Secretary Zinke,

This email is being sent to respectfully request that more time be given to the consideration of the reorganization of the Bureau of Indian Affairs and the Bureau of Indian Education.

I myself am not Native American, but I have lived in Oklahoma, New Mexico, and Arizona. I have witnessed some of the many issues that modern Native Americans have faced and listened to friends fear for the health of their communities and their cultures. Please take more time to get the input of American Indians before both bureaus are reorganized.

Thank you,
Megan Piatt
