BETWEEN

THE STATE OF CALIFORNIA

AND THE

SHINGLE SPRINGS BAND OF MIWOK INDIANS

**AMENDMENT TO THE TRIBAL-STATE GAMING COMPACT BETWEEN THE
STATE OF CALIFORNIA
AND THE SHINGLE SPRINGS BAND OF MIWOK INDIANS**

WHEREAS, the State of California (hereinafter "the State") and the Shingle Springs Band of Miwok Indians, Shingle Springs Rancheria (hereinafter "the Tribe"), entered into a compact in 1999 (hereinafter the "1999 Compact"); and

WHEREAS, the State and the Tribe have agreed to revise the 1999 Compact to promote good relations between tribal, state, and local governments and to enhance tribal economic development and self-sufficiency; and

WHEREAS, the Tribe agrees to make a fair revenue contribution to the State, to enter into arrangements to mitigate to the extent practicable the off-reservation environmental and direct fiscal impacts of its Gaming Facility on local communities and local governments, and to offer additional consumer protections; and

WHEREAS, in recognition of the fair revenue contribution and the measures enhancing protections for local governments and the public and to provide a sound basis for the Tribe's decisions with respect to investment in, and the operation of, its Gaming Activities, the State agrees to amend the 1999 Compact to afford the Tribe the opportunity to operate additional Gaming Devices and to extend the term of the Compact; and

WHEREAS, the Tribe wishes to reaffirm its pledge to share its revenues with Non-Compact Tribes; and

WHEREAS, the State and the Tribe have concluded that this amendment to the 1999 Compact provides for a fair contribution to the State from the Tribe's Gaming Operation, enhances the Tribe's exclusive right to operate slot machines, protects the interests of the Tribe and the California public, and will promote and secure long-term stability, mutual respect, and mutual benefits; and

WHEREAS, the State and the Tribe recognize that this amendment is authorized and negotiated and shall take effect pursuant to the Indian Gaming Regulatory Act ("IGRA"); and

WHEREAS, the State and the Tribe agree that all terms of this amendment to the 1999 Compact (collectively the "Amended Compact") are intended to be binding and enforceable.

NOW, THEREFORE, the Tribe and the State hereby amend the 1999 Compact as follows:

I. DEFINITIONS

Section 2.21 is repealed and replaced by the following:

Section 2.21. "Tribe" means the Shingle Springs Band of Miwok Indians, a federally-recognized Indian tribe, or an authorized official or agency thereof.

II. AUTHORIZED FACILITIES

Section 4.2 is repealed and replaced by the following:

Section 4.2. Authorized Gaming Facilities. The Tribe may establish and operate not more than one Gaming Facility within the boundaries of the Shingle Springs Rancheria, as those boundaries existed as of January 1, 2007, located in El Dorado County, as legally described in, and represented on the map at, Exhibit C hereto, and only on the Tribe's Indian lands existing as of January 1, 2007. The Tribe may operate in the Gaming Facility any forms and kinds of gaming permitted by law, but only to the extent allowed under IGRA and the Tribe's Gaming Ordinance and specifically authorized by this Amended Compact. Notwithstanding anything to the contrary in this Amended Compact, however, any independent structures or other improvements ancillary to the Gaming Activities, in which no Class III gaming is conducted, including any roads, parking lots, or walkways, may be on contiguous land to the aforesaid Indian lands (i) which is held by the Tribe in fee where the Tribe's activities thereon are subject to the jurisdiction of State law and the State courts, or (ii) which is Indian land within the meaning of IGRA.

III. REVENUE CONTRIBUTION

A. Sections 2.15, 4.3.2.3, 5.0, 5.1, 5.2, and 5.3 are repealed.

B.ee Section 4.3.1 is repealed and replaced by the following:ee

Section 4.3.1.

- (a) The Tribe is entitled to operate no more than 5,000 Gaming Devices, but its right to operate any Gaming Devices shall be conditioned upon its making the payments set forth under subdivision (b) in accordance with the terms set forth in subdivision (c).
- (b) The Tribe agrees that in consideration of the exclusive right to operate Gaming Devices within the geographic region specified in Section 3.2 of this Amended Compact and to operate Gaming Devices outside the licensing system established by the 1999 Compact, and other valuable consideration, subject to the deduction allowed under subdivision (e), the Tribe shall pay to the State the following percentages of Net Win generated from the operation of the Tribe's Gaming Devices, as follows:

<u>Annual Net Win</u>	<u>Percentage</u>
\$0-\$200 million	20%
Over \$200 million	25%

The payment specified herein has been negotiated between the parties as a fair contribution to be made annually in quarterly payments based upon the Tribe's membership, market conditions, its circumstances, and the rights afforded by this Amended Compact.

- (c) The Tribe shall remit to such agency, trust, fond or entity, as the State Director of Finance. pursuant to law, from time to time, shall specify to the Tribe in writing, the payment referenced in subdivision (b) in quarterly payments, which quarterly payments shall be based on the Net Win generated from the Gaming Devices during the immediately preceding quarter, due on the thirtieth day following the end of each calendar quarter (i.e., by April 30 for the first quarter, July 30 for the second quarter, October 30 for the third quarter, and January 30 for the fourth quarter). If the Gaming activities authorized by the Amended Compact commence during a calendar quarter, the

first payment shall be due on the thirtieth day following the end of the first full quarter of the Gaming Activities and shall cover the period from the commencement of the Gaming Activities to the end of the first full calendar quarter. The quarterly payments shall be accompanied by the certification specified in subdivision (g).

- (d) "Net Win" is drop, plus the redemption value of expired tickets, less fills, less payouts, less the actual cost of prizes awarded to a player as a result of a wager placed in connection with the play of a Gaming Device resulting in a winning wager, provided that the Tribe maintains adequate and detailed documents to support the cost of the prize, less Participation Fees. "Participation Fees" is defined as payments made to a Gaming Resource Supplier on a periodic basis by the Gaming Operation for the right to lease or otherwise license for play Gaming Devices that are owned by the Gaming Resource Supplier and which are not generally available for outright purchase by gaming operators. The Tribe assures that it holds no current interest in any company that supplies Gaming Devices and agrees that if it acquires such an interest in the future (except for an interest acquired through an investment in a diversified mutual fund, provided that the mutual fund does not hold a ten percent (10%) or greater interest in the company), it will forego the deduction of such fees with respect to that supplier in which it holds an interest.
- (e) The Tribe may deduct from the quarterly payments specified in subdivision (c) payments made during the same calendar quarter by the Tribe for the construction of a state highway project, specifically, High Occupancy Vehicle ("HOV") lanes on Highway 50, pursuant to the Memorandum of Understanding and Intergovernmental Agreement Between the County of El Dorado and the Tribe dated September 28, 2006, up to a total of five million, two hundred thousand dollars (\$5,200,000) annually for a total of twenty (20) years.
- (f) "Gaming Device," as defined in Section 2.6 of the Amended Compact, includes, but is not limited to, video poker, but does not include electronic, computer, or other technological aids

that qualify as Class II gaming (as defined under IGRA). For purposes of calculating the number of Gaming Devices, each player station, terminal or other device on which a game is played constitutes a separate Gaming Device, irrespective of whether it is part of an interconnected or server-based system of such terminals, stations or devices.

- (g) The quarterly payments made pursuant to subdivision (c) shall be accompanied by a certification of the Net Win calculation prepared by the chief financial officer of the Gaming Operation. The certification shall also specify the percentage applied to the quarterly Net Win, as specified in subdivision (b), and the total amount of the quarterly payment. At any time after the fourth quarter payment (which is due by January 30), but in no event later than April 30, the Tribe shall also provide to the agency, trust, fund or entity specified pursuant to subdivision (c) an annual certification of the Net Win calculation for the immediately preceding year by an independent certified public accountant who is not an employee of the Tribe, the Tribal Gaming Agency, or the Gaming Operation, is only otherwise retained by any of these entities to conduct regulatory audits or audits of the Gaming Operation, and has no financial interest in any of these entities. The State Gaming Agency shall have the right to confer with the independent certified public accountant during the certification process and to review and copy all of the independent certified public accountant's work papers and documentation. Copies of the quarterly certifications prepared by the chief financial officer of the Gaming Operation and the annual certifications prepared by the independent certified public accountant shall be sent to the State Gaming Agency at the same time they are provided to the agency, trust, fund or other entity specified pursuant to subdivision (c).
- (h) The State Gaming Agency may audit the Net Win calculation, and if it determines that the Net Win is understated, will promptly notify the Tribe and provide a copy of the audit. The State Gaming Agency shall have access to all records deemed necessary by the State Gaming Agency to verify the Net Win calculations, including access to the Gaming Device accounting systems and server-based systems and software and to the data

contained therein. The Tribe, within twenty (20) days, will either accept the difference or provide a reconciliation satisfactory to the State Gaming Agency. If the Tribe accepts the difference or does not provide a reconciliation satisfactory to the State Gaming Agency, the Tribe must immediately pay the amount of the resulting deficiency plus accrued interest thereon at the rate of one percent (1.0%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less. If the Tribe does not provide a reconciliation satisfactory to the State Gaming Agency, the Tribe, once payment is made, may commence dispute resolution under Section 9.0. The parties hereto expressly acknowledge that the certifications and information related to payments herein are subject to the confidentiality protections and assurances of Section 7.4.3, subdivision (c), of this Amended Compact.

- (i) Notwithstanding anything to the contrary in Amended Compact Section 9.0, any failure of the Tribe to remit its payments referenced in subdivision (b) pursuant to subdivisions (c), (d), (e), (f) and (g) will entitle the State to immediately seek injunctive relief in federal or state court, at the State's election, to compel the payments, plus accrued interest thereon at the rate of one percent (1.0%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less; and further, the Tribe expressly consents to be sued in either court, including any related courts of appeal, and expressly waives, and also waives its right to assert, sovereign immunity and any and all defenses based thereon in any such proceeding to enforce said payment obligations. Failure to make timely payment shall be deemed a material breach of this Amended Compact.

- (j) If any portion of the fee payments required by subdivision (b) herein remains overdue after the State Gaming Agency has provided written notice to the Tribe of the overdue amount with an opportunity to cure of at least twenty (20) days, the Tribe, not later than sixty (60) days after the date of the payment was due under subdivision (c), shall cease operating all of its Gaming Devices until full payment is made.

- (k) If the State Gaming Agency determines that there is an insufficient amount in the Revenue Sharing Trust Fund in a fiscal year to distribute the quarterly payments required by Section 4.3.2.1 of the 1999 Compact pursuant to Government Code section 12012.90 to each eligible recipient Indian tribe, then the State Gaming Agency shall direct a portion of the revenue contribution referenced in subdivision (b) to increase the revenue contribution to the Revenue Sharing Trust Fund in Section 4.3.2.2 in an amount sufficient to ensure the Revenue Sharing Trust Fund has sufficient resources for each eligible recipient Indian tribe to receive quarterly payments pursuant to Government Code section 12012.90.
- (1) This Section constitutes a "Section 4.3. 1" within the meaning of article 6.5 (commencing with section 63048.6) of chapter 2 of division 1 of title 6.7 of the California Government Code.

C. **Section 4.3.2.2** is repealed and replaced by the following:

Section 4.3.2.2. The Tribe shall pay to the State Gaming Agency for deposit into the Revenue Sharing Trust Fund an annual amount of four million, six hundred thousand dollars (\$4,600,000), to be paid in quarterly payments of one million, one hundred and fifty-thousand dollars (\$1,150,000) each within thirty (30) days of the end of each calendar quarter (on January 30, April 30, July 30, and October 30). If this Amendment becomes effective during a calendar quarter, payment shall be prorated for the number of days remaining in that quarter. A Revenue Sharing Trust Fund credit in the amount of three hundred thirty-eight thousand, eight hundred five dollars, and seventy-five cents (\$338,805.75) shall be applied to the first full quarterly payment due under this Section 4.3.2.2.

D. **Section 4.3.3** is repealed and replaced by the following:

Section 4.3.3. If requested to do so by either party, the parties will promptly commence negotiations in good faith with the other concerning the number of Gaming Devices authorized by Section 4.3. 1, subdivision (a).

- E. A new Section 4.3.4 is added as follows:

Section 4.3.4. For purposes of Sections 4.3.1 and 4.3.2.2 of this Amended Compact, the State Gaming Agency shall be the California Gambling Control Commission, unless the State provides otherwise by written notice pursuant to Section 13.0.

IV. AUTHORIZATION AND EXCLUSIVITY

- A. **Section 12.4** is repealed.

- B. **Section 3.0** is repealed and replaced by the following:

Section 3.0. Authorization and Exclusivity of Class III Gaming.

- C. A new Section 3.1 is added as follows:

Section 3.1. The Tribe is hereby authorized and permitted to engage in only the Gaming Activities expressly referred to in Section 4.1 and shall not engage in Class III gaming that is not expressly authorized in that Section.

- D. A new Section 3.2 is added as follows:

Section 3.2.

- (a) In the event the State authorizes any person or entity other than an Indian tribe with a federally-approved Class III gaming compact to operate Gaming Devices within the Tribe's core geographic market, which for purposes of this Section consists of the geographic area that is within a one hundred (100) mile radius of the Tribe's Gaming Facility. and such person or entity thereafter legally offers for play Gaming Devices within the Tribe's core geographic market as specified in this subdivision, the Tribe shall have the right to: (i) terminate this Amended Compact, in which case the Tribe will lose the right to operate Gaming Devices and other Class III gaming and shall immediately cease all Gaming Activities, or (ii) continue under this Amended Compact, in which case the Tribe shall be relieved of its obligations to make payments to the State

specified in Sections 4.3.1, subdivision (b) and 4.3.2.2, except as set forth in subdivision (b) below, until such time that the operation of Gaming Devices by such person or entity within the Tribe's core geographic market ceases.

- (b) (i) Notwithstanding the Tribe's cessation of payments under subdivision (a)(ii), if the Tribe operates no more than 2,000 Gaming Devices throughout any calendar year, it shall nonetheless compensate the State for the actual and reasonable costs of regulation, as determined by the State Director of Finance, or failing agreement between the State and the Tribe on that amount, as determined by arbitration pursuant to Section 9.2 of this Amended Compact.
 - (ii) Notwithstanding the Tribe's cessation of payments under subdivision (a)(ii), if the Tribe operates more than 2,000 Gaming Devices, it shall nonetheless pay fifteen percent (15%) of the Net Win attributable to all Gaming Devices above 2,000 in quarterly payments in accordance with subdivisions (c), (d), (e), and (g) of Section 4.3.1, but in no event shall the Tribe pay less than the actual and reasonable costs of regulation, as determined in subdivision (b)(i).
 - (iii) For purposes of subdivision (b)(ii), the Net Win generated from the operation of all Gaming Devices above 2,000 Gaming Devices shall be calculated by multiplying the average Net Win per Gaming Device for the quarter by the maximum number of Gaming Devices operated during that quarter in excess of 2,000. The average Net Win per Gaming Device is the total Net Win for all Gaming Devices for the quarter divided by the maximum number of Gaming Devices operated during that quarter.
- (c) Nothing herein shall relieve the Tribe of any obligations it may have pursuant to any intergovernmental agreement entered into pursuant to Sections 10.8.7, 10.8.8, or 10.8.9.

- (d) Nothing herein precludes the State Lottery from offering any lottery games or devices that are currently or may hereafter be authorized by state law.

V. TESTING OF GAMING DEVICES

- A. The following new Section 7.5 is added as follows:

Section 7.5. Testing of Gaming Devices.

- (a) No Gaming Device may be offered for play unless all of the following occurs:
 - (i) The manufacturer or distributor which sells, leases, or distributes such Gaming Device (A) has applied for a determination of suitability by the State Gaming Agency at least fifteen (15) days before it is offered for play, (B) has not been found to be unsuitable by the State Gaming Agency, and (C) has been licensed by the Tribal Gaming Agency; and
 - (ii) The software for the game authorized for play on the Gaming Device has been tested, approved and certified by an independent or state governmental gaming test laboratory (the "Gaming Test Laboratory") as operating in accordance with either the standards of Gaming Laboratories International, Inc. known as GLI-11, GLI-12 and GLI-21, or the technical standards approved by the State of Nevada, or such other technical standards as the State Gaming Agency and the Tribal Gaming Agency shall agree upon, which agreement shall not be unreasonably withheld, and a copy of the certification is provided to the State Gaming Agency by electronic transmission or by mail unless the State Gaming Agency waives in writing receipt of copies of certification; and
 - (iii) The software for the game authorized for play on the Gaming Device is tested by the Tribal Gaming Agency or a Gaming Test Laboratory appointed by the Tribal Gaming Agency that is not the same laboratory that was

used for the certification required pursuant to subdivision (a) (ii) to ensure that each game authorized for play on the Gaming Device has the correct electronic signature prior to being opened for play by patrons; and

- (iv) The hardware and associated equipment for each type of Gaming Device has been tested by the Gaming Test Laboratory to ensure operation in accordance with the applicable Gaming Test Laboratory standards; and
 - (v) The hardware and associated equipment for each Gaming Device has been tested by the Tribal Gaming Agency prior to operation by the public to ensure operation in accordance with the manufacturer's specifications; and
 - (vi) The Tribal Gaming Agency shall maintain adequate records that demonstrate compliance with this subdivision (a).
- (b) The Gaming Test Laboratory shall be an independent or state governmental gaming test laboratory recognized in the gaming industry which (i) is competent and qualified to conduct scientific tests and evaluations of Gaming Devices, and (ii) is licensed or approved by any of the following states: Arizona, California, Colorado, Illinois, Indiana, Iowa, Michigan, Missouri, Nevada, New Jersey, or Wisconsin. The Tribal Gaming Agency shall submit to the State Gaming Agency documentation that demonstrates the Gaming Test Laboratory satisfies (i) and (ii) herein within thirty (30) days of the effective date of this Amended Compact, or if such use follows the effective date, within fifteen (15) days prior to reliance thereon. If, at any time, the Gaming Test Laboratory license and/or approval required by (ii) herein is suspended or revoked by any of those states or the Gaming Test Laboratory is found unsuitable by the State Gaming Agency, then the State Gaming Agency may reject the use of the Gaming Test Laboratory, and upon such rejection, the Tribal Gaming Agency shall ensure that the Gaming Test Laboratory discontinues its responsibilities under this Section. The Tribe and the State Gaming Agency shall inform the Gaming Test Laboratory in

writing that irrespective of the source of payment of its fees, the Gaming Test laboratory's duty of loyalty runs equally to the State and the Tribe.

- (c) The Tribal Gaming Agency shall ensure that compliance with subdivisions (a) and (b) is audited annually by an independent auditor and shall provide the results of such audits to the State Gaming Agency within ten (10) days of completion. For purposes of this subdivision, an independent auditor shall be a certified public accountant and/or certified internal auditor who is not an employee of the Tribe, Tribal Gaming Agency, or the Gaming Operation, has no financial interest in any of these entities, and is only otherwise retained by any of these entities to conduct regulatory audits or audits under Section 8.1.8.

- (d) The State Gaming Agency and its consultants, if any, may inspect the Gaming Devices in operation at the Gaming Facility on a random basis not to exceed four (4) times annually to confirm that they operate and play properly pursuant to the manufacturer's technical standards. The inspections may include all Gaming Device software, hardware, and associated equipment and systems that support the operation of the Gaming Device. The random inspections conducted pursuant to this subdivision shall occur during the Gaming Facility's normal business hours outside of weekends and holidays. Whenever possible, the State Gaming Agency shall not require removal from play any Gaming Device that the State Gaming Agency determines may be fully and adequately tested while still in play. The State Gaming Agency shall provide notice to the Tribal Gaming Agency of such inspection at or prior to the commencement of the random inspection, and a member of the Tribal Gaming Agency shall accompany the State Gaming Agency inspector(s) during the inspection of the Gaming Devices. The Tribal Gaming Agency shall require a member to be available at all times for those purposes. If the Tribal Gaming Agency fails to promptly make a member available for purposes of the inspection, the State Gaming Agency may proceed with the inspection. The State Gaming Agency may conduct additional inspections only upon reasonable belief of any irregularity and after informing the Tribal Gaming Agency

of the basis for such belief. Any consultants engaged or used by the State Gaming Agency to assist and/or perform the State Gaming Agency's inspections pursuant to this subsection (d) shall be subject to the confidentiality protections and assurances set forth in Section 7.4.3 of this Amended Compact.

- (e) The Tribal Gaming Agency shall provide to the State Gaming Agency electronic or paper copies of its technical standards, regulations and internal controls applicable to the Tribe's Gaming Devices at least thirty (30) days before offering the Gaming Devices for play and at least thirty (30) days before the effective date of any revisions to the technical standards, regulations, and internal controls.
- (f) For purposes of this Section 7.5, the State Gaming Agency shall be the California Gambling Control Commission, unless the State provides otherwise by written notice pursuant to Section 13.0.

VI. BUILDING CODES

Subdivision (d) of **Section 6.4.2** is repealed and subdivisions (d) through (l) of **Section 6.4.2** are added as follows:

Section 6.4.2.

- (d) Subdivision (b) shall apply to any Gaming Facility constructed prior to the effective date of this Amended Compact, and subdivisions (e) through (l) herein shall apply to the construction of any Gaming Facility after the effective date of this Amended Compact and to any reconstruction, alteration of, or addition to, any Gaming Facility occurring after the effective date ("Covered Gaming Facility Construction").
- (e) In order to ensure the protection of the health and safety of all Gaming Facility patrons, guests, and employees, the Tribe shall adopt or has already adopted, and shall maintain throughout the term of this Amended Compact, an ordinance that requires any Covered Gaming Facility Construction to meet or exceed the California Building Code and the Public Safety Code applicable to the county in which the

Gaming Facility is located as set forth in Titles 19 and 24 of the California Code of Regulations, as those regulations may be amended during the term of this Amended Compact, including but not limited to, codes for building, electrical, energy, mechanical, plumbing, fire, and safety ("Applicable Codes"). All Covered Gaming Facility Construction will also comply with the federal Americans with Disabilities Act, P.L. 101-336, as amended, 42 U.S.C. § 12101 et seq. Notwithstanding the foregoing, the Tribe need not comply with any standard that specifically applies in name or in fact only to tribal facilities. Without limiting the rights of the State under this Section, reference to Applicable Codes is not intended to confer jurisdiction upon the State or its political subdivisions. For purposes of this Section, the terms "building official" and "code enforcement agency" as used in Title 19 and 24 of the California Code of Regulations mean the Tribal Gaming Agency or such other tribal government agency or official as may be designated by tribal law.

- (f) In order to ensure compliance with the Applicable Codes, in all cases where the Applicable Codes would otherwise require a permit, the Tribe shall require inspections and shall, for that purpose, employ for any Covered Gaming Facility Construction appropriate plan checkers or review firms that either are California licensed architects or engineers with relevant experience or are on the list, if any, of approved plan checkers or review firms provided by the county in which the Gaming Facility is located, and shall employ project inspectors that have been either certified in compliance with California Health and Safety Code sections 18949.25 through 18949.31 or approved as Class 1 certified inspectors by the Division of the State Architect or approved as Class A certified inspectors by the Office of Statewide Health Planning and Development or their successors. For purposes of this subdivision, the local agency referenced in California Health and Safety Code sections 18949.25 through 18949.31 shall be the Tribe. The Tribe shall require the inspectors to maintain contemporaneous records of all inspections and report in writing any failure to comply with the Applicable Codes to the Tribal Gaming Agency and an agency designated by the State (the "State Designated Agency"). The plan checkers, review firms, and project inspectors shall hereafter be referred to as "Inspector(s)."

(g) In all cases where the Applicable Codes would otherwise require plan check, the Tribe shall require those responsible for any Covered Gaming Facility Construction to maintain for inspection and copying by the State Designated Agency or, upon its request, provide to the State Designated Agency, the documentation set forth below:

- (i) The design and construction calculations, and plans and specifications that form the basis for the planned Covered Gaming Facility Construction (the "Design and Building Plans");
- (ii) All contract change orders, and other documents that are related to any material changes to a structural detail of the Design and Building Plans or any other changes in the Design and Building Plans; and
- (iii) All other contract change orders.

The Tribe shall maintain the Design and Building Plans and the as-built Design and Building Plans for the term of this Amended Compact or until the expiration of twenty four (24) months following permanent cessation of occupancy of the building to which such plans and other documents apply, whichever first occurs.

(h) The State Designated Agency may designate an agent or agents to be given not less than three (3) business days' advance notice of each inspection required under subdivision (f), and the State agent(s) may accompany the Inspector on any such inspection. The Tribe agrees to correct any Gaming Facility condition noted in the inspection that does not meet the Applicable Codes (hereinafter "deficiency"). Upon not less than three (3) business days' notice to the Tribal Gaming Agency, except in circumstances posing a serious or significant risk to the health or safety of any persons, in which case no advance notice is required, the State Designated Agency shall also have the right to conduct an independent inspection of the Gaming Facility to verify compliance with the Applicable Codes before public occupancy and shall report to the Tribal Gaming Agency any alleged deficiency; provided, however, that prior to any exercise by the State of its right to inspect without notice based upon alleged circumstances posing a serious or significant threat to the health or safety of any person, the

State Designated Agency shall provide to the Tribal Gaming Agency, notice in writing specifying in reasonable detail those alleged circumstances.

- (i) Upon final certification by the Inspector that a Gaming Facility meets Applicable Codes, the Tribal Gaming Agency shall forward the Inspector's certification to the State Designated Agency within ten (10) days of issuance. If the State Designated Agency objects to that certification, the Tribe shall make a good faith effort to address the State Designated Agency's concerns, but if the State Designated Agency does not withdraw its objection, the matter will be resolved in accordance with the dispute resolution provisions of Section 9.0.
- (j) A Gaming Facility shall be issued a certificate of occupancy by the Tribal Gaming Agency based on the final certification specified in subdivision (i). The certificate of occupancy shall be reviewed for continuing compliance on a biennial basis. Inspections by Inspectors (as defined herein) shall be conducted under the direction of the Tribal Gaming Agency, as the basis for issuing any biennial renewals of the certificate of occupancy.
- (k) Any failure to remedy within a reasonable period of time any material and timely raised deficiency shall be deemed a violation of this Amended Compact unless the State has acted unreasonably in reporting the deficiency to the Tribe, and furthermore, any deficiency that poses a serious or significant risk to the health or safety of any person shall be deemed a material violation of this Amended Compact and grounds for the Tribal Gaming Agency, or the State Designated Agency pursuant to a court order, to prohibit occupancy of the affected portion of the Gaming Facility until the deficiency is corrected.
- (l) The Tribe shall also take all necessary steps to (i) reasonably ensure the ongoing availability of sufficient and qualified fire suppression services to the Gaming Facility and (ii) reasonably ensure that the Gaming Facility satisfies all requirements of the Tribe's fire codes and the fire codes and regulations applicable to the county in which the Gaming Facility is located. Not more than sixty (60) days after the effective date of this Amended Compact and not less than thirty (30) days before the commencement of Gaming Activities in any Gaming

Facility subject to the Covered Gaming Facility Construction requirements of this Section, and not less than biennially thereafter in both cases, and upon at least ten (10) days' notice to the State Designated Agency, the Gaming Facility shall be inspected, at the Tribe's expense, by a tribal official, if any, who is responsible for fire protection on the Tribe's lands, or by an independent expert, for purposes of certifying that the Gaming Facility meets a reasonable standard of fire safety and life safety. The State Designated Agency shall be entitled to designate and have a qualified representative or representatives present during the inspection. During such inspection, the State's representative(s) shall specify to the tribal official or independent expert, as the case may be, any condition which the representative(s) reasonably believes would preclude certification of the Gaming Facility as meeting a reasonable standard of fire safety and life safety. Within fifteen (15) days of the inspection, the tribal official or independent expert shall issue to the Tribal Gaming Agency and the State Designated Agency a report on the inspection, identifying any deficiency in fire safety or life safety at the Gaming Facility or in the ability of the Tribe to meet reasonably expected fire suppression needs of the Gaming Facility. Within fifteen (15) days after the issuance of the report, the tribal official or independent expert shall also require and approve a specific plan for correcting deficiencies, whether in fire safety at the Gaming Facility or in the Tribe's ability to meet the reasonably expected fire suppression needs of the Gaming Facility, including those identified by the State's representative(s). A copy of the plan shall be served on the State Designated Agency and the Tribal Gaming Agency within fifteen (15) days after issuance of the report. Immediately upon correction of all deficiencies identified in the report, the tribal official or independent expert shall certify in writing to the State Designated Agency that all previously identified deficiencies have been corrected. Any failure to correct all deficiencies identified in the report within a reasonable period of time shall be deemed a violation of the Amended Compact, and any failure to promptly correct those deficiencies that pose a serious or significant risk to the health or safety of any person shall be a material violation of the Compact and grounds for the State Gaming Agency or other State Designated Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to a court order until the deficiency is corrected.

VII. PATRON DISPUTES

Section 8.1.10, subdivision (d) is repealed and replaced by the following:

- (d) (i) The Tribal Gaming Agency shall promulgate regulations governing patron disputes over the play and the operation of any Gaming Activity, including any refusal to pay a patron any alleged winnings from any Gaming Activities, which regulations must meet the following minimum standards:
 - (A) A patron who makes a complaint to personnel of the Gaming Operation over the play or operation of any game within five (5) days of the play or operation shall be advised in writing of his or her right to request, within fifteen (15) days of the date of making the complaint, resolution of the complaint by the Tribal Gaming Agency, and if dissatisfied with that resolution, to seek binding arbitration of the dispute before a retired judge pursuant to the terms and provisions in subdivision (d)(i)(C) below. The written advisory provided to the patron shall include a patron dispute/complaint form that is consistent with industry standards and which the patron may use to request resolution of the complaint.
 - (B) Upon written request by the patron for a resolution of his or her complaint, the Tribal Gaming Agency shall conduct a complete investigation, shall provide to the patron a copy of its regulations concerning patron complaints, and shall render a decision in accordance with industry practice extant in Nevada and New Jersey. The decision shall be issued within sixty (60) days of the patron's request, shall be in writing, shall be based on the facts surrounding the dispute, and shall set forth the reasons for the decision.
 - (C) If the patron is dissatisfied with the decision of the Tribal Gaming Agency, or no decision is issued within the sixty (60) day period, the patron may request that the complaint over claimed prizes or winnings and the

amount thereof, be settled by binding arbitration before a single arbitrator, who shall be a retired judge, in accordance with the streamlined arbitration rules and procedures of JAMS (or if those rules no longer exist, the closest equivalent). The arbitration shall take place within twenty-five (25) miles of the exterior boundaries of the Shingle Springs Rancheria (the "Rancheria"). Upon such request, the Tribe shall consent to such arbitration and agree to abide by the decision of the arbitrator; provided, however, that if any alleged winnings are found to be a result of a mechanical, electronic or electromechanical failure, which is not due to the intentional acts or gross negligence of the Tribe or its agents, the arbitrator shall deny the patron's claim for the winnings but shall award reimbursement of the amounts wagered by the patron which were lost as a result of the failure, unless the arbitrator finds that such failure was the result of the intentional act or gross negligence of the patron. To effectuate its consent to arbitration, the Tribe shall expressly waive, and waive its right to assert, sovereign immunity and any and all defenses based thereon in connection with the arbitrator's jurisdiction and in any action brought in federal court or, if the federal court declines to hear the action, in any action brought in the courts of the State of California that are located in Sacramento County or El Dorado County, including courts of appeal, to (1) enforce the parties' obligation to arbitrate, (2) confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (3) enforce or execute a judgment based upon the award. The Tribe agrees not to assert, and will waive any defense, alleging improper venue or forum non conveniens as to such courts. The cost and expenses of such arbitration shall be initially borne by the Tribe but the arbitrator shall award to the prevailing party its costs and expenses (but not attorney fees). Any party dissatisfied with the award of the arbitrator may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (and if those rules no longer exist, the closest equivalent); provided that the party making such

election must bear all costs and expenses of JAMS and the arbitrators associated with the Appeal Procedure regardless of the outcome.

- (ii) At such time that the Tribe establishes a tribal court system, the Tribe may give notice to the State that it seeks to renegotiate in good faith this subdivision (d), in which case, the State and the Tribe shall be obligated to negotiate in good faith the arrangements, if any, by which the tribal court system will adjudicate patron claims covered under this subdivision. In so negotiating, the State shall give due respect to the sovereign rights of the Tribe, and due consideration to the due process safeguards established in the tribal court system, the transparency of the tribal court system, and the appellate rights afforded under the system.

The Policy shall acknowledge in writing that the Tribe has expressly waived, and also waived its right to assert, sovereign immunity and any and all defenses based

thereon for the purpose of arbitration of those claims for harassment, retaliation, or employment discrimination up to the limits of such Policy and for the purpose of enforcement of any ensuing award or judgment and shall include an endorsement providing that the insurer shall not invoke tribal sovereign immunity up to the limits of the Policy; however, such endorsement or acknowledgement shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for any portion of the claim that exceeds the limits of the Policy. Nothing in this subdivision (g)(v), shall be interpreted as a waiver of the Tribe's sovereign immunity or consent to the jurisdiction of any court other than for the purposes set forth in this subdivision (g).

- (vi) The Tribe shall provide written notice of the employment discrimination complaint ordinance and the procedures for bringing a complaint in its employee handbook. The Tribe also shall post and keep posted in prominent and accessible places in the Gaming Facility where notices to employees and applicants for employment are customarily posted, a notice setting forth the pertinent provisions of the employment discrimination complaint ordinance and information pertinent to the filing of a complaint.
- (vii) The Tribe's failure to comply with this subdivision (g), shall be deemed a material breach of this Amended Compact.

F. A new **Section 10.2, subdivision (1)** is added as follows:

Section 10.2.

- (1) Adopt and comply with standards no less stringent than the standards of the Fair Labor Standards Act, 29 U.S.C. § 201, et seq., and the United States Department of Labor regulations implementing the Fair Labor Standards Act (29 C.F.R. § 500, et seq.).

G. **Section 10.3, subdivision (c)** is repealed and replaced by the following:

- (c) As a matter of comity, with respect to persons, including nonresidents of California, employed at the Gaming Facility or paid items of income by the Gaming Operation, the Gaming Operation shall withhold all taxes due to the State as provided in the California Unemployment Insurance Code and, except for members of the Tribe living on the Tribe's rancheria, the Revenue and Taxation Code, and the regulations thereunder,

and shall forward such amounts as provided in such Codes to the State. The Tribe shall file with the Franchise Tax Board a copy of any information return filed with the Secretary of the Treasury, as provided in the Revenue and Taxation Code and the regulations thereunder, except those pertaining to members of the Tribe living on the Tribe's rancheria.

H. **A new Section 10.3, subdivision (d)** is added as follows:

- (d) As a matter of comity, with respect to the earnings of any person employed at the Gaming Facility, the Gaming Operation shall comply with all earnings withholding orders for support of a child, or spouse, or former spouse, and all other orders by which the earnings of an employee are required to be withheld by an employer pursuant to chapter 5 (commencing with section 706.010) of division 1 of title 9 of part 2 of the California Code of Civil Procedure, and with all earnings assignment orders for support made pursuant to Chapter 8 (commencing with section 5200) of part 5 of division 9 of the California Family Code or section 3088 of the Probate Code, or their successor provisions.

XII. WORKERS' COMPENSATION

Section 10.3, subdivision (a) is repealed and replaced by the following:

- (a) In lieu of permitting the Gaming Operation to participate in the state statutory workers' compensation system, the Tribe may create and maintain a system that provides redress for Gaming Facility employees' work-related injuries through requiring insurance or self-insurance, which system must include a scope of coverage, provision of up to ten thousand dollars (\$10,000) in medical treatment for alleged injury until the date that liability for the claim is accepted or rejected, employee choice of physician (either after thirty (30) days from the date of the injury is reported or if a medical provider network has been established, within the medical provider network), quality and timely medical treatment provided comparable to the state's medical treatment utilization schedule, availability of an independent medical examination to resolve disagreements on appropriate treatment (by an Independent Medical Reviewer on the state's

approved list, a Qualified Medical Evaluator on the state's approved list, or an Agreed Medical Examiner upon mutual agreement of the employer and employee), the right to notice, hearings before an independent tribunal, a means of enforcement against the employer, and benefits (including, but not limited to, disability, rehabilitation and return to work) comparable to those mandated for comparable employees under state law. Not later than the effective date of this Amended Compact, or sixty (60) days prior to the commencement of Gaming Activities under this Amended Compact, the Tribe will advise the State of its election to participate in the statutory workers' compensation system or, alternatively, forward to the State all relevant ordinances that have been adopted and all other documents establishing the system and demonstrating that the system is fully operational and compliant with the comparability standard set forth above. The parties agree that independent contractors doing business with the Tribe must comply with all state workers' compensation laws and obligations.

XIII. MITIGATION OF OFF-RESERVATION IMPACTS

Section 10.8 is repealed and replaced by the following:

Section 10.8. Off-Reservation Impact(s).

Section 10.8.1. Tribal Environmental Impact Report.

- (a) Before the commencement of any Project as defined in Section 10.8.6 herein, the Tribe shall prepare a Tribal Environmental Impact Report (hereafter "TEIR"), analyzing the potentially significant off-reservation environmental impacts of the Project pursuant to the process set forth in this Section 10.8; provided, however, that information or data which is relevant to such a TEIR and is a matter of public record or is generally available to the public need not be repeated in its entirety in the TEIR, but may be specifically cited as the source for conclusions stated therein; and provided further that the information or data shall be briefly described, that its relationship to the TEIR shall be indicated, and that the source thereof shall be reasonably available for inspection at a public place or public building. The TEIR shall provide detailed information about the

Significant Effect(s) on the Off- Reservation Environment which the Project is likely to have, including the matters set forth in Exhibit A, shall list ways in which the Significant Effects on the Environment might be minimized, and shall include a detailed statement setting forth all of the following:

- (i) All Significant Effects on the Off-Reservation Environment of the proposed Project;
 - (ii) In a separate section:
 - (A) Any Significant Effect on the Off-Reservation Environment that cannot be avoided if the Project is implemented;
 - (B) Any Significant Effect on the Off-Reservation Environment that would be irreversible if the Project is implemented;
 - (iii) Mitigation measures proposed to minimize Significant Effects on the Off-Reservation Environment, including, but not limited to, measures to reduce the wasteful, inefficient, or unnecessary consumption of energy;
 - (iv) Whether any proposed mitigation is feasible;
 - (v) A range of reasonable alternatives to the Project; provided that the Tribe need not address alternatives that would require it to forgo its right to engage in the Gaming Activities authorized by this Amended Compact on its Indian lands;
 - (vi) Any direct growth-inducing impacts of the Project; and
 - (vii) Whether the proposed mitigation would be effective to substantially reduce the potential Significant Effects on the Off- Reservation Environment.
- (b) In addition to the information required pursuant to subdivision (a), the TEIR shall also contain a statement briefly indicating

the reasons for determining that various effects of the Project on the off-reservation environment are not significant and consequently have not been discussed in detail in the TEIR. In the TEIR, the direct and indirect Significant Effects on the Off-Reservation Environment, including each of the items on Exhibit A, shall be clearly identified and described, giving due consideration to both the short-term and long-term effects. The discussion of mitigation measures shall describe feasible measures which could minimize significant adverse effects, and shall distinguish between the measures that are proposed by the Tribe and other measures proposed by others. Where several measures are available to mitigate an effect, each should be discussed and the basis for selecting a particular measure should be identified. Formulation of mitigation measures should not be deferred until some future time. The TEIR shall also describe a range of reasonable Project alternatives, which would feasibly attain most of the objectives of the Project and which would avoid or substantially lessen any of the Significant Effects on the Off-Reservation Environment, and evaluate the comparative merits of the alternatives; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Amended Compact on its Indian lands. The TEIR must include sufficient information about each alternative to allow meaningful evaluation, analysis, and comparison. The TEIR shall also contain an index or table of contents and a summary, which shall identify each Significant Effect on the Off-Reservation Environment with proposed mitigation measures and alternatives that would reduce or avoid that effect, and issues to be resolved, including the choice among alternatives and whether and how to mitigate the Significant Effects on the Environment. Previously approved land use documents, including, but not limited to, general plans, specific plans, and local coastal plans, may be used to discuss cumulative impact analysis.

Section 10.8.2. Notice of Preparation of Draft TEIR.

- (a) Upon commencing the preparation of the draft TEIR, the Tribe shall issue a Notice of Preparation to the State Clearinghouse in the State Office of Planning and Research ("State Clearinghouse"), to the County of El Dorado ("County"), to the public and to other Interested Persons, Agencies and Cities. The Notice shall provide all Interested Persons with information describing the Project and its potential Significant Effects on the Environment sufficient to enable Interested Persons to make a meaningful response or comment. At a minimum, the Notice shall include all of the following information:
 - (i) A description of the Project;
 - (ii) The location of the Project shown on a detailed map, preferably topographical, and on a regional map; and
 - (iii) The probable off-reservation environmental effects of the Project.
- (b) The Notice shall also inform Interested Persons of the opportunity to provide comments to the Tribe within thirty (30) days of the date of receipt of the Notice by the State Clearinghouse and the County. The Notice shall also request Interested Persons to identify in their comments the off-reservation environmental issues and reasonable mitigation measures that the Tribe will need to have explored in the draft TEIR.

Section 10.8.3. Notice of Completion of the Draft TEIR.

- (a) Within no less than thirty (30) days following receipt of the Notice of Preparation by the State Clearinghouse and the County, the Tribe shall file a copy of the draft TEIR and a Notice of Completion with the State Clearinghouse, the State Gaming Agency, the County, and the California Department of Justice. The Notice of Completion shall include all of the following information:

- (i) A brief description of the Project;
 - (ii) The proposed location of the Project;
 - (iii) An address where copies of the draft TEIR are available; and
 - (iv) Notice of a period of forty-five (45) days during which the Tribe may receive comments on the draft TEIR.
- (b) The Tribe will serve in a timely manner the Notice of Completion to all Interested Persons and post public notice of the draft TEIR in the office of the County Board of Supervisors and at the public libraries serving the County. In addition, the Tribe will provide public notice by at least one of the procedures below:
- (i) Publication of the Notice of Completion at least one time by the Tribe in a newspaper of general circulation in the area affected by the Project. If more than one area is affected, the notice shall be published in the newspaper of largest circulation from among the newspapers of general circulation in those areas; or
 - (ii) Direct mailing by the Tribe of the Notice of Completion to the owners and occupants of property adjacent to, but outside, the Indian lands on which the Project is to be located. Owners of such property shall be identified as shown on the latest equalization assessment roll.

Section 10.8.4. Issuance of Final TEIR. The Tribe shall prepare, certify and make available to the County, the State Clearinghouse, the State Gaming Agency, and the California Department of Justice, a Final TEIR, which shall consist of:

- (a) The draft TEIR or a revision of the draft;
- (b) Comments and recommendations received on the draft TEIR either verbatim or in summary;

- (c) A list of persons, organizations, and public agencies commenting on the draft TEIR;
- (d) The responses of the Tribe to significant environmental points raised in the review and consultation process; and
- (e) Any other relevant comments and information added by the Tribe.

Section 10.8.5. The Tribe's failure to prepare a TEIR when required shall be deemed a material breach of this Amended Compact and furthermore shall be grounds for issuance of an injunction or other appropriate equitable relief.

Section 10.8.6. Definitions. For purposes of this Section 10.8, the following terms shall be defined as set forth in this Section 10.8.6.

- (a) "Project" is defined as any activity occurring on Indian lands, a principal purpose of which is to serve the Tribe's Gaming Activities or Gaming Operation and which may cause either a direct physical change in the off-reservation environment, or a reasonably foreseeable indirect physical change in the off-reservation environment. This definition shall be understood to include, but not be limited to, the construction or planned expansion of any Gaming Facility and any construction or planned expansion, a principal purpose of which is to serve a Gaming Facility, including, but not limited to, access roads, parking lots, a hotel, an entertainment facility, utility or waste disposal systems, or water supply, as long as such construction or expansion causes a direct or indirect physical change in the off-reservation environment. Notwithstanding the foregoing, "Project" shall not include the Tribe's Interchange Project, as described and evaluated in the September 2002 Final Environmental Impact Report/ Environmental Assessment issued by the California Department of Transportation and Bureau of Indian Affairs, and which is described in that document (and is defined herein) to include the access road extending from Honpie Road on Shingle Springs Rancheria to the southwest over a contiguous 5.6-acre parcel held in trust for

the Tribe and an interchange connecting the access road to U.S. Highway 50 (between Shingle Springs Drive and Greenstone Road interchanges in El Dorado County) via an overpass and acceleration and deceleration lanes on Highway 50. Attached hereto as Exhibit 8 is a map reflecting the Interchange Project, which is in the Indian Reservations Roads system and which is also designated as Project ID No. 38330, Route No. 315, in the Indian Reservation Road Transportation Improvement Program. Nothing herein shall be interpreted to exclude from the definition of Project any reconstruction, alteration of, or addition to the Interchange Project that was not described and evaluated in the September 2002 Final Environmental Impact Report/Environmental Assessment.

- (b) "Significant Effect(s) on the Environment" has the same meaning as "Significant Effect(s) on the Off-Reservation Environment" and occur(s) if any of the following conditions exist:
- (i) A proposed Project has the potential to degrade the quality of the off-reservation environment, reduce the off-reservation habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, eliminate an off-reservation plant or animal community, reduce the number or restrict the range of an endangered, rare or threatened species, or eliminate important examples of the major periods of California history or prehistory, or to achieve short-term, to the disadvantage of long-term, environmental goals.
 - (ii) The possible effects on the off-reservation environment of a Project are individually limited but cumulatively considerable. As used herein, "cumulatively considerable" means that the incremental effects of an individual Project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effect of probable future projects.

- (iii) The off-reservation environmental effects of a Project will cause substantial adverse effects on human beings, either directly or indirectly.

For purposes of this definition, reservation refers to Indian lands within the meaning of IGRA.

- (c) "Interested Persons" means (i) all local, State, and federal agencies, which, if a Project were not taking place on Indian lands, would have responsibility for approving the Project or would exercise authority over the natural resources that may be affected by the Project, (ii) any city with a nexus to the Project, and (iii) any other persons, groups, or agencies that request in writing a notice of preparation of a draft TEIR or have commented on the Project in writing to the Tribe or the County.

Section 10.8.7. Intergovernmental Agreement.

- (a) Before commencement of a Project and no later than when the Tribe issues its Final TEIR, the Tribe shall offer to begin negotiations with the County and upon the County's acceptance of the Tribe's offer, shall negotiate with the County and shall enter into an enforceable written agreement with the County which include all of the following:
 - (i) Provisions providing for the timely mitigation of any Significant Effect on the Off-Reservation Environment (which effects may include, but are not limited to, adverse changes in aesthetics, agricultural resources, air quality, biological resources, cultural resources, geology and soils, hazards and hazardous materials, water resources, land use, mineral resources, traffic, noise, utilities and service systems, and cumulative effects), where such effect is attributable, in whole or in part, to the Project, unless the parties agree that the particular mitigation is infeasible, taking into account economic, environmental, social, technological, and/or other considerations.

- (ii) Provisions relating to reasonable compensation for law enforcement, fire protection, emergency medical services and any other public services to be provided by the County to the Tribe for the purposes of the Tribe's Gaming Operation as a consequence of the Project.
 - (iii) Provisions providing for mitigation of any effect on public safety attributable to the Project, including any reasonable compensation to the County as a consequence thereof.
 - (iv) Provisions providing for reasonable compensation for programs designed to address gambling addiction.
- (b) The Tribe shall not commence a Project until the Intergovernmental Agreement specified in subdivision (a) is executed by the parties or is effectuated pursuant to Section 10.8.8.

Section 10.8.8. Dispute Resolution Process

- (a) In order to foster good government-to-government relationships and to assure that the Tribe is not unreasonably prevented from commencing a Project and benefiting therefrom, if an agreement with the County is not entered into within fifty-five (55) days of the submission of the Final TEIR, or such further time as the Tribe or the County (for the purposes of this Section "the parties") may mutually agree in writing, any party may demand binding arbitration before a single arbitrator pursuant to the comprehensive arbitration rules and procedures of JAMS (or if those rules no longer exist, the closest equivalent) with respect to disputes over mitigation or compensation on which the parties cannot reach agreement. Upon mutual agreement of the parties, the arbitration may be before a panel of three arbitrators. Any party dissatisfied with the award of the arbitrator may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (and if those rules no longer exist, the closest equivalent); provided that the party making such election must bear all costs and expenses of JAMS and the

arbitrators associated with the Appeal Procedure regardless of the outcome.

- (b) With respect to each dispute specified in subdivision (a), the arbitrator shall issue an award that provides for feasible mitigation of Significant Effects on the Off-Reservation Environment and on public safety and which reasonably compensates for public services pursuant to Section 10.8.8, without unduly interfering with the principal objectives of the Project or imposing environmental mitigation measures which are different in nature or scale from the type of measures that have been required to mitigate impacts of a similar scale of other projects in the surrounding area, to the extent there are such other projects. The arbitrator shall take into consideration whether the final TEIR provides the data and information necessary to enable the County to determine both whether the Project may result in a Significant Effect on the Off-Reservation Environment and whether the proposed measures in mitigation are sufficient to mitigate any such effect. The arbitrator may require the parties to produce evidence in support of or in opposition to any factual matter deemed by the arbitrator to be relevant and material to the determination of the dispute. If any party does not participate in the arbitration, the arbitrator shall nonetheless conduct the arbitration and issue an award, and the participating party or parties shall submit such evidence as the arbitrator may require therefor. The award shall be deemed part of the Intergovernmental Agreement provided for under Section 10.8.7, and upon request of either party, the arbitrator may include those mitigation and compensation measures upon which the parties have agreed in the award. To effectuate its consent to the foregoing arbitration procedure, the Tribe agrees to expressly waive, and also waive its right to assert, its sovereign immunity and any and all defenses based thereon in connection with the arbitrator's jurisdiction and in any action brought in the United States District Court where the Tribe's Gaming Facility is located and related courts of appeal, or, if the federal court declines to hear the action, in any action brought in the courts of the State of California that are located in Sacramento County or El Dorado County, including courts of appeal, to (1) enforce the parties' obligation to arbitrate, (2)

confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (3) enforce or execute a judgment based upon the award. The Tribe agrees not to assert, and will waive, any defense alleging improper venue or forum non-conveniens as to such courts.

Section 10.8.9. Notwithstanding anything to the contrary herein, the Memorandum of Understanding and Intergovernmental Agreement entered into on September 28, 2006, between the County of El Dorado and the Tribe ("the MOU/IGA") constitutes an Intergovernmental Agreement within the meaning of Section 10.8.7 and covers all Projects commenced during the term of this Amended Compact unless the County and the Tribe agree otherwise or unless the MOU/IGA terminates or otherwise becomes unenforceable prior to the termination of this Amended Compact. The Tribe agrees to implement the mitigation measures set forth in the MOU/IGA. Failure of the Tribe to implement the mitigation measures shall constitute a breach of this Amended Compact. Further, the Tribe agrees that the State may enforce the MOU/IGA on behalf of the County, as provided in Section K.5. of the MOU/IGA.

XIV. LICENSURE OF FINANCIAL SOURCES

Section 6.4.6 is repealed and replaced by the following:

Section 6.4.6. Financial Sources.

- (a) Subject to subdivision (e) of this Section 6.4.6, any person or entity extending financing, directly or indirectly, to the Tribe for a Gaming Facility or a Gaming Operation (a "Financial Source") shall be licensed by the Tribal Gaming Agency prior to extending that financing.
- (b) A license issued under this Section shall be reviewed at least every two (2) years for continuing compliance. In connection with such a review, the Tribal Gaming Agency shall require the Financial Source to update all information provided in the previous application. For purposes of Section 6.5.2, such a review shall be deemed to constitute an application for renewal.

- (c) Any agreement between the Tribe and a Financial Source shall include a provision for its termination without further liability on the part of the Tribe, except for the bona fide repayment of all outstanding sums (exclusive of interest) owed as of the date of termination, upon revocation or non-renewal of the Financial Source's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. The Tribe shall not enter into, or continue to make payments pursuant to, any contract or agreement for the provision of financing with any person whose application to the State Gaming Agency for a determination of suitability has been denied or has expired without renewal.
- (d) A Gaming Resource Supplier who provides financing exclusively in connection with the provision, sale, or lease of Gaming Resources obtained from that Supplier may be licensed solely in accordance with licensing procedures applicable, if at all, to Gaming Resource Suppliers, and need not be separately licensed as a Financial Source under this Section.
- (e) (i) The Tribal Gaming Agency may, at its discretion, exclude from the licensing requirements of this Section, the following Financial Sources under the circumstances stated.
 - (A) A federally-regulated or state-regulated bank, savings and loan association, or other federally- or state-regulated lending institution.
 - (B) An entity identified by Uniform Tribal Gaming Regulation CGCC-2, subdivision (f) (as in effect on July 1, 2006) of the California Gambling Control Commission, when that entity is a Financial Source solely by reason of being (1) a purchaser or a holder of debt securities issued directly or indirectly by the Tribe for a Gaming Facility or by the Gaming Operation or (2) the owner of a participation interest in any amount of indebtedness for which a Financial Source described in subdivision (e)(i)(A) is the creditor.

- (C) An investor who, alone or together with any person controlling, controlled by or under common control with such investor, holds less than 10% of all outstanding debt securities issued directly or indirectly by the Tribe for a Gaming Facility or by the Gaming Operation.
 - (D) An agency of the federal, state or local government providing financing, together with any person purchasing any debt securities of the agency to provide such financing.
- (ii) The following are not Financial Sources for purposes of this Section.
- (A) An entity identified by Uniform Tribal Gaming Regulation CGCC-2, subdivision (h) (as in effect on July 1, 2006) of the California Gambling Control Commission.
 - (B) A person or entity whose sole connection with a provision or extension of financing to the Tribe is to provide loan brokerage or debt servicing for a Financial Source at no cost to the Tribe or the Gaming Operation; provided that no portion of any financing provided is an extension of credit to the Tribe or the Gaming Operation by that person or entity.
 - (C) The holder of any Letter-of-Credit-Backed Bonds identified in Uniform Tribal Gaming Regulation CGCC-1 (as in effect on July 1, 2006), so long as the holder meets the criteria set forth in both paragraphs (1) and (2) of subdivision (a) of Uniform Tribal Gaming Regulations CGCC-1.
- (f) In recognition of changing financial circumstances, this Section shall be subject to good faith renegotiation after one (1) year from the effective date of this Amended Compact upon request of either party; provided such renegotiation shall

not retroactively affect transactions that have already taken place where the Financial Source has been excluded or exempted from licensing requirements.

XV. EFFECTIVE DATE AND TERM OF COMPACT

Section III.I. Effective Date. This Amended Compact shall not be effective unless and until all of the following have occurred: (a) The Amendment herein is ratified in accordance with state law; and (b) Notice of approval or constructive approval by the United States Secretary of the Interior is published in the Federal Register as provided in 25 U.S.C. § 2710(d)(3)(B).

§ 542.3 How do I comply with this part?

(a) *Compliance based upon tier.* (1) Tier A gaming operations must comply with §§542.1 through 542.18, and §§542.20 through 542.23.

(2) Tier B gaming operations must comply with §§542.1 through 542.18, and §§542.30 through 542.33.

(3) Tier C gaming operations must comply with §§542.1 through 542.18, and §§542.40 through 542.43.

(b) *Determination of tier.* (1) The determination of tier level shall be made based upon the individual annual gross gaming revenues at each gaming facility, as indicated within the gaming operation's audited financial statements. Gaming operations moving from one tier to another shall have nine (9) months from the date of the independent certified public accountant's audit report to achieve compliance with the requirements of the new tier.

(2) The Tribal gaming agency may extend the deadline by an additional six (6) months if written notice is provided to the State gaming agency no later than two (2) weeks before the expiration of the nine (9) month period.

(d) Reserved.

(e) Reserved.

(f) *CPA testing.* (1) An independent certified public accountant (CPA) shall be engaged to perform "Agreed-Upon Procedures" to verify that the gaming operation is in compliance with the minimum internal control standards (MICS) set forth in this part. The CPA shall report each event and procedure discovered by or brought to the CPA's attention that the CPA believes does not satisfy the minimum standards. The "Agreed-Upon Procedures" may be performed in conjunction with the annual audit. The CPA shall report its findings to the Tribe, Tribal gaming agency, and management. The Tribe shall submit two (2) copies of the report to the State gaming agency within 120 days of the gaming operation's fiscal year end. This regulation is intended to communicate the Commission's position on the minimum agreed-upon procedures to be performed by the CPA. Throughout these regulations, the CPA's engagement and reporting are based on Statements on Standards for Attestation Engagements (SSAEs) in effect as of December 31, 2003, specifically SSAE 10 ("Agreed-Upon Procedures Engagements"). If future revisions are made to the SSAEs or new SSAEs are adopted that are applicable to this type of engagement, the CPA is to comply with any new or revised professional standards in conducting engagements pursuant to these regulations and the issuance of the agreed-upon procedures report. The CPA shall perform the "Agreed-Upon Procedures" in accordance with the following:

(i) As a prerequisite to the evaluation of the gaming operation's internal control systems, it is recommended that the CPA obtain and review an organization chart depicting segregation of functions and responsibilities, a description of the duties and responsibilities of each position shown on the organization chart, and an accurate, detailed narrative description of the gaming operation's procedures in effect that demonstrate compliance.

(ii) Complete the CPA NIGC or State gaming agency MICS Compliance checklists or other comparable testing procedures. The checklists should measure compliance on a sampling basis by performing walk-throughs, observations and substantive testing. The CPA shall complete separate checklists for each gaming revenue center, cage and credit, internal audit, surveillance, information technology and complimentary services or items. All questions on each applicable checklist should be completed. Work-paper references are suggested for all "no" responses for the results obtained during testing (unless a note in the "W/P Ref" can explain the exception).

(iii) The CPA shall perform, at a minimum, the following procedures in conjunction with the completion of the checklists:

(A) At least one (1) unannounced observation of each of the following: Gaming device coin drop, gaming device currency acceptor drop, banking or percentage card games drop, gaming device coin count, gaming device currency acceptor count, and banking or percentage card games count. The AICPA's "Audits of Casinos" Audit and Accounting Guide states that "observations of operations in the casino cage and count room should not be announced in advance * * *" For purposes of these procedures, "unannounced" means that no officers, directors, or employees are given advance information regarding the dates or times of such observations. The independent accountant should make arrangements with the gaming operation and Tribal gaming agency to ensure proper identification of the CPA's personnel and to provide for their prompt access to the count rooms.

(1) The gaming device coin count observation would include a weigh scale test of all denominations using pre-counted coin. The count would be in process when these tests are performed, and would be conducted prior to the commencement of any other walk-through procedures. For computerized weigh scales, the test can be conducted at the conclusion of the count, but before the final totals are generated.

(2) The checklists should provide for drop/count observations, inclusive of hard drop/count, soft drop/count and currency acceptor drop/count. The count room would not be entered until the count is in process and the CPA would not leave the room until the monies have been counted and verified to the count sheet by the CPA and accepted into accountability. If the drop teams are

unaware of the drop observations and the count observations would be unexpected, the hard count and soft count rooms may be entered simultaneously. Additionally, if the gaming device currency acceptor count begins immediately after the banking or percentage card games count in the same location, by the same count team, and using the same equipment, the currency acceptor count observation can be conducted on the same day as the banking or percentage card games count observation, provided the CPA remains until monies are transferred to the vault/cashier.

(B) Observations of the gaming operation's employees as they perform their duties.

(C) Interviews with the gaming operation's employees who perform the relevant procedures.

(D) Compliance testing of various documents relevant to the procedures. The scope of such testing should be indicated on the checklist where applicable.

(E) For new gaming operations that have been in operation for three (3) months or less at the end of their business year, performance of this regulation, section 542.3(f), is not required for the partial period.

(2) Alternatively, at the discretion of the Tribe, the Tribe may engage an independent certified public accountant (CPA) to perform the testing, observations and procedures reflected in paragraphs (f)(1)(i), (ii), and (iii) of this section utilizing the Tribal internal control standards adopted by the Tribal gaming agency. Accordingly, the CPA will verify compliance by the gaming operation with the Tribal internal control standards. Should the Tribe elect this alternative, as a prerequisite, the CPA will perform the following:

(i) The CPA shall compare the Tribal internal control standards to the MICS to ascertain whether the criteria set forth in the MICS are adequately addressed.

(ii) The CPA may utilize personnel of the Tribal gaming agency to cross-reference the Tribal internal control standards to the MICS, provided the CPA performs a review of the Tribal gaming agency personnel's work and assumes complete responsibility for the proper completion of the work product.

(iii) The CPA shall report each procedure discovered by or brought to the CPA's attention that the CPA believes does not satisfy paragraph (f)(2)(i) of this section.

(3) *Reliance on Internal Auditors.* (i) The CPA may rely on the work of an internal auditor, to the extent allowed by the professional standards, for the performance of the recommended procedures specified in paragraphs (f)(1)(iii)(B), (C), and (D) of this section, and for the completion of the checklists as they relate to the procedures covered therein provided that the internal audit department can demonstrate to the satisfaction of the CPA that the requirements contained within §542.22, 542.32, or 542.42, as applicable, have been satisfied.

(ii) Agreed-upon procedures are to be performed by the CPA to determine that the internal audit procedures performed for a past 12-month period (includes two 6-month periods) encompassing a portion or all of the most recent business year has been properly completed. The CPA will apply the following Agreed-Upon Procedures to the gaming operation's written assertion:

(A) Obtain internal audit department work-papers completed for a 12-month period (includes two 6-month periods) encompassing a portion or all of the most recent business year and determine whether the CPA NIGC MICS Compliance Checklists or other comparable testing procedures

were included in the internal audit work-papers and all steps described in the checklists were initialed or signed by an internal audit representative.

(B) For the internal audit work-papers obtained in paragraph (f)(3)(ii)(A) of this section, on a sample basis, reperform the procedures included in CPA NIGC MICS Compliance Checklists or other comparable testing procedures prepared by internal audit and determine if all instances of noncompliance noted in the sample were documented as such by internal audit. The CPA NIGC MICS Compliance Checklists or other comparable testing procedures for the applicable Drop and Count procedures are not included in the sample reperformance of procedures because the CPA is required to perform the drop and count observations as required under paragraph (f)(1)(iii)(A) of this section of the Agreed-Upon Procedures. The CPA's sample should comprise a minimum of three (3) percent of the procedures required in each CPA NIGC MICS Compliance Checklist or other comparable testing procedures for the gaming device and banking and percentage card game departments and five (5) percent for the other departments completed by internal audit in compliance with the internal audit MICS. The reperformance of procedures is performed as follows:

(1) For inquiries, the CPA should either speak with the same individual or an individual of the same job position as the internal auditor did for the procedure indicated in their checklist.

(2) For observations, the CPA should observe the same process as the internal auditor did for the procedure as indicated in their checklist.

(3) For document testing, the CPA should look at the same original document as tested by the internal auditor for the procedure as indicated in their checklist. The CPA need only retest the minimum sample size required in the checklist.

(C) The CPA is to investigate and resolve any differences between their reperformance results and the internal audit results.

(D) Documentation is maintained for five (5) years by the CPA indicating the procedures reperformed along with the results.

(E) When performing the procedures for paragraph (f)(3)(ii)(B) of this section in subsequent years, the CPA must select a different sample so that the CPA will reperform substantially all of the procedures after several years.

(F) Any additional procedures performed at the request of the Commission, the Tribal gaming agency, State gaming agency, or management should be included in the Agreed-Upon Procedures report transmitted to the State gaming agency.

(4) *Report Format.* (i) The NIGC has concluded that the performance of these procedures is an attestation engagement in which the CPA applies such Agreed-Upon Procedures to the gaming operation's assertion that it is in compliance with the MICS and, if applicable under paragraph (f)(2) of this section, the Tribal internal control standards provide a level of control that equals or exceeds that of the MICS. Accordingly, the Statements on Standards for Attestation Engagements (SSAE's), specifically SSAE 10, issued by the Auditing Standards Board is currently applicable. SSAE 10 provides current, pertinent guidance regarding agreed-upon procedure engagements, and the sample report formats included within those standards should be used, as appropriate, in the preparation of the CPA's agreed-upon procedures report. If future revisions are made to this standard or new SSAEs are adopted that are applicable to this type of engagement, the CPA is to comply with any revised professional standards in issuing their agreed upon procedures report. The Commission or State gaming agency will provide an

Example Report and Letter Formats upon written request that may be used and contain all of the information discussed below:

(A) The report must describe all instances of procedural noncompliance, regardless of materiality, with the MICS, and all instances where the Tribal gaming agency's regulations do not comply with the MICS. When describing the agreed-upon procedures performed, the CPA should also indicate whether procedures performed by other individuals were utilized to substitute for the procedures required to be performed by the CPA. For each instance of noncompliance noted in the CPA's agreed-upon procedures report, the following information must be included:

(1) The citation of the applicable MICS for which the instance of noncompliance was noted.

(2) A narrative description of the noncompliance, including the number of exceptions and sample size tested.

(5) *Report Submission Requirements.* (i) The CPA shall prepare a report of the findings for the Tribe and management. The Tribe shall submit two (2) copies of the report to the State gaming agency no later than 120 days after the gaming operation's fiscal year end. This report should be provided in addition to any other reports required to be submitted to the State gaming agency.

(ii) The CPA should maintain the work-papers supporting the report for a minimum of five (5) years. Digital storage is acceptable. The Commission or State gaming agency may request access to these work-papers, through the Tribe.

(6) *CPA NIGC MICS Compliance Checklists.* In connection with the CPA testing pursuant to this section and as referenced therein, the Commission or State gaming agency will provide CPA MICS Compliance Checklists upon written request.

(3) For those gaming operations that are unable to perform the weighted average calculation as required by paragraph (h)(2) of this section, the following procedures shall apply:

(i) On at least an annual basis, calculate the actual hold percentage for each gaming device;

(ii) On at least an annual basis, adjust the theoretical hold percentage in the gaming device statistical report for each gaming device to the previously calculated actual hold percentage; and

(iii) The adjusted theoretical hold percentage shall be within the spread between the minimum and maximum theoretical payback percentages.

(4) The adjusted theoretical hold percentage for multi-game/multi-denominational gaming devices may be combined for gaming devices with exactly the same game mix throughout the year.

(5) The theoretical hold percentages used in the gaming device analysis reports should be within the performance standards set by the manufacturer.

(6) Records shall be maintained for each gaming device indicating the dates and type of changes made and the recalculation of theoretical hold as a result of the changes.

(7) Records shall be maintained for each gaming device that indicate the date the gaming device was placed into service, the date the gaming device was removed from operation, the date the gaming device was placed back into operation, and any changes in gaming device numbers and designations.

On-line gaming device monitoring systems can satisfy this requirement. However, the time between readings may extend beyond one (1) week in order for a reading to coincide with the end of an accounting period only if such extension is for no longer than six (6) days.

(11) The employee who records the in-meter reading shall either be independent of the hard count team or shall be assigned on a rotating basis, unless the in-meter readings are randomly verified quarterly for all gaming devices and bill acceptors by a person other than the regular in-meter reader.

(12) Upon receipt of the meter reading summary, the accounting department shall review all meter readings for reasonableness using pre-established parameters.

(13) Prior to final preparation of statistical reports, meter readings that do not appear reasonable shall be reviewed with gaming device department employees or other appropriate designees, and exceptions documented, so that meters can be repaired or clerical errors in the recording of meter readings can be corrected.

(14) A report shall be produced at least monthly showing month-to-date, year-to-date (previous twelve (12) months data preferred), and if practicable, life-to-date actual hold percentage computations for individual gaming devices and a comparison to each gaming device's theoretical hold percentage previously discussed.

(15) Each change to a gaming device's theoretical hold percentage, including progressive percentage contributions, shall result in that gaming device being treated as a new gaming device in the statistical reports (*i.e.*, not commingling various hold percentages), except for adjustments made in accordance with paragraph (h)(2) of this section.

(16) If promotional payouts or awards are included on the gaming device statistical reports, it shall be in a manner that prevents distorting the actual hold percentages of the affected gaming devices.

(17) The statistical reports shall be reviewed by both gaming device department management and management employees independent of the gaming device department on at least a monthly basis.

(18) For those gaming devices that have experienced at least 100,000 wagering transactions, large variances (three percent (3%) or more) between theoretical hold and actual hold shall be investigated and resolved by a department independent of the gaming device department with the findings documented and provided to the Tribal gaming agency upon request in a timely manner.

(19) Maintenance of the on-line gaming device monitoring system data files shall be performed by a department independent of the gaming device department. Alternatively, maintenance may be performed by gaming device supervisory employees if sufficient documentation is generated and it is randomly verified on a monthly basis by employees independent of the gaming device department.

documentation being routed to the accounting department for proper recording and accounting for initial hopper loads.

(j) *Player tracking system.* (1) The following standards apply if a player tracking system is utilized:

(i) The player tracking system shall be secured so as to prevent unauthorized access (e.g., changing passwords at least quarterly and physical access to computer hardware, etc.).

(ii) The addition of points to members' accounts other than through actual gaming device play shall be sufficiently documented (including substantiation of reasons for increases) and shall be authorized by a department independent of the player tracking and gaming devices. Alternatively, addition of points to members' accounts may be authorized by gaming device supervisory employees if sufficient documentation is generated and it is randomly verified by employees independent of the gaming device department on a quarterly basis.

(iii) Booth employees who redeem points for members shall be allowed to receive lost players club cards, provided that they are immediately deposited into a secured container for retrieval by independent personnel.

(iv) Changes to the player tracking system parameters, such as point structures and employee access, shall be performed by supervisory employees independent of the gaming device department. Alternatively, changes to player tracking system parameters may be performed by gaming device supervisory employees if sufficient documentation is generated and it is randomly verified by supervisory employees independent of the gaming device department on a monthly basis.

(v) All other changes to the player tracking system shall be appropriately documented.

(k) *In-house progressive gaming device standards.* (1) A meter that shows the amount of the progressive jackpot shall be conspicuously displayed at or near the gaming devices to which the jackpot applies.

(2) At least once each day, each gaming operation shall record the amount shown on each progressive jackpot meter at the gaming operation except for those jackpots that can be paid directly from the gaming device's hopper;

(3) Explanations for meter reading decreases shall be maintained with the progressive meter reading sheets, and where the payment of a jackpot is the explanation for a decrease, the gaming operation shall record the jackpot payout number on the sheet or have the number reasonably available; and

(4) Each gaming operation shall record the base amount of each progressive jackpot the gaming operation offers.

(5) The Tribal gaming agency shall approve procedures specific to the transfer of progressive amounts in excess of the base amount to other gaming devices. Such procedures may also include other methods of distribution that accrue to the benefit of the gaming public via an award or prize.

(l) *Wide area progressive gaming device standards.* (1) A meter that shows the amount of the progressive jackpot shall be conspicuously displayed at or near the gaming devices to which the jackpot applies.

(2) As applicable to participating gaming operations, the wide area progressive gaming device system shall be adequately restricted to prevent unauthorized access (e.g., changing passwords at least quarterly, restrict access to EPROMs or other equivalent game software media, and restrict physical access to computer hardware, etc.).

(3) The Tribal gaming agency shall approve procedures for the wide area progressive system that:

(i) Reconcile meters and jackpot payouts;

(ii) Collect/drop gaming device funds;

(iii) Verify jackpot, payment, and billing to gaming operations on pro-rata basis;

(v) System accuracy; and

(vi) System security.

(4) Reports, where applicable, adequately documenting the procedures required in paragraph (l)(3) of this section shall be generated and retained.

(m) *Accounting/auditing standards.* (1) Gaming device accounting/auditing procedures shall be performed by employees who are independent of the transactions being reviewed.

(2) For on-line gaming device monitoring systems, procedures shall be performed at least monthly to verify that the system is transmitting and receiving data from the gaming devices properly and to verify the continuing accuracy of the coin-in meter readings as recorded in the gaming device statistical report.

(3) For weigh scale and currency interface systems, for at least one (1) drop period per month accounting/auditing employees shall make such comparisons as necessary to the system generated count as recorded in the gaming device statistical report. Discrepancies shall be resolved prior to generation/distribution of gaming device reports.

(4) For each drop period, accounting/auditing personnel shall compare the coin-to-drop meter reading to the actual drop amount. Discrepancies should be resolved prior to generation/distribution of on-line gaming device monitoring system statistical reports.

(ii) In computing gross revenue for gaming devices, the actual cost to the gaming operation of any personal property distributed as losses to patrons may be deducted from winnings (other than costs of travel, lodging, services, food, and beverages), if the gaming operation maintains detailed documents supporting the deduction.

(e) Each gaming operation shall establish internal control systems sufficient to ensure that currency (other than tips or gratuities) received from a patron in the gaming area is promptly placed in a locked box in the table, or, in the case of a cashier, in the appropriate place in the cashier's cage, or on those games which do not have a locked drop box, or on banking or percentage card game tables, in an appropriate place on the table, in the cash register or in another approved repository.

(f) If the gaming operation provides periodic payments to satisfy a payout resulting from a wager, the initial installment payment, when paid, and the actual cost of a payment plan, which is funded by the gaming operation, may be deducted from winnings. The gaming operation is required to obtain the approval of all payment plans from the Tribal gaming agency. For any funding method which merely guarantees the gaming operation's performance, and under which the gaming operation makes payments out of cash flow (e.g. irrevocable letters of credits, surety bonds, or other similar methods), the gaming operation may only deduct such payments when paid to the patron.

(g) For payouts by wide-area progressive gaming device systems, a gaming operation may deduct from winnings only its pro rata share of a wide-area gaming device system payout.

(h) Cash-out tickets issued at a gaming device shall be deducted from gross revenue as jackpot payouts in the month the tickets are issued by the gaming device. Tickets deducted from gross revenue that are not redeemed within a period, not to exceed 180 days of issuance, shall be included in gross revenue. An unredeemed ticket previously included in gross revenue may be deducted from gross revenue in the month redeemed.

(i) A gaming operation may not deduct from gross revenues the unpaid balance of a credit instrument extended for purposes other than gaming.

(j) A gaming operation may deduct from gross revenue the unpaid balance of a credit instrument if the gaming operation documents, or otherwise keeps detailed records of, compliance with the following requirements. Such records confirming compliance shall be made available to the Tribal gaming agency, State gaming agency, or the Commission upon request, and demonstrate, without limitation, the following:

(1) The gaming operation can document that the credit extended was for gaming purposes;

(2) The gaming operation has established procedures and relevant criteria to evaluate a patron's credit reputation or financial resources and to then determine that there is a reasonable basis for extending credit in the amount or sum placed at the patron's disposal;

(3) In the case of personal checks, the gaming operation has established procedures to examine documentation, which would normally be acceptable as a type of identification when cashing checks, and has recorded the patron's bank check guarantee card number or credit card number, or has satisfied paragraph (j)(2) of this section, as management may deem appropriate for the check-cashing authorization granted;

(4) In the case of third-party checks for which cash, chips, or tokens have been issued to the patron, or which were accepted in payment of another credit instrument, the gaming operation has established procedures to examine documentation, normally accepted as a means of identification when cashing checks, and has, for the check's maker or drawer, satisfied paragraph (j)(2) of this section, as management may deem appropriate for the check-cashing authorization granted;

(5) In the case of guaranteed drafts, procedures should be established to ensure compliance with the issuance and acceptance procedures prescribed by the issuer;

(6) The gaming operation has established procedures to ensure that the credit extended is appropriately documented, not least of which would be the patron's identification and signature attesting to the authenticity of the individual credit transactions. The authorizing signature shall be obtained at the time credit is extended.

(7) The gaming operation has established procedures to effectively document its attempt to collect the full amount of the debt. Such documentation would include, but not be limited to, letters sent to the patron, logs of personal or telephone conversations, proof of presentation of the credit instrument to the patron's bank for collection, settlement agreements, or other documents which demonstrate that the gaming operation has made a good faith attempt to collect the full amount of the debt. Such records documenting collection efforts shall be made available to the Tribal gaming agency, State gaming agency, or the Commission upon request.

(k) Maintenance and preservation of books, records and documents. (1) All original books, records and documents pertaining to the conduct of wagering activities shall be retained by the gaming operation in accordance with the following schedule. A record that summarizes gaming transactions is sufficient, provided that all documents containing an original signature(s) attesting to the accuracy of a gaming related transaction are independently preserved. Original books, records or documents shall not include copies of originals, except for copies that contain original comments or notations on parts of multi-part forms. The following original books, records and documents shall be retained by a gaming operation for a minimum of five (5) years:

(i) Casino cage documents;

(ii) Documentation supporting the calculation of banking and percentage card game win;

(iii) Documentation supporting the calculation of gaming device win;

(iv) Documentation supporting the calculation of revenue received from gaming devices, pari-mutuel wagering, and banking and percentage card games.

(v) Banking and percentage card games statistical analysis reports;

- (vi) Gaming device statistical analysis reports;
 - (vii) Reserved.
 - (viii) Internal audit documentation and reports;
 - (ix) Documentation supporting the write-off of gaming credit instruments and named credit instruments; and
 - (x) All other books, records and documents pertaining to the conduct of wagering activities that contain original signature(s) attesting to the accuracy of the gaming related transaction.
- (2) Unless otherwise specified in this part, all other books, records, and documents shall be retained until such time as the accounting records have been audited by the gaming operation's independent certified public accountants.
- (3) The above definition shall apply without regards to the medium by which the book, record or document is generated or maintained (paper, computer-generated, magnetic media, etc.).

§ 542.20 What is a Tier A gaming operation?

A Tier A gaming operation is one with annual gross gaming revenues of more than \$1 million but not more than \$5 million.

§ 542.21 What are the minimum internal control standards for drop and count for Tier A gaming operations?

(i) All locked banking or percentage card game drop boxes shall be removed from the banking or percentage card game tables by a person independent of the pit shift being dropped;

(ii) A separate drop box shall be placed on each banking and percentage card game table opened at any time during each shift or a gaming operation may utilize a single drop box with separate openings and compartments for each shift; and

(iii) Upon removal from the banking and percentage card game tables, banking and percentage card game drop boxes shall be transported directly to the count room or other equivalently secure area with comparable controls and locked in a secure manner until the count takes place.

(3) If drop boxes are not placed on all banking and percentage card game tables, then the pit department shall document which tables were open during the shift.

(4) The transporting of banking and percentage card game drop boxes shall be performed by a minimum of two (2) persons, at least one (1) of whom is independent of the pit shift being dropped.

(5) All banking and percentage card game drop boxes shall be posted with a number corresponding to a permanent number on the gaming table and marked to indicate game, table number, and shift.

(4) The count team shall be independent of transactions being reviewed and counted. The count team shall be independent of the cage/vault departments, however, a dealer or a cage cashier may be used if this person is not allowed to perform the recording function. An accounting representative may be used if there is an independent audit of all soft count documentation.

(2) Access to the count room during the count shall be restricted to members of the drop and count teams, with the exception of authorized observers, supervisors for resolution of problems, and authorized maintenance personnel.

(3) If counts from various revenue centers occur simultaneously in the count room, procedures shall be in effect that prevent the commingling of funds from different revenue centers.

(4) The banking and percentage card game drop boxes shall be individually emptied and counted in such a manner to prevent the commingling of funds between boxes until the count of the box has been recorded.

(i) The count of each box shall be recorded in ink or other permanent form of recordation.

(ii) A second count shall be performed by an employee on the count team who did not perform the initial count.

(iii) Corrections to information originally recorded by the count team on soft count documentation shall be made by drawing a single line through the error, writing the correct figure above the original figure, and then obtaining the initials of at least two (2) count team members who verified the change, unless the count team only has two (2) members in which case the initials of only one (1) verifying member is required.

- (5) If cash counters are utilized and the count room table is used only to empty boxes and sort/stack contents, a count team member shall be able to observe the loading and unloading of all cash at the cash counter, including rejected cash.
- (6) Banking and percentage card game drop boxes, when empty, shall be shown to another member of the count team, or to another person who is observing the count, or to surveillance.

- (8) Pit marker issue and payment slips (if applicable) removed from the banking or percentage card game drop boxes shall either be:
- (i) Traced to or recorded on the count sheet by the count team; or
 - (ii) Totaled by shift and traced to the totals documented by the computerized system. Accounting personnel shall verify the issue/payment slip for each table is accurate.
- (9) Foreign currency exchange forms (if applicable) removed from the banking or percentage card game drop boxes shall be reviewed for the proper daily exchange rate and the conversion amount shall be recomputed by the count team. Alternatively, this may be performed by accounting/auditing employees.
- (10) The opening/closing banking and percentage card game table and marker inventory forms (if applicable) shall either be:
- (i) Examined and traced to or recorded on the count sheet; or
 - (ii) If a computerized system is used, accounting personnel can trace the opening/closing banking and percentage card game table and marker inventory forms to the count sheet. Discrepancies shall be investigated with the findings documented and maintained for inspection.

- (13) All drop proceeds and cash equivalents that were counted shall be turned over to the cage or vault cashier (who shall be independent of the count team) or to an authorized person/employee independent of the revenue generation and the count process for verification. Such person shall certify by signature as to the accuracy of the drop proceeds delivered and received.
- (14) The count sheet, with all supporting documents, shall be delivered to the accounting department by a count team member or a person independent of the cashiers department. Alternatively, it may be adequately secured (e.g., locked container to which only accounting personnel can gain access) until retrieved by the accounting department.
- (15) Access to stored, full banking or percentage card game drop boxes shall be restricted to authorized members of the drop and count teams.

(e) *Gaming device bill acceptor drop standards.* (1) A minimum of two (2) employees shall be involved in the removal of the gaming device drop, at least one (1) of whom is independent of the gaming device department.

(2) All bill acceptor canisters shall be removed only at the time previously designated by the gaming operation and reported to the Tribal gaming agency, except for emergency drops.

(2) Access to the count room during the count shall be restricted to members of the drop and count teams, with the exception of authorized observers, supervisors for resolution of problems, and authorized maintenance personnel.

(3) If counts from various revenue centers occur simultaneously in the count room, procedures shall be in effect that prevent the commingling of funds from different revenue centers.

(4) The bill acceptor canisters shall be individually emptied and counted in such a manner to prevent the commingling of funds between canisters until the count of the canister has been recorded.

(i) The count of each canister shall be recorded in ink or other permanent form of recordation.

(ii) Corrections to information originally recorded by the count team on soft count documentation shall be made by drawing a single line through the error, writing the correct figure above the original figure, and then obtaining the initials of at least two (2) count team members who verified the change.

(5) If cash counters are utilized and the count room table is used only to empty canisters and sort/stack contents, a count team member shall be able to observe the loading and unloading of all cash at the cash counter, including rejected cash.

(6) Canisters, when empty, shall be shown to another member of the count team, or to another person who is observing the count, or to surveillance.

(7) The count sheet shall be reconciled to the total drop by a count team member who shall not function as the sole recorder.

(8) All members of the count team shall sign the count document or a summary report to attest to their participation in the count.

(9) All drop proceeds and cash equivalents that were counted shall be turned over to the cage or vault cashier (who shall be independent of the count team) or to an authorized person/employee independent of the revenue generation and the count process for verification. Such person shall certify by signature as to the accuracy of the drop proceeds delivered and received.

(10) The count sheet, with all supporting documents, shall be delivered to the accounting department by a count team member or a person independent of the cashiers department. (11) Access to stored bill acceptor canisters, full or empty, shall be restricted to:

(i) Authorized members of the drop and count teams; and

(ii) Authorized personnel in an emergency for resolution of a problem.

(g) *Gaming device coin drop standards.* (1) A minimum of two (2) employees shall be involved in the removal of the gaming device drop, at least one (1) of whom is independent of the gaming device department.

(2) All drop buckets shall be removed only at the time previously designated by the gaming operation and reported to the Tribal gaming agency, except for emergency drops.

(3) Security shall be provided over the buckets removed from the gaming device drop cabinets and awaiting transport to the count room.

(4) As each gaming device is opened, the contents shall be tagged with its respective gaming device number if the bucket is not permanently marked with the gaming device number. The contents shall be transported directly to the area designated for the counting of such drop proceeds. If more than one (1) trip is required to remove the contents of the gaming devices, the filled carts of coins shall be securely locked in the room designed for counting or in another equivalently secure area with comparable controls. There shall be a locked covering on any carts in which the drop route includes passage out of doors.

(i) Alternatively, a smart bucket system that electronically identifies and tracks the gaming device number, and facilitates the proper recognition of gaming revenue, shall satisfy the requirements of this paragraph.

(5) Each drop bucket in use shall be:

(i) Housed in a locked compartment separate from any other compartment of the gaming device and keyed differently than other gaming device compartments; and

(ii) Identifiable to the gaming device from which it is removed. If the gaming device is identified with a removable tag that is placed in the bucket, the tag shall be placed on top of the bucket when it is collected.

(6) Each gaming device shall have drop buckets into which coins or tokens that are retained by the gaming device are collected. Drop bucket contents shall not be used to make change or pay hand-paid payouts.

(7) The collection procedures may include procedures for dropping gaming devices that have trays instead of drop buckets.

(h) *Hard count room personnel.* (1) The weigh/count shall be performed by a minimum of two (2) employees.

(2) At no time during the weigh/count shall there be fewer than two (2) employees in the count room until the drop proceeds have been accepted into cage/vault accountability.

(i) If the gaming device count is conducted with a continuous mechanical count meter that is not reset during the count and is verified in writing by at least two(2) employees at the start and end of each denomination count, then one (1) employee may perform the wrap.

(3) Count team members shall be rotated on a routine basis such that the count team is not consistently the same two (2) persons more than four (4) days per week. This standard shall not apply to gaming operations that utilize a count team of more than two (2) persons.

(4) The count team shall be independent of transactions being reviewed and counted. The count team shall be independent of the cage/vault departments, unless they are non-supervisory gaming device employees and perform the laborer function only (A non-supervisory gaming device employee is defined as a person below the level of gaming device shift supervisor). A cage cashier may be used if this person is not allowed to perform the recording function. An accounting representative may be used if there is an independent audit of all count documentation.

(i) *Gaming device coin count and wrap standards.* (1) Coins shall include tokens.

(2) The gaming device coin count and wrap shall be performed in a count room or other equivalently secure area with comparable controls.

(i) Alternatively, an on-the-floor drop system utilizing a mobile scale shall satisfy the requirements of this paragraph, subject to the following conditions:

(A) The gaming operation shall utilize and maintain an effective on-line gaming device monitoring system, as described in §542.13(m)(3);

(B) Components of the on-the-floor drop system shall include, but not be limited to, a weigh scale, a laptop computer through which weigh/count applications are operated, a security camera available for the mobile scale system, and a VCR or other video recording device to be housed within the video compartment of the mobile scale. The system may include a mule cart used for mobile weigh scale system locomotion.

(C) The gaming operation must obtain the security camera available with the system, and this camera must be added in such a way as to eliminate tampering.

(D) Prior to the drop, the drop/count team shall ensure the scale batteries are charged;

(E) Prior to the drop, a videotape or other video recording media shall be inserted into the VCR or other video recording device used to record the drop in conjunction with the security camera system and the VCR or other video recording device shall be activated;

(F) The weigh scale test shall be performed prior to removing the unit from the hard count room for the start of the weigh/drop/count;

(G) Surveillance shall be notified when the weigh/drop/count begins and shall be capable of monitoring the entire process;

(H) An observer independent of the weigh/drop/count teams (independent observer) shall remain by the weigh scale at all times and shall observe the entire weigh/drop/count process;

(I) Physical custody of the key(s) needed to access the laptop and video compartment shall require the involvement of two (2) persons, one (1) of whom is independent of the drop and count team;

(J) The mule key (if applicable), the laptop and video compartment keys, and the remote control for the VCR or other video recording device shall be maintained by a department independent of the gaming device department. The appropriate personnel shall sign out these keys;

(K) A person independent of the weigh/drop/count teams shall be required to accompany these keys while they are checked out, and observe each time the laptop compartment is opened;

(L) The laptop access panel shall not be opened outside the hard count room, except in instances when the laptop must be rebooted as a result of a crash, lock up, or other situation requiring immediate corrective action;

(M) User access to the system shall be limited to those employees required to have full or limited access to complete the weigh/drop/count; and

(N) When the weigh/drop/count is completed, the independent observer shall access the laptop compartment, end the recording session, eject the videotape or other video recording media, and deliver the videotape or other video recording media to surveillance.

(3) Access to the count room during the count shall be restricted to members of the drop and count teams, with the exception of authorized observers, supervisors for resolution of problems, and authorized maintenance personnel.

(4) If counts from various revenue centers occur simultaneously in the count room, procedures shall be in effect that prevent the commingling of funds from different revenue centers.

(5) The following functions shall be performed in the counting of the gaming device drop:

(i) Recorder function, which involves the recording of the gaming device count; and

(ii) Count team supervisor function, which involves the control of the gaming device weigh and wrap process. The supervisor shall not perform the initial recording of the weigh/count unless a weigh scale with a printer is used.

(6) The gaming device drop shall be counted, wrapped, and reconciled in such a manner to prevent the commingling of gaming device drop coin with coin (for each denomination) from the next gaming device drop until the count of the gaming device drop has been recorded. If the coins are not wrapped immediately after being weighed or counted, they shall be secured and not commingled with other coins.

(i) The amount of the gaming device drop from each gaming device shall be recorded in ink or other permanent form of recordation on a gaming device count document by the recorder or mechanically printed by the weigh scale.

(ii) Corrections to information originally recorded by the count team on gaming device count documentation shall be made by drawing a single line through the error, writing the correct figure

above the original figure, and then obtaining the initials of at least two (2) count team members who verified the change.

(A) If a weigh scale interface is used, corrections to gaming device count data shall be made using either of the following:

(1) Drawing a single line through the error on the gaming device document, writing the correct figure above the original figure, and then obtaining the initials of at least two (2) count team employees. If this procedure is used, an employee independent of the gaming device department and count team shall enter the correct figure into the computer system prior to the generation of related gaming device reports; or

(2) During the count process, correct the error in the computer system and enter the passwords of at least two (2) count team employees. If this procedure is used, an exception report shall be generated by the computer system identifying the gaming device number, the error, the correction, and the count team employees attesting to the correction.

(7) If applicable, the weight shall be converted to dollar amounts prior to the reconciliation of the weigh to the wrap.

(8) If a coin meter is used, a count team member shall convert the coin count for each denomination into dollars and shall enter the results on a summary sheet.

(9) The recorder and at least one (1) other count team member shall sign the weigh tape and the gaming device count document attesting to the accuracy of the weigh/count.

(10) All members of the count team shall sign the count document or a summary report to attest to their participation in the count.

(11) All drop proceeds and cash equivalents that were counted shall be turned over to the cage or vault cashier (who shall be independent of the count team) or to an authorized person/employee independent of the revenue generation and the count process for verification. Such person shall certify by signature as to the accuracy of the drop proceeds delivered and received.

(12) All gaming device count and wrap documentation, including any applicable computer storage media, shall be delivered to the accounting department by a count team member or a person independent of the cashier's department. Alternatively, it may be adequately secured (*e.g.*, locked container to which only accounting personnel can gain access) until retrieved by the accounting department.

(13) If the coins are transported off the property, a second (alternative) count procedure shall be performed before the coins leave the property. Any variances shall be documented.

(14) Variances. Large (by denomination, either \$1,000 or 2% of the drop, whichever is less) or unusual (*e.g.*, zero for weigh/count or patterned for all counts) variances between the weigh/count and wrap shall be investigated by management personnel independent of the gaming device department, count team, and the cage/vault functions on a timely basis. The results of such investigation shall be documented, maintained for inspection, and provided to the Tribal gaming agency upon request.

(j) *Security of the coin room inventory during the gaming device coin count and wrap.* (1) If the count room serves as a coin room and coin room inventory is not secured so as to preclude access by the count team, then the following standards shall apply:

- (i) At the commencement of the gaming device count the following requirements shall be met:
 - (A) The coin room inventory shall be counted by at least two (2) employees, one (1) of whom is a member of the count team and the other is independent of the weigh/count and wrap procedures;
 - (B) The count in paragraph (j)(1)(i)(A) of this section shall be recorded on an appropriate inventory form;
- (ii) Upon completion of the wrap of the gaming device drop:
 - (A) At least two (2) members of the count team (wrap team), independently from each other, shall count the ending coin room inventory;
 - (B) The counts in paragraph (j)(1)(ii)(A) of this section shall be recorded on a summary report(s) that evidences the calculation of the final wrap by subtracting the beginning inventory from the sum of the ending inventory and transfers in and out of the coin room;
 - (C) The same count team members shall compare the calculated wrap to the weigh/count, recording the comparison and noting any variances on the summary report;
 - (D) A member of the cage/vault department shall count the ending coin room inventory by denomination and shall reconcile it to the beginning inventory, wrap, transfers, and weigh/count; and
 - (E) At the conclusion of the reconciliation, at least two (2) count/wrap team members and the verifying employee shall sign the summary report(s) attesting to its accuracy.
- (iii) The functions described in paragraph (j)(1)(ii)(A) and (C) of this section may be performed by only one (1) count team member. That count team member must then sign the summary report, along with the verifying employee, as required under paragraph (j)(1)(ii)(E).
- (2) If the count room is segregated from the coin room, or if the coin room is used as a count room and the coin room inventory is secured to preclude access by the count team, all of the following requirements shall be completed, at the conclusion of the count:
 - (i) At least two (2) members of the count/wrap team shall count the final wrapped gaming device drop independently from each other;
 - (ii) The counts shall be recorded on a summary report;
 - (iii) The same count team members (or the accounting department) shall compare the final wrap to the weigh/count, recording the comparison, and noting any variances on the summary report;
 - (iv) A member of the cage/vault department shall count the wrapped gaming device drop by denomination and reconcile it to the weigh/count;
 - (v) At the conclusion of the reconciliation, at least two (2) count team members and the cage/vault employee shall sign the summary report attesting to its accuracy; and
 - (vi) The wrapped coins (exclusive of proper transfers) shall be transported to the cage, vault or coin vault after the reconciliation of the weigh/count to the wrap.

(k) *Transfers during the gaming device coin count and wrap.* (1) Transfers may be permitted during the count and wrap only if permitted under the internal control standards approved by the Tribal gaming agency.

(2) Each transfer shall be recorded on a separate multi-part form with a preprinted or concurrently-printed form number (used solely for gaming device count transfers) that shall be subsequently reconciled by the accounting department to ensure the accuracy of the reconciled gaming device drop.

(3) Each transfer must be counted and signed for by at least two (2) members of the count team and by a person independent of the count team who is responsible for authorizing the transfer.

(l) *Gaming device drop key control standards.* (1) Gaming device coin drop cabinet keys, including duplicates, shall be maintained by a department independent of the gaming device department.

(2) The physical custody of the keys needed to access gaming device coin drop cabinets, including duplicates, shall require the involvement of two (2) persons, one (1) of whom is independent of the gaming device department.

(3) Two (2) employees (separate from key custodian) shall be required to accompany such keys while checked out and observe each time gaming device drop cabinets are accessed.

(m) *Banking and percentage card game drop box key control standards.* (1) Tier A gaming operations shall be exempt from compliance with this paragraph if the Tribal gaming agency, or the gaming operation as approved by the Tribal gaming agency, establishes and the gaming operation complies with procedures that maintain adequate key control and restricts access to the keys.

(2) Procedures shall be developed and implemented to insure that unauthorized access to empty banking or percentage card game drop boxes shall not occur from the time the boxes leave the storage racks until they are placed on the tables.

(3) The involvement of at least two (2) persons independent of the cage department shall be required to access stored empty banking or percentage card game drop boxes.

(4) The release keys shall be separately keyed from the contents keys.

(5) At least two (2) count team members are required to be present at the time count room and other count keys are issued for the count.

(6) All duplicate keys shall be maintained in a manner that provides the same degree of control as is required for the original keys. Records shall be maintained for each key duplicated that indicate the number of keys made and destroyed.

(7) Logs shall be maintained by the custodian of sensitive keys to document authorization of personnel accessing keys.

(n) *Banking and percentage card game drop box release keys.* (1) Tier A gaming operations shall be exempt from compliance with this paragraph if the Tribal gaming agency, or the gaming operation as approved by the Tribal gaming agency, establishes and the gaming operation complies with procedures that maintain adequate key control and restricts access to the keys.

(2) The banking and percentage card game drop box release keys shall be maintained by a department independent of the pit department.

(3) Only the person(s) authorized to remove banking and percentage card game drop boxes from the banking and percentage card game tables shall be allowed access to the banking and percentage card game drop box release keys; however, the count team members may have access to the release keys during the soft count in order to reset the banking and percentage card game drop boxes.

(4) Persons authorized to remove the banking and percentage card game drop boxes shall be precluded from having simultaneous access to the banking and percentage card game drop box contents keys and release keys.

(5) For situations requiring access to a banking and percentage card game drop box at a time other than the scheduled drop, the date, time, and signature of employee signing out/in the release key must be documented.

(o) *Bill acceptor canister release keys.* (1) Tier A gaming operations shall be exempt from compliance with this paragraph if the Tribal gaming agency, or the gaming operation as approved by the Tribal gaming agency, establishes and the gaming operation complies with procedures that maintain adequate key control and restricts access to the keys.

(2) The bill acceptor canister release keys shall be maintained by a department independent of the gaming device department.

(3) Only the person(s) authorized to remove bill acceptor canisters from the gaming devices shall be allowed access to the release keys.

(4) Persons authorized to remove the bill acceptor canisters shall be precluded from having simultaneous access to the bill acceptor canister contents keys and release keys.

(5) For situations requiring access to a bill acceptor canister at a time other than the scheduled drop, the date, time, and signature of employee signing out/in the release key must be documented.

(p) *Banking and percentage card game drop box storage rack keys.* (1) Tier A gaming operations shall be exempt from compliance with this paragraph if the Tribal gaming agency, or the gaming operation as approved by the Tribal gaming agency, establishes and the gaming operation complies with procedures that maintain adequate key control and restricts access to the keys.

(2) Persons authorized to obtain banking and percentage card game drop box storage rack keys shall be precluded from having simultaneous access to banking and percentage card game drop box contents keys, with the exception of the count team.

(q) *Bill acceptor canister storage rack keys.* (1) Tier A gaming operations shall be exempt from compliance with this paragraph if the Tribal gaming agency, or the gaming operation as approved by the Tribal gaming agency, establishes and the gaming operation complies with procedures that maintain adequate key control and restricts access to the keys.

(i) The count shall be viewed either live, or on video recording and/or digital record within seven (7) days by an employee independent of the count.

(2) At no time during the weigh/count shall there be fewer than two (2) employees in the count room until the drop proceeds have been accepted into cage/vault accountability. Surveillance shall be notified whenever count room personnel exit or enter the count room during the count.

(i) If the gaming device count is conducted with a continuous mechanical count meter that is not reset during the count and is verified in writing by at least two (2) employees at the start and end of each denomination count, then one (1) employee may perform the wrap.

(3) Count team members shall be rotated on a routine basis such that the count team is not consistently the same two (2) persons more than four (4) days per week. This standard shall not apply to gaming operations that utilize a count team of more than two (2) persons.

(4) The count team shall be independent of transactions being reviewed and counted. The count team shall be independent of the cage/vault departments, unless they are non-supervisory gaming device employees and perform the laborer function only (a non-supervisory gaming device employee is defined as a person below the level of gaming device shift supervisor). A cage cashier may be used if this person is not allowed to perform the recording function. An accounting representative may be used if there is an independent audit of all count documentation.

(i) *Gaming device coin count and wrap standards.* (1) Coins shall include tokens.

(2) The gaming device coin count and wrap shall be performed in a count room or other equivalently secure area with comparable controls.

(i) Alternatively, an on-the-floor drop system utilizing a mobile scale shall satisfy the requirements of this paragraph, subject to the following conditions:

(A) The gaming operation shall utilize and maintain an effective on-line gaming device monitoring system, as described in §542.13(m)(3);

(B) Components of the on-the-floor drop system shall include, but not be limited to, a weigh scale, a laptop computer through which weigh/count applications are operated, a security camera available for the mobile scale system, and a VCR or other video recording device to be housed within the video compartment of the mobile scale. The system may include a mule cart used for mobile weigh scale system locomotion.

- (C) The gaming operation must obtain the security camera available with the system, and this camera must be added in such a way as to eliminate tampering.
- (D) Prior to the drop, the drop/count team shall ensure the scale batteries are charged;
- (E) Prior to the drop, a videotape or other video recording media shall be inserted into the VCR or other video recording device used to record the drop in conjunction with the security camera system and the VCR or other video recording device shall be activated;
- (F) The weigh scale test shall be performed prior to removing the unit from the hard count room for the start of the weigh/drop/count;
- (G) Surveillance shall be notified when the weigh/drop/count begins and shall be capable of monitoring the entire process;
- (H) An observer independent of the weigh/drop/count teams (independent observer) shall remain by the weigh scale at all times and shall observe the entire weigh/drop/count process;
- (I) Physical custody of the key(s) needed to access the laptop and video compartment shall require the involvement of two (2) persons, one (1) of whom is independent of the drop and count team;
- (J) The mule key (if applicable), the laptop and video compartment keys, and the remote control for the VCR or other video recording device shall be maintained by a department independent of the gaming device department. The appropriate personnel shall sign out these keys;
- (K) A person independent of the weigh/drop/count teams shall be required to accompany these keys while they are checked out, and observe each time the laptop compartment is opened;
- (L) The laptop access panel shall not be opened outside the hard count room, except in instances when the laptop must be rebooted as a result of a crash, lock up, or other situation requiring immediate corrective action;
- (M) User access to the system shall be limited to those employees required to have full or limited access to complete the weigh/drop/count; and
- (N) When the weigh/drop/count is completed, the independent observer shall access the laptop compartment, end the recording session, eject the videotape or other video recording media, and deliver the videotape or other video recording media to surveillance.
- (3) Access to the count room during the count shall be restricted to members of the drop and count teams, with the exception of authorized observers, supervisors for resolution of problems, and authorized maintenance personnel.
- (4) If counts from various revenue centers occur simultaneously in the count room, procedures shall be in effect that prevent the commingling of funds from different revenue centers.
- (5) The following functions shall be performed in the counting of the gaming device drop:
- (i) Recorder function, which involves the recording of the gaming device count; and

(ii) Count team supervisor function, which involves the control of the gaming device weigh and wrap process. The supervisor shall not perform the initial recording of the weigh/count unless a weigh scale with a printer is used.

(6) The gaming device drop shall be counted, wrapped, and reconciled in such a manner to prevent the commingling of gaming device drop coin with coin (for each denomination) from the next gaming device drop until the count of the gaming device drop has been recorded. If the coins are not wrapped immediately after being weighed or counted, they shall be secured and not commingled with other coin.

(i) The amount of the gaming device drop from each gaming device shall be recorded in ink or other permanent form of recordation on a gaming device count document by the recorder or mechanically printed by the weigh scale.

(ii) Corrections to information originally recorded by the count team on gaming device count documentation shall be made by drawing a single line through the error, writing the correct figure above the original figure, and then obtaining the initials of at least two (2) count team members who verified the change.

(A) If a weigh scale interface is used, corrections to gaming device count data shall be made using either of the following:

(1) Drawing a single line through the error on the gaming device document, writing the correct figure above the original figure, and then obtaining the initials of at least two (2) count team employees. If this procedure is used, an employee independent of the gaming device department and count team shall enter the correct figure into the computer system prior to the generation of related gaming device reports; or

(2) During the count process, correct the error in the computer system and enter the passwords of at least two (2) count team employees. If this procedure is used, an exception report shall be generated by the computer system identifying the gaming device number, the error, the correction, and the count team employees attesting to the correction.

(7) If applicable, the weight shall be converted to dollar amounts before the reconciliation of the weigh to the wrap.

(8) If a coin meter is used, a count team member shall convert the coin count for each denomination into dollars and shall enter the results on a summary sheet.

(9) The recorder and at least one (1) other count team member shall sign the weigh tape and the gaming device count document attesting to the accuracy of the weigh/count.

(10) All members of the count team shall sign the count document or a summary report to attest to their participation in the count.

(11) All drop proceeds and cash equivalents that were counted shall be turned over to the cage or vault cashier (who shall be independent of the count team) or to an authorized person/employee independent of the revenue generation and the count process for verification. Such person shall certify by signature as to the accuracy of the drop proceeds delivered and received.

(12) All gaming device count and wrap documentation, including any applicable computer storage media, shall be delivered to the accounting department by a count team member or a person independent of the cashier's department. Alternatively, it may be adequately secured (e.g., locked

container to which only accounting personnel can gain access) until retrieved by the accounting department.

(13) If the coins are transported off the property, a second (alternative) count procedure shall be performed before the coins leave the property. Any variances shall be documented.

(14) **Variances.** Large (by denomination, either \$1,000 or 2% of the drop, whichever is less) or unusual (e.g., zero for weigh/count or patterned for all counts) variances between the weigh/count and wrap shall be investigated by management personnel independent of the gaming device department, count team, and the cage/vault functions on a timely basis. The results of such investigation shall be documented, maintained for inspection, and provided to the Tribal gaming agency upon request.

(j) *Security of the coin room inventory during the gaming device coin count and wrap.* (1) If the count room serves as a coin room and coin room inventory is not secured so as to preclude access by the count team, then the following standards shall apply:

(i) At the commencement of the gaming device count the following requirements shall be met:

(A) The coin room inventory shall be counted by at least two (2) employees, one (1) of whom is a member of the count team and the other is independent of the weigh/count and wrap procedures;

(B) The count in paragraph (j)(1)(i)(A) of this section shall be recorded on an appropriate inventory form;

(ii) Upon completion of the wrap of the gaming device drop:

(A) At least two (2) members of the count team (wrap team), independently from each other, shall count the ending coin room inventory;

(B) The counts in paragraph (j)(1)(ii)(A) of this section shall be recorded on a summary report(s) that evidences the calculation of the final wrap by subtracting the beginning inventory from the sum of the ending inventory and transfers in and out of the coin room;

(C) The same count team members shall compare the calculated wrap to the weigh/count, recording the comparison and noting any variances on the summary report;

(D) A member of the cage/vault department shall count the ending coin room inventory by denomination and shall reconcile it to the beginning inventory, wrap, transfers and weigh/count; and

(E) At the conclusion of the reconciliation, at least two (2) count/wrap team members and the verifying employee shall sign the summary report(s) attesting to its accuracy.

(iii) The functions described in paragraph (j)(1)(ii)(A) and (C) of this section may be performed by only one (1) count team member. That count team member must then sign the summary report, along with the verifying employee, as required under paragraph (j)(1)(ii)(E).

(2) If the count room is segregated from the coin room, or if the coin room is used as a count room and the coin room inventory is secured to preclude access by the count team, all of the following requirements shall be completed, at the conclusion of the count:

- (i) At least two (2) members of the count/wrap team shall count the final wrapped gaming device drop independently from each other;
 - (ii) The counts shall be recorded on a summary report;
 - (iii) The same count team members (or the accounting department) shall compare the final wrap to the weigh/count, recording the comparison, and noting any variances on the summary report;
 - (iv) A member of the cage/vault department shall count the wrapped gaming device drop by denomination and reconcile it to the weigh/count;
 - (v) At the conclusion of the reconciliation, at least two (2) count team members and the cage/vault employee shall sign the summary report attesting to its accuracy; and
 - (vi) The wrapped coins (exclusive of proper transfers) shall be transported to the cage, vault or coin vault after the reconciliation of the weigh/count to the wrap.
- (k) *Transfers during the gaming device coin count and wrap.* (1) Transfers may be permitted during the count and wrap only if permitted under the internal control standards approved by the Tribal gaming agency.
- (2) Each transfer shall be recorded on a separate multi-part form with a preprinted or concurrently-printed form number (used solely for gaming device count transfers) that shall be subsequently reconciled by the accounting department to ensure the accuracy of the reconciled gaming device drop.
 - (3) Each transfer must be counted and signed for by at least two (2) members of the count team and by a person independent of the count team who is responsible for authorizing the transfer.

 - (3) The release keys shall be separately keyed from the contents keys.

(4) At least two (2) count team members are required to be present at the time count room and other count keys are issued for the count.

(5) All duplicate keys shall be maintained in a manner that provides the same degree of control as is required for the original keys. Records shall be maintained for each key duplicated that indicate the number of keys made and destroyed.

(6) Logs shall be maintained by the custodian of sensitive keys to document authorization of personnel accessing keys.

(n) *Banking and percentage card game drop box release keys.* (1) The banking and percentage card game drop box release keys shall be maintained by a department independent of the pit department.

Also, determine whether any gaming device drop and count key(s) removed or returned to the key cabinet by the system administrator was properly authorized.

(ii) For at least one (1) day each month, review the report generated by the computerized key security system indicating all transactions performed to determine whether any unusual gaming device drop and count key removals or key returns occurred.

(iii) At least quarterly, review a sample of users that are assigned access to the gaming device drop and count keys to determine that their access to the assigned keys is adequate relative to their job position.

(iv) All noted improper transactions or unusual occurrences are investigated with the results documented.

(4) Quarterly, an inventory of all count room, drop box release, storage rack and contents keys is performed, and reconciled to records of keys made, issued, and destroyed. Documented investigations shall be performed for all unaccounted keys.

- (6) The gaming device drop shall be counted, wrapped, and reconciled in such a manner to prevent the commingling of gaming device drop coin with coin (for each denomination) from the next gaming device drop until the count of the gaming device drop has been recorded. If the coins are not wrapped immediately after being weighed or counted, they shall be secured and not commingled with other coin.
- (i) The amount of the gaming device drop from each gaming device shall be recorded in ink or other permanent form of recordation on a gaming device count document by the recorder or mechanically printed by the weigh scale.
