Plan Overview:

Stewarding Conservation and Powering Our Future

- The Plan outlines the goals and objectives for the next four years and the strategies that will be used to achieve meaningful results for the American people.
- The Plan will help Interior play a central role in building cooperative, long-term strategies for economic growth, national security, environmental resilience, and stewardship of America's natural heritage.

DRAFT FY 2026-2030 Strategic Plan Framework

Strategic Goals	Strategic Objectives
Goal 1: Restore American Prosperity	Objective 1.1: American energy lowers costs and increases affordability Objective 1.2: Americans benefit from strategic use of the country's natural resources Objective 1.3: The country is positioned to use our natural resource assets for the future
Goal 2: Ensure National Security Through Infrastructure and Innovation	Objective 2.1: Interior resources protect people and property Objective 2.2: Infrastructure investments and modernization serve the public Objective 2.3: The country's water supply is clean and meets our needs
Goal 3: Enjoy Our Natural Resources While Ensuring They Remain Sound and Sustainable	Objective 3.1: Lands and waters provide opportunities for recreation and traditional use Objective 3.2: Lands, waters, and American heritage are protected and conserved Objective 3.3: Restore lands and waters Objective 3.4: Species and natural resources are protected
Goal 4: Collaboration and Coordination Results in Better Outcomes for the country, States, and the People	Objective 4.1: Uphold trust and treaty responsibilities to American Indian Tribes, Alaska Natives, and the Native Hawaiian Community Objective 4.2: Work collaboratively with states, local communities, U.S. Territories, and Freely Associated States Objective 4.3: Provide reliable, valuable science information to our partners
Management Accountability	Key Performance Indicators measure Presidential priorities for efficiency and effectiveness

Goal 1: *Restore American Prosperity*

- Objective 1.1: American energy lowers costs and increases affordability
- Objective 1.2: Americans benefit from strategic use of the country's natural resources
- Objective 1.3: The country is positioned to use our natural resource assets for the future

Goal 2: *Ensure National Security Through Infrastructure and Innovation*

- Objective 2.1: Interior resources protect people and property
- Objective 2.2: Infrastructure investments and modernization serve the public
- Objective 2.3: The country's water supply is clean and meets our needs

Goal 3: *Enjoy Our Natural Resources While Ensuring They Remain Sound and Sustainable*

- Objective 3.1: Lands and waters provide opportunities for recreation and traditional use
- Objective 3.2: Lands, waters, and American heritage are protected and conserved
- Objective 3.3: Restore lands and waters
- Objective 3.4: Species and natural resources are protected

Goal 4: Collaboration and Coordination Results in Better Outcomes for the Country, States, and the People

- Objective 4.1: Uphold trust and treaty responsibilities to American Indian Tribes, Alaska Natives, and the Native Hawaiian Community
- Objective 4.2: Work collaboratively with states, local communities, U.S. Territories, and Freely Associated States
- Objective 4.3: Provide reliable, valuable science information to our partners

Comment Period Participation Guidelines

Virtual attendees: Tribal Leaders will be asked to identify themselves for Leader-to-Leader consultation

Organizational and other representatives: Join the line to comment by clicking the “raise hand” button. The facilitator will call on you.

Phone attendees: Dial *9 to Raise Hand to enter the queue once called on by the facilitator, dial *6 to unmute and begin speaking.

Prefer to provide written comments?

- Written comments should be provided by emailing to consultation@bia.gov **on or before 11:59 pm ET on July 25th, 2025**. For any additional questions, please email doi_strategic_plan@ios.doi.gov.

Seeking Feedback on the Plan

1. What changes would you like to see incorporated into the strategic goals, strategic objectives, or planned strategies in the FY 2026-2030 Strategic Plan?
2. What performance measures would you like to see the Department track?
3. Are there any questions you would like to see the Department pursue and learn about to become more efficient and effective?

Post Consultation Feedback Submissions

Written comments should be provided by emailing to consultation@bia.gov **on or before 11:59 pm ET on July 25th, 2025**. For any additional questions, please email doi_strategic_plan@ios.doi.gov.
