and does not prevent the Commission from creating multiple or additional classes of licenses, nor does it prohibit the Commission from establishing reduced standards for background investigations for those individuals and entities not specified in subsection 8.1.

8.6 Nothing in this Compact shall be deemed to create, and nothing does create, a property or other interest in a gaming license, and, unless deemed otherwise by Tribal law or regulation, a license issued by the Commission shall be considered a revocable privilege, and whether an applicant or licensee has a property right in any Tribal license is solely a matter of Tribal law.

9. MINIMUM STANDARDS FOR DEVICES

9.1 Prior to the installation and use of a Gambling Device, the Tribe or the Commission shall inspect, test and consider the Gambling Device for its approval. The Tribe or the Commission shall not approve a Gambling Device unless the tests conducted indicate that such Gambling Device meets the minimum standards set forth in Appendix "B" of this Compact (as amended from time to time by mutual agreement of the parties pursuant to Section 19 of this Compact), or unless an identical Gambling Device is currently approved for use by the Iowa Racing and Gaming Commission. If an identical Gambling Device is currently approved for use

by the Iowa Racing and Gaming Commission, the Tribe or the Commission may waive the inspection and testing requirements for such Gambling Device.

In the event a particular Gambling Device has not been approved by the Iowa Racing and Gaming Commission, but has been approved by a gaming regulatory body of the state of Minnesota, Nevada, South Dakota or New Jersey, and the test results from such jurisdiction show that the Gambling Device meets the standards set forth in Appendix "B", then the Gambling Device may be authorized for use by the Tribe, provided that a copy of the test result indicating that the device complies with Appendix "B" is obtained and forwarded to the Commission, and that the manufacturer of the Gambling Device certifies to the Commission and the Director that each Gambling Device to be shipped complies in all respects with the standards in Appendix "B". The Director and the Commission shall agree upon the identity of the gaming test laboratories which can be utilized under this Section.

9.2 The technical standards set forth in Appendix "B" shall govern the operation of Gambling Devices, unless amended pursuant to Section 19 of this Compact or pursuant to the procedures set forth in this section. For purposes of this section, amendments to Appendix "B" may be made by mutual written agreement of the Tribal Council Chairperson and the Director. Neither party shall unreasonably withhold consent from a proposed technical amendment, and any Tribal request for a technical amendment shall be granted, provided it is consistent with the purposes of this Compact and the Act, and conforms to the requirements of Section 19 herein.

10. SECURITY AND SURVEILLANCE

The Tribe agrees to maintain security and surveillance procedures including, at a minimum, the employment of an adequate security force sufficient to protect the health, safety, and welfare of employees and patrons, and the installation, maintenance and operation of security and surveillance equipment at least meeting the standards described in Appendix "C".

The possession of firearms shall be prohibited at all times within the gambling area and adjacent facilities, except for certified peace officers on duty. On request of the Director, the Tribe shall also provide evidence of the continued availability of certified peace officers with arrest powers through the Monona County Sheriff or other law enforcement agency.

11. ACCOUNTING AND CASH CONTROL

The parties agree that the NIGC's Minimum Internal Control Standards provide an adequate cash management and control system, and the Tribe agrees to comply with the NIGC's Minimum Internal Control Standards and any amendments thereto.

12. AUDITS, INSPECTIONS, FACILITY & RECORDS ACCESS

12.1 Audit Standards. All audits performed pursuant to this section shall conform to generally accepted audit standards for casinos engaged in Class III gaming as established by the American Institute of Certified Public Accountants and shall be performed in conformance with acceptable standards of practice governing accountants, including applicable state licensure standards. The audits performed under this section shall be sufficient to ensure the integrity of the Class III gaming conducted under this Compact and shall ensure that the Tribe has sole proprietary interest in the Class III gaming conducted under this Compact. In addition, the audit shall be sufficient to ensure that such gaming complies with the requirements of this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards governing the Class III gaming conducted pursuant to this Compact.

12.2 Selection of Accountant and Accounting Firm. The auditor selected for any audit covered by this Compact shall be a certified public accountant who is a member of a certified public accounting firm. The auditor and the firm selected shall not have been subject to disciplinary action by any regulatory or licensing body and shall be in good standing under the laws of the state in which the accounting firm is chartered or domiciled. No auditor or firm,

which has been found guilty of criminal conduct, shall be eligible to perform an audit specified by this Compact. In addition, the auditor and the firm selected shall not have been the subject of an investigation by the American Institute of Certified Public Accountants or tribal, state or federal regulatory authority which revealed that either the auditor or the firm has engaged in conduct which constitutes a material deviation from compliance with generally accepted auditing practices.

12.3 Notification of Selection. Prior to employing a certified public accountant, the Tribe shall notify the Director of the identity and qualifications of the certified public accountant. Unless there is an objection from the Director within fifteen (15) days following the Director's receipt of the Tribe's notice, the Tribe may employ the certified public accountant. The Director shall inform the Tribe of the basis for any objection to the Tribe employing a particular certified public accountant. The Tribe agrees not to employ any certified public accountant whose qualifications are legitimately disputed by the Director. If, after approval, the Director subsequently determines that the accountant or firm does not meet the standards set forth in this section, the Director shall inform the Tribe of the subsequently acquired objection, including the basis for such objection, and, if the Director provides a legitimate basis for disputing the qualifications of the accountant, the Tribe shall secure the services of an accountant and firm which meets the standards of this section.

12.4 Fiscal Year Audit. The Tribe shall cause an independent certified public accountant to audit the books, records, gaming cash procedures and equipment of all Class III gaming at least once in each fiscal year (e.g., September 30 through October 1). The audit is to be performed in accordance with the standards set forth above, as well as in accordance with the audit scope and standards specified herein.

Within sixty (60) days of completion of the fiscal year audit, the Tribe shall provide the

Director with a copy of the audit. Upon written notice to the Tribe and an opportunity for the Tribe to participate in the consultation, the Tribe shall permit the State to consult with the auditors before and after the audit and shall permit the State to submit written comments, with a copy to the Tribe, for improvements in the audit. The Tribe, in consultation with its auditors, shall, within sixty (60) days, respond to such written comments. The Tribe's response shall notify the State of acceptance of the comments and corresponding modifications to the audit procedures, or rejection of the comments with accompanying alternatives the Tribe believes would better address the State's concern. State of Iowa comments which affect the integrity of Class III gaming shall be considered by the Tribe and shall be implemented as appropriate.

12.5 Special Purpose Audit. In addition to the fiscal year audit set forth above, the State of Iowa (at the sole cost and expense of the State) may requisition a special purpose audit as the State deems necessary to ensure that Class III gaming is conducted in compliance with the provisions of this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards. Prior written notice of such special audit shall be sent to the Tribe not less than thirty (30) days in advance of such audit. Less than thirty days written notice may be provided by the State whenever the State determines that public safety or welfare warrant an immediate audit.

12.5.1 Audits for Alleged Criminal Activity. In the event that Iowa has probable cause to believe that an audit will provide evidence of criminal activity related to the conduct of the Tribe's Class III gaming, the Director may notify the Tribe and request that the Commission obtain an audit specifically pertinent to the alleged criminal activity. For purposes of this section "probable cause" shall mean a reasonable ground to suspect that a person or persons has/have committed or is/are committing a crime, or that a place contains specific items connected with a

crime. Any audit performed by the Tribe shall not be construed as limiting any law enforcement activities of entities with appropriate jurisdiction.

The audit to be performed pursuant to this subsection shall be conducted in conformance with the requirements of this section and shall include examination of all pertinent records, books, and procedures of the Tribe's Class III gaming that are or may be relevant to the allegations and shall be performed within a reasonable period of time. Upon receipt of the notification from the Director, the Commission shall request the audit and shall provide written response to the Director. Within thirty (30) days of the completion of the audit, the Commission shall provide the Director with a copy of the audit. In addition, upon request, the Tribe shall provide all audit material necessary to explain an identified part of the audit report. Any audit conducted by the Tribe pursuant to this subsection shall not be construed as limiting any law enforcement activities of entities with appropriate jurisdiction.

12.5.2 Inspections Concerning Compliance. The parties recognize that the State of Iowa may conduct inspections for purposes of assuring the integrity and security of all Class III gaming and compliance with the terms of this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards related to Class III gaming. Upon written notice by the Director and, whenever practicable, upon at least twenty-four (24) hours advance notice to the Commission, law enforcement agents or duly appointed agents of the Director may enter upon the premises of the Class III gaming operation at any time during ordinary business hours for the purpose of conducting inspections, as may be necessary to determine compliance with this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards related to Class III gaming.

Members of the Commission shall not communicate to any person other than the Tribal Chairman, Iowa's intent to conduct a routine inspection of the Class III gaming operation. Upon

the reasonable request of Iowa, the Tribe and the Commission shall provide Iowa access to all areas of the Class III gaming operation, all areas where Class III gaming equipment is stored, and all records and equipment related to Class III gaming, and shall ensure that all licensees and employees make their records and facilities available to Iowa. The Commission and its employees shall cooperate fully with the State. Upon reasonable request of the State, the Tribe and the Commission will make available a suitable office in which the State may review records.

Provided the State transmits to the Tribe a written statement explaining a purpose directly related to ensuring compliance with this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards, and makes a reasonable request for permission to copy and remove from the premises and retain copies of the materials and documents related to such purpose, the Tribe and Commission, after taking a complete inventory, will make available the material and documents requested.

Members of the Commission, or its designee(s), at all times during completion of any inspection performed under this section by the State of Iowa, shall have the right to accompany any person conducting such inspection; provided, however, no Commission member nor any of its designees shall take any action that impedes the inspection.

12.5.3 Inspections Concerning Material Violations. In the event that the State provides the Tribe with a written statement asserting a continuing material violation of this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards which is not being addressed by the Commission, and which demonstrates a purpose directly related to ensuring compliance with this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards and makes a reasonable request for permission to copy, remove from the premises and retain copies of materials and documents related to such purpose, the Tribe shall provide Iowa access to those areas of its Class III gaming

operation and its Class III gaming records related to the stated purpose for which the inspection is requested, and, where Iowa makes a reasonable request in writing under this Compact for permission to copy and remove from the premises and retain copies of materials and documents related to such purpose, the Tribe, after taking a complete inventory, will make available the material and documents requested.

12.5.4 Availability of Records. To the extent any person, licensee or entity is subject to the Commission's jurisdiction, the Commission shall ensure that such persons, licensees or entities engaged in Class III gaming related activity make their records and facilities available to Iowa, and shall ensure that the information requested by Iowa is provided by all persons, licensees and entities possessing the requested information. Upon reasonable request of the State, the Tribe and the Commission will make available a suitable office in which to view the records and other information.

12.6 Resolution of Patron Complaints. The Tribe shall establish a process for investigating, reviewing and resolving complaints involving Class III gaming. The process shall include procedures for notifying the Commission of the complaint, investigation by the Commission or its designee, and a final decision by the Commission or its designee regarding the complaint within thirty (30) calendar days of receiving notice, unless the complainant agrees to extend the time for investigation. The process shall include procedures for reconsideration, appeal, and/or review in accordance with the laws of the Tribe applicable to administrative proceedings. If the Director receives a complaint, the Director shall refer the complainant to the Commission, which will follow the process described herein. For those complaints referred by the Director, the Commission shall provide a copy of its final decision to the Director within fifteen (15) days of its issuance. The final decision will be in conformance with this Compact, Gaming Ordinance, Regulations, and other applicable laws.

12.7 Records Retention. The Tribe shall ensure that all books and records relating to Class III gaming, including the records of any Management Contractor, Consultant, and the Tribe's gaming operation, are separately maintained in order to facilitate auditing of these books and records to ensure compliance with this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards during the pendency of any litigation arising from this Compact and for at least seven years from the date of the record. All records shall be retained pursuant to generally accepted accounting principles and suitable for audit pursuant to the standards of the American Institute of Certified Public Accountants.

Throughout the term of this Compact and during the pendency of any litigation arising from this Compact, and for one (1) year following the termination of this Compact, the Tribe shall ensure that all books and records relating to Class III gaming, including the records of any Management Contractor, Consultant, and the Tribe's gaming operation are separately maintained. The records shall be maintained in a manner which shall facilitate auditing of these books and records. The records shall also be maintained so as to permit access at any time during ordinary business hours for purposes of conducting routine inspections of the Class III gaming operation.

13. OPERATING PROCEDURES AND GAME RULES

All Class III gaming shall be conducted and played in conformance with this Compact, the Act, Gaming Ordinance, Regulations, all applicable laws and minimum internal control standards. Prior to making any Class III gaming available to the public, the Commission shall approve all game rules, forward them to the Director within thirty (30) days of such approval, and make a written copy of the rules available to the gaming public upon request.

14. DOCUMENTS PROVIDED BY THE TRIBE

Within a reasonable time following a written request, which shall include a statement

providing a purpose directly related to ensuring compliance with this Compact, Gaming Ordinance, Regulations, other applicable laws, and minimum internal control standards, and that identifies with specificity information pertinent to such stated purpose, the Tribe shall provide the Director with the requested information. The Tribe shall provide the Director with a copy of its current Gaming Ordinance, Regulations, and minimum internal control standards, and all subsequent amendments and resolutions to each within sixty (60) days of the enactment of the same. All books, records, documents, materials, and things provided by the Tribe under this Compact shall be deemed to come within the scope of Covenant of Confidentiality contained herein, and shall be deemed non-public. Nothing in this Compact shall preclude the Tribe and the State, its Division of Criminal Investigation, the Iowa Racing and Gaming Commission, and other law enforcement or gaming regulatory agencies, from exchanging information on gaming activities and licensees of gaming operations, where such exchange of information is mutually beneficial and agreed to by each party.

15. COVENANT OF CONFIDENTIALITY

15.1 This Compact permits the State of Iowa certain specified ability to access, review, take notes regarding, and/or receive copies of Tribal records relevant to Class III gaming conducted pursuant to this Compact. In exchange for the Tribe granting the State this ability, and consistent with the requirements imposed by Iowa Code chapter 10A (2005), as may be amended, the State agrees that, except as allowed by the exceptions specified below, Iowa shall forever maintain in confidence and shall not disclose to any third party any financial information, audit information, Commission regulatory reports, machine test results, proprietary ideas, plans, methods, data, developments, inventions or other proprietary information which is provided to the State by the Tribe or otherwise acquired by the State through its access to Tribal records. In

addition, all records, and copies thereof, shall remain the property of the Tribe irrespective of their location.

Nothing contained in this Section shall be construed to prohibit:

- (a) The publication of generalized gaming statistics, provided that there is no direct or indirect identification that the statistics relate to the gaming operation of the Tribe;
- (b) Iowa from making known the names of persons, firms or corporations conducting Class III gaming pursuant to the terms of this Compact, locations at which such activities are conducted, or the dates on which such activities are conducted;
- (c) Publishing the terms of this Compact, Gaming Ordinance, Regulations, Amendments and Resolutions;
- (d) Disclosing to a law enforcement or regulatory agency of the United States government or another state, or to any subdivision of the State of Iowa, including counties, information necessary to audit, investigate or prosecute violations of this Compact, Gaming Ordinance, Regulations, and other applicable laws;
- (e) Any information necessary to defend suits by the Tribe against the State or suits by the State against the Tribe;
- (f) Complying with any law, subpoena or court order;
- (g) Disclosing audit or test results, provided that disclosure would not compromise the security of the gaming operation or reveal proprietary information, and provided further, that disclosure is limited to circumstances where the audit or test results demonstrate detriment to the public. Whenever audit or test results demonstrate detriment to the public, disclosure, if any, will not occur until at least thirty (30) days following the date on which the State has notified the Tribe of its intent to disclose. Such notice will identify those aspects of the audit or test results considered by the State to demonstrate detriment to the public. If, by the close of such thirty (30) day period, the Tribe has corrected or taken substantial steps to correct audit or test result matters considered by the State to demonstrate detriment to the public, no disclosure shall be made; or
- (h) Providing to a patron who has made a complaint to the Director information received by the Director from the Commission in response to that patron complaint.

15.2 Through this Compact, the State represents and warrants that it has authority to, and hereby does, covenant and promise the Tribe that all records and information described

herein which the Tribe provides under this Compact or which the State otherwise acquires through its access to Tribal records as permitted under this Compact are exempt from disclosure to the public under Iowa law, and shall remain exempt from disclosure, except as provided above. The State further acknowledges and agrees that the State's promise to maintain the records and documents described herein as confidential, non-public documents exempt from disclosure is material to the Tribe's agreement to State access to certain Tribal books, records, documents and things, and said covenant of confidentiality is a material term of this Compact.

Confidentiality is guaranteed in Iowa Code section 10A.105(3) (2005). Should this Section be amended or altered to negate the confidentiality provided herein, the parties agree that this provision of the Compact shall be renegotiated in order to accomplish the purpose of protecting the Tribe's records, documents, and information derived from such records and documents from disclosure. The State of Iowa also agrees that if Iowa Code section 10A.105(3) (2005) is amended during the duration of this Compact, the State of Iowa shall return to the Tribe copies of books, records, documents and things covered by this covenant of confidentiality not needed to be retained by the State for a legitimate purpose related to this Compact.

16. NO CREDIT EXTENDED

Class III gaming shall be operated for cash only and no credit may be extended to any patron. However, the Tribe may offer check cashing and credit card transactions, including cash advances, pursuant to regulations established by the Tribe, which shall be no less stringent than the regulations enacted by the Iowa Racing and Gaming Commission Administrative Rules and Iowa Law. This provision shall not be construed as allowing Credit to be offered by the Tribe or any Management Contractor or any other person or entity other than through a bona fide credit card company whose services are offered to other businesses in the state of Iowa. Personal

checks accepted by the Tribe must be deposited into a financial institution promptly in accordance with sound business practices.

17. JURISDICTION

The Tribe shall exercise civil and criminal jurisdiction consistent with its inherent sovereign authority as defined by federal law, as delegated by Congress, or as otherwise exists at law and as a consequence of its sovereign status. Nothing in this Compact is intended to change, revise, or modify civil and criminal jurisdiction of the Tribe or of the State. Nothing contained herein shall be deemed to modify or limit existing federal jurisdiction over Tribal members and the Class III gaming activities permitted under this Compact.

The State's jurisdiction over gaming activities and individuals involved therewith is limited only by applicable Federal or State law and shall not be construed as limited in any manner by this Compact. Nothing in this Compact limits the State's criminal law jurisdiction with respect to non-Tribal members and actions arising out of Class III gaming activities. Nothing within this Compact shall be construed to affect any civil or criminal jurisdiction the State may have under Public Law #83-280.

The provisions of this Compact regarding jurisdiction are solely for purposes of this Compact and shall not constitute a precedent for any other purpose.

18. TAXES

Nothing in this Compact shall be construed as imposing any tax on any Class III Gaming activity. In addition, nothing in this Compact shall be construed as expanding or diminishing Iowa's authority, if any, to impose any tax on the Tribe or any person or entity other than the Tribe authorized by the Tribe to engage in authorized Class III Gaming on Indian Lands or on any Class III Gaming activity. Nothing in the Compact shall prohibit the taxation of income derived by a patron from gaming activity.

19. AMENDMENTS AND WAIVERS

The terms and conditions of this Compact shall not be modified, amended or otherwise altered except by written agreement of the parties. Any written waiver of any provision or requirement of this Compact signed by the party waiving the provision and any modification or amendment of any provision of this Compact or any Appendix to this Compact that is agreed upon by the parties in writing shall take effect immediately upon the date such waiver, modification or amendment is approved by the Secretary. The Director may waive any provisions or requirements of this Compact which are imposed by Iowa on the Tribe by providing the Tribe with written notice of the waiver. Any waiver provided by the Director shall not constitute a waiver of any future deviation from the terms of this Compact unless the waiver specifically addresses future deviations. The Tribe may waive any provision or requirement of this Compact imposed on Iowa in a similar manner and with similar effect.

The Tribe and Iowa may amend or add mutually agreed upon appendices to this Compact setting forth operational standards, specifications and regulations governing Class III gaming. In addition, the Tribe and Iowa may amend the technical standards of Section 8 (Licensing) and Section 2 (Gaming Devices). A change in or the addition of an appendix or an amendment to the technical standards in the foregoing Sections of the Compact shall not be considered an amendment to the Compact and shall not require the approval of the Secretary of the Interior.

20. BINDING DISPUTE RESOLUTION FOR NON-MATERIAL BREACH

In the event that either the Tribe or the State believes the other party has engaged in a non-material breach of this Compact, the party asserting a non-material breach shall notify the other party in writing of the basis for such assertion. The written notice of the non-material breach required by this section shall detail the substantive basis for the assertion. The parties

shall meet and confer within fifteen (15) days after delivery of the notice of the non-material breach and shall attempt to resolve the dispute informally.

If the dispute is not resolved between the parties within fifteen (15) days after the initial meeting, or if no meeting has been held within fifteen (15) days, the party asserting the non-material breach may notify the other party in writing of its demand that the complained of breach be halted or remedied, as is appropriate to the nature of the asserted breach. Within ten (10) days after delivery of such notice, the party to whom the demand is made shall either agree to the demand or reject it.

- a) If the party upon whom the demand is made either rejects the demand or fails to respond within ten (10) days after delivery of the notice, then the parties shall agree to immediately submit to a mediation process which shall be governed by the Commercial Mediation Rules of the American Arbitration Association. If upon completion of the mediation process the dispute is not resolved to the satisfaction of a party, then the aggrieved party shall, within fifteen (15) days from the conclusion of the mediation process, provide a written notice of disagreement. The person (s) who served as the mediator in the process shall prepare a summary report identifying the subject (s) of the disagreement between parties. This summary shall constitute the scope of the issues which, both parties agree, shall then be submitted to a formal binding arbitration process governed by the Rules of the American Arbitration Association and the following provisions: The parties shall attempt to agree upon one arbitrator with expertise in the subject matter of the dispute. If the parties are unable to agree on an arbitrator, each party shall, within ten (10) days after impasse, select an arbitrator and the two arbitrators so selected shall pick a third arbitrator who has

expertise in the subject area and who shall be solely responsible for conducting the binding arbitration.

- b) The arbitrator so selected shall confer with the parties immediately after appointment to determine an arbitration schedule. The arbitrator shall issue a scheduling order for arbitration. The order may include whether, and the extent to which, discovery is required. The arbitrator shall set the matter for evidentiary hearing or may dispose of the dispute upon written submissions only.
- c) The arbitrator shall have access to any information necessary to make a decision, whether in the possession of the Tribe or the State, and shall maintain all information in confidence.
- d) The arbitrator shall consider each issue presented by the parties and select one of the two positions asserted. Thereafter, the arbitrator shall determine, by weighing all issues, the prevailing party. The non-prevailing party shall be responsible for paying the costs of arbitration, except that each party shall be responsible for their own attorney fees.

21. REMEDIES FOR MATERIAL BREACH

Breach by the Tribe. In the event of a material breach by the Tribe, the State may invoke the dispute resolution provisions found in Section 20, above. In the alternative, the State may notify the Tribe in writing (a) asserting that it believes that the Tribe is in material breach of the Compact, (b) setting forth the facts supporting the allegation of material breach, and (c) stating that the Compact will terminate within thirty (30) days after receipt of such notice if the material breach is not cured. If, within thirty (30) days after receipt of the notice, the Tribe agrees in writing to correct the breach, and does in fact correct the breach, the State shall not terminate the Compact. If the breach is not corrected, or if the conduct has resumed, the State may, at its

discretion, terminate the Compact; provided, however, whenever circumstances permit a severance of the activity alleged to have caused the material breach from other gaming activities of the Tribe, then the State shall not terminate the Compact and both parties shall mutually agree to a suspension of the challenged activity until final resolution of the matter is achieved through the dispute resolution process outlined in Section 20 of this Compact. This remedy shall not apply under any circumstances in which the NIGC has taken action affecting the Class III gaming operation.

Breach by the State. In the event of material breach by the State, the Tribe may invoke the dispute resolution provisions found in Section 20, above. In the alternative, the Tribe may notify the State in writing that it will terminate the Compact within thirty (30) days after receipt of such notice. If, within thirty (30) days after receipt of the notice, the State agrees in writing to correct the breach, and does in fact correct the breach, the Tribe shall not terminate the Compact. If the breach is not corrected, or if the conduct has resumed, the Tribe may, at its discretion, terminate the Compact.

Other Available Remedies. Nothing in this Section 21 shall be construed to waive, limit or restrict any remedy, including judicial review, that is otherwise available to either party to enforce the provisions of this Compact or limit or restrict the ability of the parties to pursue other available remedies. Nothing within this Compact shall be construed to limit the authority of the State or federal government to take immediate action to enforce and prosecute applicable laws of the State and the United States.

Both parties expressly waive their Sovereign Immunity for purposes of this section only. The parties hereby waive any defense of Sovereign Immunity and immunity under the Eleventh Amendment of the United States Constitution for purposes of this section only. Such waiver is

expressly limited to actions for declaratory or injunctive relief, and shall not include waiver of sovereign immunity as to claims for money damages.

22. EXTENSION OF OBLIGATIONS

The expiration or termination of this Compact shall not relieve either Iowa or the Tribe of any obligation which arose under this Compact during the period in which it was in effect.

23. SEVERABILITY

If any part of this Compact is finally found to be in violation of any applicable law by a court of competent jurisdiction, the illegal portion shall be severed from this Compact, if possible, and the remainder shall remain valid and enforceable, provided that continuation of the Compact does not alter the fundamental intent of the parties.

24. THIRD-PARTY BENEFICIARIES

This Compact is not intended to create any third-party beneficiaries and is entered into solely for the benefit of the Tribe and Iowa.

25. PROVIDING COMPACTS

In the event that another Indian Tribe executes a compact with Iowa for the conduct of Class III Gaming, Iowa shall provide a copy thereof to the Tribe within five (5) days following execution by both the other Tribe and Iowa.

26. NOTICES

Unless otherwise indicated differently, all notices, payments, requests, reports, information or demands which any party hereto may desire and may be required to give the other party hereto, shall be in writing and shall be personally delivered or sent by facsimile transmission, express mail service, or first class certified or registered United States mail, postage prepaid, return receipt requested, and sent to the other party at its address appearing

27. CALCULATION OF TIME

In computing any period of time prescribed or allowed by this Compact or any laws, rules or regulations of the Tribe, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless the last day is a Saturday, Sunday or a legal holiday under Tribal law, Iowa law or federal law. If the act to be done is the filing of or providing access to any report or document, and the last day of the period falls on a day in which the weather or other conditions have made the office in which the report or document is to be filed inaccessible, the designated

period shall extend until the end of the next day on which the office is accessible which is not a Saturday, Sunday or legal holiday under Tribal law, Iowa law or federal law. When the period of time prescribed or allowed is less than eleven (11) days, intermediate Saturdays, Sundays and legal holidays under Tribal law, Iowa law or federal law shall be excluded from the computation period.

28. COUNTERPARTS

This Compact may be executed by the parties in any number of separate counterparts with the same effect as if the signatures were upon the same instrument. All such counterparts shall together constitute one and the same document.

29. ASSIGNMENT OF COMPACT

Neither Iowa nor the Tribe may assign any of its respective rights, title or interest in this Compact, nor may Iowa or the Tribe delegate any of their respective obligations and duties, except as expressly provided herein. Any attempt at assignment or delegation in contravention of the foregoing shall be null and void. The Tribe may, without violating this Section, delegate its regulatory responsibilities to an agency of the Tribe, enter into a Management Contract, or enter into a cross-deputization, mutual assistance or other similar agreement with a law enforcement agency of the United States or Iowa. Nothing in this section shall be construed to authorize the Department to delegate its statutory authority to regulate Class III gaming. Iowa may, without violating this Section, delegate responsibilities to any subdivision of the State of Iowa, to any county authorities in the State of Iowa or enter into a cross-deputization agreement with a law enforcement agency of the United States.

30. GOVERNING LAW

This Compact is, in all respects, to be governed by the laws of the United States of

America. In the event the governing law of the United States looks to the law of a particular state for its content, the law applicable in this instance shall be that of the State of Iowa.

31. RENEGOTIATION

Renegotiations of the provisions of this Compact as contemplated in Section 41 shall be conducted in good faith pursuant to the terms of this Compact and the terms of the Act, as though the renegotiation were a request to negotiate a Compact. The Tribe and Iowa shall both execute their obligations pursuant to this Compact reasonably and in good faith.

32. RIGHTS AVAILABLE UNDER THE ACT

Nothing in this Compact shall be construed to alter or limit the rights or remedies available to the parties under the Act.

33. STATE REGULATORY ASSESSMENT COSTS

33.1 Pursuant to Iowa Code section 10A.104(10) and 25 U.S.C. section 2710(d)(3)(C), the Tribe shall remit annually during the entire term of this Compact no later than October 30, 2007, an assessment in the amount of \$40,000, increased each year (compounded from the initial payment of \$40,000) by a percentage equal to the percentage change in the Consumer Price Index as reported by the Bureau of Labor Statistics for the previous twelve (12) months. The amount of the payments established under this Subsection shall be the maximum amount that the Tribe must pay to the Department as an assessment to defray the actual costs of the Director's regulation of the Tribe's Class III gaming.

No later than December 1, 2007, and annually thereafter during the entire term of this Compact, the Department shall submit to the Tribe an explanation, subject to the confidentiality provisions of this Compact, which details the regulatory activities and the associated expense of the Department for which the fee set forth in this Subsection is assessed. Amounts not expended annually shall be reimbursed to the Tribe.

33.2 The Tribe shall establish an escrow account at an off Indian Lands bank of its choosing with an initial contribution of \$10,000 for the first year of this Compact paid in quarterly installments, the first installment of which will be deposited within twenty (20) days of notice of approval by the Secretary. This escrow account is to reimburse State entities other than the Department for actual expenses incurred in performing regulatory activities under this Compact and as permitted by the Act. The escrow account shall be established as specified, and is funded to defray the actual costs of State regulatory activities that are in addition to the activities of the Department identified in Subsection 33.1 above. The regulatory activities contemplated by this Subsection include only those activities directly attributable to the regulation of the Tribe's Class III gaming allowed by the Act. By way of example, they include, but are not limited to, regulatory activities of the Office of the Attorney General and the Department of Public Safety.

The Tribe shall replenish the escrow account, but need only do so as necessary to fund actual, allowable costs, and agrees that the balance in the account will never become a negative balance. Beginning the second year of the Compact and annually thereafter, the Tribe shall contribute quarterly to the escrow account an amount equal to one quarter of the previous year's actual assessments paid under this Subsection, rounded up to the nearest thousand dollar mark, but increased each year by a percentage equal to the percentage change in the Consumer Price Index as reported by the Bureau of Labor Statistics for the previous twelve (12) months. Any funds not expended remain the property of the Tribe. The amount of the annual payment established under this Subsection is capped at \$20,000 and shall never exceed this amount unless the parties renegotiate this Subsection as a result of a good faith request by the Department based upon actual, allowable costs exceeding \$20,000.

A State entity shall invoice the Tribe only for reasonable, necessary and actual costs related to its regulatory activities under this Compact and allowed by the Act. The State entity shall send its invoices to the Department for review under the guidelines set forth in this Subsection. After this review, the Department shall submit all allowable invoices to the Tribe, and the Tribe shall pay all invoiced amounts to the State entity through the Department from the escrow account within thirty (30) days of submission, except for any amounts legitimately and necessarily disputed by the Tribe within thirty (30) days as provided herein.

If the Tribe disputes the amount of any invoice submitted under this Subsection, the Tribe shall, within thirty (30) days of submission of the invoice, notify the Department and the State entity of the exact amount it disputes and the reason(s) for its disagreement with the amount invoiced. If the State entity, the Department and the Tribe have not resolved the dispute within twenty (20) days of being notified by the Tribe, then the State entity, the Department and the Tribe shall submit to the dispute resolution procedures set forth in Section 20, above.

For purposes of this Section 33 and the resolution of any dispute hereunder, the Department is an interested party.

34. LOCAL GOVERNMENT OPERATIONS AND CHARITABLE DONATIONS

34.1 Local Government Operations. Pursuant to 25 U.S.C. sections 2710(b)(2)(B) and 2710(d)(3)(C), within thirty (30) days of receipt by the Tribe of a request from a local unit of government of Monona County, the Tribe shall in good faith commence negotiations and shall endeavor in good faith to reach agreement for payment of actual costs to help fund operations of Monona County impacted by the Tribe's Class III gaming permitted under this Compact and as permitted by the Act. If requested by the Department, the Tribe shall provide a report on all such agreements and payments made, within thirty (30) days of the request.

34.2 Charitable Donations. The Omaha Tribe understands the importance of contributing to charitable organizations and causes in the region for various purposes such as education, health, public safety, the arts, the environment, cultural activities, historic preservation, and others. The Tribe has historically been a major contributor to charitable causes and is committed to continuing that practice as business allows. Accordingly, and in compliance with 25 U.S.C. sections 2710(b)(2)(B) and 2710(d)(3)(C), the Tribe may in its discretion make charitable donations from gaming revenues. The Tribe shall provide a report to the State of Iowa detailing any charitable contributions it has made during the year. Such report shall be submitted no later than December 31, 2006, and annually thereafter during the entire term of this Compact.

35. GAMBLING ADDICTION PROGRAMS

No later than January 1, 2007, and thereafter annually during the entire term of this Compact, the Tribe shall pay to the Department an annual assessment in the amount of \$10,000 increased each year (compounded from the initial payment of \$10,000) by a percentage equal to the percentage change in the Consumer Price Index as reported by the Bureau of Labor Statistics for the previous twelve (12) months. Such payment may, at the discretion of the Tribe, be made in quarterly installments due on January 1, April 1, July 1 and October 1 of each year. The State and the Tribe acknowledge that the amount of this assessment represents a portion of the actual costs expended by local agencies for gambling addiction treatment for persons residing in the counties within a seventy-five mile radius of the Tribe's Class III gaming operations. If any new State licensed casino opens within such radius, the parties agree to renegotiate this Section in good faith.

36. COMITY AND COURT ORDERED OBLIGATIONS

The State has enacted Iowa Code chapters 252A, 252B, 252C, 252D, 252K, 252E, 252F, 252H and 422 establishing systems for the fulfillment of child support and tax obligations. The

parties agree that subject to the limitations and conditions set forth below, court or administratively ordered child support and tax obligations based upon relevant provisions of State law shall be honored by the Tribe solely in its capacity as an employer operating a Class III facility in Iowa, as permitted by this Compact. The State acknowledges and agrees that the provisions of this Section 36 shall not apply to orders or obligations ("Matters") of any duly enrolled member (a "Member") of the Tribe, which Matters shall be subject to the sovereign authority and jurisdiction of the Tribe and the Omaha Tribal Court. The State further acknowledges and agrees that only orders that are issued or affirmed by the Omaha Tribal Court may be enforced against a Member who is an employee of the Tribe. All such Matters are governed by the laws of the Tribe.

As a matter of comity between Sovereigns, the Tribe shall timely honor all court or administratively ordered child support and tax obligations affecting any person who is not a Member who is employed by the Tribe in its Class III gaming operation in Iowa in any capacity and licensed by the Commission. Orders for child support and tax obligations shall first be presented to the Commission. The Commission shall be responsible for ensuring that all such orders are given full force and effect, including the implementation of wage withholding for affected employees. Such orders shall be implemented within thirty (30) days of presentation to the Commission.

37. CONDITION OF LICENSE

Iowa has enacted Iowa Code chapter 252J which permits the denial, suspension or revocation of a license issued by the State for failure to comply with child support obligations. Similarly, the Tribe may require that the issuance and retention of its licenses pursuant to Section 8 herein be conditioned upon satisfaction of child support obligations.

38. PUBLIC HEALTH AND SAFETY

The Tribe shall comply with standards governing health and safety, which shall apply to all Class III gaming facilities. Such standards shall be as defined in the laws of the Tribe, which shall be no less stringent than the standards established by the International codes covering the following:

- (1) The International Building Code;
- (2) The International Mechanical Code;
- (3) The International Plumbing Code; and
- (4) The International Fire Code.

All Class III gaming facilities shall also comply with the laws of the Tribe governing food and beverage handling, which shall be no less stringent than the standards established by United States Public Health Service requirements.

39. TRIBAL AND STATE SOVEREIGNTY

This Compact shall not be construed to waive or diminish the sovereignty or any sovereign immunity of the Tribe or Iowa.

40. EFFECTIVE DATE

The "Effective Date" of this Compact shall be the date on which the Compact has been duly executed by both parties, approval by the Department of the Interior has been granted in writing, and notice of such approval by the Department of the Interior has been published in the Federal Register in accordance with the Act.

41. RENEGOTIATION AND DURATION

Unless earlier terminated pursuant to this Compact, this Compact shall remain effective through December 30, 2014, and shall renew automatically for successive eight (8) year terms unless either party gives notice of intent to renegotiate at least twelve (12) months, but no more than eighteen (18) months, prior to the scheduled expiration of the existing term. The notice to

renegotiate shall be in writing and shall describe the issues to be reconsidered. Negotiations conducted pursuant to the notice shall be conducted in good faith by both parties. If a notice to renegotiate is issued by either party, this Compact will automatically terminate at the conclusion of the existing term unless the parties have mutually agreed to extend this Compact on terms acceptable to both parties.

42. AUTOMATIC TERMINATION

This Compact shall automatically terminate in conformance with the Act if the Tribe passes an ordinance or resolution which results in discontinuing all Class III gaming. Nothing in this Compact shall be interpreted as preventing the Tribe from terminating any Class III gaming conducted pursuant to this Compact at any time. Should the Tribe continue Class III gaming under 25 U.S.C. section 2710 (d) (2) (D) (iii), this Compact shall terminate upon cessation of all Class III gaming.

43. NO SEPARATE ENTITY OR COOPERATIVE RELATIONSHIP

This Compact is not intended to create any separate administrative or legal entity. Nothing in this Compact shall be construed as creating any third-party beneficiaries, a partnership, joint venture, or other joint or cooperative relationship between Iowa and the Tribe for the purposes of conducting or regulating Class III Gaming. The Tribe shall not represent to others that the gaming conducted by or on behalf of the Tribe is licensed or endorsed by Iowa or a subdivision of Iowa. The Tribe may, however, represent to others that its compliance with the terms of this Compact has been verified by Iowa or its subdivision, but only to the extent Iowa has actually verified any such compliance.

44. INTEGRATION

This Compact, including the attached Appendices "A", "B," and "C", which are fully incorporated into this Compact by this reference as if written here, constitutes the entire

agreement between the parties. Neither party is relying on any prior or other written or oral representation in entering into this Compact.

45. CHANGES IN IOWA LAW

Nothing in this Compact shall be construed as prohibiting any change in the laws of Iowa. However, any such changes in the laws of Iowa shall not affect this Compact or the Tribe's rights thereunder, except to the extent that the State expressly prohibits Class III gaming as provided in 25 USC section 2710(d)(1)(B). Nothing in this paragraph shall be construed as preventing the Tribe from challenging future legislation by Iowa affecting this Compact or the Tribe's Class III gaming.
