Re: Freedom of Information Act, Former Employee: (b) (6)

My name is (b) (6) and I am looking for information on my father who was employed at the Bureau of Indian Affairs, sometime between 1978 and 1989. I am interested in documents in his personnel file in regards to his birth certificate or any Indian ancestry that points to what tribe he was affiliated with. He has passed away and I have a copy of his Death Certificate and obtained his military discharge paper. I know his social security number, but am not able to find a Birth Certificate or information on his tribal affiliation except on his Death Certificate Apache was listed.

When I requested a Birth Certificate from El Paso, TX, they were not able to find his record. I am piecing together as much information as I can from where I know he worked. I went to his office at the Bureau many occasions and was told he was the director of the 2800 Cottage Way, Sacramento office at one time. He was later moved to the Southern California office in Los Angeles. □

Because this prior request has already been processed in the past, and I am not seeking additional materials beyond the scope of the original request, it is my expectation that the responsive documents can be released to me expediently and without significant delay. If there is any reason they cannot be released simultaneously, I ask that the AS-IA FOIA officer provide me a written explanation as to the reasons why.

Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Documents sufficient to account for all training materials (such as course materials, videos, powerpoint presentations, or slides) presented to agency employees or contractors between January 1, 2021 and December, 2023 mentioning 'DEI', 'Transgender', 'Equity', or 'Pronouns'. Search Instructions: The primary custodian to search would include the Chief Diversity Officer, or any offices pertaining to Diversity, Inclusion, or EEO. Please limit all searches in response to this Request from January 1, 2021, to the present. Please include the full email chain and attachments relevant to any responsive documents to provide further context. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. This message is a formal submission under the Freedom of Information Act.

I am requesting all organization charts, official hierarchies, hierarchy ID numbers, employee directories and other records of that nature from the U.S. Assistant Secretary -- Indian Affairs (Agency) that together identify all of the Agency's component offices and the subsidiary work units comprising them, at all levels of the Agency's bureaucracy, if such records have been created, updated, shared or stored within the Agency since January 1, 2020.

For clarity, I do not explicitly or implicitly seek the names, identities, nor contact information of any individual employees if such information reasonably qualifies for FOIA exemption. Rather, I seek only the names of all offices and their subsidiary work units, by any nomenclature, that together comprise the Agency at all levels of its bureaucracy.

For purposes of this request, the words "all offices" shall be construed to include every bureaucratic entity and the work units comprising them, at all levels of the organization, in which one or more Agency employee has worked at any time since January 1, 2020.

Assigned

If a bureaucratic entity or work unit within the Agency is in any way differentiated by name, abbreviation, number, code, function, location, hierarchical position or any other means within the Agency's organization, consider such differentiating information to fall within the scope of this request.

In the plainest terms and to the degree that the Agency maintains such organization charts, official hierarchies, employee directories and/or other records of that nature, I seek a complete, comprehensive and detailed understanding of the Agency's organizational structure, at all levels of its bureaucracy.

Thank you very much for your assistance, and please call me if you have any questions at: **(b) (6)**

<a href="#">DOI-ASIA-2024-000128</a>	03/30/2024	04/01/2024 -		I am a first-year law student at the University of Utah, collaborating with a faculty member to write a scholarly article for publication in a law review. We are looking for self-determination contracts between federally recognized tribes and the United States government to compare such contracts to international treaties. We aim to submit our article to law journals in Fall of 2024. Such articles, after publication, are open to the public and serve to advance legal thought on specific subjects. I am carrying out this research to develop both my legal knowledge and legal writing skills as part of law school. We have been unable to find any examples of self-determination contracts in the public records, but I have submitted FOIA requests to various offices in the DoI listed under 88 FR 54649-01 ("Fiscal Year 2023 List of Programs Eligible for Inclusion in Funding Agreements Negotiated With Self-Governance Tribes by Interior Bureaus Other Than the Bureau of Indian Affairs; Fiscal Year 2024 Programmatic Targets") in an attempt to obtain copies of specific 638 contracts. All congressional correspondence and communications to/from Congressional Offices or Committees for the previous month including responses or document productions to outstanding, extant, or previous congressional inquiries or oversight efforts. All communications to/from the following email domains: @splcenter.org, @demos.org, @aclu.org, @nsc.eop.gov, @eop.gov, @who.eop.gov, and @ovp.eop.gov. All communications sent (not received) via email, SMS, Microsoft Teams, or Slack mentioning 'Memorandum of Agreement', '14019', 'EO' AND 'Voting' OR 'Voter' within 5 words of each other, 'GOTV', 'investigation', or 'reporting'. For any potentially responsive documents please include all file attachments regardless of type and the entire email chain for completeness. I am amicable to a rolling production as records are available. I request all responsive documents be delivered electronically, via email. From June 1, 2023 through January 1, 2024, I request a sample of up to 10 completed FOIA case files from your office's FOIA tracking system where scope clarification occurred. Each case must have all of: (1) a written agency response seeking clarification about the scope of records sought; (2) a written requester response that clarified the request; (3) a final determination letter; and (4) a case closure date within the specified date range.□

For each of these case files, I seek only: (1) the initial FOIA request; (2) the agency's scope clarification letter (or email or similar record); (3) the requester's clarification response or the request as it was ultimately processed; (4) and the final determination letter.□

Specifically, for a sample of requests where clarification was needed, I'm looking for the original request, the rationale for clarification, and the clarified request. I am studying how agencies and requesters work together to clarify and refine requests, so I need only the substance of these communications, not any personally identifying details.□

Assigned

To reduce processing time and protect privacy: please exclude any Privacy Act requests, cases where clarification was sought solely about fees, and cases where the requester never responded with clarification. And please redact all personal information (names, addresses, emails, phone numbers). If your office cannot find 10 completed case files with these criteria, please send as many case files as you can find that do.

Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Documents sufficient to account for: 1) Documentation or records identifying any personnel who transitioned from Schedule C appointments to SES positions within the last year, including the dates and circumstances of such transitions. 2) A complete list of all SES employees hired in the last year, or promoted to SES in the last year. The resume provided by the individual to the agency in connection with determining the appropriate salary for the individual, or if that is not available, a recent resume contained within the agency's records. Copies of any SF-50 forms for the individual reflecting any change in position, title, or salary, including when the employee starts or leaves a position. 3) The most recent organizational and hierarchy charts published or disseminated internally by the agency or subordinate organizational entity. Search Instructions: Please limit all searches in response to this Request from January 1, 2024, to the present. Please include the full email chain and attachments relevant to any responsive documents to provide further context. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative columnist and author, my request is in the public interest to inform the public regarding the agency's policies and procedures on the national stage relevant to domestic policy issues.
