AGENCY: Bureau of Indian Affairs,
Interior.

ACTION: Notice.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA), as lead agency, with the Cloverdale Rancheria of Pomo Indians (Tribe) as a cooperating agency, intends to gather information necessary for preparing an Environmental Impact Statement (EIS) for a proposed 79± acre fee-to-trust acquisition and casino and hotel project to be located within the City of Cloverdale's Sphere of Influence, in an unincorporated area of Sonoma County, California. The purpose of the proposed action is to help promote tribal economic development, self-sufficiency, and a strong tribal government. This notice also announces a public scoping meeting to identify potential issues, concerns and alternatives to be considered in the EIS.

DATES: Written comments on the scope and implementation of this proposal must arrive by August 11, 2008. A public scoping meeting will be held July 30, 2008, from 6 p.m. to 9 p.m., or until all those who register to make comments have been heard.

ADDRESSES: You may mail or hand carry written comments to Dale Morris, Regional Director, Pacific Regional Office, Bureau of Indian Affairs, 2800 Cottage Way, Sacramento, California 95825. Please include your name, return address and the caption, "DEIS Scoping Comments, Cloverdale Rancheria of Pomo Indians, 79± Acre Fee to Trust Casino/Hotel Project, Sonoma County, California," on the first page of your written comments.

The public scoping meeting will be held at the Cloverdale City Citrus Fairgrounds, Citrus Fair Drive, Number 1, Cloverdale, California.

FOR FURTHER INFORMATION CONTACT: John Rydzik, (916) 978-6051.

SUPPLEMENTARY INFORMATION: The Tribe proposes that 79± acres of land be taken into trust and that a casino, with parking and other supporting facilities, subsequently be constructed on the acquired trust property. The 79± acres encompass four parcels of land located within the City of Cloverdale's Sphere of Influence, in an unincorporated area of Sonoma County, California. The proposed project site is located immediately east of Highway 101, bordered by Asti Road to the west and Lile Lane to the northeast. Santana Drive runs parallel with the southern boundary of the proposed project site. Regional access to the proposed casino complex would be from South Cloverdale Boulevard via Highway 101.

The Proposed Action includes the development of a casino complex, which would consist of a combination of uses including, but not limited to a main gaming hall, hotel, and supporting utilities. Driveways along Lile Lane and Asti Road would provide access to the parking areas and the casino.

Areas of environmental concern so far identified to be addressed in the EIS include land use, geology and soils, water resources, agricultural resources, biological resources, cultural resources, mineral resources, paleontological resources, traffic and transportation, noise, air quality, public health/environmental hazards, public services and utilities, hazardous waste and materials, socio-economics, environmental justice, and visual resources/aesthetics. In addition to the proposed action, a reasonable range of alternatives, including a no-action alternative, will be analyzed in the EIS. The range of issues and alternatives may be expanded based on comments received during the scoping process.

SUPPLEMENTARY INFORMATION: The Tribe has requested that the BIA take into trust 305 acres currently held in fee, on which the Tribe proposes to develop a hotel, casino, parking facilities, and supporting infrastructure. The proposed 305-acre site (Madera Site) is located in unincorporated Madera County, California, just north of the City of Madera and adjacent to State Route 99 (SR-99). The Madera Site is bounded on the north by Avenue 18, rural residential land, light industrial land, and vacant land; on the east by Golden State Boulevard and SR-99; on the south by agricultural land and residential land; and on the west by Road 23 and agricultural land. The Proposed Project includes the development of an approximately 472,000 square foot hotel and casino resort and associated facilities, which include a main gaming hall, food and beverage services, retail space, banquet/meeting space, and administration space. Food and beverage facilities would include three full service restaurants, a five-tenant food court, a buffet, four bars and a lounge. The hotel would include 200 rooms, a resort style pool area and a spa. Approximately 4,500 parking spaces would be provided.

Project alternatives considered in the FEIS include: (A) The proposed casino and hotel alternative; (B) a reduced-intensity alternative; (C) a non-gaming use alternative; (D) the North Fork Rancheria alternative site; and (E) a no action alternative. Alternative A has been selected as the Preferred Alternative, as discussed in the FEIS. The alternatives are intended to assist the review of the issues presented, but the Preferred Alternative does not necessarily reflect what the final decision will be, because a complete evaluation of the criteria listed in 25 CFR part 151 may lead to a final decision that selects an alternative other than the Preferred Alternative, including no action, or that selects a variant of the Preferred or another of the alternatives analyzed in the FEIS.

Environmental issues addressed in the FEIS include land resources, water resources, air quality, biological resources, cultural and paleontological resources, socioeconomic conditions, environmental justice, transportation and circulation, land use, public services, noise, hazardous materials, visual resources, cumulative effects, indirect effects and mitigation measures.

The BIA has afforded other government agencies and the public

extensive opportunity to participate in the preparation of this EIS. The BIA published a notice of intent to prepare the EIS for the proposed action in the Federal Register on October 27, 2004 (69 FR 62721). The BIA held a public scoping meeting on November 15, 2004, in Madera, California. A Notice of Correction (NOC) was published in the Federal Register on April 6, 2005, to amend the October 2004 NOI to include a description of possible project alternatives and further extend the scoping comment period to May 6, 2005. A Notice of Availability for the Draft EIS (DEIS) was published in the Federal Register on February 15, 2008 (73 FR 8898). The DEIS was available for public comment from February 15 to March 31, 2008. The BIA held a public hearing on the DEIS on March 12, 2008, in the City of Madera.

FOR FURTHER INFORMATION CONTACT: John Rydzik, (916) 978-6051.

SUPPLEMENTARY INFORMATION: The Tribe has requested the BIA to acquire six parcels, totaling 70± acres of land, on which the Tribe proposes to develop a destination resort casino.

Approximately 2 acres of the site are located within the City of Cloverdale, California, while the remaining 68 acres are within unincorporated Sonoma County, California. The project site is situated immediately east of Highway 101 and borders Asti Road. Regional access to the project site is provided by Highway 101, with local access provided by South Cloverdale Boulevard via Highway 101. The proposed trust parcels partially overlap with the Tribe's historic Rancheria location.

The proposed action consists of: The fee-to-trust transfer of the project site; Federal review (by NIGC) of the development and management contract; and development of the proposed project. The proposed project includes: An 80,000 square-foot casino; 287,000 square-foot hotel with 244 rooms; 48,600 square-foot convention center; 28,100 square-foot entertainment center; 3,400 garage and surface parking spaces; and other ancillary facilities. Buildings would have a height of up to two stories above grade with the exception of the hotel and parking garage which would have a height of up to five stories above grade.

The BIA, serving as the lead agency for compliance with the National Environmental Policy Act (NEPA), published a Notice of Intent To Prepare the EIS for the proposed action in the *Federal Register* on July 7, 2008. (See 73 FR 38466). In addition to the Tribe, NIGC, EPA, Caltrans, Sonoma County,

and the City of Cloverdale have accepted invitations to be cooperating agencies, as entities having jurisdiction by law or special expertise relevant to environmental issues.

BIA held a public scoping meeting on July 30, 2008, at the Cloverdale Citrus Fairgrounds in the City of Cloverdale, California. From that scoping meeting, a range of project alternatives were developed and subsequently analyzed in the DEIS, including: (1) Alternative A—Proposed Action; (2) Alternative B—Reduced Hotel and Casino; (3) Alternative C—Reduced Casino; (4) Alternative D—Casino Only; (5) Alternative E—Commercial Retail-Office Space; and (6) Alternative F—No Action Alternative. Environmental issues addressed in the DEIS include land resources; water resources; air quality; biological resources; cultural and paleontological resources; socioeconomic conditions; transportation; land use and agriculture; public services; noise; hazardous materials; visual resources; environmental justice; growth inducing effects; indirect effects; cumulative effects; and mitigation measures.

Notice of Availability of the Record of Decision for the Environmental Impact Statement for the South Gillette Area Caballo West Coal Lease-by-Application, Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability

SUMMARY: In accordance with the National Environmental Policy Act of 1969, as amended, the Bureau of Land Management (BLM) announces the availability of the Record of Decision (ROD) for the Caballo West Coal Lease-by-Application (LBA) included in the South Gillette Area Coal Lease Applications Environmental Impact Statement (EIS).

ADDRESSES: The document is available electronically on the following Web site: <http://www.blm.gov/wy/st/en/info/NEPA/HighPlains/SouthGillette.html>. Paper copies of the ROD are also

Sacramento, California 95825.
Telephone: (916) 978-6051.

SUPPLEMENTARY INFORMATION: The Los Coyotes Band of Cahuilla and Cupeño Indians has requested that the BIA take into trust 23 acres of land on which the Tribe proposes to construct a gaming facility, hotel, parking areas and other facilities. The approximately 23-acre project site is located within the incorporated boundaries of the City of Barstow, San Bernardino County, California, just east of Interstate 15. Because this request is for land to be taken into trust for gaming purposes, the Los Coyotes Band of Cahuilla and Cupeño Indians has submitted an application under the Indian Reorganization Act (25 U.S.C. 465 et seq. as implemented in 25 CFR part 151) and seeks a determination of gaming eligibility under the Indian Gaming Regulatory Act (25 U.S.C. 2719 et seq. as implemented in 25 CFR part 292). The FEIS supports both actions.

The proposed project includes the development of a casino with approximately 57,070 square feet of gaming floor. Associated facilities would include food and beverage services, retail space, banquet/meeting space, and administration space. Food and beverage facilities would include one full service restaurant, a "Drive-in" restaurant, a food court with four venues, a coffee shop, three service bars, and a lounge. The hotel would have approximately 100 rooms and a full service restaurant. Both the gaming facility and the hotel would be open 24 hours a day, seven days a week. A total of 1,405 parking spaces would be provided.

The following alternatives are considered in the FEIS: (A) Barstow casino and hotel complex project, (B) Barstow Reduced Casino Hotel Complex (Proposed Project described above), (C) a reduced intensity casino at a 19-acre site within the Los Coyotes Reservation, (D) a non-gaming alternative, specifically the development of a campground facility within the Los Coyotes Reservation, and (E) a no-action alternative. Alternative B has been identified as the Tribe's Preferred Alternative, as discussed in the FEIS. The information and analysis contained in the EIS, as well as its evaluation and assessment of the Tribe's Preferred Alternative, are intended to assist the Department of the Interior (Department) in its review of the issues presented in the fee-to-trust application. The Preferred Alternative does not necessarily reflect the Department's final decision because the Department must further evaluate all of the criteria

listed in 25 CFR part 151 and 25 CFR part 292. The Department's consideration and analysis of the applicable regulations may lead to a final decision that selects an alternative other than the Preferred Alternative, including no action, or a variant of the Preferred or another of the alternatives analyzed in the FEIS.

Environmental issues addressed in the FEIS include land resources, water resources, air quality, biological resources, cultural resources, socioeconomic conditions, environmental justice, transportation, land use, agriculture, public services, noise, hazardous materials, visual resources, cumulative effects, indirect effects, growth inducing effects and mitigation measures.

A public scoping meeting for the DEIS was held by the BIA on May 4, 2006 at the Barstow Community College Gymnasium in Barstow, California. A Notice of Availability for the Draft EIS was published in the Federal Register on June 28, 2011 (76 FR 38677), and announced a 45 day review period ending on September 14, 2011. The BIA held a public hearing on the Draft EIS on July 27, 2011 in Barstow, California.

Final Environmental Impact Statement for the Cloverdale Rancheria of Pomo Indians' Proposed 65-Acre Fee-to-Trust Acquisition and Resort Casino Project, Sonoma County, California

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of Availability.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the Cloverdale Rancheria of Pomo Indians (Tribe), National Indian Gaming Commission, Environmental Protection Agency (EPA), California Department of Transportation (Caltrans), Sonoma County, and City of Cloverdale as cooperating agencies, intends to file a final environmental impact statement (FEIS) with the EPA for the Tribe's application requesting that the United States acquire land in trust within Sonoma County, California, and that the FEIS is now available for public review.

DATES: The Record of Decision on the proposed action will be issued on or

after 30 days from the date the EPA publishes its Notice of Availability in the **Federal Register**. Any comments on the FEIS must arrive on or before that date.

ADDRESSES: Mail or hand carry written comments to Amy Dutschke, Regional Director, Bureau of Indian Affairs, Pacific Region, 2800 Cottage Way, Sacramento, California 95825. See **SUPPLEMENTARY INFORMATION** for directions on submitting comments and the public availability of the FEIS.

FOR FURTHER INFORMATION CONTACT: John Rydzik, (916) 978-6051.

SUPPLEMENTARY INFORMATION: BIA prepared the FEIS to address the potential environmental effects of the United States acquiring six parcels in trust (totaling approximately 65 acres) for the benefit of the Tribe, as well as the subsequent development of a destination resort casino and supporting infrastructure on some of the parcels. Subsequent to the release of the Draft EIS (DEIS) one of the six parcels was removed from the fee-to-trust application (Assessor's Parcel Number 116-310-020). Under Alternatives A through D, this parcel was proposed to include a tribal government building with workspace and offices and an associated parking area. Upon review of the environmental impacts for the alternatives, the BIA determined that the removal of this parcel would not appreciably change the level of significance for the issues analyzed in this EIS, and thus the FEIS has not been altered to remove this parcel from the project site or impact analysis. However, it should be noted that this parcel, including the proposed tribal government building and associated parking area, are not included within the current fee-to-trust application.

The parcels within the current fee-to-trust application are located within unincorporated Sonoma County, California. The project site is situated immediately east of Highway 101 and borders Asti Road. Regional access to the project site is provided by Highway 101, with local access provided by South Cloverdale Boulevard via Highway 101. The project site is adjacent to the location of the Tribe's historic rancheria.

The proposed project (Alternative A) includes an 80,000 square-foot casino, 287,000 square-foot hotel with 244 rooms, 48,600 square-foot convention center, 28,100 square-foot entertainment center, 3,400 car garage and surface parking spaces, and other ancillary facilities. Buildings would have a height of up to two stories above grade with the exception of the hotel and parking

garage which would have a height of up to five stories above grade.

Project alternatives considered in the FEIS include: Alternative A—Proposed Action; Alternative B—Reduced Hotel and Casino; Alternative C—Reduced Casino; Alternative D—Casino Only; Alternative E—Commercial Retail-Office Space; and Alternative F—No Action Alternative. Alternative A (i.e. the proposed fee-to-trust acquisition and resort casino project) has been selected as the Tribe's preferred alternative, as discussed in the FEIS. The information and analysis contained in the EIS, as well as its evaluation and assessment of the Tribe's preferred alternative, are intended to assist the review of the issues presented in the fee-to-trust application. The preferred alternative does not necessarily reflect what the final decision will be, because the Department must evaluate all of the criteria listed in 25 CFR part 151. The Department's consideration and analysis of the applicable regulations may lead to a final decision that selects an alternative other than the preferred alternative, including no action, or a variant of the preferred or another of the alternatives analyzed in the FEIS.

Environmental issues addressed in the FEIS include land resources, water resources, air quality, biological resources, cultural and paleontological resources, socioeconomic conditions, transportation, land use and agriculture, public services, noise, hazardous materials, visual resources, environmental justice, growth inducing effects, indirect effects, cumulative effects, and mitigation measures.

The BIA afforded other government agencies and the public extensive opportunity to participate in the preparation of this EIS. A Notice of Intent to prepare the EIS for the proposed action was published in the **Federal Register** on July 7, 2008. The BIA held a public scoping meeting on July 30, 2008, in the City of Cloverdale. A Notice of Availability for the DEIS was published in the **Federal Register** on August 6, 2010. The DEIS was available for public comment from August 6, 2010 to October 20, 2010. The BIA held a public hearing on the DEIS on September 16, 2010, in the City of Cloverdale.

Locations where the FEIS is Available for Review: The FEIS is available for public review at the Cloverdale Regional Library, 401 North Cloverdale Boulevard, Cloverdale, CA 95425 and at the Santa Rosa Central Library, 211 E Street, Santa Rosa, CA 95404. General information for the Cloverdale Regional Library can be obtained by calling (707) 894-5271 and the Santa Rosa Central

Library by calling (707) 545-0831. An electronic version of the FEIS can also be viewed at the following Web site: <http://www.cloverdalerancheria.com/eis.html>.

Directions for Submitting Comments: Please include your name, return address, and the caption, "FEIS Comments, Cloverdale Rancheria of Pomo Indians' Fee-to-Trust and Resort Casino Project," on the first page of your written comments and submit comments to the BIA address listed above in the **ADDRESSES** section of this notice.

DEPARTMENT OF THE INTERIOR, Bureau of Indian Affairs

Notice of Availability of the Final Environmental Impact Statement (FEIS) for the Cloverdale Rancheria of Pomo Indians' Proposed 65-Acre Fee-to-Trust Acquisition and Resort Casino Project, Sonoma County, CA

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the Cloverdale Rancheria of Pomo Indians (Tribe), National Indian Gaming Commission, Environmental Protection Agency (EPA), California Department of Transportation (Caltrans), Sonoma County, and City of Cloverdale as cooperating agencies, intends to file a FEIS with EPA for the Tribe's proposed 65-acre Fee-to-Trust and Resort Casino Project to be located within Sonoma County, California, and that the FEIS is now available for public review. The FEIS addresses the potential environmental effects of transferring six parcels to federal trust status for the benefit of the Tribe, as well as the subsequent development of a destination resort casino and supporting infrastructure on some of the parcels. The project site is located immediately east of Highway 101 and borders Asti Road.

The FEIS is now available for public review at the Cloverdale Regional Library and at the Santa Rosa Central Library. General information for the Cloverdale Regional Library can be obtained by calling (707) 894-5271 and the Santa Rosa Central Library by calling (707) 545-0831. An electronic version of the FEIS can also be viewed at the following website: <http://www.cloverdalerrancheria.com/eis.html>

DATES: The Record of Decision (ROD) on the proposed action will be issued no sooner than 30 days after the release of the FEIS. Thus, any comments

on the FEIS must arrive by May 19, 2014.

ADDRESSES: Mail or hand carry written comments to Amy Dutschke, Regional Director, BIA, Pacific Region, 2800 Cottage Way, Sacramento, California 95825. Please include your name, return address, and the caption, "FEIS Comments: Cloverdale Rancheria of Pomo Indians' Fee-to-Trust and Resort Casino Project," on the first page of your written comments. Comments, including the names and addresses of respondents, will be available for public review at the BIA address above, during regular business hours, 8 a.m. to 4:30 p.m., Monday through Friday, except holidays. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

SUPPLEMENTAL INFORMATION: To obtain a CD copy of the FEIS, please provide your name and address in writing or by voicemail to John Rydzik, Chief of the Division of Environmental, Cultural Resources Management and Safety, at the address listed in the ADDRESSES section of this notice, or at the telephone number listed in the FOR FURTHER INFORMATION CONTACT section of this notice. Note that individual paper copies of the FEIS will be provided only upon payment of applicable printing expenses by the requestor. Project alternatives considered in the FEIS include Alternative A - Proposed Action; Alternative B - Reduced Hotel and Casino; Alternative C - Reduced Casino; Alternative D - Casino Only; Alternative E - Commercial Retail Office Space; and Alternative F - No Action Alternative. Alternative A has been selected as the Preferred Alternative. The Preferred Alternative does not necessarily reflect what the final decision will be, because a complete evaluation of the criteria listed in 25 CFR Part 151 may lead to a final decision that selects an alternative other than the Preferred Alternative, including no action, or a variant of the Preferred or another alternative analyzed in the FEIS. Subsequent to the release of the Draft EIS (DEIS) one of the six parcels was removed from the fee-to-trust application (APN 116-310-020). Under Alternatives A through D, this parcel was proposed to include a Tribal government building. It was determined that the removal of this parcel would not appreciably change the level of significance for the issues analyzed in this EIS, and thus the FEIS has not been altered to remove this parcel from the project site or impact analysis. However, it should be noted that this parcel, including the proposed Tribal government building and associated parking area, are not included within the current fee-to-trust application.

BUREAU OF INDIAN AFFAIRS

DRAFT CONFORMITY DETERMINATION for the Cloverdale Rancheria Fee-to-Trust and Resort Casino Project, Sonoma County, California.

AGENCY: Bureau of Indian Affairs, Department of the Interior

ACTION: Notice of Availability of Draft Conformity Determination

SUMMARY: This notice advises agencies and the public that the Bureau of Indian Affairs (BIA), in accordance with Section 170 of the Clean Air Act 42 U.S.C. 7506, and the EPA general conformity regulations 40 CFR Part 93, Subpart B, has prepared a Draft Conformity Determination (DCD) for the Cloverdale Rancheria of Pomo Indians' (TRIP) proposed 61.53-acre trust acquisition and resort casino project in unincorporated Sonoma County, California. This Proposed Action was previously analyzed in a Draft and Final Environmental Impact Statement prepared pursuant to the National Environmental Policy Act issued August 6, 2010 and April 18, 2014, respectively.

DATE: The DCD is available for public review and comment for a 30-day period beginning February 12, 2015. All comments on the DCD should be postmarked by March 12, 2015. A Final Conformity Determination on the Proposed Action will be issued no sooner than 30 days after the release of the DCD.

ADDRESSES: Mail or hand carry written comments to Chad Brummond, Environmental Protection Specialist, Bureau of Indian Affairs, Pacific Region, 2000 Cottage Way, Sacramento, California 95825. See SUPPLEMENTARY INFORMATION for directions on submitting comments and public availability of the DCD.

FOR FURTHER INFORMATION CONTACT: Chad Brummond, (916) 978-6165.

SUPPLEMENTARY INFORMATION: Under the Proposed Action, the BIA would accept 61.53 acres into trust for the Tribe. The Tribe proposes to develop a casino with 80,000 square feet of gaming area, 287,000 square-foot hotel with 244 rooms, 48,500 square-foot convention center, and 28,100 square-foot entertainment center. Approximately 3,400 parking spaces would be provided by car garage parking (1,200 spaces) and surface parking (100 spaces). The site is located in unincorporated Sonoma County, California within the sphere of influence of the City of Cloverdale. The site is situated immediately east of Highway 101 and borders Acti Road.

The Clean Air Act requires federal agencies to ensure that their actions conform to applicable implementation plans for achieving and maintaining the National Ambient Air Quality Standards for criteria air pollutants. Mobile sources associated with the project would generate emissions within the San Francisco Bay Area Air Basin (SFBAAAB), which is currently designated as a maintenance area for carbon monoxide (CO) and is within the jurisdiction of the Bay Area Air Quality Management District (BAAQMD). CO emissions associated with the project were determined to exceed de minimis thresholds in the BAAQMD, and as such are analyzed in greater detail in the DCD. Based on the information in the EIS and the DCD, the Proposed Action would conform to the State Implementation Plan (SIP) and SFBAAAB CO Maintenance Plan implemented pursuant to the Clean Air Act. As demonstrated in the DCD, modeling of CO shows that the Proposed Action would not cause or contribute to new violations of the standards, or increase the frequency or severity of any existing violations of the standards.

DIRECTIONS FOR SUBMITTING COMMENTS: Please include your name, return address and the caption, "Draft Conformity Determination Comments, Cloverdale Rancheria Fee-to-Trust and Casino Resort Project," on the first page of your written comments. DCD PUBLIC AVAILABILITY

The DCD is available online at: <http://www.cloverdale-rancheria.com/faq/index.htm>. To obtain a copy of the DCD, please provide your name and address in writing or by voicemail to Chad Brummond, Environmental Protection Specialist, at the address listed in the ADDRESSES section of this notice, or at the telephone number listed in the FOR FURTHER INFORMATION CONTACT section of this notice.
