I am requesting copies of all records, files, and documents related to my family lineage, tribal affiliation, and any land allocations or trust lands connected to my ancestors. I seek information on potential family connections to Native American land patents, tribal census rolls, and federal trust land records in Mississippi, Alabama, and North Carolina, as well as any records related to Mound Bayou, Mississippi. □

Scope of Request: 1. Land Allocations, land patents, or trust land records related to my ancestors, including any Dawes Act, Indian Reorganization Act, or Indian Land Consolidation Act land claims. 2. Tribal enrollment records, Indian Census Rolls, Freedmen Rolls, or related documentation identifying potential tribal affiliations of my family. 3. Documents referencing Native communities, land transactions, or settlements that may have affected my family's ancestral ties to these regions. □

Family Names for Search Reference, to assist in locating relevant records, my known ancestral surnames include: Maternal side: (b) (6) Paternal side: (b) (6) My father is (b) (6), and my mother is (b) (6). My research suggests that my ancestors were present in Mississippi, Alabama, and possibly North Carolina, with strong ties to Indigenous groups and self-governing communities like Mound Bayou.

Dear FOIA Officer,

This is a request under the Freedom of Information Act, 5 U.S.C. § 552, submitted on behalf of Dreams Over Dollars™ (EIN: 88-2187078), a federally registered 501(c)(3) nonprofit engaged in public oversight, cultural trust research, and mineral equity transparency. I request full fee waiver and expedited processing, as outlined below.

Fee Waiver Justification – FOIA § 552(a)(4)(A)(iii): I am a SNAP recipient, Pell Grant beneficiary, and In Forma Pauperis litigant in active federal proceedings. This request is for strictly noncommercial, nonprofit purposes. Findings will be used for open-source legal filings, oversight letters, and historical land restitution documentation.

Expedited Processing Justification – FOIA § 552(a)(6)(E): The records sought concern long-term federal mineral leasing and royalty reporting from land historically connected to disinherited Indigenous and mixed-heritage families. I am a documented whistleblower with filings before DOJ, SEC, and FTC. This information is critical for active litigation (Reyna v. DSHS, Reyna v. Spotify), public trust analysis, and equity enforcement tied to Executive Order 13985.

Records Requested (1930–Present, priority on 1980–Present):

All lease records, royalty reports, production audits, or permit approvals involving oil, gas, or mineral extraction from Porción 83 and Porción 103 (Starr County, TX), including:

Leaseholders, operators, and transfer assignees;

Beneficiary reports or recipient payout logs;

Documentation of any DOE involvement or oversight of energy extraction occurring on land traced to Spanish/Mexican grants where federal energy programs or subsidies were issued for mineral development in Starr County, Maverick County, or neighboring tracts;

Any internal audits, royalty compliance reviews, or anomaly reports in which:

Tribal affiliation, heir status, or lineage-based claims complicated payout eligibility;

Silent entities or custodial trustees received mineral proceeds disconnected from documented heir lists;

Communications with or referrals to other agencies (e.g., Treasury, BLM, OCC) regarding unresolved or misattributed royalty payments or lease entitlements linked to historically Indigenous-controlled tracts;

Any DOE whitepapers, GIS overlays, or historical grant-to-patent conversion summaries referencing the integration of Porción lands into U.S. mineral policy, including notes on disputed surface/mineral severances.

This request is submitted under the Freedom of Information Act (5 U.S.C. § 552) by Dreams Over Dollars™, a 501(c)(3) nonprofit (EIN: 88-2187078), engaged in public-interest research related to tribal equity, federal disbursement transparency, and trust land restoration.

I request all records from January 1, 2005, to present concerning federal disbursements, eligibility determinations, and trust-related obligations involving:

The Kickapoo Traditional Tribe of Texas, particularly any funding issued directly or indirectly (through Texas agencies, university consortia, contractors, or municipalities).

Programs tied to Porción 83 and Porción 103, including land recovery, mineral audits, heirship trust activity, or disbursement eligibility.

Disbursement schedules, guidance documents, internal memos, and eligibility standards involving the Kickapoo, especially if:

The tribe was named, omitted, or redirected from otherwise eligible programs;

Funding was routed through GLO, TCEQ, TDA, or relevant state/federal intermediaries.

Any use of pass-through mechanisms to satisfy obligations on behalf of the Kickapoo Tribe, even where the tribe was not the named recipient.

Records referencing tribal infrastructure, housing, disaster recovery, block grants, or mineral royalties involving Maverick County, Starr County, or the Eagle Pass area.

This request also seeks internal guidance or communications related to tribal eligibility denial, redirection, or non-recognition, including use of terms such as "border counties," "tribal-adjacent," or "undesignated tribal entities."

If no records exist because programs were classified under broader categories (e.g., "tribal services," "state allocations," etc.), please provide keyword search logs or confirm record routing. (Date Range for Record Search: From 02/01/1905 To 06/19/1925)

Most importantly I am writing to request copies of all documentation that was submitted and reviewed in connection with the amendment of (b) (6) death certificate, which was amended on (b) (6).

Attached is a copy of the affidavit, provided by the Bureau of Indian Affairs (BIA), and signed by his descendants. This affidavit was used to amend the death certificate and lists (b) (6).

I kindly request any supporting records, evidence, or documents that were accepted by your office to justify the amendment based on this BIA-provided affidavit. I am conducting genealogical research to document my direct ancestry and respectfully request assistance locating additional records that may confirm a maternal link between the following individuals:

I have an affidavit to amend (b) (6) death certificate (dated 2011) signed by his descendants, listing (b) (6). However, no birth certificate or census record definitively connects (b) (6). I am seeking any historical records (church, census, tribal, baptism, school, guardianship, etc.) that might support this relationship.

I am particularly interested in:

Osage Mary Elkins had eight headrights and according to an article published by the Washington Herald on July 31, 1932 (p. 51) the Department of Justice was investigating her death. I have not been able to verify that. I am looking for any kind of documentation from the FBI, the DOJ, et al. on Elkins, but SPECIFICALLY what I have been able to find as a citation in the book "The Underground Reservation: Osage Oil" by Terry P. Wilson, is this specific document, which this is the way Wilson cites it in his references: ☐

Wright to the Commissioner of Indian Affairs, 14 August, 2 November, 10 December 1923, OAF, RG 75, NA; Osage Journal, 5 July 1923. ☐

In addition to that citation, I have pored over FBI records of the Osage oil Indian murders but have found absolutely NO MENTION of Elkins. So please, I am in great need of some sort of assistance in verifying with records that Elkins death was investigated or that there is any BIA record of Elkins at all.

FOIA Request – Records Related to Tribal Affiliation, Trust Status, or Racial Reclassification – Indian Branch, Pike County, AL□

Dear BIA Records Division,□

I am reaching out to respectfully request a records search and verification related to my documented ancestry of Muscogee (Creek) Indian descent. My family resided in Pike County, Alabama, and was historically misclassified on federal census records as Black, Mulatto, or Negro, despite tribal affiliation by descent.□

To that end, I am submitting two documents for your review:□

1. A formal letter of inquiry requesting assistance in identifying any tribal enrollment, allotment, or trust-related records connected to my ancestors.□
2. A formal FOIA request submitted under 5 U.S.C. § 552, to ensure legal access to any responsive records.□

This request specifically pertains to individuals such as (b) (6), and others in my direct line. I have included a lineage chart and census-based misclassification exhibit to assist in the review.□
