				I am making this request on behalf of Skagway Traditional Council, a federally recognized Tribal government. We are requesting access to any and all records related to the Pius X Mission: Resident School for Native Children, located in Skagway, Alaska. The school operated as a Catholic-run residential institution for Native children from 1932 to 1959.□  Please include, but do not limit the search to:□  Records of student enrollment or attendance. We have documentation from a Catholic archive indicating that the Bureau of Indian Affairs holds student records and made them available to the Church at one time.□  Correspondence or reports related to the operation of the Pius X Mission between the federal government and representatives of, but not limited to, the Diocese of Anchorage or Juneau, the Sisters of St. Anne, Father George Edgar Gallant (founder and principal), the Catholic Society of Alaska, or the Corporation of the Catholic Bishop.□  Records pertaining to funding, student placement, or oversight of the school.□  Maps, photographs, or land-use records referencing the Pius X Mission or associated properties.□  Any investigations, evaluations, or inspections of the school conducted by federal officials.□  Please conduct a search of all relevant departments, regional offices, and archived records.□  If any portion of this request is denied, please cite the specific exemption(s) used and inform me of the appeals process. If possible, I request that any responsive records be provided in digital format.□  Thank you for your help, and I look forward to your response.
