The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act" or the "Act"), was signed into law by the President on March 27, 2020. Pub. L. No. 116-136, 134 Stat. 281 (March 27, 2020). This Act authorizes the U.S. Department of Education (ED) to provide funds to institutions of higher education, including Haskell Indian Nations University, in response to the impact of COVID-19. Section 18004(c) of the CARES Act requires institutions to use no less than 50 percent of the funds received from Section 18004(a)(1) to provide Emergency Financial Aid Grants to students for expenses related to the disruption of campus operations due to COVID-19. Further, Section 18004(e) of the CARES Act, directs institutions receiving funds under Section 18004(c) to submit a report to the Secretary of Education describing the use of funds distributed under this Act. The information not only fulfills the reporting requirement, but it is also our intent to inform our university community as to the use of these funds.

The following information must be reported 30 days after the institution receives the money and 45 days thereafter:

The estimated total number of students at Haskell Indian Nations University eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 1,102 is 693.

5. *The total number of students who have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act;*

As of May 15, 2020, Haskell Indian Nations University has sent funds to a total of 670 students pursuant to Section 18004(a)(1) of the CARES Act.

6. *The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act:*

Based on student eligibility and guidelines used to assess disruption in Spring 2020 related to factors such as fees and room and board related expenses, HINU first determined which students would receive Emergency Financial Aid Grants and then how much each would receive under Section 18004(a)(1) of the CARES Act. This was done in accordance with the U.S. Department of Education directive to higher educational institutions to provide grants to students with the greatest financial need in the timeliest way possible. As required by the Department, the University was limited to relief funds only for Title IV-eligible students and only those taking on-ground courses exclusively. Rather than forcing students to submit to a new or additional application process and in order to distribute the funds to them as quickly as possible as directed by the Department, the University determined that all Title IV-eligible students demonstrated need; therefore, all HINU students eligible for Title IV received a cash distribution of \$780.00.

7. *Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.*

Campus wide announcements about CARES Emergency Relief disbursements to students were posted to University messaging platforms and/or emailed to grant-eligible students encouraging them to use the grant funds to address their most urgent needs that resulted directly from the disruption of the Spring 2020 semester due to the negative impact of the COVID-19 pandemic.

*Our Mission at Haskell Indian Nations University is to build the leadership capacity of our students by serving as the leading institution of academic excellence, cultural and intellectual prominence, and holistic education that addresses the needs of Indigenous communities.*
