HEARTH-adopting tribes that still used the BIA approval pathway for some leases For tribes with approved HEARTH regulations, count (by calendar year) of leases that nonetheless were processed as BIA-administered/non-HEARTH approvals during the requested period, to capture cases where a tribe had HEARTH authority but still chose to route certain leases through BIA. Department of the Interior

Subject: FOIA - BIA DTLC / DOI AVSO appraisal costs by reservation (FY2022-present)

FOIA Officer,

This is a re-request. I submitted the previous request by email to <as-ia-foia@bia.gov> and <foia@bia.gov> on about February 4 but I have not received an acknowledgment yet.

Pursuant to the Freedom of Information Act (5 U.S.C. § 552), I request records of appraisal expenditures for the Bureau of Indian Affairs (BIA), including the Office of Trust Services (OTS) / Division of Trust Land Consolidation (DTLC), where appraisal services were performed by the Department of the Interior Appraisal and Valuation Services Office (AVSO).

1) Time period
FY2022-present (October 1, 2021-present).

2) Records requested (reservation-by-reservation totals)

Please provide, by reservation and fiscal year, the total dollar amounts obligated and/or paid/reimbursed by DTLC to AVSO for appraisal services supporting DTLC purchase-offer activity, including (if tracked):

- Observation name
- Escal year
- Total dollars (obligated and/or paid/reimbursed) for appraisal services
- Number of tracts appraised
- Number of purchase offers issued (so you can compute an acceptance rate)
- Number of purchase offers accepted/closed (completed purchases), if tracked

3) If not maintained as a single summary report

If the above is not maintained in a single summary report, please provide the existing records you use to track or support those totals, such as:

- AVSO billing summaries / chargeback summaries
- IBAC (Intra-Governmental Payment and Collection) transaction summaries
- Obligation/payment transaction listings
- Any DTLC/OTS (Office of Trust Services) tracking report that links appraisals to reservation or project codes

5) Preferred format

Excel (.xlsx) or CSV for tabular data; PDF for agreements.

6) Fees

I request a fee waiver because disclosure will contribute significantly to public understanding of DTLC expenditures and program operations and is not primarily in my commercial interest. If a fee waiver is not granted, please proceed with a fee cap of \$25 and contact me before exceeding that cap.

7) Rolling production
If a rolling production, please provide records on a rolling basis.

This is a request under the Freedom of Information Act.

I request that a copy of documents containing the following information be provided to me: American Indian/ Native American scholarships from the 1930s, specifically as they relate to admissions at the University of Michigan.
