Re: Request for Approval of Residential Leasing Act

Dear Mr. Rice:

The purpose of this letter is to request that the Secretary of the Interior ("Secretary") approve the Residential Leasing Act recently enacted by the Pokagon Band of Potawatomi Indians ("Band"). The Residential Leasing Act implements the Helping Expedite and Advance Responsible Tribal Home Ownership Act of 2012 ("HEARTH Act") with regard to residential leases of housing units or Band land, by establishing a process under which the Band may directly approve such leases without subsequent approval by the Secretary.

On December 18, 2012, the Band submitted proposed leasing regulations to the Bureau of Indian Affairs ("BIA") in the form of amendments to the Band's Housing Act. Through a letter dated December 20, 2012, the BIA acknowledged receipt of the leasing legislation and indicated that the BIA would approve or disapprove the same by April 21, 2013.

After a series of conference calls with the BIA and the Solicitor's Office, the Band agreed to remove the proposed leasing provisions from the Band's Housing Act and to include the same in a separate Residential Leasing Act. In light of this structural change, the BIA and the Band agreed to extend the approval or disapproval deadline for 60 days until June 20, 2013. On March 28, 2013, the BIA informed the Band that it was prepared to approve the Residential Leasing Act.

On April 3, 2013, the Tribal Council approved Resolution No. 13-04-03-04 ("Approval Resolution") thereby approving the Residential Leasing Act and authorizing its submission to the BIA for approval in accordance with the HEARTH Act. The

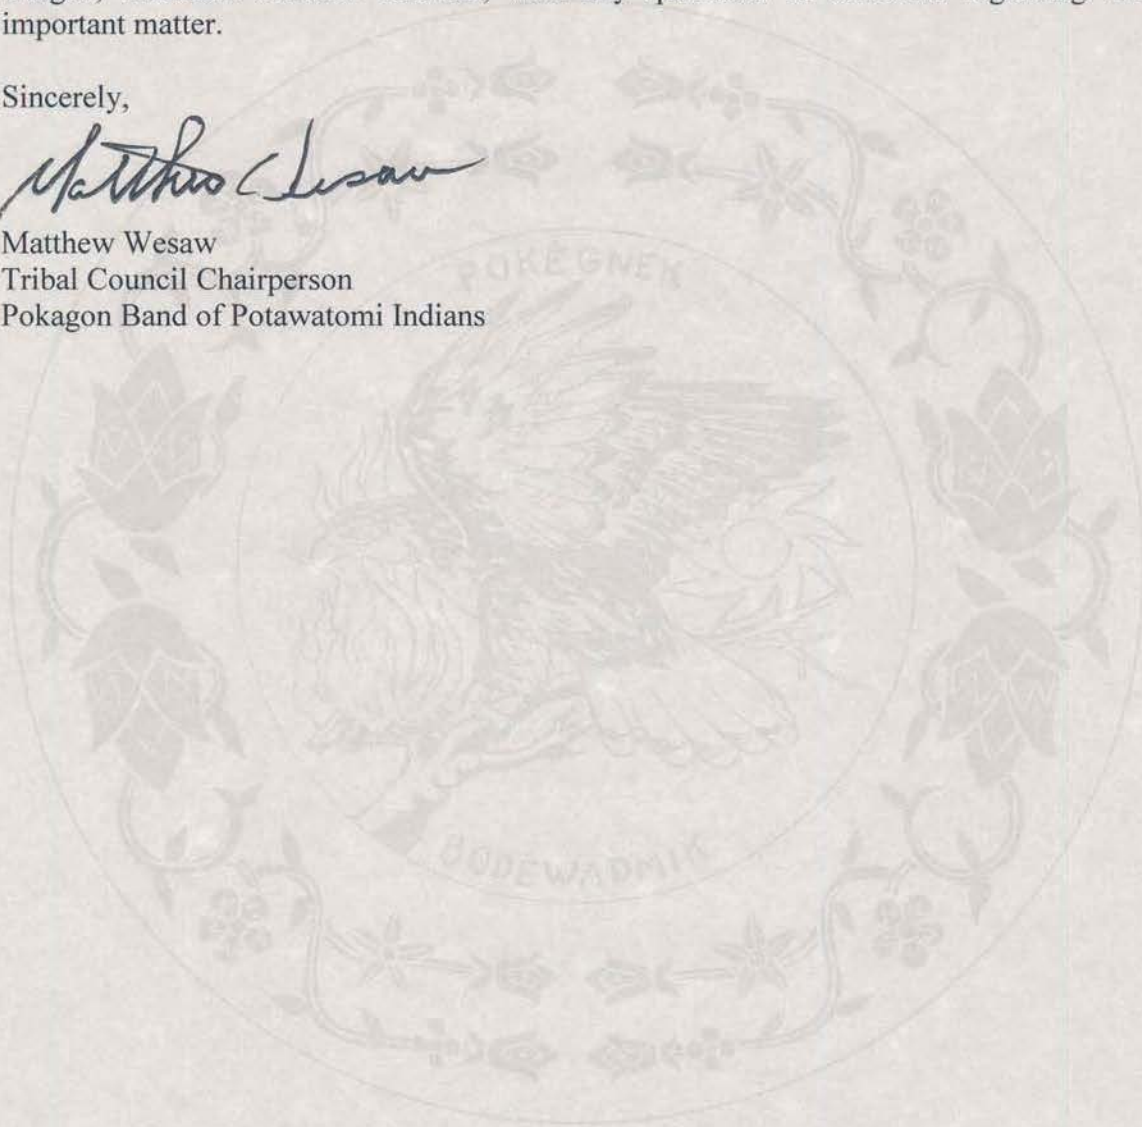

Approval Resolution and two (2) originals of the Residential Leasing Act are attached to this letter for your consideration.

The HEARTH Act represents a significant achievement for proponents of inherent tribal sovereignty, autonomy and self-governance. I would like to thank you for the BIA's assistance in finalizing the Residential Leasing Act. Please contact Paul W. Shagen, Assistant General Counsel, with any questions or concerns regarding this important matter.

Sincerely,

A handwritten signature in black ink, reading "Matthew Wesaw". The signature is fluid and cursive, with the first name "Matthew" being more prominent than the last name "Wesaw".

CHAPTER 3

Requirements for Approval; Categorical Exclusions; Environmental Review; and Purpose of Review

Section 3.01 Requirements for Approval

The Tribal Council shall not approve a Lease under subsection 2.01(a) of this Act unless:

(a) The Department of Natural Resources has reviewed the Lease and such other information as may be necessary to identify and evaluate any Significant Effect on the Environment of the intended use of the Premises, and has:

(1) Determined that the uses authorized by the Lease are included within a categorical exclusion stated in Section 3.02 and provided that determination in writing to the Tribal Council; or

(2) Issued a final decision after following the procedures set forth in Section 3.03; or

(b) The Department of Natural Resources has provided the Tribal Council with notice that the Band has carried out a project or activity funded by a federal agency and that it has relied on the environmental review process of the applicable federal agency rather than following the procedures set forth in Section 3.03.

Section 3.02 Categorical Exclusions

(a) The Tribal Council hereby finds that the following actions do not individually or cumulatively have a Significant Effect on the Environment; and therefore, except as otherwise provided in subsection 3.02(b), are categorically excluded from the procedures set forth in Section 3.03:

(1) Approval of a Lease for residential use of an existing Housing Unit, including any associated improvements, access roads and utilities; and

(b) Notwithstanding subsection 3.02(a), the Department of Natural Resources shall follow the procedures set forth in Section 3.03 if it determines that extraordinary circumstances exist under which the residential use of the Premises may, individually or cumulatively, have a Significant Effect on the Environment, including without limitation, as set forth below:

- (1) Substantial controversy on environmental grounds; or
- (2) Presence of cultural resources or historic properties.

Section 3.03 Environmental Review

(a) Unless a categorical exclusion applies, the Department of Natural Resources shall cause the effects on the environment of the intended uses authorized by the proposed Lease to be identified and evaluated as follows:

(1) If the Department of Natural Resources determines that the uses authorized by proposed Lease will not have a Significant Effect on the Environment, then it shall cause the following to occur in the order set forth below:

(A) A finding of no significant impact shall to be issued and posted in accordance with subsection 1.09(a)(2) of the Open Meetings Act for a minimum of fifteen (15) calendar days;

(B) If there is a substantial interest in holding a meeting, a meeting shall be held to provide an opportunity for Band citizens and residents of Band Land to comment (both verbal and written) on the finding of no significant impact;

(C) Comments shall be reviewed and analyzed and a report shall be issued responding to relevant and substantive comments, if any, regarding the finding of no significant impact, which report shall be posted in accordance with subsection 1.09(a)(2) of the Open Meetings Act for a minimum of fifteen (15) calendar days; and

(D) Unless subsection 3.03(a)(2) applies, a final decision confirming that the uses authorized by the proposed Lease are expected to have no Significant Effect on the Environment shall be issued, forwarded to Tribal Council for approval and posted in accordance with subsection 1.09(a)(2) of the Open Meetings Act.

(2) If the Department of Natural Resources determines that the proposed Lease will have a Significant Effect on the Environment, then it shall cause the following to occur in the order set forth below:

(A) A draft environmental review which identifies and evaluates any Significant Effect on the Environment of uses authorized by the proposed Lease shall be issued and posted in accordance with subsection 1.09(a)(2) of the Open Meetings Act for a minimum of thirty (30) calendar days;

(B) A meeting shall be held on the draft environmental review to provide an opportunity for Band citizens and residents of Band Land to comment (both verbal and written) on any Significant Effect on the Environment of the uses authorized by the proposed Lease;

(C) Comments shall be reviewed and analyzed and a report shall be issued responding to relevant and substantive comments, if any, on Significant Effect on the Environment of the uses authorized by the proposed Lease, which report shall be posted in accordance with subsection 1.09(a)(2) of the Open Meetings Act for a minimum of thirty (30) calendar days;

(D) A final environmental review describing the conclusions of the Department of Natural Resources on the issues and evidence gathered under this subsection 3.03(2) shall be issued and posted in accordance with subsection 1.09(a)(2) of the Open Meetings Act for a minimum of thirty (30) calendar days; and

(E) A final decision assessing the potential for any Significant Effect on the Environment associated with the uses authorized by the Lease shall be issued, forwarded to Tribal Council for approval and posted in accordance with subsection 1.09(a)(2) of the Open Meetings Act.

Section 3.04 Purpose of Review

(a) The purpose of this Chapter 3 is to establish an environmental review process that satisfies the requirements of 25 U.S.C. 415(h)(3)(B)(ii). Except as may otherwise be provided under federal law, the Band is not subject to the National Environmental Policy Act of 1969 ("NEPA"), 42 U.S.C. 4331 *et. seq.*) or its implementing regulations. Therefore, the Department of Natural Resources shall not be bound by NEPA or its implementing regulations in administering this Chapter 3.

(b) Notwithstanding subsection 3.04(a), pursuant to Section 105 of the Native American Housing Assistance and Self-Determination Act of 1996 ("NAHASDA") (25 U.S.C. 4101 *et seq.*) and its implementing regulations (42 C.F.R 1000.18 – 1000.24), the release of funds to the Band under NAHASDA is contingent upon compliance with NEPA and the HUD implementing regulations located at 24 C.F.R parts 50 and 58. Accordingly, although in implementing 25 U.S.C. 415(h) the Band is not subject to NEPA, or applicable regulations, compliance is required as set forth in NAHASDA and applicable regulations. The Department of Housing is responsible for ensuring compliance with this Chapter 3, NEPA and HUD implementing regulations as applicable.
