CERTIFICATION ..............................................................................................18
3.18.01  ORDINANCE
This Ordinance shall be known as the Pyramid Lake Paiute Tribe Tribal Lands Leasing Ordinance ("Ordinance" or "Leasing Ordinance").

3.18.02  AUTHORITY
This Ordinance is promulgated pursuant to the powers vested in the Pyramid Lake Paiute Tribal Council in the Constitution and Bylaws, as amended, of the Pyramid Lake Paiute Tribe, of Nixon, Nevada.

3.18.03  PURPOSE
(a) The purpose of this Ordinance is to implement the Helping Expedite and Advance Responsible Tribal Home Ownership Act of 2012 (HEARTH Act), P.L. 112-151, 126 Stat. 1150. The HEARTH Act removes the requirement of obtaining approval from the Bureau of Indian Affairs (BIA) for certain leases of restricted Indian lands when an Indian Tribe executes a lease under Tribal Regulations approved by the Secretary of the Interior.

(b) The Pyramid Lake Paiute Tribal Council finds that the ability to lease Pyramid Lake Paiute Tribal Trust Lands without first obtaining approval by the BIA is an attribute of self-governance and tribal sovereignty, and exercising that ability leads to a fuller expression of sovereignty and self-governance.

(c) The Pyramid Lake Paiute Tribal Council also finds that this Ordinance will enhance accountability and ensure that Pyramid Lake Paiute Tribal Trust Lands leased from the Pyramid Lake Paiute Tribe are used to promote self-governance, encourage economic self-sufficiency, and increase business activity and employment.

3.18.04  SCOPE
(a) Ordinance shall apply solely to the lands, regardless of location, that are held in trust, or restricted fee, status by the United States for the benefit of the Pyramid Lake Paiute Tribe over which the Tribe exercises governmental power, referred to herein as "Pyramid Lake Paiute Tribal Lands."

(b) This Ordinance shall not apply to unrestricted fee lands or lands held in trust by the United States for individual Indian landowners.

(c) This Ordinance shall not authorize leases for the exploration, development, or extraction of any mineral resources.

3.18.05  LEASE MANAGEMENT
(a) Whenever a responsibility or authority is granted under this Ordinance to the Pyramid Lake Paiute Tribe, the Pyramid Lake Paiute Tribal Council shall be vested with that responsibility or authority until such time as it may, in a duly enacted resolution consistent with its authorities under the Pyramid Lake Paiute Tribe Constitution, delegate that responsibility to such qualified employees, agencies, or departments of the Tribe as the Tribal Council determines is appropriate to hold and exercise that responsibility or authority; provided that the Tribal Council may not delegate the authority to approve a Lease under this Ordinance. When making such a delegation of responsibility
or authority under this Section, the Tribal Council may impose such deadlines or conditions on the 
exercise of responsibility or authority as may further the purposes of this Ordinance and the Best 
Interests of the Tribe.

(b) The Tribe or other individual or entity as designated by the Tribal Council, is authorized to 
institute regulations governing leasing procedures as deemed appropriate to implement the 
provisions of this Ordinance. All such regulations shall be consistent with the provisions of this 
Ordinance.

3.18.06 APPLICABLE LAW

(a) Except where otherwise required by federal law or as agreed to in a Lease pursuant to this 
Ordinance, the Pyramid Lake Paiute Tribe’s Law and Order Code shall govern the interpretation, 
implementation, and management of all Leases approved under this Ordinance.

(b) Unless explicitly prohibited by the laws of the Tribe or federal law, the parties to a Lease 
under this Ordinance may agree to subject a Lease to a provision of state or local law or regulation 
in the absence of an applicable Tribe or federal law if:

(1) the Lease includes a specific provision to that effect;

(2) the Tribe expressly agrees that the Lease will be subject to federal and tribal law, unless 
otherwise agreed that state or local law cited in such provision will apply; and

(3) the Lease clarifies that such incorporation will only be in effect during the term of the 
Lease and will otherwise not apply to the Tribe, any of its entities, enterprises, 
instrumentalities, agencies, organizations, departments, tribally owned corporations, or 
political subdivisions, or its trust or reservation lands, except for the Lease premises as 
specifically provided.

3.18.07 SOVEREIGN IMMUNITY

Nothing in this Ordinance or any Lease executed under this Ordinance shall be deemed, construed, 
interpreted or implied to have waived, or authorized the waiver of, the sovereign immunity of the 
Tribe or any of its any of its entities, enterprises, instrumentalities, agencies, organizations, 
departments, tribally owned corporations, or political subdivisions, officers, agents, or employees 
unless such waiver is explicitly incorporated into the Lease and separately approved by the Pyramid 
Lake Paiute Tribal Council by written resolution.

3.18.08 SEVERABILITY

If any paragraph, section, or provision of this Ordinance shall be declared invalid by a court of 
competent jurisdiction for any reason, that paragraph, section, or provision shall be severed from the 
remainder of this Ordinance and the validity of the remainder of this Ordinance shall not be affected 
by such decision.

3.18.09 EFFECTIVE DATE

This Ordinance shall take effect when it is approved by the Secretary pursuant to the HEARTH Act, 
in writing, after its adoption by the Tribe in a duly enacted written resolution.

3.18.10 AMENDMENT

If major substantive amendments are made to this Ordinance subsequent to the initial effective date, 
those amendments shall only become effective when approved by the Secretary in writing. Minor 
technical amendments may be made without the Secretary's approval.

Such description may include renderings, architectural drawings, or other schematics, or title status report descriptions as appropriate. The Leasing Authority, in its discretion, shall determine what is appropriate for the Lessee to supply under this Section.

3.18.20 APPRAISAL AND MARKET ANALYSIS

(a) Every Lease shall have a Fair Annual Lease Value determination calculated in one of the following ways:

(1) The Fair Annual Lease Value may be determined by an appraisal, market analysis, or other appropriate valuation method as determined by the Leasing Authority, utilizing the following data: improvement cost, replacement cost, earning capacity, sales and lease data of comparable sites, or by similar methodology as approved by the Leasing Authority and deemed to be in the Best Interest of the Tribe; or

(2) The Fair Annual Lease Value may be determined by an appraisal performed by a licensed appraiser utilizing the Uniform Standards of Professional Appraisal Practice or another commonly accepted method of appraisal.

3.18.21 FAIR ANNUAL LEASE VALUE

(a) No Lease shall be approved for less than the present Fair Annual Lease Value, as set forth in the appraisal, market analysis, or other acceptable valuation method as determined by Tribal Council, except as follows:

(1) The Lease is in the Development Period;

(2) The Tribe is providing an incentive for a business to locate on Pyramid Lake Paiute Tribal Land, and must provide Lease concessions, lease improvement credits, and/or lease abatements to attract such business;

(4) The Lessee is an instrumentality or business entity of the Tribe.

(b) Rent under a Lease may be structured as a fixed amount, as a fixed amount plus a percentage of gross receipts (e.g., if the Lessee is a business located in a shopping center or mall), as a percentage of gross receipts or based on a market indicator, or in such other manner as may be approved by the Leasing Authority.

(c) The Lease may be structured to allow for rental rate adjustments. It shall specify how any adjustments will be made, who will make such adjustments, when the adjustments will go into effect, and how disputes related to rental rates shall be resolved.

(d) A Lease may be amended to allow for rental rate adjustments.

(e) A Lessee may also be required to pay additional fees, taxes, and assessments associated with the use of the land and those payments shall be made to the Pyramid Lake Paiute Finance Department.
3.18.22 INSURANCE

(a) Unless waived pursuant to Subsection (b) below, a Lessee shall provide proof of insurance necessary to protect the interests of the Lessor and in amounts sufficient to protect all insurable improvements on the premises. The insurance may include, but is not limited to, property, liability and casualty insurance, or other insurance as specified in the Lease. The Tribe, Lessor and the United States must be identified as additional insured parties in all policies.

(b) The Tribe may waive the insurance requirements, or reduce the amount of insurance, if the waiver is in the Best Interest of the Tribe, provided, however, that the waiver may be unilaterally revoked by the Tribe at any time the waiver is determined to no longer be in the Best Interests of the Tribe. Upon such revocation, the Tribe shall notify the Lessee in writing and indicate the type and level of insurance protection that has been determined to be adequate to protect insurable improvements on the leased premises. The Tribe shall maintain written records of waivers and revocations.

3.18.23 PERFORMANCE BOND

(a) Unless waived pursuant to Subsection (b) below, Lessee shall obtain a satisfactory performance bond in an amount sufficient to secure its contractual obligations under the Lease. Such bond may be called upon to guarantee:

3. Any additional amount necessary to ensure compliance with the Lease.

(b) The Lease shall contain a provision that the obligation of the Lessee and its sureties to the Tribe will be enforceable by the Secretary so long as the leased land or premises remain in trust or restricted fee status.

(c) The Tribe may waive the bond requirement, or reduce the amount of the performance bond, if doing so is determined to be in the Best Interest of the Tribe, provided, however that the waiver may be unilaterally revoked by the Tribe at any time if the waiver is determined to no longer be in the Best Interest of the Tribe. Upon such revocation, the Tribe shall notify the Lessee in writing and indicate the type and level of performance bond that has been determined to be adequate to secure the Lessee's contractual obligations.

(d) A performance bond may only be provided in one of the following forms:

2. Irrevocable letters of credit issued by a federally insured financial institution authorized to do business in the United States;
3. Negotiable Treasury securities; or

(e) Any performance bond required under this Section shall require that the surety provide advance notice to the Tribe and the Secretary before cancellation of the performance bond.

3.18.24 IMPROVEMENTS

(a) Unless the Tribe waives some or all of the requirements of this Section because it is in the Best Interests of the Tribe, a Lessee shall require the Lessee to exercise due diligence and no less than good faith efforts to complete the construction of any improvements within the schedule specified in the Lease.

(b) Lessee, at Lessee's expense or as otherwise provided in the Lease, may construct
improvements under a Lease if the Lease specifies, or provides for the development of:

(1) a plan that describes the type and location of any improvements to be constructed by the Lessee; and

(2) a general schedule for construction of the improvements, including dates for commencement and completion of construction.

(c) Lessee shall provide the Leasing Authority written justification as to the nature of any delay, the anticipated date of construction of the improvements, and evidence of progress toward commencement of construction. When requested by the Leasing Authority or otherwise required in the Lease, the Lessee shall further provide the Leasing Authority, in writing, an updated schedule for construction. Modified construction plans or schedule, when approved by both parties, shall become a modified exhibit to the Lease.

(d) Improvements to the premises shall become the property of the Tribe unless otherwise provided in the Lease. The Lease may provide for Lessee ownership of the improvements and may allow the Lessee to sell its interest in the improvements to the Tribe or such other person or entity as may be authorized under the Lease, so long as the sale is consistent with all requirements of this Chapter and applicable law.

(e) If improvements will be removed, and the Lease does not specify the maximum amount of time allowed for removal, the maximum time allowed shall be 120 days from the expiration, termination, or cancellation of the Lease. Unless expressly otherwise provided in the Lease, a Lessee obligated to remove improvements shall be obligated to leave the leased premises in good order and condition, repair any damage caused by the removal of the Improvements, remove any and all debris from the leased property, and remove any and all Lessee property from the leased premises.

(f) Improvements may be subject to taxation by the Tribe, subject to limitations provided in the Lease.

(g) Failure of the Lessee to comply with the requirements of this Section shall be a breach of the Lease and may lead to cancellation.

3.18.25 SUBLEASES, ASSIGNMENTS, AMENDMENTS, AND MORTGAGES

(a) Subleases, Assignments, amendments or mortgages of any Lease shall only be effective with the written approval of the Tribe and Lessee, unless otherwise provided herein or in the Lease.

(b) Leases may authorize Subleases or Assignments, in whole or in part, only with approval from the Tribal Council, provided a copy of the Sublease or Assignment is promptly provided to the Leasing Authority and the following conditions, where applicable, are met and stated in the Lease:

(1) There is no existing event of default by the Lessee under the Lease or violations of this Ordinance or other applicable laws or regulations;

(2) Any restrictions and limitations on the use of the premises shall continue to apply to any sublessee or assignee;

(3) The proposed sublessee or assignee submits information adequate to allow the Leasing Authority to assess the proposed sublessee's or assignee's financial and other capability to undertake the Lease obligations; and

(4) Upon sublease or assignment, the sublease or assignor shall not be relieved or released from its obligations under the Lease unless otherwise provided in the Lease.

This Subsection in no way relieves the parties from carrying out their duties under the Lease, which may contain additional restrictions and conditions.

(c) The Lease may authorize, subject to limitations, the Lessee to grant a Leasehold Mortgage for the purpose of financing to develop and improve the leased premises. At no time may a direct
encumbrance on Pyramid Lake Paiute Tribal Land be allowed. Only a Lessee’s leasehold interest may be encumbered.

(d) If a sale or foreclosure of the Lessee’s leasehold interest occurs, the leasehold mortgagee may assign the Lease, subject to the Tribe’s approval, provided the assignee agrees in writing to be bound by all the terms and conditions of the Lease. The Lease may authorize such Assignment, in whole or in part, without approval from the Tribe, provided that the requirements of Subsection (b) are met.

(e) Subleases shall contain adequate legal descriptions of the land on which they are located and descriptions of the location and square footage of the space being subleased within any building and may include renderings, architectural drawings or other schematics to illustrate the location of the space.

SUBCHAPTER VI - AGRICULTURAL LEASE PROVISIONS

SUBCHAPTER VII - ENVIRONMENTAL REVIEW

3.18.701 ENVIRONMENTAL REVIEW REQUIRED

The Leasing Authority shall assign an Environmental Reviewer to complete the review process under this Section. Unless an exemption applies or a Lease is not otherwise subject to Environmental Review, no Lease shall be approved until the Environmental Review process is complete. Leases approved and executed without compliance with this Section shall be null and void. Since no federal action is involved in the execution of Leases under this Ordinance, the provisions of the National Environmental Policy Act of 1969, 42 U.S.C. § 4311 et seq. ("NEPA") do not apply.

3.18.702 Threshold Determination

Within (10) business days following the submission of a complete leasing application, as determined by the Leasing Authority, the Environmental Reviewer will make a threshold determination as follows:

(a) Leases Not Subject to Environmental Review. If the Environmental Reviewer determines that the Leasing Decision by its nature would not have a Significant Effect on the Environment, the Leasing Decision is exempt from additional requirements of the Environmental Review.

(b) Leases Subject to Environmental Review. If the Environmental Reviewer determines that the Leasing Decision could reasonably be expected to have a Significant Effect on the Environment, the Lessee must fulfill the requirements of the Environmental Review.

(c) Exemption for Space Leases. Leasing Decisions involving Leases or Subleases proposing use of space within an existing industrial or commercial facility shall be exempt from the additional requirements of Environmental Review and the Tribe shall not be required to prepare a TLEIS.
Existing Business Sites. Approvals of Leases for an existing business site, including any associated existing improvements, existing access roads and utilities are exempt from the additional requirements of Environmental Review and the Tribe shall not be required to prepare a TLEIS. Exemptions under this category are granted when a previous Environmental Review, including a federal environmental review, was completed for the previous Lease and the site and impacts associated with a current Leasing Decision have not substantially changed.

3.18.703 Action on Leasing Decision Subject to Completion of Environmental Review.

If the Environmental Reviewer determines that the Leasing Decision is subject to Environmental Review, the Tribe may not consider the Leasing Decision until the Environmental Reviewer closes the Environmental Review in accordance with this Section. Upon request of the Lessee, the Leasing Authority may review the proposed Lease after negotiation by the parties, before or during preparation of the Environmental Review documentation. Within sixty (60) days of receiving the proposed lease, the Leasing Authority will provide an acknowledgement of the terms of the lease and identify any provisions that, based on this acknowledgment review, would justify disapproval of the lease, pending results of the Environmental Review.

3.18.704 EARLIER OR CONCURRENT TRIBAL AND/OR FEDERAL ENVIRONMENTAL REVIEW DETERMINATIONS.

As early in the process as possible, the Environmental Reviewer shall review any earlier or concurrent Environmental Review documents adopted by a federal agency or adopted by the Tribe after the enactment of this Ordinance and pursuant to this Ordinance and assess whether they sufficiently evaluate the impacts of the proposed Leasing Decision as required by this Ordinance. If the impacts were not evaluated sufficiently to meet the standards of this Ordinance, the Lessee may obtain a compliance update or amendment from the Tribal department or federal department that has regulatory responsibility for the relevant resource. If the impacts associated with the Leasing Decision were adequately evaluated in the earlier or concurrent documents to meet the requirements of this Ordinance, the Environmental Reviewer may determine that the Environmental Review required under this Ordinance is complete.

3.18.705 ENVIRONMENTAL REVIEW.

Unless an exemption applies, an earlier or concurrent Environmental Review meets the requires of this Ordinance, or a Lease is not otherwise subject to the Environmental Review, then, before the execution of the Lease, the Tribe shall cause to be prepared a comprehensive and adequate TLEIS, analyzing the potentially significant effects of the proposed action on the environment. However; information or data which is relevant to such a TLEIS and is a matter of public record or is generally available to the public need not be repeated in its entirety in the TLEIS, but may be specifically cited as the source for conclusions stated therein; and provided further that such information or data shall be briefly described, that its relationship to the TLEIS shall be indicated, and that the source thereof shall be reasonably available for inspection at a public place or public building.

3.18.706 Contents of the TLEIS.

The TLEIS shall provide detailed information about the Significant Effect on the Environment which the proposed Lease is likely to have, and shall include a detailed statement setting forth all of the following:

(a) A description of the physical environmental conditions in the vicinity of the leased premises (the environmental setting and existing baseline conditions), as they exist at the time the notice of preparation is issued;

(b) All Significant Effects on the Environment from the proposed Lease.

(c) In a separate section setting forth:

(1) Any Significant Effect on the Environment that cannot be avoided if the Lease is executed;
(2) Any Significant Effect on the Environment that would be irreversible if the Lease is executed; and

(3) Any mitigation measures or a Restoration and Reclamation Plan proposed, recommended, or required.

(d) The TLEIS shall also contain a statement indicating the reasons for determining whether the various effects, if any, of the Lease on the environment located outside of the exterior boundaries of the Reservation or the exterior boundaries of Pyramid Lake Paiute Tribal Lands located outside of the Reservation, are not significant and consequently have not been discussed in detail in the TLEIS. In the TLEIS, the direct and indirect Significant Effects on the Environment shall be clearly identified and described, giving due consideration to both the short-term, long-term, and cumulative effects.

(e) The Lease application process shall be suspended until the Draft TLEIS is complete.

3.18.707 Notice of Completion of Draft TLEIS.

(a) By the close of the next business day after a Draft TLEIS is complete, the Environmental Reviewer shall file a copy of the draft with the Leasing Authority. The Leasing Authority shall prepare a notice to the Public entitled "Notice of Completion" which shall include all of the following information:

(1) A brief description of the project;

(2) The proposed location of the project;

(3) An address where copies of the draft TLEIS are available;

(4) Notice of a period of at least thirty (30) days during which the Leasing Authority will receive comments on the draft TLEIS; The deadline to submit written comments, including instructions on how, where, and to whom comments should be submitted; and

(5) Notice that all comments received within the comment period will be available for review on request at the Pyramid Lake Paiute Tribal Administration Building, which is open to the public during regular business hours.

(b) To satisfy the requirement of Public notice and opportunity for comment under this Ordinance the Leasing Authority shall:

(1) Cause the Notice of Completion to be published in a newspaper of general circulation in the area affected by the proposed Lease; and

(2) Post the Notice of Completion and the draft TLEIS on the Pyramid Lake Paiute Tribe's governmental website or other designated website, as determined by the Tribe.

3.18.708 Response to Public Comments.

After the comment period has ended, the Leasing Authority will review all comments timely received. Prior to the approval and execution of a Lease, the Leasing Authority will provide written responses to relevant and substantive comments on any Significant Effect on the Environment arising as a result of the proposed project and proposed or recommended mitigation measures addressing such impacts.

3.18.709 Final TLEIS.

The Environmental Reviewer shall prepare a Final TLEIS, incorporating any substantive Public comments and the Tribe's responses. The Leasing Authority shall then publish the Final TLEIS, consistent with section 3.18.707.

SUBCHAPTER VIII - COMPLIANCE AND ENFORCEMENT
3.18.801 COMPLIANCE

(a) The Tribe and the Secretary, at her discretion, shall have all powers necessary and proper to enforce the terms of the Lease, subject to the terms of the Lease. These include the power to enter the leased premises with reasonable notice and at a reasonable time (or no notice in the event the Leasing Authority determines that there is an emergency) and subject to the terms of the Lease, to determine compliance with the terms of the Lease and this Chapter.

(b) Failure of the Lessee to comply with the requirements of this Chapter will be deemed a violation of the Lease and may lead to cancellation of the Lease pursuant to this Ordinance.

3.18.802 DEFAULTS

(a) Negotiated Default and Remedies. The Lease may include negotiated events of default and remedies in the event of a Lease violation, including but not limited to the power to terminate the Lease, and the manner in which the remedies may be exercised. Negotiated remedies (including termination) may apply in addition to, or instead of, the cancellation remedy available to the Tribe under this Ordinance, as specified in the Lease.

(b) Unless otherwise provided in the Lease, if the Leasing Authority determines the Lessee is in default, the Leasing Authority shall send the Lessee a written notice of default. The notice of default shall be provided by certified mail, return receipt requested, or personal delivery to the leased premises.

(c) Unless otherwise provided in the Lease, within thirty (30) days (or fifteen (15) days if the default is for failure to pay rent) after receipt of the notice of default, or mailing if receipt is rejected, taxes or other monetary default, the Lessee shall:
   
   (1) Cure the default and notify the Leasing Authority, in writing, that the default has been cured;
   
   (2) Request additional time from the Leasing Authority, in writing, to cure the default (which may or may not be granted); or
   
   (3) Dispute the Leasing Authority's determination, in writing, that the Lease is in default and explain why the Lease should not be cancelled.

3.18.803 REMEDIES AND CANCELLATIONS

(a) If the Lessee fails to cure the default within the prescribed period, subject to the provisions of the Lease, the Leasing Authority may:

   (1) Cancel the Lease pursuant to this Ordinance;
   
   (2) Grant a written extension of time to cure the default;
   
   (3) Pursue other remedies, with the Lessee, including negotiated remedies and execution on bonds or collection of insurance proceeds;
   
   (4) Undertake any combination of the remedies listed above; or
   
   (5) Undertake any other appropriate remedies, including those set forth in the Lease.

(b) Cancellation. If the Leasing Authority cancels a Lease, it shall send the Lessee a cancellation letter within a reasonable time period or as provided in the Lease. The cancellation letter shall be provided by certified mail, return receipt requested, or personal delivery to the leased premises.

   (1) The cancellation letter shall:

   (A) Explain the grounds for cancellation;

   (B) Notify the Lessee of unpaid amounts, interest charges, late payment penalties or other appropriate charges due under the Lease;
(C) Notify the Lessee of its right to appeal; and

(D) Order the Lessee to vacate the premises within thirty (30) days after receipt of the cancellation letter, or mailing if receipt is rejected, or such other period as set forth in the Lease, if an appeal is not filed by that time.

(2) A cancellation shall become effective thirty-one (31) days after receipt of the cancellation letter, or mailing if receipt is rejected, or such other date as set forth in the Lease. The filing of an appeal shall not change the effective date of the cancellation.

(c) If the Leasing Authority decides to grant an extension of time to cure a default, the Lessee shall proceed diligently to perform and complete the corrective actions within a reasonable time period.

3.18.804 HARMFUL OR THREATENING ACTIVITIES

If the Lessee or other party causes or threatens to cause immediate and significant harm to the premises, or undertakes illegal activity thereon, the Leasing Authority may take appropriate emergency action, including, without limitation, immediate cancellation of the Lease. The Leasing Authority will notify the Lessee of the cancellation by certified mail, return receipt requested, or personal delivery to the leased premises, within a reasonable time, or as provided in the Lease.

3.18.805 ABANDONMENT

If a Lessee abandons the premises under a Lease, the Leasing Authority may treat such abandonment as a termination of the Lease, provided that the Leasing Authority may pursue such remedies available under the Lease or this Chapter, including damages for Lease payments through the remaining term (as if abandonment and termination had not occurred) of the Lease.

3.18.806 HOLDOVER

If a Lessee remains in possession after the expiration, termination or cancellation of a Lease, the Leasing Authority shall treat such occupation as a trespass. The Leasing Authority shall take action to recover possession and pursue additional remedies. Such action shall be pursuant to the Pyramid Lake Paiute Tribe's Ordinances.

3.18.807 TRESPASS

If a person or entity occupies the premises without the Leasing Authority's approval, the Leasing Authority may pursue all appropriate remedies, which may include a civil action for unlawful detainer, under tribal or federal law.

3.18.808 COMPLAINT AND APPEALS PROCEDURE

(a) The Lessee, or another interested party whose interests could be adversely affected, who has reasonable grounds to believe that a determination by the Tribe does not comply with this Chapter, may file a complaint with the Leasing Authority.

(b) The Leasing Authority shall make reasonable efforts to resolve the complaint informally, including, but not limited to, scheduling a meeting with the Lessee or interested party for such purpose. Within thirty (30) days of receiving the written complaint, the Leasing Authority shall reduce to writing that:

(1) the parties reached a resolution to the complaint and it is signed by the Leasing Authority and the Lessee or interested party, or

(2) no informal resolution was reached.

(c) If informal resolution of the complaint was unsuccessful, the Lessee, or another interested party whose interests could be adversely affected, may appeal a determination of the Tribe. Appeals under this Chapter are limited to determinations by the Tribe regarding approved Leases and no other appeals shall be authorized.
(d) Unless an alternate appeals process is provided in the Lease, the appeal shall be filed with the Pyramid Lake Paiute Tribal Court.

(e) The process for filing an appeal shall be as follows:

1. A written, signed appeal must be filed within fourteen (14) days after Leasing Authority issues a written outcome of the informal resolution;

2. The appeal must describe in reasonable detail:
   (A) a description of the alleged noncompliance with this Ordinance which is the subject of the appeal; and
   (B) the remedy being sought.

3. The appeal must be served on the Tribe, by and through the Tribal Chairman, unless another party for service is identified in the Lease, and proof of service must be filed with the Pyramid Lake Paiute Tribal Court.

(f) The Clerk of the Court shall set a hearing within thirty (30) days following the date of service.

(g) At the hearing, the Lessee or interested party and the Tribe shall be provided reasonable opportunity to admit documentary evidence, offer testimony, cross-examine the witness(es) of the other party, and to make arguments of law.

(h) The Judge shall review whether the Tribe's determination was: arbitrary, capricious, or an abuse of discretion; not supported by substantial evidence in the record; or otherwise, not in accordance with the law. The Judge shall provide written findings to the parties within fourteen (14) days following the close of the hearing.

(i) The decision of the Pyramid Lake Paiute Tribal Court shall be final and may not be appealed to Federal Court of Appeals.

(j) Only upon exhaustion of tribal remedies as provided in this Section, may a Lessee or interested party seek BIA review of an appeal regarding the Tribe's compliance with this Chapter in accordance with the HEARTH Act.

(k) This Section is not intended to, nor does it create any rights whatsoever to appeal the Tribe's decision declining to enter into a Lease with individuals or entities seeking the use of Pyramid Lake Paiute Tribal Lands. There is no individual right to use Pyramid Lake Paiute Tribal Lands prior to obtaining a Lease approved pursuant to this Ordinance or federal law.

3.18.809 APPEAL BONDS

(a) If a Lessee appeals a final Lease determination of the Tribe to cancel or terminate the Lease and a stay of enforcement is requested, an appeal bond must be filed concurrently with the appeal.

(b) The appeal bond shall protect the party whose remedy has been stayed from all financial losses that may occur as a result of the appeal. Appeal bonds shall not be separately appealed, but may be contested during the cancellation or termination appeal.

SUBCHAPTER IX - TAXES AND FEES

1. Permanent improvements on land leased under a Lease;

2. Activities under a Lease conducted on the leased premises; or

(d) Nothing in this Section shall be interpreted to prohibit or otherwise limit the Tribe's ability to enter agreements with state or local governments.
