

BIA FIRE FLEET PROGRAM VEHICLE SERVICE REQUEST FORM

The field unit shall call their respective Model 52 Center to troubleshoot their engine problem. If further assistance is required, the caller will inform their **AFMO, FMO, or Designated Authority to approve the completed form and send it, by email, to the** Center Manager. In the **subject line of the email**, list the field unit name and the fire code that the Model 52 program is authorized to use.
