NEW YORK STATE OFFICE OF REAL PROPERTY SERVICES LAND USE CODE LIST

		Property used for the production and fabrication of durable and nondurable man made goods. A parcel including an office building on land located adjacent to or near an automobile assembly plant and used principally by the automobile manufacturer for its own offices should be coded as industrial under the appropriate division below. However, if such building is used principally by tenants leasing space therein, the parcel should be coded as commercial. Also, an office building used principally by an industrial concern but located remote from its manufacturing plant should be coded as commercial rather than industrial (e.g., office buildings in Manhattan occupied principally by industrial companies whose manufacturing activities are located elsewhere throughout the country). Parcels used for research aimed primarily at improving products should be coded as industrial, while parcels used for marketing research should be coded as commercial.
